THE FUNDAMENTAL RULES OF THE TAMIL NADU GOVERNMENT.

PART-I.

CHAPTER I—EXTENT OF APPLICATION

1. These rules may be called the Fundamental Rules. They shall come into force with effect from the 1st January 1922.

RULING.

The President of the Republic of India and the State Government may, by general or special orders, permit deviations from any provisions of a purely procedural nature contained in any rules made or confirmed under Article 309 of the Constitution of India provided that such deviations shall not affect the conditions of service, the pay and allowances or the pensions of officers subject to the rule-making control of the President of the Republic of India.

2. The Fundamental Rules apply, subject to the provisions of Rule 3, to all Government servants paid from the Consolidated Fund of the State and to any other class of Government servants to which Government may by general or special order declare them to be applicable. The Government may, in relation to service, under their administrative control, other than All India Services, make rules modifying or replacing any of the Fundamental Rules:

Proviso deleted (G.O.Ms.No.90 P&AR (FR.IV) dt. 5.7.2003 - w.e.f. 19.3.2003).

Note 1.—A Government servant who is paid from the Consolidated Fund of the State and who is temporarily transferred to any of the Defence Services shall remain subject to these Fundamental Rules.

Note-2.—The Service Rules shall be taken to embody and indicate fully all the provisions governing the services concerned. As laid down in the Service Rules the Fundamental Rules shall govern a service, only in the matter of leave, leave salary, pension and other such conditions of service, as have not been provided for in the Service Rules. If any provision of the Fundamental Rules is repugnant to any provisions of the Service Rules, then the provisions of the Service Rules shall prevail and the provisions of the Fundamental Rules shall, to the extent of the repugnancy, be void.

RULINGS.

(1) In cases where the Tamil Nadu Government merely record the orders of Government of India regarding Fundamental Rules, it may be assumed that the instructions issued by the Government of India will apply to Government servants under the rule-making control of Tamil Nadu Government.

(2) The personnel allotted from the former Travancore-Cochin State to the Tamil Nadu State shall be governed by the Fundamental Rules of the Tamil Nadu Government subject to the protection given by the proviso to Section 115 of the State Reorganisation Act, 1956 (Central Act 37 of 1956) in supersession of the corresponding rules, if any applicable to them.

(G.O.Ms. No.1157, Finance, dated 22nd October 1960.)

3. Unless in any case it be otherwise distinctly provided by or under the rules, these rules do not apply to Government servants whose conditions of service are governed by Army or Marine Regulations.

4. Deleted.

5. Deleted.

5-A. The Government may relax the provisions of rules or orders in such manner as may appear to them to be just and equitable provided that where any such rule or order is applicable to the case of any person or class of persons, the case shall not be dealt with in any manner less favourable to him or them than that provided by that rule or order.

RULING

Fundamental Rule 5-A applies only to relaxations in individual cases. General exemptions from the natural operation of rules can be made only by amendment of the rules by competent authority.

6. Government may delegate to any of its officers, subject to any conditions which it may think fit to impose, any power conferred upon it by these rules with the following exceptions:—

(a) all powers to make rules;

(b) the other powers conferred by rules 6,9 (6) (b), 44, 45, 83, 108-A, 119, 121 and 127 (c),

Delegation under Rule 6.

In the case of officers under their administrative control who are on leave in the United Kingdom, the Government authorize the High Commissioner for India to exercise all powers conferred on them under the Fundamental Rules except those specified in clauses (a) and (b) of Rule 6.

7. No powers may be exercised or delegated under these rules except after consultation with the Personnel and Administrative Reforms Department. It shall be open to that department to prescribe, by general or special order, cases in which its consent may be presumed to have been given, and to require that its opinion on any matter on which it has been consulted shall be submitted to the Governor by the consulting Department.

Instruction under Rule 7.

The previous consent of the Personnel and Administrative Reforms Department required under this rule to the exercise or to the delegation of the powers conferred under the Fundamental Rules, may be presumed to have been given in all cases except the following:—

(1) Proposals involving fresh delegations of power to authorities subordinate to the Government.

(2) Proposals for the issue of new Rules or the amendment of existing ones where the power to make rules has been conferred on the Government, viz., 9 (6)(b), 10, 44, 45, 45-A, 45-C, 47, 66,68, 74, 82, 93, 101 to 104, 106, 119 and 130.

Note.—All orders issuing new Rules or amending existing ones will be issued in the Personnel and Administrative Reforms Department.

(3) Proposals to issue orders under the following rules, unless covered by the Rules and/or instructions already issued under them:—

Fundamental Rules 9(6)(b), 19,20,27, proviso to Fundamental Rules 22(1)(b)(i), 33, 35, 36, 40, when the pay of the temporary post exceeds Rs. 250 or is higher than the minimum allowed for a corresponding permanent post, 44, 45, 45-A, 46 and 47 for honoraria in excess of budget provision or for which no scales have been laid down and for permitting the acceptance of fees for work done during official time or with the use or assistance of Government apparatus, materials, etc.,

48-A, when it involves any payment to a Government servant on account of the invention, 49, Note 3 under 51, when the pay of the Government servant deputed exceeds Rs. 250 per mensem or the deputation extends beyond the financial year or when there is no budget provision, 68, 93, 101 to 104, 106, 110 to 114 in all cases to which the note 2 under Fundamental Rule 114 applies, 119, 121, 127(c) and 130 and Tamil Nadu Traveling Allowance Rules 9, 13, 20, 35, 44 when a class of officers is affected or the conditions of Travelling Allowance Rules 44(1) are not fulfilled; 47 in respect of the grant of enhanced rates of daily allowance to Groups C and D officers of the Police Department deputed outside the State of Tamil Nadu in connection with the tours of the President of the Republic of India or the Prime Minister of India, 54 and 88.

8. The power of interpreting these rules is reserved to the Government.

RULING.

The omission of the general principles of interpretation inculcated in the second subparagraph of Article 4 of the Civil Service Regulations, viz., that a Government Servant's claim to pay and allowances should be regulated by the rules in force at the time in respect of which the pay and allowances are earned, to leave by the rules in force at the time the leave is applied for and granted, etc., in the Fundamental Rules does not mean that the principles are to be abrogated and the intention is that they should be followed.

CHAPTER II—DEFINITIONS.

9. Unless there be something repugnant in the subject or context, the terms defined in this chapter are used in the rules in the sense here explained—

(1) *Deleted.*

(2) *Deleted.*

(3) *Deleted.*

(4) **Cadre** means the strength of a service or a part of a service sanctioned as separate unit.

(5) **Compensatory Allowance** means an allowance granted to meet personal expenditure necessitated by the special circumstances in which duty is performed. It includes travelling allowance.

RULINGS.

Relation between Special Pay and Compensatory Allowance.

(1) The Fundamental Rules make a distinction in the definition of the terms "Special Pay" and "Compensatory Allowance". These definitions should be strictly construed and an exact compliance with the conditions stated in them is necessarily antecedent to the grant of either special pay or compensatory allowance. No necessary inter dependence can be recognised between special pay and compensatory allowance and it would be irregular to refuse to grant compensatory allowance to a Government servant when the cost of living would justify such a grant on the ground that he had already been granted special pay in consideration of the duties and responsibilities of his post or to reduce the

amount of special pay granted to an officer on the ground that for reasons essentially different, a compensatory allowance is subsequently granted.

Allowances for Loss of Privilege of Private Practice.

(2) Any allowances granted to Professors of Medical Colleges to compensate them for loss of the privilege of private practice should be treated as compensatory allowance.

(5-A) Consolidated Fund means the Consolidated Fund of the State of Tamil Nadu as defined in Article 266 (i) of the Constitution;

(5-B) Constitution means the Constitution of India.

(6) Duty—

(a) Duty includes—

(i) Service as a probationer or apprentice, provided that such service is followed by confirmation.

(ii) Joining time.

(iii) Extra leave on average pay granted to a Government servant, undergoing treatment at a Pasteur Institute.

(b) Government may issue orders, declaring that in the circumstances similar to those mentioned below, a Government servant may be treated as on duty— (i) During a course of instruction or training.

(ii) In the case of any particular class of Government stipendiary students during the period of training as a stipendiary before substantive appointment as a Government servant, for the purpose of counting for leave and increment subject to any conditions imposed by Government.

(iii) During the period of any examination (optional or obligatory) which a Government servant is permitted to attend including the number of days actually required for proceeding to and returning from the station at which the examination is held.

Instructions.

1. A list of authorised courses of instruction or training of the Government servants who may be deputed and of the authorities competent to depute them is given in Annexure I.

2. The concession in item (iii) of sub-clause (b) above shall not be granted more than twice for the same optional examination.

3. The period of interview held by the Tamil Nadu Public Service Commission for the selection of District Munsifs including the number of days actually required by service candidates for proceeding to and returning from Madras will be treated as duty under item (iii) of sub-clause (b) above.

RULINGS.

(1) Civil Officers taken prisoners or left behind in enemy-occupied territory should be regarded as still on duty for all purposes.

(2) In the case of officers of the Education Department deputed to undergo a course of training recognised by the Tamil Nadu Educational Rules, (1) the period of training as stipendiary before substantive appointment as a Government servant, and (2) the periods spent in transit to and from the training institution will count both for leave and increment in the post held prior to such training. (G.O.Ms.No. 1129, Education, dated 31st May 1929.)

Compulsory Wait for orders of Posting.

(3) When a Government servant has compulsorily to wait for orders of posting, such period of waiting shall be treated as duty. During such period, he shall be eligible to draw the pay plus special

pay which he would have drawn had he continued in the post he held immediately before the period of compulsory wait or the pay plus special pay which he will draw on taking charge of the new post, whichever is less. For this purpose, no temporary post need be created.

The compensatory allowances shall be reckoned at the rates admissible at the station in which he was on compulsory wait.

(G.O.Ms.No.235, Finance, dated 14th March 1977)

[G.O.Ms.No.430, Finance (F.R.) dated 2nd April 1973.]

Explanation 1-The Commissioner for Revenue Administration is empowered to regularise the period of waiting of the Deputy Collectors under his administrative control for orders of posting as duty under ruling (3) of rule 9 (6) (b) subject to a maximum period of thirty days.

[G.O.Ms.No.1188, Finance (FR.I), dated 18th December 1975.]

Explanation 2 (i). The Collectors are authorised to draw and disburse the pay and allowances last drawn by the Deputy Collectors who were working under their control before their transfer and who are made to wait for more than a month or 30 days for postings (compulsory wait) pending regularisation of the period of compulsory wait;

(ii) In all other cases viz., Deputy Collectors working in the Urban Land Tax, Agricultural Income Tax, etc., including those transferred from Foreign Bodies, the Commissioner for Revenue Administration will draw the pay and allowances last drawn and disburse them to the Deputy Collectors on compulsory wait after obtaining the Last Pay Certificate from their old station.

(iii) In regard to persons, who wait for postings on the disbandment of a particular post, the pay and allowances due for them will be debited to the head of account to which their last pay was debited at the time of their relief. For the drawal of pay and allowances of these categories of Deputy Collectors, the District Collectors are authorised to draw and disburse the pay and allowances to the Deputy Collectors on compulsory wait.

*[G.O. Ms. No. 1123, Personnel and Administrative Reforms (F.R.I), dated 14th November 1980—
With effect from 8th January 1979.]*

Explanation 3.—The Commissioner of Revenue Administration is empowered to regularise the period of compulsory wait of all the officers up to the level of Tahsildars of the District Revenue Units.

[G.O. Ms. No. 419, Personnel and Administrative Reforms (F.R.III), dated 5th May 1982.]

3-A. In the case of Government servants under suspension, the period from the date of order of revocation of suspension to the date prior to the date of serving the posting order on the Government servant concerned shall be treated as compulsory wait.

(With effect from 10th August 1984) [G.O. Ms. No. 182, Personnel and Administrative Reforms (FR.III) Department, dated 22nd February 1985]

3-B. In the case of a Government servant who has been dismissed or removed or compulsorily retired from service as a measure of penalty and subsequently reinstated into service, the period from the date of order of reinstatement into service to the date prior to the date of serving of the posting order on the Government servant shall be treated as compulsory wait.

(G.O. Ms. No. 117, Personnel and Administrative Reforms Department, dated 17th April 1995)

(4) The period of absence from duty of a Government servant for the purpose of interview or for medical examination for enrollment in the Territorial Army should be treated as on duty.

(Finance Memorandum No. 40725-A-C.S.R., dated 19th May 1953.)

(5) The period spent by the members of the Tamil Nadu Electrical Subordinate Service, appointed by direct recruitment, in taking over charge on their first appointments, should be treated as duty and they should be paid the pay and allowances admissible to such posts.

(Finance Memorandum No. 86068-C.S.R.-2, dated 26th November 1953.)

(6A) The period spent by newly appointed Engineer Officers from the day they report for duty to the day they complete taking over charge of posts involving verification and inspection of stores, etc., shall be treated as duty. It is not necessary to create new posts to accommodate the direct recruits since treating the period as duty is itself a sufficient sanction in this regard.

(Finance Memorandum No. 137274/F.R./65-4, dated 17th March 1966.)

(7) The authorities competent to appoint the Government servant to the post for which the training is essential, are empowered to treat the period of training or instruction in India, of the Government servant as duty under this rule, subject to the following conditions:—

- (a) the training or instruction should be in India;
- (b) the training or instruction should be connected with the post which the Government servant is holding at the time of placing him on training or instruction;
- (c) that it is obligatory on the part of the Government to send the person for such training or instruction;
- (d) the training should not be in professional or technical subjects which are normally brought under the provisions relating to “study leave ” and
- (e) the period of training should not exceed one year.

(8) The period of absence from duty of Government servants for attending meetings of the Tamil Nadu Civil Services Joint Council as representatives of Service Associations on the staff side of the Council should be treated as duty.

