But for PG and M.Phil. students, the same assessment test will be followed, with a slight variation in view of giving importance to research-oriented activities. Out of 25 marks, 10 are given for internal tests, 5 are given for attendance, 5 are given for the assignments, and 5 are given for the seminar.

The mechanism of evaluation is transparent, and the students who have 91 to 100% attendance are given 5 marks. Students with 81-90% attendance receive four points. The students who have 75 to 80% attendance are given 3 marks as per university norms.

If a student has less than a passing grade, they are given the opportunity to take the internal test. Those who are absent are asked to write the test again.
