

ARIGNAR ANNA GOVERNMENT ARTS COLLEGE
NAMAKKAL – 637 002

(Re-Accredited with 'B' Grade by NAAC & Affiliated to Periyar University, Salem)

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Maintenance of Physical, Academic and Support Facilities

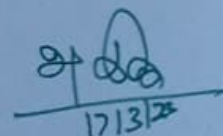

During the summer, roof water storage channels and drains are leak-proofed and cleaned. The electrical system is maintained and repaired by PWD on regular interval. An organization with strong technical skills maintains computers, networking, and CCTV cameras. Every year, the laboratory apparatus is physically checked. The computer desktops, generator, water tanks, motors, and RO system are periodically maintained.

The Department of Physical Education's support personnel takes care of the College's sports and games facilities. The College makes sure that money for infrastructure upkeep and the procurement of new equipment is allocated and used as efficiently as possible.

The Public Works Department of Tamil Nadu is in charge of all the infrastructural amenities because this is a government organization. The PWD handles all major repairs, plumbing, and electricity services. The government colleges in Tamil Nadu are given access to the computers through procurement processes.

Maintenance of the Campus

Cleaning of the campus areas in all the blocks, including the academic and administrative buildings, is performed daily in the morning before the regular classes begin with the help of the housekeeping team. Toilets are cleaned twice a day.