(9) The period of enforced halts occurring en-route on journeys undertaken by Government servants in connection with tour, temporary transfer or training, necessitated by break down of communications due to blockade of roads on account of floods, rains, heavy snow-fall, land slides, etc., or delayed sailings of ships or awaiting for the air lift shall be treated as duty under F.R. 9 (6) (b). They may be granted daily allowance at three-fourths of the rate applicable to them at the station in which the enforced halt takes place, for the period of enforced halt after excluding the first day of such halt for which no daily allowance should be allowed.

[G.O. Ms. No. 358, Finance (F.R.), dated 8th March 1972.]

(6-A) *Fee* means a recurring or non-recurring payment to a Government servant from a source other than the Consolidated Fund of India or the Consolidated Fund of a State whether made directly to the Government servant or indirectly through the intermediary of Government.

Note.—The following shall not be regarded as fees:-

- (a) unearned income such as income from property, dividends and interest on securities, and;
- (b) income from literary, cultural or artistic efforts, if such effort is not aided by the knowledge acquired by the Government servant in the course of his service.

(7) *Foreign Service* means service in which a Government servant receives substantive or officiating pay with the sanction of Government from any source other than the Consolidated Fund of the Union or of the State or of the Union Territory.

(8) Deleted.

(8-A) *Government* means the Government of Tamil Nadu.

(8-B) *Grade Pay* means the pay; admissible from time to time in the time scale of pay applicable to a Government Servant in the parent department.

[G.O. No. 106, Personnel and Administrative Reforms Department, dated 23rd February 1989 (w.e.f. 16-4-80.)]

(9) *Honorarium* means a recurring or non-recurring payment granted to a Government servant from the Consolidated Fund of India or the Consolidated Fund of a State as remuneration for special work of an occasional or intermittent character.

(10) *Joining time* means the time allowed to a Government servant in which to join a new post or to travel to or from a station to which he is posted.

(11) *Leave on average (or half or quarter average) pay* means leave on leave salary equal to average (or half or quarter average) pay as regulated by Rules 89 and 90.

(12) *Leave salary* means the monthly amount paid by Government to a Government servant on leave.

(13) *Lien* means the title of a Government servant to hold substantively, either immediately or on the termination of a period or periods of absence, a permanent post including a tenure post, to which he has been appointed substantively.

RULING.

In the case of a Government servant, who holds no lien on any appointment except that which it is proposed to abolish, the correct practice in deciding the exact date from which the appointment is to be abolished would be, to defer the date of abolition upto the termination of such lien as may be granted.

(Comptroller and Auditor-General's Memo.No.641/A-194/22, dated 13th September 1922.)

(14) Local fund means—

(a) revenues administered by bodies which, by law or rule having the force of law, come under the control of Government, whether in regard to proceedings generally or to specific matters such as the sanctioning of their budgets, sanction to the creation or filling up of particular posts or enactment of leave, pension or similar rules; and

(b) the revenues of any body which may be specially notified by Government as such.

(15) *Deleted.*

(16) *Deleted.*

(17) *Ministerial servant* means a Government servant of a Subordinate Service whose duties are entirely clerical and any other class of servant specially defined as such by general or special order of Government.

(18) *Month* means a calendar month. In calculating a period expressed in terms of months and days, complete calendar months, irrespective of the number of days in each, should first be calculated and then add number of days calculated subsequently.

RULINGS.

Calculation of Calendar Months.

Calculation of a period expressed in terms of months and days—

(a) To calculate 3 months and 20 days on and from the 25th January, the following method should be adopted:—

	Y.	M.	D.
25th January to 31st January	0	0	7
February to April	0	3	0
1st May to 13th May	0	0	13
<hr/>			
	0	3	20
<hr/>			

(b) The period commencing on 30th January and ending with 2nd March should be deemed as 1 month and 4 days as indicated below:—

	Y.	M.	D.
30th January to 31st January	0	0	2
February	0	1	0
1st March and 2nd March	0	0	2
	0	1	4

The above ruling shall take effect from 2nd February 1971.

[G.O.Ms.No.1480, Finance (F.R.) dated 13th October 1971.]

(19) *Officiate*.—A Government servant officiates in a post when he performs the duties of a post on which another person holds a lien. Government may, if it thinks fit, appoint a Government servant to officiate in a vacant post on which no other Government servant holds a lien.

Delegation under Rule 9 (19).

The authority which has power to make a substantive appointment to a vacant post may appoint a Government servant to officiate in it.

Instruction under Rule 9 (19).

A post vacated by a Government servant who has been dismissed should not be filled substantively, pending the result of such appeal as the rules permit.

(21) (a) Pay means the amount drawn monthly by a Government servant as—

(i) the pay, other than special pay or pay granted in view of his personal qualifications which has been sanctioned to a post held by him substantively or in an officiating capacity or to which he is entitled by reason of his position in a cadre;

(ii) special pay and personal pay; and

(iii) any other emoluments which may be specially classed as pay by Government.

Note.—The “Compensation Allowance” granted to the technical workers of the Government Press will be treated as ‘Pay’ for the purpose of calculating leave salary.

RULING.

P a y .

(1) The following are not allowed to count as pay. (The list is not necessarily exhaustive):—

(i) Fees paid to Law Officers in addition to their pay, unless the Government declares them to be pay.

(ii) Hill allowance.

(2) Additional pay drawn under F.R. 49 shall be allowed to count as pay.

(22) *Permanent Post* means a post carrying a definite rate of pay sanctioned without limit of time.

(23) *Personal Pay* means additional pay granted to a Government servant—

(a) to save him from loss of substantive pay in respect of a permanent post other than a tenure post due to a revision of pay or to any reduction of such substantive pay otherwise than as a disciplinary measure; or

(b) in exceptional circumstances, on other personal considerations.

(24) *Presumptive Pay of a Post*, when used with reference to any particular Government servant, means the pay to which he would be entitled if he held the post substantively and were performing its duties; but it does not include special pay unless the Government servant performs or

discharges the work or responsibility or is exposed to the unhealthy conditions, in consideration of which the special pay was sanctioned.

RULING.

The first part of the Definition is intended to facilitate the use of the term in relation to a Government servant who has been absent from a post for some time but still retains a lien on it.

(25) *Special pay* means an addition, of the nature of pay, to the emoluments of a post or of a Government servant, granted in consideration of—

- (a) the specially arduous nature of the duties; or
- (b) a specific addition to the work or responsibility; or
- (c) the unhealthiness of the locality in which the work is performed.

RULINGS.

Special pay for X-ray work.

(1) In support of the claim for special pay drawn for Government servants doing part-time X-ray work in medical institutions, a certificate in the following form should be attached to the pay bill:-

“Certified that the Government servants for whom the special pay has been drawn have done Xray work “

“Certified that the Government servants for whom the special pay has been drawn have done Xray work and have undergone the requisite training at the X-ray Institute or elsewhere”.

(G.O.Ms.No.656.P.H.(L.S.G.) dated the 18th August 1924)

(2) Typists-clerks and typists of the vacation department may draw special pay during the vacation period.

(3) Provided sanctioning authorities limit the allowances for the unhealthiness of a locality to cases in which the locality is likely to cause illness or impair vitality, it is reasonable that the allowance should be taken into account in calculating leave salary and pension. This limitation is inherent in the rule as it stands and Government should, in granting the allowance, invariably see that the condition is satisfied.

(4) A certificate in the following form should be furnished by the drawing officers in the bills in which the special pay sanctioned on account of the unhealthiness of the locality is drawn:—

“Certified that the special pay has not been claimed for officers or subordinates, who are natives of or domiciled in the localities (specified in rule 10 of the Manual of Special Pay and Allowances, Vol. I) for which the special pay is drawn.”

(5) the following principles shall be followed in the matter of granting special pay:—

(a) Special pay should be granted only when the conditions of Rule 9 (25) strictly apply. It should not be given merely for the purpose of improving the prospects of a service or for the purpose of serving as a substitute or as an addition to a selection grade of pay.

(b) The post in the ordinary time-scale of a service will naturally vary in intensity and responsibility but this is no ground ordinarily for granting special pays to the holders of the heavier charges. If owing to circumstances a junior officer has to hold one of the more responsible regular charges, he is thereby given an opportunity of proving his fitness for higher posts.

(c) The placing of an officer on special duty does not necessarily mean that his work becomes specially arduous or so increased in quantity and responsibility as to justify special pay. An officer's posting is in the hands of Government and he has no right to refuse a post which Government, in the cause of the Public Service allots to him. This applies also to officers transferred by agreement between two Governments from one Government to another. A protest against a posting should be formally

admitted only on the ground of loss of pay or prospects and even on these grounds, Government is the final arbiter.

(d) A comparison between the circumstances of one officer and another or of one service and another should not be accepted necessarily as an argument for the grant or for the enhancement of special pay.

For certain regular posts it has been found convenient not to fix a specific rate of pay but to remunerate their holders in the form of grade pay plus special pay. While in the main, the principles set out above apply to such special pay, there are certain obvious differences between the circumstances of such posts and the class of post to which frequent proposals to attach special pay arise.

(The Comptroller and Auditor-General's Endorsement No.646, G.B.E.72/36, dated 9th March 1936.)

(26) Deleted.

(27) *Subsistence Grant* means a monthly grant made to a Government servant who is not in receipt of pay or leave salary.

(28) *Substantive Pay* means the pay other than special pay, personal pay or emoluments classed as pay by the Government under rule 9 (21) (a) (iii), to which a Government servant is entitled on account of a post to which he has been appointed substantively or by reasons of his substantive position in a cadre.

(30) *Temporary Post* means a post carrying a definite rate of pay sanctioned for a limited time.

(30-A) *Tenure Post* means a permanent post which an individual Government servant may not hold for more than a limited period.

Note.—In case of doubt, Government may decide whether particular post is or is not, a tenure post.

(30-B) *Supernumerary Post* means a person oriented post created for a limited period and for a limited purpose to accommodate a person in certain contingencies.

(with effect from 15th March 1996)

[G.O. Ms. No. 146, Personnel and Administrative Reforms (FR.IV) Department, dated 15th March 1996.]

RULINGS

(i) A supernumerary post is normally created to accommodate the lien of an Officer, who, in the opinion of the authority competent to create such a post, is entitled to hold a lien against a regular permanent post but who, due to non-availability of regular permanent post, cannot have his lien against such a post;

(ii) It is a shadow post, that is no duties are attached to such posts. The Officer whose lien is maintained against such a post, generally performs duties in some other vacant temporary or permanent post;

(iii) It can be created retrospectively only if another vacant permanent or temporary post is not available to accommodate the person whose lien is retained by the creation of the supernumerary post;

(iv) It shall not be created for an indefinite period as other permanent posts are, but shall normally be created for a definite and fixed period sufficient for the purpose in view;

(v) It is personal to the officer for whom it is created, and no other officer can be appointed against such a post. It stands abolished as soon as the Officer for whom it was created, vacates it on account of retirement or confirmation in another regular permanent post or for any other reason;

(vi) No extra financial commitment is involved in the creation of such posts in the form of increased pay and allowances, pensionary benefits, etc., except the circumstances arising out of the orders passed by a Court of Law including Tamil Nadu Administrative Tribunal.

(with effect from 15th March 1996)

[G.O. Ms. No. 147, Personnel and Administrative Reforms (FR.IV) Department, dated 15th March 1996.]

(31) (a) Time-scale of pay means pay which, subject to any conditions prescribed in these rules, rises by periodical increments from a minimum to a maximum.

(b) Time-scales are said to be identical if the minimum, maximum, the period of increment and the rate of increment of the time-scales are identical.

(c) A post is said to be on the same time-scale as another post on a time-scale if the two time-scales are identical and the posts fall within a cadre or a class in a cadre, such cadre or class having been created in order to fill all posts involving duties of approximately the same character or degree of responsibility, in a service or establishment or group of establishment; so that the pay of the holder of any particular post is determined by his position in the cadre or class and not by the fact that he holds that post.

RULING

Two time-scales should be treated as identical within the meaning of Fundamental Rule 9(31)(b) though the scales may differ in the matter of provision of efficiency bar.

[G.I.M.F. Memo No.F2(7)E/III-63, dated 10th April 1963.]

(32) *Travelling Allowance* means an allowance granted to a Government servant to cover the expenses which he incurs in traveling in the interests of the public service. It includes allowances granted for the maintenance of conveyances.

Subsidiary Definitions

(i) A competent authority in respect of any officer, is in so far as any power delegated under these rules is concerned, the authority to which such power has been delegated and where no such specific delegation, has been made, the competent authority is, unless otherwise stated, the authority in whom the power to appoint such office, has been, or is, vested from time to time by Government.

(ii) *Heads of departments*.—For the purpose of these rules, the expression “heads of departments” shall include the officers specified in Appendix II.

In the case of officers who are not subordinate to any of the above heads of departments, questions which call for disposal by heads of departments should be referred to the Secretary to Government in the department concerned.

(iii) Basic service includes all service in the following appointments unless declared by Government to be superior:—

(a) Service as peon, head peon, chobdar or duffadar.

(b) Service in posts the pay of which does not exceed Rs.720.*

(G.O.Ms.No.185, Finance, dated 6th March 1968.)

*[G.O. Ms. No. 1071, P. & A.R. (FR.III) Dept., dt. 31-10-1986—w.e.f. 1-10-84.]

All other service is superior.

Note.—Service in the posts specified in Appendix II shall be treated as superior.

RULING.

The question whether a Government servant is in superior or Basic Service should be decided with reference to the pay actually drawn by the Government servant at the time.

The fact that the post of masalchi is included in the Tamil Nadu Basic Service does not affect the question of treating the holder of that post as superior or last grade for the purposes of Fundamental Rules. The status of a particular individual should be decided with reference to Subsidiary Definition (iii) (b) under Rule 9.

(G.O. Ms. No. 3580, L.A., dated 21st September 1937 and G.O.Ms.No. 320, Finance, dated 8th May 1930.)

Exception.—The service of ex-State employees retained under Section 69(2) of the Estates Abolition Act, shall, for the purpose of grant of leave and leave salary be regarded as 'Superior' if similar categories in Government service are treated as 'Superior' irrespective of the pay drawn by them in the service of this State.

(Memo.No.5597-C.S.R.2, dated 16th February 1962.)

9-A. Classification of Government servants:-

PART II

CHAPTER III - GENERAL CONDITIONS OF SERVICE.

10. No person except a military pensioner may be substantively appointed (otherwise than as a menial paid from contingencies) to a permanent post (whether pensionable or not) in a Government service unless he has produced a certificate of physical fitness in the Form prescribed in Annexure I-A. The Government may, in individual cases, dispense with the production of such certificate and may, by general order, exempt any specified class of Government servants from the operation of this rule.

Instructions.

(1) The certificate prescribed above must ordinarily be signed by a Commissioned Medical Officer or a Civil Medical Officer of rank not lower than a Civil Surgeon or Honorary Medical Officers of Civil Surgeon's rank (viz., Honorary Physicians and Honorary Surgeons) or District Medical Officer but in the case of a person whom it is proposed to appoint to a post the maximum pay of which is not more than Rs.450 and who cannot conveniently be brought before an officer of higher rank, a certificate from an Assistant Surgeon or an Honorary Assistant Surgeon with the M.B.B.S. degree may, at the discretion of the appointing authority, be accepted. If the appointing authority is not satisfied with the certificate granted by an Honorary Assistant Surgeon, he may demand a second Certificate from a non-honorary medical officer.

(2) In the case of a Government servant who produced a medical certificate of fitness before the Tamil Nadu Public Service Commission as a candidate for a post in Government service, no further medical examination should ordinarily be required before employment or confirmation:

Provided that in the case of an approved probationer who is not a full member of any other service, State or Subordinate, the appointing authority may, if it has reason to believe that the probationer's

physical fitness has seriously deteriorated since he satisfied the Commission, require him to undergo a fresh medical examination.

If the production of a further medical certificate is considered unnecessary, the certificate produced before the Tamil Nadu Public Service Commission shall be accepted as final:

Provided further that an approved probationer who is not a full member of any service and who has produced before the Tamil Nadu Public Service Commission a certificate of physical fitness signed by an officer lower in rank than that of a Civil Surgeon or a District Medical Officer shall not be appointed substantively to a post the maximum of the scale of pay applicable to which is more than Rs.450 per mensem unless he produces a medical certificate of physical fitness signed by a Commissioned Medical Officer or a Civil Surgeon or a District Medical Officer.

(3) A Government servant in whom a defect has been noticed by the Medical Officer who granted him his first certificate of health may not be transferred from the office to which he was originally appointed to another office, the duties of which are different in character except on production of a certificate from a Commissioned Medical Officer or a Civil Surgeon or a District Medical Officer to the effect that the defect will not materially interfere with the discharge of his new duties by the Government servant transferred.

(4) The fact that a candidate trained in a Government training institution has produced a certificate of general health before admission into the institution will not relieve him of the necessity of obtaining a fresh certificate before admission into Government service.

RULING.

The physical fitness certificates of the approved candidates received from the Tamil Nadu Public Service Commission should be kept securely fastened in the Service Books of the Government servants concerned. Necessary entry regarding the receipt of medical certificate may also be made in the Service Books.

[G.O.Ms.No.945, Finance (F.R.), dated 18th July 1972.]

11. RULINGS.

[G.O. Ms. No. 145, Personnel and Administrative Reforms (FR. IV) Department, dated 14th March 1996.]

“11.(b) The Government servants who go abroad for Seminars, Conferences, Workshops, Higher Studies, Refresher Courses, Inservice Training and Specialised Training at their own cost by availing Extra-ordinary Leave without allowances need not execute a bond.”

[G.O. Ms. No. 91, Personnel and Administrative Reforms (FR. IV) Department, dated 30th May 2000.]

(with effect from 8th January 1997)

12.(a) Two or more Government servants cannot be appointed substantively to the same permanent post at the same time.

(b) A Government servant cannot be appointed substantively to two or more permanent posts at the same time.

(c) A Government servant cannot be appointed substantively to a post on which another Government servant holds a lien.

12-A. Unless in any case it be otherwise provided in these rules, a Government servant on substantive appointment to any permanent post acquires a lien on that post and ceases to hold any lien previously acquired on any other post.

13. Unless his lien is suspended under Rule 14 or transferred under Rule 14-B, a Government servant holding substantively a permanent post retains a lien on that post—

(a) while performing the duties of that post;

(b) while on foreign service, or holding a temporary post or officiating in another post;

(c) during joining time or transfer to another post; unless he is transferred substantively to a post on lower pay in which case his lien is transferred to the new post from the date on which he is relieved of his duties in the old post;

(d) while on leave other than refused leave granted after the date of retirement under Rule 86 or corresponding other rules; and

(e) while under suspension.

14. (a) Government shall suspend the lien of a Government servant on a permanent post which he hold substantively if he is appointed in a substantive capacity— (1) to a tenure post, or

(2) Deleted.

(3) Provisionally, to a post on which another Government servant would hold a lien had his lien not been suspended under this rule.

(b) Government may, at its option, suspend the lien of a Government servant on a permanent post which he holds substantively if he is deputed out of India or transferred to foreign service, or, in circumstances not covered by clause (a) of this rule, is transferred, to a post in another cadre, and if in any of these cases there is reason to believe that he will remain absent from the post on which he holds a lien for a period of not less than three years.

(c) Notwithstanding anything contained in clause (a) or (b) of this rule, a Government servant's lien on a tenure post may, in no circumstances be suspended. If he is appointed substantively to another permanent post, his lien on the tenure post must be terminated.

(d) If a Government servant's lien on a post is suspended under clause (a) or (b) of this rule, the post may be filled substantively and the Government servant appointed to hold it substantively, shall acquire a lien on it; provided that the arrangements shall be reversed as soon as the suspended lien revives.

Note.— (1) This clause shall also apply to a post in a selection grade of a cadre.

(2) When a post is filled substantively under this clause, the Government servant appointed will hold a provisional lien on the post and that lien will be liable to suspension under clause (a) but not under clause (b) of this rule.

(e) A Government servant's lien which has been suspended under clause (a) of this rule shall revive as soon as he ceases to hold a lien on a post of the nature specified in sub-clause (1) or (3) of that clause.

(f) A Government servant's lien which has been suspended under clause (b) of this rule shall revive as soon as he ceases to be on deputation out of India or on foreign service or to hold a post in another cadre, provided that a suspended lien shall not revive because the Government servant takes leave, if there is reason to believe that he will, on return from leave, continue to be on deputation out of India or on foreign service or to hold a post in another cadre and the total period of absence on duty will not fall short of three years or that he will hold substantively a post of the nature specified in sub-clause (1) or (3) of clause (a).

Delegation under Rule 14 (b).

(1) A Head of Department is empowered to suspend a lien in respect of any post to which it or an authority subordinate to it can appoint.

(2) The Curator, Tamil Nadu Archives, is empowered to suspend the lien of the members of the staff of his office working in other offices.

Instruction under Rule 14 (b).

The lien of an officer cannot be suspended while he is on probation in another post. If the officer completes the period of probation satisfactorily, suspension of lien may be made with retrospective effect from the date on which the officer was transferred to other duty, provided that the conditions in Rule 14 (b) are otherwise satisfied.

RULINGS.

Provisionally Substantive Appointments.

(1) The period of three years prescribed in this rule applies to the probable duration of the absence of any particular officer from his own substantive appointment and not to the permanency of the post to which he is transferred.

In the case of posts sanctioned for a shorter period and subsequently extended to three years, suspension of lien is permissible from the date of creation of the temporary post but whether provisionally substantive arrangement is permissible from this date or from any subsequent date is a matter which is entirely at the discretion of the head of the office or of the Government.

(G.I.F.D. No. 172, C.S.R., dated 10th March 1913.)

(2) The term "Cadre" used in rule 14(b) will apply to all the posts in a service sanctioned as a separate unit. The expression "separate unit" is meant to cover all posts in a service, appointments to which are made by the same authority and is intended to apply to posts in different offices or establishments and not to those in the same office or establishments.

(3) The suspension of lien of a Government servant under rule 14(b) is permissible only in the case of transfer to another service. In other words, it is not permissible when a Government servant in the subordinate service is promoted to the corresponding State Service or when a Government servant holding a lien on a permanent post is promoted to another post in the same service or department.

(4) Under the existing provision of Fundamental Rule 14, it is possible for more than one person to be appointed in a provisionally substantive capacity against a single post. In as much as the pay of a Government servant in his provisionally substantive post is being treated "as substantive pay" for purposes of fixation of pay on his appointment to another post, the present rule confers unintended benefits on all the individuals so appointed. The Government have, therefore, decided that the operation of Fundamental Rule 14 should be restricted so as to permit only one provisionally substantive appointment against one post. Accordingly, the lien acquired by a Government servant on his appointment in a provisionally substantive capacity under clause (d) of the rule should not, in future, be suspended if he is deputed out of India or is transferred to a post of the nature specified in clause (b) of the rule.

(G.O. Ms. No. 942, Finance, dated 25th May 1955.)

14-A. (a) Except as provided in clauses (c) and (d) of this rule a Government servant's lien on a post may, in no circumstances be terminated, even with his consent, if the result will be to leave him without a lien or a suspended lien upon a permanent post.

(b) Deleted.

(c) Notwithstanding the provisions of Rule 14 (a), the lien of a Government servant holding substantively a permanent post shall be terminated while on refused leave granted after the date of retirement under Rule 86 or corresponding other rules. Vide G.O. 829, Personnel and Administrative Reforms Department, dated 26-8-1985.

(d) A Government servant's lien on a post shall stand terminated on his acquiring a lien on a permanent post (whether under the Government or the Central Government or any other State Governments) outside the cadre on which he is borne.

(G.O. Ms. No. 484, Finance, dated 6th June 1968.)

RULING.

"The provision of Fundamental Rule 14-A apply only so long as a Government servant remains in Government service. In cases where permanent Government servants are permitted to be permanently absorbed in non-Government service in the public interest it should be incumbent on the foreign employer to consult the parent employer before issuing orders absorbing the Government servant permanently in his service. The lien of the Government servant in the permanent post under Government stands automatically terminated with the cessation of Government service, that is, from the date of permanent absorption.

The Government servants absorbed permanently under the autonomous Corporations or Undertakings owned by State or Central Government need not be asked to tender a formal resignation of their post under the State Government as the issue of orders of absorption and acceptance of the same by the Government servant would be construed as surrender of their rights as Government servants. From the date of such absorption; payment of pension and leave salary contribution shall be stopped, as he will cease to be a Government servant.

Such termination of lien in the Government service will be without prejudice to his entitlement to retirement benefits admissible under G.O. Ms. No.569, Finance, dated the 28th April 1961 as amended subsequently."

[G.O. Ms. No. 907, Finance (F.R.I), Finance, dated 13th August 1976.]

The amendment hereby made shall be deemed to have come into force on the 9th July 1974.

14-B. Subject to the provisions of rule 15, Government may transfer to another permanent post in the same cadre the lien of a Government servant who is not performing the duties of the post to which the lien relates, even if that lien has been suspended.

Delegation under Rule 14-B.

A head of a department is empowered to transfer a lien provided that it or an authority subordinate to it is authorized to make appointments to both the posts concerned.

15.(a) Government may transfer a Government servant from one post to another provided that, except—

(1) on account of inefficiency or misbehaviour; or

(2) on his written request a Government servant shall not be transferred substantively to or appointed to officiate in a post carrying less pay than the pay of the permanent post on which he holds a lien or would hold a lien had his lien not been suspended under Rule 14.

(b) Nothing contained in clause (a) of this rule or in clause (13) of Rule 9 shall operate to prevent the re-transfer of a Government servant to the post on which he would hold a lien, had it not been suspended in accordance with the provisions of clause (a) of Rule 14.

16. A Government servant may be required to subscribe to a provident fund or other similar fund in accordance with such rules as Government may by order prescribe.

17. A Government servant shall begin to draw the pay and allowances attached to his tenure of a post with effect from the date when he assumes the duties of that post, and shall cease to draw them as soon as he ceases to discharge those duties.

Instructions under Rule 17.

1. Ordinarily, the duties of a post shall be assumed and given up by the relieving and relieved Government servants simultaneously at headquarters, both of them being present. They should both sign a certificate indicating the place and the date and hour at which the change in the incumbency of the post has taken place. The transfer should ordinarily not take place on a Sunday.

2. The Government in the case of heads of departments and the head of the department concerned in other cases, may direct that the transfer shall be effected at a specified place other than the headquarters or that the two Government servants concerned shall communicate to one another by post or telegram that they have respectively assumed or given up the duties of a post with effect from a specified date.

(G.O.Ms.No.757, Finance, dated 2nd July 1951.)

The above directions may be issued only for special reasons of a public nature or when a Government servant who has been transferred, is spending a vacation at a place other than his headquarters. The exact nature of the reasons should be recorded as a part of the order, full consideration being given to the financial effect which the order will produce.

3. A Government servant will begin to draw the pay and allowances attached to his tenure of a post with effect from the date on which he assumes the duties of that post if the charge is transferred before noon of that date. If the charge is transferred afternoon, he commences to draw them from the following day. This rule does not, however, apply to cases in which it is the recognized practice to pay Government servant at a higher rate for more important duties performed during a part only of a day.

RULINGS.

(1) Transfer of an officer is not completed until the certificate of transfer of charge has been signed by both the relieving and the relieved Government servants. When once signed, the relieved Government servant must be regarded as on joining time and must take charge of his new office before its expiry. Ordinarily the transfer should be completed before the expiry of the joining time of the relieving Government servant and it is his duty to arrive at, the place of transfer in time to enable him, within his joining time, to complete the transfer. In case in which the relieving Government servant does not sign the transfer certificate within this period, he should be treated as having exceeded his joining time.

(G.O.No.633, Finance, dated 4th October 1906.)

(2) In cases where store keepers and lower division clerks in charge of stores in the Agricultural Department are transferred and the transfer of charge is prolonged, so that two Government servants will be entitled to draw pay and allowances simultaneously for the same appointment, the procedure laid down in paragraph 513 of the Tamil Nadu Public Works Account Code should be followed. The Officers of Agricultural Department not below the rank of Deputy Director of Agriculture or Research Officers will certify whether the period spent is reasonable or not.

The Director of Agriculture is empowered to sanction a reasonable period up to a maximum of five days for handing and taking over charge by the Upper Subordinates of Agricultural Department who are holding stocks and stores and to permit them to draw pay and allowances simultaneously in the same post for the period. He should certify whether the time spent is reasonable or not. The procedure laid down in paragraph 513 of the Tamil Nadu Public Works Account Code should be followed.

(G.O.No.765, Development, dated 25th February, 1947.)

(Memo.No.100855/F.R./65-6, Finance, dated 20th January 1966.)

The Director of Agriculture is empowered to sanction a reasonable period up to a maximum of seven days for handing and taking over charge by the incoming and out going Agricultural Engineering Supervisors and Store-keepers in the Agricultural Engineering Sections and to permit them to draw pay and allowances simultaneously in the same post for the period. He should certify whether the time is reasonable or not. The Procedure laid down in paragraph 513 of the Tamil Nadu Public Works Account Code should be followed.

(Finance Memo.No.69417-C.S.R.-4, dated 23rd November 1954.)

The Regional Divisional Engineers (Agricultural Engineering), General Superintendents, Government Agricultural Engineering Workshop, Madras, Agricultural Implements Workshop, Tiruvarur and Tractor Workshops at Coimbatore, Madurai, Tiruchirappalli and Vellore are empowered to sanction a reasonable period up to a maximum number of days indicated in column (3) of the Table appended below for handing and taking over charge by the staff of the Agricultural Engineering Branch who are holding stocks and stores and to permit them to draw pay and allowances simultaneously in the same post for that period. The procedure laid down in paragraph 513 of the Tamil Nadu Public Works Account Code should be followed:—

(with effect from 2nd December 1989)

[G.O. Ms. No. 92, Personnel and Administrative Reforms (FR.III), Department, dated 18th March 1992.]

(3) In cases involving transfer of charge of an officer elsewhere than at headquarters, the exact nature of the reasons should be expressed on the face of the record and that Audit Officers should challenge all orders in which this has not been done—*vide* the second sub-paragraph of Instruction 2 under rule 17.

(4) If, in consequence of the absence during vacation of a Government servant whose leave is governed by rule 82, it is necessary to place another Government servant in-charge for the performance of work that may arise during the vacation, such charge must be arranged for without expense to Government.

(G.O.No.806, Public, dated 16th August 1900.)

(5) In the event, however, of an officer proceeding on leave direct from the borrowing department, his services will be replaced at the disposal of the lending department from, the date, following the date of termination of the leave on average pay or earned leave, as the case may be, granted by the borrowing department. The allocation of transit pay and allowances, traveling allowance and leave salary, will, in such cases, be governed by the ordinary rules irrespective of the date of reversion.

(G.O.Ms.No.2038, Home, dated 10th July 1946.)

(7) The Manager, Central Police Stores, Madurai, may be allowed by the Superintendent of Police, Madurai, extra joining time to cover the actual period of transfer of charge, subject to a maximum of five working days.

(G.O. No. 3488, Home, dated 7th November 1946.)

(8) In case where store-keeper in the Medical Department in the Madras City, Medical Officers, Nursing Superintendents, Lay Secretaries and Treasurers. Head Nurses, Chief Pharmacists, Pharmacists and Medical Store-keeper in-charge of stores in the Government Medical Institutions are transferred from one institution to another either in the city or in the mofussil and transfer of charge is prolonged so that both the Government servants (i.e., the one handing over charge and the one taking over charge) will be entitled to draw pay and allowances simultaneously for the same appointment, the procedure laid down in paragraph 513 of the Tamil Nadu Public Works Account Code should be followed.

(9) The Director, Tamil Nadu Motor Vehicles Maintenance Department is empowered to sanction a reasonable period upto a maximum number of days indicated in Col. (3) of the Table appended below for handing over and taking over charge by the Store Keepers and Assistant Store-keepers in Tamil Nadu Motor Vehicles Maintenance Department who are holding stocks and stores, and to permit them to draw pay and allowances for the period of taking over and handing over charges simultaneously.

RULING.

Fundamental Rule 18 does not relate to a case where a Government servant is restrained from resuming duty by an order placing him under suspension. Sanction of the Government in such a case is, therefore, not necessary.

(G.O.Ms.No.245, Finance, dated 27th February 1958.)

PART III.

CHAPTER IV-PAY.

19. (1) The Pay of a Government servant shall not be increased so as to exceed the maximum of the time-scale of pay applicable to the post without the sanction of the authority competent to create the post.

**(2) Notwithstanding anything contained in sub-rule (1) Government may grant—
(i) Personal Pay; or (ii) Special pay:**

Provided that the amount of such personal pay or of such special pay or both, shall not exceed one-fifth of the pay (excluding personal and special pay) of the Government servant or Rs.300 per mensem whichever is less.

RULINGS.

Fixation of pay under the 'next below' rule.

(1) The following guiding principle has been laid down for the working in future of (the convention usually known as) the "next below" rule as affecting officiating promotions:—

The intention of the so-called rule is that an officer out of his regular line should not suffer by forfeiting acting promotion which he would otherwise have received had he remained in his regular line. From that it follows that the fortuitous acting promotion of some one junior to an officer, who is put out of the regular line does not in itself, give rise to a claim under the "next below" rule. Before such a claim is established, it should be necessary that all the officers senior to the officer, who is out of the regular line have been given acting promotion, and also the officer next below him unless in any case, the acting promotion is not given because of inefficiency, unsuitability or leave. In the event of one of these three bars being applicable to the officer immediately below the officer outside his regular line, then some other officer, even more junior, should have received acting promotion and the officers, if any, in between should have been passed over for one of these reasons.

[G.O.No.576, Public (Services), dated the 21st March 1936.]

Note.- (1) All cases involving the grant of concession of so-called "next below" rule should, subject to the observance of the guiding principle for its working, be regulated under the second proviso to Rule 22-(1) (b) (ii).

(2) (i) Holders of special posts such as Secretary to a Governor or a Secretary to Government should be ready to accept loss of officiating promotions to higher posts in the ordinary line for short periods in consequence of their incumbency of special posts and when the stage is reached at which their retention involves loss of substantive or lengthy officiating promotions, the proper course would be to make arrangements to enable them to be released from the special posts rather than to compensate them for the loss of officiating promotion under the "next below" rule.

[Letter No.150/41, Establishments, dated 23rd April 1942, from the Government of India, Home Department, Government of India (Home), letter No.277/42, Establishment, dated the 4th January 1944, Communicating extract of India Office letter No.S.N.G.,2688/43, dated 29th October 1943.]

(ii) The above decision was not intended to modify in any way the working of the "next below" rule. If, therefore, the conditions laid down in the rule are satisfied in the case of _____, he should be given the benefit of it; otherwise his case should be dealt with in accordance with the ruling given in the following paragraph:-

(a) The words "short periods" in paragraph (i) above, shall be interpreted as meaning periods not exceeding three months and that in cases where an officer is deprived of officiating promotion to a higher paid post owing to its being impracticable, for the time being, to release him from a post outside the ordinary line, no compensation shall be granted in respect of the first three months of his retention in the lower paid post unless the conditions of the "next below" rule are satisfied.

(b) In cases where the period for which officiating promotion is lost exceeds three months, the officer concerned may be granted the pay of the higher-paid post for the excess period but arrangements should be made *wherever possible* to avoid depriving officers of lengthy periods of officiating promotion.

(iii) Save in exceptional circumstances, no officer to whom the "next below" rule would apply should be retained in a lower-paid post for more than six months beyond the date on which he becomes due to officiate continuously in a higher post.

(3) The question arises whether the period spent in the Defence Services by a Government servant, who holds substantively a permanent post in Civil employ and has been granted an Emergency Commission should, on his appointment on return from Military duty to a higher post in which he would have officiated but for his absence on such duty, be allowed to count for increments in the time-scale of the higher Civil Post. If posts in the Defence Services held by permanent civil officers who have been granted Emergency Commissions are specified as posts "outside the ordinary line of a service" for the purpose of the second proviso to Rule 30 (1) by the State Government in respect of their own officers including officers under the rule-making control of the President of the Republic of India, no difficulty will arise in the matter of counting of any periods spent in Military Service by a substantive Civil Government servant during which he would but for his absence from the regular line have officiated in a higher post towards increments in the time-scale of the higher post. If under the President of the Republic of India *ad hoc* rule of 14th April 1942, the Governor in his individual judgment specifies posts in the Military side held by Civil Officers granted Emergency Commissions as being outside the ordinary line of a service for purposes on the second proviso to Rule 30(1), the Comptroller and Auditor-General will be prepared to accept in audit such specification as covering cases of promotion of President's Officers even prior to the 14th April 1942, if the necessary declaration is made now by the Government of Tamil Nadu in respect of these cases.

(2) (a) An officer holding any post substantively should not lose in his substantive pay on his promotion to a higher post on the revised scale of pay. Under Rule 19, if the substantive pay of an officer is higher than the maximum of the new revised time-scale of pay of a post to which he is promoted or the new revised pay of such post if it is on a fixed rate of pay, the difference shall be made good by the grant of personal pay.

(b) In cases where a Government servant, who is granted personal pay to make good the loss in substantive pay on promotion from a lower post to a higher post in the revised scale of pay, is promoted to another higher post, the personal pay also should be taken into account in fixing his pay in the third higher post notwithstanding the provisions of Rule 9 (28).

Example.

An officer drawing a substantive pay of Rs. 500 in the old scale of Rs. 300-500, was promoted substantively to a higher post on the existing revised scale of Rs. 300-50/2-450. His pay in the higher post was fixed at Rs. 450 *plus* personal pay Rs. 50. He was again promoted to a still higher post in the new revised scale of Rs. 415-35/2-520 and his pay in this post was fixed at Rs.520, with reference to the above orders.

(Memo. No. 24864-C.S.R.-1, Finance, dated 8th January 1943, memo. No. 3085-C.S.R.-1, Finance, dated 9th February 1943, Memo. No. 836-E-43-B-1-H-D, dated 18th January 1943 and G.O. No. 555, P.S., dated 28th March 1938.)

(3) In the case of pensioners drawing pensions exceeding Rs. 10 per mensem, who are reemployed by heads of departments under the powers delegated to them, for a period exceeding one year, ordinarily only the substantive pay prior to retirement should be taken as the basis in fixing the pay of re-employed officers but there is no objection to officiating pay being taken as the basis where this course is considered desirable. This is a concession which has been allowed in some cases. The working principle followed in fixing the emoluments of a re-employed pensioner is that the pay on re-employment together with his pension *should not exceed* the pay last drawn by the individuals. The pay may, therefore, be fixed suitably with reference to the nature of the duties which are enjoined on the re-employed pensioner within the maximum limit imposed by the working principle. Since the scale of pay of a post is usually fixed with reference to the duties attached to that post a retired Government servant employed in that post need not be given pay exceeding the maximum of the time-scale.

[G.O. Ms. No. 569, Finance (Pension), dated 7th December 1943, and G.O. Ms. No. 577, Finance (Pension), dated 11th December 1943.]

(4) Re-employed pensioners who are in receipt of superannuation or retiring pensions and are reemployed temporarily for specific periods should not be given the benefit of the revised scales of pay. Their pay and pension should not together exceed the pay last drawn by them while in service. This

rule will not, however, apply to persons, who retired on compensation or invalid pensions long before they attained the age of 55 years as unfit for service in a particular post or department and ex-military personnel who are subsequently re-employed on a permanent footing in a different post or department. The pay of persons of the latter class may be fixed in the appropriate revised scales of pay in accordance with the provisions of Article 514, Civil Service Regulations. A re-employed pensioner may in addition, be allowed to draw the special pay attached to the post in which he is reemployed.

(Memo. No. 45314-C.S.R., dated 5th July 1951 and Memo. No. 65116-A C.S.R.-1, dated 5th September 1952.)

20. In respect of any period treated as duty under Rule 9(6) (b), a Government servant may be granted such pay as Government may consider equitable but in no case exceeding the pay which the Government servant would have drawn had he been on duty other than duty under Rule 9(6) (b).

Note.—An officer of the Statistics Department deputed to undergo special courses of training in “Statistics” at the expense of Government shall execute bonds specified in Appendix II for an amount equal to the total expenditure to be incurred by the Government in respect of the training. He shall further be required to serve the Government after undergoing training for a period of not less than one year for every three months of training undergone, subject to a maximum of five years failing which he shall refund the amount specified in the bond.

RULINGS.

(1) *Deleted.*

(2) *Fixation of pay of a Government servant, who is treated as on duty during a course of instruction or training and who, at the time when he was placed on such duty, was drawing higher pay on account of an officiating appointment.*—A Government servant, who is treated as on duty during a course of instruction or training and who, at the time when he was placed on such duty, was drawing a higher pay on account of an officiating appointment, may on every occasion during the period of instruction or training when he would have held that officiating appointment but for such instruction or training, allowed by the authority sanctioning the deputation for training to draw pay equivalent to what he would have drawn had he been holding the officiating appointment.

(4) The Heads of Departments and the Collectors concerned may permit the revenue subordinates undergoing training in angular survey with a survey party to draw during the period of their training the pay of any officiating appointment held by them at the time when they were deputed for such training and for so long a period as they would have held the officiating post had they not been deputed for such training.

Pay of Government Servants while on Training.

(5) If a Government servant either permanent or officiating is deputed to undergo training or a course of instruction, treating such period as duty under rule 9(6) (b) (i) and if a substitute is to be appointed in his place, it is not necessary to issue formal orders creating a new post in order to

accommodate him during the period of training since the very order of posting him for training, etc., would be considered a sanction in this regard.

(6) Approved probationers in the category of Junior Assistants officiating Assistants promoted from Junior Assistants and approved probationers, who were directly recruited to the category of Assistants in the Office of the Commissioner for Revenue Administration or in the office of the Commissioner of Land Administration or in the Office of the Special Commissioner and Commissioner of Land Reforms in the Office of the Director of Land Reforms or in the Office of the Director of Urban Land Ceiling and Urban Land Tax or in the office of the Commissioner of Agricultural Income Tax or in the Office of the Director of Rehabilitation or in the Office of the Commissioner of Prohibition and Excise or in the Office of the Director of Backward Classes Welfare or in the Office of the Adi Dravidar and Tribal Welfare or in the Office of the Director of Settlements, Madras and in the Office of the Commissioner of Civil Supplies have been permitted to undergo Survey and Settlement Training and to serve as Revenue Inspectors.

Similar permission has been granted to the acting Junior Assistants in the Office of the Collector of Madras provided they have completed their probation satisfactorily and are not likely to be discharged from service for want of vacancies. The periods spent on Survey and Settlement Training and as Revenue Inspectors will be deemed to be periods of duty under Rule 9(6) (b) (i).

The Junior Assistants and Assistants will continue to be borne on the establishment of the concerned office and substitutes may be appointed in their places in that establishment. The Junior Assistants/Assistants may, during the period of training, continue to draw the rates of pay applicable to the posts in the parent departments from which they have been deputed. The Firka Revenue Inspectors in the cadre of Assistants, who are under reversion as Junior Assistants, while undergoing the Training, be allowed to continue to work as Revenue Inspectors and paid either the pay applicable to them in the post of Junior Assistant or the minimum pay of the time scale of pay in the post of Assistant, whichever is higher, during the period he would have been reverted as Junior Assistant in the department in which he has been working.

One acting vacancy in the grade of Assistant should be kept unfilled in the district concerned for every person deputed to the District from the office concerned.

(8) Teachers in schools and colleges enrolled as officers of the National Cadet Corps troops or units raised in the institution shall, during the period of training, draw pay and allowances on two counts, i.e., pay and allowances in respect of the appointment as Teachers and Lecturers and pay and allowances admissible under the National Cadet Corps Rules.

(Finance Memorandum No. 51309—C.S.R., 2, dated 12th July 1956.)

(9) If Government servants during a course of instruction or training, treating the period of such course of instruction or training as duty under rule 9(6)(b), are promoted or appointed to higher posts, they shall be eligible for the pay and allowances admissible to the higher posts, for the period during which they would have officiated in the higher posts but for the course of instruction or training.

*[G.O. Ms. No. 590, Personnel and Administrative Reforms (F.R. III) Department, dated 22nd June
1982.]*

(10) When a person selected for appointment to a post in the State and Subordinate Services by direct recruitment is required to undergo a prescribed training before actual independent charge of that post, he shall draw during the period of such training the minimum in the time-scale of pay applicable to that post.

21. **Time Scale Pay.**—Rules 22 to 29 inclusive apply to time scales of pay generally.

22. (1) A Government servant who holds a lien on a permanent post or who would hold a lien on such a post had his lien not been suspended—

(a) If appointed substantively to a permanent post on a time-scale of pay shall have his initial substantive pay fixed as follows:—

(i) when appointment to the new post involves the assumption of duties or responsibilities of greater importance than those attaching to such permanent post he will draw as initial pay, stage of the time-scale next above his substantive pay in respect of the old post.

(ii) when appointment to the new post does not involve such assumption, he will draw as initial pay, the stage of the time-scale which is equal to his substantive pay in respect of the old post, or if there is no such stage, the stage next below that pay, plus personal pay equal to the difference and in either case will continue to draw that pay until such time as he would have received an increment in the time scale of the old post or for the period after which an increment is earned in the time-scale of the new post, whichever is less. But if the minimum pay of the time-scale of the new post is higher than his substantive pay in respect of the old post, he will draw that minimum as initial pay;

(iii) when appointment to the new post is made on his own request under rule 15 (a) and the maximum pay in the time-scale of that post is less than his substantive pay in respect of the old post, he will draw that maximum as initial pay;

(b) If appointed to officiate in a permanent or temporary post.

(i) and the appointment involves the assumption of duties or responsibilities of greater importance than those attaching to his permanent post, shall have his initial pay fixed subject to the provisions of rule 35 as in sub-clause (i) of clause (a). The pay of such a Government servant shall be refixed under that sub-clause on an enhancement in the substantive pay as a result of increment or otherwise, from the date of such enhancement as if he was appointed to officiate in that post on that date, where such refixation is to his advantage provided that the provisions of rule 22-B and the Note hereunder shall not be applicable in the matter of such refixation of pay.

Note.—Where the increment of a Government servant in the post in which he is officiating has been withheld under Rule 24, without any reference to the increments that will accrue to him in the post held by him substantively the provisions contained in the above clause shall not apply, before the date from which orders withholding the increment finally cease to be operative. However the Government servant may be allowed during the period during which the increment is withheld his substantive pay from time to time if the same happens to be more than the officiating pay.

These provisions shall also apply in respect of a Government servant whose pay in the post held by him in an officiating capacity has been withheld at a particular stage or at the efficiency bar.

(ii) If, however, the appointment does not involve such assumption he shall not draw pay higher than his substantive pay in respect of a permanent post provided that Government may exempt from the operation of this rule any service and provided further that Government may specify posts of outside the ordinary line of a service the holders of which may notwithstanding the provisions of this rule be given any officiating promotion

in the cadre of the service, as they would have received if still in the ordinary line.

Note.—For the purpose of this clause the officiating appointment shall not be deemed to involve the assumption of duties or responsibilities of greater importance if the post to which appointment is made is on the same scale of pay as the permanent post on which he holds a lien or would hold a lien had his lien not been suspended or on a scale of pay identical therewith.

(2) If the condition in sub-rule (1) that the Government servant should hold a lien or a suspended lien on a permanent post is not satisfied, the Government servant shall draw as initial pay, the minimum of the time-scale:

Provided both in cases covered by sub-rule (1) and in cases other than cases of reemployment after resignation, removal or dismissal from the public service covered by this sub-rule that if he has previously held substantively or officiated in—

(i) the same post, or

(ii) a permanent or temporary post on the same time-scale; or

(iii) a permanent post on an identical time-scale or a temporary post on an identical timescale, such post being on the same time-scale as a permanent post then the initial pay shall not be less than the pay other than special pay, personal pay or emoluments classed as pay by Government under rule 9 (21) (a) (iii), which he drew on the last such occasion and he shall count the period during which he drew that pay on such last occasion and any previous occasions, for increment in the stage of the time-scale equivalent to that pay.

If however, the pay last drawn by the Government servant in a temporary post has been inflated by the grant of premature increments, the pay which he would have drawn but for the grant of those increments shall, unless otherwise ordered by the authority competent to create the new post, be taken for the purposes of this proviso to be the pay which he last drew in the temporary post.

Explanation 1.—For the purposes of this rule and Rule 31-A, in the case of a Government servant, who is an approved probationer in the post he is holding or if no definite period of probation has been fixed for that post, has put in total service for a period of two years on duty within a continuous period of three years, the officiating post and pay shall be deemed as substantive post and pay provided that it is certified by the appointing authority that as far as can be reasonably foreseen the Government servant is not likely to be reverted to a lower post for want of vacancy.

Explanation 2.—In Explanation 1, the expression “on duty” shall include all such periods as would have been counted for probation, if probation had been prescribed for that post.

Explanation 3.—In cases where the period of absence is treated as “non-duty” under rule 18, the proviso to this sub-rule shall not apply and the period of service prior to such “non-duty” shall not count for increment.

[G.O. Ms. No. 764, Personnel and Administrative Reforms (FR.III) Department, dated 31st July 1985- with effect from 31st July 1985.]

RULINGS.

(1) When a Government servant is appointed to officiate in a post on a time-scale of pay but has his pay fixed below the minimum of the time-scale under Rule 35, he must not be treated as having effectually officiated in that post within the meaning of Rule 22 or having rendered duty in it within the meaning of Rule 26. Such an officer on confirmation, should have his initial pay fixed under Rule 22 (2) and draw the next increments after he has put in duty for the usual period required calculated from the date of his confirmation.

[Paragraph 12 (ii) Chapter IV, Section I of Manual and Audit Instructions (Reprint).]

(2) For the purposes of Rules 22 and 23 a temporary post on a certain rate of pay (fixed or timescale) which is converted into a permanent post on the same or a different rate of pay, is not the “same post” as the permanent post even though the duties remain the same. In other words in view of rule 9 (30), the temporary post is to be regarded as having ceased to exist and to have been replaced by the permanent post. The incumbent of the temporary post is thus entitled only to the pay of the

permanent post if it is on a time-scale unless the case is covered by the concession admissible under clauses (ii) and (iii) of proviso to Rule 22.

The above decision does not refer to cases of transfer from one temporary post to another such post or from a temporary post to a permanent post, it refers only to cases of conversion of a temporary post into a permanent one on a different rate of pay. There is nothing in the above decision debarring service in a temporary post, created as an addition to a cadre and on the same time-scale from counting towards increments in a permanent post in that cadre even after such a temporary post has been abolished.

(3) The expression "if he holds a lien on a permanent post" in Rule 22 (1) should be held to include the lien on a permanent post to which a Government servant is appointed in a provisionally substantive capacity under Rule 14 (d) and the expression "substantive pay in respect of the old post" in that rule be held to include his substantive pay in respect of that provisional substantive appointment. Rule 22(1) should, therefore, be held to permit the substantive pay in respect of a provisional substantive appointment being taken into account in determining the initial pay.

(Comptroller and Auditor-General's Letter No.586-A351/39, dated 23rd December, 1939)

(4) A time-scale may be of recent introduction, whereas the cadre or class to which it is attached may have been in existence on a graded scale before the time-scale came into force or it may be that one time scale has taken the place of another.

If a Government servant has held substantively, or officiated in a post in the cadre or class prior to the introduction of a new time-scale and has drawn during the period salary or pay equal to a stage or intermediate between two stages, in the new time-scale, then the initial pay in the new time-scale may be fixed at the salary or pay last drawn and the period during which it was drawn may be counted for increment in the same stage, or if the salary or pay was intermediate between two stages, in the lower stage of that time-scale.

(5) When the next increment in the time-scale of either the new or the old post falls due, the Government servant should draw the next increment in the time-scale of the *new post* and forthwith lose the personal pay and all connection with the time-scale of the old post. The personal pay is given to a Government servant only for the purpose of initial pay and not at a subsequent stage in the new time-scale in which the Government servant might draw less pay than he would have drawn had he remained in the old time-scale.

(6) When the pay of a post is changed, but not its duties and the old pay is split up into pay and special pay, the initial pay fixed for the holder of the post under the new scale, both pay and special pay should, under clause (1) (a) (ii) of the rule, not exceed his old pay. Thus an officer on Rs. 450 whose post is changed into one on Rs. 350-25-500 *plus* Rs. 100 special pay should get Rs. 350 *plus* Rs. 100 special pay and not Rs. 450 *plus* Rs. 100 special pay.

(7) In the case of a Government servant whose post is abolished owing to reduction of establishment and who is provided with an appointment in new office, his initial pay in the new post should not be fixed under Rule 22 (1), as it is not a case of *transfer from one scale of pay to another* but of the abolition of one appointment followed by reappointment to a new post within the meaning of Article 426, Civil Service Regulations.

If, however, the conditions laid down in the proviso to Rule 22 (2) are fulfilled in such a case, the pay may be regulated under that proviso.

(Comptroller and Auditor-General's Endorsement No. 467-E/208825, dated 30th January 1926.)

(8) (i) (a) In G.O. No. 1363, Revenue, dated 10th September 1923, as modified by G.O. No. 1295, Revenue, dated 17th August 1925, and G.O. Press No. 1074, Revenue, dated 14th May 1936 Government approved of a scheme for the appointment of clerks in Madras offices as Deputy Tahsildars and Sub-Magistrates in the mofussil. According to this scheme a clerk has to be taken into the office in the city from the mofussil in exchange of a clerk sent out from an office in the Madras City to the mofussil as Deputy Tahsildar or Sub-Magistrate. The appointment of a mofussil clerk in exchange for the Madras-Clerk will be optional and not compulsory as hitherto.

A mofussil clerk so appointed in an office in Madras City will start in the time-scale of pay of the post to which he is appointed at the stage corresponding to his average pay as defined in Rule 9 (2) or substantive pay in the mofussil whichever is higher. If this average or substantive pay is less than the

minimum pay of the post to which he is appointed in the office in the City, he will start on such minimum pay; if it falls between the two stages in the city time-scale, he will start at the higher of these two stages.

(b) (i) When for want of a vacancy a Madras clerk has to be reverted in the ordinary course from his acting appointment as a Deputy Tahsildar, he should not be reverted to his permanent post in the Madras Office but should be appointed to some suitable post in the district to enable him to gain further experience of district revenue work until his turn for reappointment as a Deputy Tahsildar again arises. A post on the pay which the clerk would be drawing in the Madras Office, if he had not been selected for appointment as Deputy Tahsildar, should be created temporarily in the district in place of the post on the normally sanctioned rate of pay, the duties of which he is appointed to perform, until such time as the clerk concerned is again appointed to act as a Deputy Tahsildar.

(ii) When for want of vacancy, an Assistant of the Office of the Commissioner of Commercial Taxes or the Sales Tax Appellate Tribunal including the Additional Benches or an Assistant Section Officer of the Secretariat, as the case may be, has to be reverted in the ordinary course from the acting appointment as Assistant Commercial Tax Officer, or as soon as he completes his training as Assistant Commercial Tax Officer, he shall not be reverted to his permanent or officiating post. He shall be appointed in some suitable post in the division in which he acts as Assistant Commercial Tax Officer, or undergone training as Assistant Commercial Tax Officer, until his turn for re-appointment or appointment as the case may be, as Assistant Commercial Tax Officer, again arises. A post in the pay of which an Assistant shall be drawing in the Office of the Commercial Taxes or Sales Tax Appellate Tribunal including the Additional Benches or an Assistant Section Officer of the Secretariat, as the case may be, if he had not been selected for appointment as Assistant Commercial Tax Officer, shall be created temporarily in the division until such time as the Assistant of the Office of the Commissioner of Commercial Taxes or the Sales Tax Appellate Tribunal including the Additional Benches or an Assistant Section Officer of the Secretariat, as the case may be, is again appointed to act as Assistant Commercial Tax Officer.

(i) Main amendment with effect from 5th May 1970.

(ii) "or an Assistant Section Officer of the Secretariat"—with effect from 30th November 1984.

[G.O. Ms. No. 275, Personnel and Administrative Reforms (FR.Spl.), dated 29th July 1991.]

(c) The orders in clause (a) above apply also to cases where, apart from the exchange scheme, it is found necessary to introduce in offices in the city men with knowledge of district work (clerks, Deputy Tahsildars and Tahsildars).

[G.O. Press No. 36, Public, dated 28th April 1927 and G.O. No. 84, Public (Services), dated 27th January 1934.]

Note.—As normally only senior clerks in the mofussil possessing a certain amount of district experience will be required for appointment in city offices, the Government direct that the fixation of pay as above shall be admissible only to full members and approved probationers in the categories of upper and lower division clerks, who are transferred from mofussil to city offices.

[G.O. Ms. No. 312, Public (Services), dated 8th February 1940.]

(d) All orders fixing the pay and allowances of clerks taken in exchange in the Department of the Secretariat will be issued in the Personnel and Administrative Reforms Department in consultation with the Accountant-General and the Finance Department.

[G.O. Ms. No. 936, Public (Services), dated 31st July 1930.]

(9) It is not the intention of Government that each and every case of grant of officiating pay should be referred to Government by the Heads of Departments for orders. As Rule 22 (1) (b) (ii) clearly lays down that officiating pay can be drawn by a Government servant only when the officiating post carries with it duties and responsibilities of greater importance than those attaching to the post on which he holds a lien or would hold a lien had his lien not been suspended, the Heads of Departments may not feel any difficulty in regard to the grant of officiating pay in such cases. Only when they feel any doubt, they need refer the matter to Government for orders.

(Memo. No. 50600-A, Codes I-1, dated 29th July 1950.)

(10) Please see ruling (3) under Rule 35 regarding the fixation of pay of a Government servant, who takes charge on the afternoon of a day and the Government servant concerned earns an increment the next day in his substantive post.

(11) Please see ruling (2) under Rule 19 regarding the grant of personal pay to save, from a loss in emoluments, officers holding permanent post on promotion to higher posts, on the new revised scale of pay.

(12) When once a Government servant officiating in a post is appointed to officiate in a higher post and his pay is initially fixed with reference to Note under Fundamental Rule 22, his subsequent reversion to lower post, during the period he is holding the higher officiating post, shall not affect his pay.

(Memo. No. 95974/FR/59-2, Finance, dated 7th November 1959.)

(13) Note under Fundamental Rule 22 shall also apply to cases of fixation of pay under Fundamental Rule 22 (1) (a) (ii), that is, to cases not involving assumption of higher responsibilities or duties.

(Finance Memorandum No. 95974/FR/59-2, dated 7th November 1959.)

(13) Note under Fundamental Rule 22 shall also apply to cases of fixation of pay under Fundamental Rule 22 (1) (a) (ii), that is, to cases not involving assumption of higher responsibilities or duties.

(Finance Memorandum No. 95974/FR/59-2, dated 7th November 1959.)

(14) Note under Fundamental Rule 22 shall apply to regular appointments and not to those made under Rule 10 (a) (i) or 39 (a) of the Tamil Nadu State and Subordinate Service Rules.

(Finance Memorandum No. 95974/FR/59-2, dated 7th November 1959.)

(15) The Statutory Rules issued for the various services will override the Fundamental Rules, where the latter are repugnant to the former. Consequently the pay of an officer appointed to a post in service should be fixed with reference to the Statutory Rules relating to that service notwithstanding anything contained in the Fundamental Rules. Thus when a Government servant holding a permanent post in one service is on probation in a post in another service, in which he is merely officiating, enhanced pay in respect of his officiating post may be granted under the Statutory Rules relating to that service if admissible under these rules. A declaration from Government as to the admissibility of officiating promotion under Rule 22 (1) (b) (ii) is not necessary in such cases.

(G.O. Ms. No. 485, Finance, dated 31st August 1932.)

(16) The condition in Rule 22 (1) (b) (ii) is waived in the cases of Upper Subordinate of the Tamil Nadu Agriculture Department so as to allow acting promotion from one field rate of pay to another without change of duty except in vacancies caused by grant of leave other than extraordinary leave without allowances.

(G.O. Ms. No. 1496, Development, dated 24th October 1922 and

(G.O. Ms. No. 2603, Development, dated 13th October 1943 and Finance Memorandum No. 105731/FR/85-9, dated 7th May 1958.)

Counting of service in the special post for increment.

(17) (i) It is not intended that the phrase "outside the ordinary line of service" in the second proviso to Rule 22 (1) (b) (ii) should be rigidly interpreted either as "outside the cadre of a service" or as "outside

the ordinary time-scale". The form of words adopted was designed to allow Government to exercise their discretion in regard to cases where exceptional circumstances which could not be foreseen and provided for by rule might arise.

(ii) The specification of a post under this proviso will enable a Government servant to count service in that post for increment in the grade in which he would have officiated had he not been holding the specified post.

(18) Though no change of duties is involved, deputation pay in England may be enhanced on account of officiating promotion in India.

(Ruling 13, Section IV of Compilation of Audit Rulings.)

(19) A declaration by Government that a particular post involves more important duties or duties of a different character justifies the grant of officiating pay to a Government servant appointed to the post from another post in the same cadre.

(Ruling 14, Section IV of Compilation of Audit Rulings.)

(20) The words "duties" and "responsibilities" used in Rule 22 (1) (b) (ii) are to be interpreted in a wide sense as including besides the work to be performed, the general responsibilities and liabilities incidental to being member of a particular service.

(Comptroller and Auditor-General's No. 3971-A/676-23, dated 13th September 1923.)

(21) Higher officiating pay is not permissible in cases where different posts on different scales of pay have been merged into single revised scale.

[Government of India, Finance Department No. F.15 (96) Ex. 1/39, dated 23rd October 1939.]

(22) Officiating promotion from the posts of Headmasters of Approved Schools to the posts of Superintendent of Borstal Schools is permissible in the Tamil Nadu Jail Service.

(G.O. Ms. No. 3041, Home, dated 2nd June 1939.)

(23) For the purpose of this rule the appointment to the post of First Physicist, Barnard Institute of Radiology, Madras, involves duties and responsibilities of greater importance than those attached to the post of Second Physicist.

(Comptroller and Auditor-General's letter No. G.A. Medl., III/41, dated 26th April 1950 and Memo No. 9917-H/50-1, Health, dated 24th August 1950.)

(24) Officiating promotions will be allowed to the members of the Tamil Nadu High Court Service in the following cases:-

(1) Promotion from the post of Lower Division Clerks or Typists or Examiners or Readers to that of Chief Operator, Photostat Machine.

(2) promotion from the post of Assistant Operator to that of Chief Operator, Photostat Machine; and

(3) promotion from the posts of Copyists or Circulation Van Driver or Gollah or Binder or Attenders to that of Assistant Operators, Photostat machine.

(Memo. No. 14641, C.S.R., 51-1, Finance, dated 12th March 1951.)

(25) (1) The pay of Senior Draughting Officer on promotion as "Junior Engineer" in the Public Works and Highways Department should be fixed in the scale of pay applicable to Junior Engineers at the stage next above the pay they are actually drawing at the time of promotion subject to the following conditions:—

(i) Once the pay of such promotees is fixed in the category of Junior Engineers as mentioned above, they will not be entitled to the higher rates of pay to which they would become eligible from time to time, consequent on their promotion to higher grades in the category of draughting official; and

(ii) in cases where a draughting official officiating in a higher grade post is promoted as Junior Engineer, he will be eligible to have his pay as Junior Engineer fixed as mentioned above, only if he would have continued to officiate in the higher grade post but for his appointment as Junior Engineer. If, but for his appointment as Junior Engineer, he would have been holding a lower grade post in the category of draughting official, his pay should be revised accordingly, i.e., he should be allowed to draw as Junior Engineer, the minimum of the scale of pay of Junior Engineers or his pay as draughting official, whichever is higher.

(Finance Memo No. 32397, C.S.R. 3, dated 26th June 1962)

(2) (i) The pay of Junior Draughting Officer and of Draughting Officer (ordinary grade) on promotion as Junior Engineer shall be fixed under rule 22-B, subject to the condition that once the pay of such promotee is fixed in the category of Junior Engineer as mentioned above, he will not be entitled to the higher rate of pay to which he would become eligible from time to time consequent on his promotion to higher category of draughting official;

(ii) The pay of Draughting Officer (Selection Grade) on promotion as Junior Engineer shall be fixed as per ruling (8) under rule 22-B.

[G.O. Ms. No. 364, Personnel and Administrative Reforms (FR.III) Department, dated 6th April 1985 with effect from 14th February 1983.]

*Explanation:—*The above clause shall also apply to the Junior Draughting Officer and Draughting Officer promoted as Junior Engineer in the Highways and Rural Works Department.

Pay of officiating Government servants, when the pay of post is reduced.

(26) The pay of a Government servant officiating in a post, the pay of which has been reduced with effect from the next succession thereto, is regulated on the reduced pay.

(Finance Memorandum No.39397, C.S.R. 3, dated 26th June 1962.)

When the pay is subject to increase.

(27) The pay of a Government servant officiating in a post, the pay of which is subject to increase upon the passing of an examination or upon the completion of a certain period of service, is the pay which he would from time to time receive, if he held the post substantively.

(28) Section Officers of the Secretariat, the *Offices of the Commissioners of Revenue Administration, Land Administration, Land Reforms, Prohibition and Excise and Other Heads of Departments in the city* and in the office of the Director of Settlements, when sent out to districts as Tahsildars or Deputy Tahsildars, shall not draw, while serving as Tahsildar or Deputy Tahsildar, pay or increments in excess of that sanctioned for Tahsildars or Deputy Tahsildars as the case may be. Subject to this limitation a Section Officer when sent out as Tahsildar or Deputy Tahsildar, may draw as starting pay his permanent pay as Section Officer. He will also be allowed to count any period of service as Section Officer in the particular stage in his permanent scale of pay for increments to the next stage in the scale of pay, sanctioned for Tahsildars, e.g., a Section Officer who has put in four months service on Rs. 240, will be allowed to draw Rs. 250, in the scale of pay sanctioned for Tahsildars after he has put in eight months service as Tahsildar.

(G.O. Ms. No. 346, Revenue, dated 27th April 1929.)

*Exception.—*The above ruling does not apply to cases of Section Officers of the Secretariat, the* Offices of the Commissioners of Revenue Administration, Land Administration, Land Reforms, Prohibition and Excise and Other Heads of Departments in the city* and in the office of the Director of Settlements who are deputed for training in the Tamil Nadu Revenue Subordinate Service under the scheme sanctioned in G.O. No. 276, Revenue, dated 31st January 1950.

(29) Piece workers in the Government Press, Madras, when appointed to officiate in posts of Deputy Foreman, Assistant Foreman, etc., on time-scales of pay, may be allowed to draw pay in the time-scales at any stage not exceeding their average earnings for the previous twelve months.

Fixation of initial Pay of Persons without substantive appointment on re-employment after discharge for want of vacancies.

(30) If a person without any substantive appointment is selected for admission to a service and is ousted for want of vacancy he will on re-appointment, start only on the minimum pay in the time-scale applicable to the post with reference to Note 1 under Rule 26 (a) unless advance increments are sanctioned by Government under Rule 27.

[G.O. No. 784, Public (Services), dated 21st September 1933.]

(31) Please see ruling (2) (a) under Rule 19 regarding the grant of personal pay to save, from loss in emoluments, officers holding permanent posts on promotion to higher posts on the new revised scale of pay.

(32) (i) In the case of a Government servant whose officiating pay on refixation under Fundamental Rule 22 (1) (b) (i) carries his pay above the efficiency bar, stage in the time-scale of the officiating pay, the Government servant concerned should be deemed to have automatically crossed the efficiency bar at the time of refixation of officiating pay and the question of application of efficiency bar will not arise.

However, in cases where the competent authority feels that such refixation should not be allowed for the reason that the Government servant concerned is not actually fit to cross the efficiency bar, the refixation of pay can be denied by invoking the provisions of Rule 35 by issue of special orders in respect of each such case.

(ii) In the case of a Government servant officiating in a post and whose pay had been fixed under Fundamental Rule 22 (1) (b) (i) if he is confirmed in that post from a retrospective date, the refixation of pay done under Fundamental Rule 22 (1) (b) (i) after the date of confirmation will have to be revised. The overpayment consequent on such revision will first be set off against the arrears, if any, that might become payable to the Government servant for a portion of the period from the date of confirmation to the date of issue of orders of confirmation. The balance of overpayment that cannot be set off against the arrears, if any, shall be waived.

(Memo No.76594, F.R.62-2, dated 27th July 1922.)

(33) In the case of a Government servant proceeding on leave, if the period of leave counts for increment in the officiating post under Fundamental Rule 26 (bb) subject to the fulfillment of the conditions and production of the necessary certificates, his officiating pay may be refixed under Fundamental Rule 22 (1) (b) (i) from the very date of increment or increase in the substantive pay, as if he was appointed to officiate in that post on that date. The benefit of the increase in officiating pay can be had by him only from the date of resumption of duties but his next increment in the officiating post will accrue to him from an earlier date in the next year calculated with reference to the date of refixation of pay.

If, however, the period of leave does not count for increment in the officiating post, the Government servant loses all connections with that post during that period and he will be entitled to get his officiating pay refixed only from the date he returns from leave in which case, his next increment will fall due only after completion of the prescribed period of duty from the date of resuming charge unless he becomes entitled to refixation of pay under Fundamental Rule 22 (1) (b) (i) once again from an earlier date.

(34) Such of the Junior Engineers/Supervisors working under the emergency provisions under the Government, on their joining duty in the Public Works Department or Highways and Rural Works Department or Industries Department (Construction Branches), consequent on their selection by the Tamil Nadu Public Service Commission for regular appointment in any of the above said departments, be allowed the pay they were last drawing.

[G.O.Ms.No.74, Finance (F.R.I), dated 31st January 1976.]

(35) (1) The Pay of the Government servants appointed to Selection Grade posts shall be fixed as indicated below:—

(i) Where there is a corresponding stage after adding one increment in the ordinary grade, at the same stage in the Selection Grade;

(ii) Where there is no corresponding stage as referred to in clause (i) above, at the lower stage in Selection Grade and the difference between that stage and the amount worked out as indicated in clause (i) above shall be treated as "Personal Pay". Personal Pay due to the fixation of pay in Selection Grade shall be continued to be drawn till the individual is moved to another post and this "Personal Pay" shall be taken into account for the purpose of fixation of pay on appointment to the higher post or to the Special Grade;

(iii) Where after adding one increment in the ordinary grade, the amount is less than the minimum of the Selection Grade scale of pay, at such minimum.

(2) The service from the date of last increment in the ordinary grade post shall be allowed to be counted for increment in the Selection Grade.

(3) The above said mode of fixation shall also apply to Government servants appointed to Special Grade Posts and Special temporary posts.

[G.O. Ms. No. 15, P&AR (FR.III), dated 5th January 1987 - w.e.f. 1-10-84 - notionally and with monetary benefit on the 1-4-1986.]

22-A. The initial substantive pay of a Government servant who is appointed substantively to a post on a time-scale of pay which has been reduced for reasons other than a diminution in the duties or responsibilities attached to the post thereon and who is not entitled to draw pay on the time-scale as it stood prior to reduction, is regulated by Rule 22:

Provided both in cases covered by clause (1) of that rule and in cases, other than those of re-employment after resignation, removal or dismissal from public service, covered by clause (2) of the same rule that, if he either— has previously held substantively or officiated in,

- (i) the same post prior to reduction of its time-scale, or**
- (ii) a permanent or temporary post on the same time-scale as the unreduced time-scale of the post, or**
- (iii) a permanent post or a temporary post on a time-scale of pay identical with the unreduced time-scale of the post, such temporary post being on the same time-scale as a permanent post,**

then the initial pay shall not be less than the pay other than special pay, personal pay or emoluments classed as pay under Rule 9 (21) (a) (iii) which he would have drawn under Rule 22 on the last such occasion if the unreduced time-scale of pay had been in force from the beginning and he shall count for increments the period during which he would have drawn that pay on such last and any previous occasion.

Explanation.—In cases where the period of absence is treated as "non-duty" under rule 18, the proviso to this rule shall not apply and the period of service prior to such "non-duty" shall not count for increment.

[G.O. Ms. No. 764, Personnel and Administrative Reforms (FR.III), dated 31 July 1985-with effect from 31st July 1985.]

22-B. Notwithstanding anything contained in these rules, where a Government servant holding a post in a substantive or officiating capacity, is promoted or appointed in a substantive or officiating capacity, to another post carrying duties and responsibilities of greater importance than those attaching to the post held by him, his initial pay in the timescale of the higher post shall be fixed at the stage next above the pay notionally arrived at by increasing his pay in respect of the lower post by one increment, at the stage at which such pay has accrued. If the monetary benefit after such fixation falls short of five per cent of the pay drawn in the lower post, his pay in higher post shall be so fixed, allowing a minimum increase of five per cent of the pay

drawn in the lower post. Where the pay drawn in the lower post on the date of promotion or appointment plus five per cent of the pay drawn in the lower post is a stage in the time-scale of pay of the higher post, the pay shall be fixed at such stage in the time-scale of pay of the higher post. Where the pay drawn in the lower post on the date of promotion or appointment plus five per cent of the pay drawn in the lower post exceeds the amount arrived at for fixation of pay in the higher post under this rule but where there is no corresponding stage in the time-scale of pay of the higher post, the pay shall be fixed at the next higher stage in the time-scale of pay of the higher post.

[G.O. Ms. No. 778, Personnel and Administrative Reforms (FR.III), dated 8th August 1986-with effect from 1st October 1984.]

Provided that no fixation of pay under this rule shall be made in the case of a Government servant, who has opted for fixation of pay under rule 22(1) (a) (i) or under rule 22(1) (b) (i) read with rule 22(1)(a)(i), within 15 days from the date of receipt of the orders of promotion:

Provided further that the provisions of rule 22(1)(b)(i) shall not be applicable to a case where the initial pay has been fixed under this rule F.R.22-B:

Provided also that where a Government servant, who had not drawn stagnation allowance, before his promotion or appointment to a higher post, is drawing pay at the maximum of the time-scale of pay applicable to the lower post, his initial pay in the time-scale of the higher post shall be fixed at the stage next above the pay notionally arrived at by increasing his pay in respect of the lower post by one increment above the maximum of the lower post equivalent to the amount of the last increment in that scale.

[G.O.Ms. No. 975, Finance (FR.I), dated 10th July 1974.]

Provided also that where a Government servant is promoted or appointed to a higher post, the maximum of the scale of pay up to which stagnation increment is admissible and where the pay plus notional increment in the lower post exceeds the maximum of the time-scale of pay of the higher post, pay shall be fixed at a stage that is admissible under this rule and the other provisions thereunder, by increasing the maximum of the time scale of pay of the higher post by stages equivalent to the amount of last increment:

Provided also that where the pay so arrived at under this rule exceeds the maximum limit upto which stagnation increment is admissible, pay shall be fixed at the stage in the time-scale of pay of the higher post next below such maximum limit upto which the stagnation increment is admissible and the difference between the stage at which pay is fixed and the maximum limit upto which stagnation increment is admissible, shall be allowed as 'personal pay.' The 'personal pay' shall be treated as pay for all purposes and shall be allowed to continue till the incumbent vacates the post:

Provided also that where the maximum of the scale of pay of the higher post exceeds the maximum limit upto which stagnation increment is admissible, pay shall be fixed under this rule not exceeding the maximum of the time scale of pay of the higher post:

[G.O. Ms. No. 476, Personnel and Administrative Reforms (FR.Special) Department, dated 19th November 1990-with effect from 1st October 1978.]

Provided also that where a Government servant gets promotion or appointment to a higher post even before reaching the maximum of the time-scale of pay of the lower post and if the fixation arrived at under this rule (including five per cent benefit) exceeds the maximum of the time-scale of pay of the higher post, then, subject to the provisions contained in the fifth and sixth provisos above, pay shall be fixed by increasing the maximum of the time-scale of pay of the higher post by stages equivalent to the amount of last stage in that post:

[G.O. Ms. No. 292, Personnel and Administrative Reforms (FR.IV) Department, dated the 15th December 1998 - with effect from 1st June 1988.]

Provided also that where a Government servant is promoted or appointed to a higher post involving the assumption of duties and responsibilities of greater importance than those attaching to the post held by him, option shall be given:

(i) for fixation of pay under this rule on the date of promotion or appointment, taking into account, the pay in the lower post immediately prior to promotion or appointment to the higher post without any further review on accrual of increment in the time-scale of pay of the lower post,

Or

(ii) for fixation of pay on the date of promotion or appointment to the higher post in the manner as provided in rule 22 (1) (a) (i) or rule 22 (1) (b) (i) and for re-fixation of pay under this rule on the date of accrual of next increment in the time-scale of pay of the lower post. Such option shall be exercised within a period of one month from the date of promotion or appointment. The option once exercised shall be final. If no such option is exercised within the said period of one month, the pay shall be fixed in the manner as provided in clause (i) above. If the pay is fixed in the manner as provided in clause (ii) above, next increment shall be allowed on completion of the required qualifying period of one year with effect from the date of re-fixation of pay.

*[G.O. Ms. No. 830, Personnel and Administrative Reforms (F.R.III), dated 2nd September 1983
— With effect from 1st May 1981.]*

Provided that if a Government servant has previously held substantively or officiated in—
(i) the same post, or

(ii) a permanent or temporary post on the same time-scale, or

(iii) a permanent post on an identical time-scale or a temporary post on an identical time-scale, such post being on the same time-scale as a permanent post then the initial pay shall not be less than the pay other than special pay, personal pay or emoluments classed as pay by Government under rule 9 (21) (a) (iii) which he drew on the last such occasion and he shall count the period during which he drew that pay on such last occasion and any previous occasions, for increment in the stage of the time-scale equivalent to that pay.

If, however, the pay last drawn by the Government servant in a temporary post has been inflated by the grant of premature increments, the pay which he would have drawn but for the grant of those increments shall, unless otherwise ordered by the authority competent to create the new post, be taken for the purposes of the proviso to be, the pay which he last drew in the temporary post.

(G.O. Ms. No. 1744, Finance, dated 21st November 1969.)

Explanation 1.—Where a Government servant is appointed or promoted to a higher post in his regular line while he is holding an intermediary post outside his regular line, the presumptive pay of the Government servant in the lower post which he would have drawn in his regular line but for his appointment on deputation or transfer of service to an intermediary post outside his regular line alone shall be taken into account for the purpose of fixation of his pay under this rule.

[G.O. Ms. No. 434, Finance (F.R.I.), dated 2nd May 1975.]

Explanation 2.—Where a Government servant is appointed or promoted to a higher post in his regular line while he is holding an intermediary post outside his regular line and on which he is having a lien or service rights shall be allowed initial fixation of pay under Fundamental Rule 22 (a) or (b) according as the higher post carries duties and responsibilities higher than those attached to the intermediary post outside the regular line. For this purpose, his pay in the post outside the regular line shall be taken only where he has a lien or service rights in that post. Where a Government servant does not have lien or service rights in intermediary posts outside the regular line, his initial pay fixation shall be governed by F.R. 22-B as in Explanation-1.

[G.O. Ms. No. 956, Personnel and Administrative Reforms (F.R.I.), dated 30th August 1976 - with effect from 2nd May 1975.]

Explanation 3.—Omitted.

[G.O. Ms. No. 778, Personnel and Administrative Reforms (F.R.III) Department, dated 8th August 1986—with effect from 1st October 1984.]

Explanation 4.—Cases where the period of absence is treated as “non-duty” under rule 18, the sixth proviso to this rule shall not apply and the period of service prior to such “non-duty” shall not count for increment.

[G.O. Ms. No. 764, Personnel and Administrative Reforms (FR. III) Department, dated 31st July 1985—with effect from 31st July 1985.]

RULINGS

(1) The orders of the Government shall be necessary for the fixation of pay of a Government servant under Fundamental Rule 22-B if he is appointed to a post to which service rules or adhoc rules have not been framed.

(Finance Memo. No. 160950/F.R./65-2, dated 20th January 1966.)

(2) In case where both the senior and junior are drawing the same rate of pay in the lower post, the senior who was promoted to the higher post before drawing the next increment in the lower post would be drawing less pay than his junior, who was promoted to the higher post after drawing the next increment in the lower post. In such cases, the pay of the senior officer in the higher post should be stepped up to a figure equal to the pay fixed for the junior officer in that higher post and the stepping up should be done with effect from the date of promotion or appointment of the junior and also subject to the following conditions:—

(i) Both the junior and senior officers should belong to the same cadre and the post in which they have been promoted or appointed should be identical and in the same cadre;

(ii) The scales of pay of the lower and higher posts in which they are entitled to draw pay should be identical;

(iii) The anomaly should be directly as a result of the application of Fundamental Rule 22-B. For example, if, even in the lower post the junior officer draws from time to time, a higher rate of pay than the senior by virtue of grant of advance increments, the provisions contained in this order should not be invoked to step up the pay of the senior officer; and

(iv) The orders refixing the pay of the senior officers in accordance with the provisions of this order should be issued under Fundamental Rule 27. The next increment of the senior officer will be drawn on completion of the requisite qualifying service with effect from the date of refixation of pay.

The above ruling shall take effect from the 1st September 1966. Cases of seniors drawing less pay than juniors in respect of promotions occurring on or after the 1st June 1962 shall also be regulated under the above ruling but the actual monetary benefit shall be admissible only with effect from the 1st September 1966.

(G.O. Ms. No. 1374, Finance, dated 9th December 1966.)

Explanation 1.—The expression “Same rate of pay” referred to in this ruling means that the date of increment of the senior for reaching a stage in the time scale of pay of the lower post, shall not be later than that of the junior for reaching the same stage in such time scale of pay.

(G.O. Ms. No. 69, Personnel and Administrative Reforms, dated 27th January 1983.)

Explanation 2.—Anomaly of junior drawing more pay than senior in cases where junior availing himself of the option and the senior not availing himself of the option contained in the fifth proviso under rule 22-B, shall be rectified under this ruling, if the conditions in ruling (2) are satisfied.

[G.O. Ms. No. 808, Personnel and Administrative Reforms (FR. III) Department, dated 14th August 1985 - with effect from 1st May 1981.]

(3) The pay of a Government servant whose increment has been stopped as a measure of punishment for a specified period without cumulative effect, shall, on his promotion to a higher post before the expiry of the punishment period, be fixed at the appropriate stage in the scale of pay

applicable to the higher post with reference to the notional pay which he would have drawn in the normal course on the date of such promotion but for the punishment and the monetary equivalent of the amount which he would have lost during the unexpired period of punishment shall be recovered from him.

(G.O.Ms.No.191, Finance, dated 3rd March 1967.)

(4) The initial fixation of pay under F.R. 22-B shall be allowed in all cases of temporary appointments of persons who satisfy all the rules relating to regular promotion/appointment, to the category in which they have been temporarily appointed with effect from 1st January 1974. Appointments made prior to 1st January 1974 and remaining un-regularised on 1st January 1974 shall also be eligible for such fixation. The period from the initial fixation of pay under F.R. 22-B shall count for increments. Such fixation and increments shall be admissible even in cases where fixation is at the minimum.

[G.O.Ms.No.773, Finance (F.R.I.), dated 13th August 1975.]

In cases where the services of a person are regularised from a date subsequent to the date of initial temporary appointment/promotion, his pay shall be refixed in the higher post under Fundamental Rule 22-B with effect from the date of regularisation of services in the higher post and increments, if any, granted, revised. The excess pay drawn due to the initial fixation under Fundamental Rule 22-B on temporary promotion/appointment, shall not be recovered in such cases or in cases where he is reverted to the lower post subsequently or if the person ceased to hold the higher post due to retirement or for any other reason.

[G.O. Ms. No. 558, Personnel and Administrative Reforms (F.R.III), dated 24th June 1983.]

(With effect from 9th January 1975.)

(5) The pay fixed under Fundamental Rule 22-B on each occasion of re-promotion after reversion, shall not exceed what the Government servant would have been entitled to had he continued in the same post without reversion.

[G.O. Ms. No. 786, Finance (F.R.I.), dated 19th July 1976.]

Provided that the above ruling shall not apply while fixing the pay of a Government servant on re-promotion/re-appointment to higher post, if such Government servant is first promoted/appointed to higher post from the ordinary grade of the lower post and is appointed to selection grade of the lower post while on reversion. The pay of the Government servant on such re-promotion/re-appointment to higher post shall be refixed under Rule 22-B with reference to the pay drawn in the selection grade of the lower post. However, if the Government servant is again reverted to selection grade of the lower post and re-promoted/re-appointed to higher post, the above ruling shall apply while fixing the pay.

[G.O. Ms. No. 181, Personnel and Administrative Reforms (F.R.III), dated 5th March 1983.]

(With effect from 1st October 1978.)

(6) In the case a Government servant already in service in a post is appointed to another post through the Tamil Nadu Public Service Commission by direct recruitment, or when the mode of his appointment to the new post is by direct recruitment, the Government servant concerned should be allowed to draw the minimum of the time scale of pay or as provided in the service rules relating to such appointments and fixation of pay under Fundamental Rule 22 or 22-B is not admissible.

[G.O.Ms.No.889, Finance (F.R.I.), dated 12th August 1976.]

(7) In cases where a Deputy Secretary to Government has opted to draw pay in the scale of Under Secretary to Government plus a special pay of Rs. 250, the special pay shall be taken into account for purposes of fixation of the initial pay on promotion of Deputy Secretary to the post of Joint Secretary to Government.

[G.O. Ms. No. 882, Personnel and Administrative Reforms (F.R.I.), dated 18th July 1977.]

(8) When the Government servant is promoted/appointed to a higher post from Selection Grade of the lower post carrying identical scale of pay as the ordinary grade of such higher post, the pay of the Government servant shall be fixed either under rule 22-B with reference to the notional pay in the ordinary grade of the lower post on the date of promotion/appointment to the higher post with 5%

increase of pay with reference to such notional pay or at the stage in the ordinary grade of the higher post after adding one notional increment to the pay drawn in the Selection Grade scale of the lower post at his option. The option shall be exercised within one month from the date of promotion/appointment, and, if no option is exercised within the period the pay of the Government servant shall be fixed at the stage in the ordinary grade of the higher post equal to the pay after adding one notional increment to the pay drawn in the Selection Grade scale of the lower post.

[Vide G.O. Ms. No. 218, P&AR (FR.III), dated 13th March 1987—with notional effect from 1-10-84 and with monetary benefit on 1-4-1986.]

The above mode of fixation of pay shall be followed in the case of Government servants holding Special Temporary Posts, on their subsequent regular promotion to such posts on identical time-scale of pay. The option shall be exercised within one month from the date of regular promotion/appointment, and, if no option is exercised within the period, the pay of the Government servant shall be fixed at the stage in the ordinary grade of the higher post equal to the pay after adding one notional increment to the pay drawn in the Special Temporary post.

[G.O. Ms. No. 555, Personnel and Administrative Reforms (FR.II) Department, dated 5th October 1989.]

(With effect from 1st October, 1984 with monetary benefit on and from the 1st April, 1986).

(9) The Government servants promoted/appointed to higher posts from Selection Grade or Special Grade of the lower posts carrying identical scale of pay as the ordinary grade of higher posts or from Special Temporary posts on their regular promotion to such posts on identical time scale of pay and opting fixation to draw pay at the stage in the ordinary grade of the higher post after adding one notional increment to the pay drawn in the Selection Grade/Special Grade scale of the lower post/Special Temporary post, as the case may be shall exercise further option for fixation of pay initially at the same stage in the higher post on the date of promotion/appointment to the higher post, and then refixation of pay after adding one notional increment to the pay drawn on the date of accrual of next increment in the Selection Grade/Special Grade of the lower post/Special Temporary post. The next increment in the higher post shall be allowed on completion of one year of qualifying service with effect from the date of refixation of pay.

The above option shall be exercised within one month from the date of promotion/appointment and, if no option is exercised within the period, pay shall be fixed as in Ruling (8) on the date of promotion/appointment.

[G.O. Ms. No. 351, Personnel and Administrative Reforms (Per. J) Department, dated 19th June 1989 - with notional effect from 1-10-84 with monetary benefit from 1-4-86.]

(10) The following two discrepancies shall be rectified provided the conditions stipulated in ruling (2) under FR.22-B are satisfied:—

(i) The Government servant, promoted/appointed from Selection Grade/Special Grade and Special Temporary post to higher post carrying identical scale of pay and who opted for fixation of pay as per ruling (8) or (9) read above, shall be allowed to refix his pay on par with his junior, whose pay has been fixed, on promotion, by adding one increment on the date of promotion/after drawal of the next increment in the lower post, as the case may be, provided the conditions in ruling (2) under FR.22-B are satisfied;

(ii) The pay of Government servant for whom the minimum benefit for movement to Selection Grade allowed as Rs.5/-, Rs.10/- and Rs.15/- with effect from 1-10-78 and promoted to the higher post, prior to 1-10-84, carrying identical scale of pay (as Selection Grade/Special Grade), was regulated as pay last drawn. But those who were promoted after 1-10-84 and got their pay fixed in the Selection Grade post by adding one increment shall be drawing more pay in the promotion post. When promoted, they pay of such junior, as per his option, shall be regulated in the promotion post by adding one increment, happened to draw less pay than the junior. In such case also, the pay of the senior shall be refixed on par with his junior, provided the conditions under ruling (2) of FR.22-B are satisfied.

[G.O. Ms. No. 286, Personnel and Administrative Reforms (FR.V) Department, dated 31st October 1994 - with effect from 1st October 1984 and with monetary benefit from 1st April 1986]

11. (1) Government servants holding Selection Grade or Special Grade of a lower post, when promoted or appointed to higher post, which carries a lesser scale of pay than that of the Selection Grade or Special Grade Scale of pay of the lower post, shall be allowed option either—

(i) to continue to draw pay in the Selection Grade or Special Grade of the lower post, together with the 'Personal Pay' if any, drawn, as personal to them and one increment benefit in the fixation of pay in the Selection Grade or Special Grade scale of pay of the lower post shall be granted on the date of promotion or on the date of accrual of next increment in the Selection Grade of the lower post, as the case may be, at their option.

OR

(ii) to have their pay fixed in the scale of pay of the promotion post under rule 22-B of Fundamental Rules on the date of promotion, taking into account the presumptive pay drawn in the ordinary grade or Selection Grade of the lower post, as the case may be, or to have their pay fixed on the date of promotion or appointment to the higher post, in the manner as provided in rule 22 (1) (a) (i) or rule 22 (1) (b) (i), and for re-fixation of pay under F.R. 22-B on the date of accrual of next increment in the time-scale of pay of the lower post.

(2) Option shall be exercised within a period of one month from the date of promotion or appointment. Option once exercised shall be final. If no option is exercised within the said period of one month, pay shall be fixed in the scale of pay applicable to the Selection Grade or Special Grade of the lower post by allowing one increment to be drawn by them, together with the 'Personal Pay', if any, on the date of promotion, as personal to them.

(3) In all cases of option, the next increment shall be allowed on completion of the required qualifying period of one year from the date of fixation of pay.

(4) The above modes of fixation of pay shall take notional effect from 1st June 1988, with Monetary Benefit from 1st April 1992. The amendment hereby made shall be deemed to have come into force on 1st June 1988.

(Issued in G.O.Ms.No.208, Personnel and Administrative Reforms Department, dated 14th August 1997.)

In the said Fundamental Rules, under rule 22-B, after ruling 11, the following ruling shall be added, namely:-

“12.While calculating the 5% of pay as minimum benefit, the fraction below 50 paise shall be ignored and 50 paise and above shall be rounded off to the next higher rupee.”

(vide G.O.Ms.No.163, P&AR(FR.IV) Department, dated 23.11.2009)

23. The holder of the post, the scale of pay of which is changed, shall be treated as if he was transferred to a new post on the new scale of pay. If the revision of the scale of pay is without any increase in duties and responsibilities, pay shall be fixed with effect from the date of revision of scale of pay at the same stage, if there is a stage in the revised scale equal to the pay drawn in the old scale of pay and if there is no such stage, pay shall be fixed at the next higher stage. In both these cases, the next increment in the new scale shall accrue on the normal date, namely the date on which the next increment is due in the old scale of pay.

Rulings 1, 2, 4, 5 and 8 omitted.

Rulings 3, 6, 7 and 9 renumbered as 1, 2, 3 and 4 respectively.

[G.O.Ms.No.694, Personnel and Administrative Reforms I(FR.II) Department, dated 30th December 1989 - with effect from 1st September 1983.]

RULINGS.

1. If the maximum pay of a post is altered with no change in the rate of increment and the minimum, the initial pay of the holder of that post should be fixed under Rule 22 (2) and not under Rule 22 (1), even though he may be holding the post substantively.

2. When special pays attached to posts are abolished or reduced, the existing incumbents are allowed to draw the special pays at the original rate as 'personal pay' so long as they continue to hold the posts. In such cases, the 'personal pay' is admissible to permanent incumbents, if any, as well as to officiating incumbents.

In the case of officiating Government servants or Government servants appointed substantively to a cadre and not to individual posts in the cadre, it has been decided that for purpose of eligibility to draw the personal pay, the continuity of tenure of a Government servant in the post should be considered unbroken if (1) he takes leave on average pay not exceeding four months and returns to the same post on the expiry of his leave or (2) he is deputed temporarily on other duty for administrative reasons or (3) officiates in a higher post and returns to the same post on the expiry of such duty, provided that it is certified, by Government in the case of Group A and B Officers and by the Head of the Department in the case of Group C and D Officers, that the incumbent would have continued to hold the appointment in respect of which the "personal pay" was granted but for such deputation or promotion as the case might be.

Note.—(1) The term "same post" in the above rule should be interpreted to cover posts of the same category in a cadre and not necessarily the posts at the same station.

(G.O. Ms. No. 822, Finance, dated 30th December 1933).

Note.—(2) For purposes of the orders embodied in the second sub-paragraph, persons in receipt of the same scale of pay in the Tamil Nadu Ministerial Service should be treated as belonging to a particular cadre. For example, all lower division clerks, on Rs. 90 — 140 should be treated as belonging to one cadre while upper division clerks on Rs. 125—175 should be treated as belonging to another cadre.

(Finance Memorandum No. 22016-C.S.R. 3, dated 30th October 1935.)

3. The protection afforded by Rule 23 applies only to special pays attached to posts. "Unhealthy localities special pays" are not attached to posts but are fixed with reference to localities. They are not admissible to all persons holding the posts (which would be the case if the special pays were attached to the posts) as persons who are natives of or are domiciled in the locality are not eligible for them.

(Finance Memorandum No. 28576, C.S.R., dated 27th October 1933.)

4. The Agricultural Engineering Supervisors with three years service and who have passed Sections 'A' and 'B' of the A.M.I.E. shall be treated as Junior Engineers and that they shall be given the scale of pay applicable to Junior Engineers.

[G.O. Ms. No. 383, Personnel and Administrative Reforms (F.R.I.), dated 23rd March 1979 - with effect from 8th October 1974.]

24. An increment shall ordinarily be drawn as a matter of course unless it is withheld. An increment may be withheld from a Government servant by Government or by any authority to whom Government may delegate this power under Rule 6, if his conduct has not been good or his work has not been satisfactory. In ordering the withholding of an increment, the withholding authority shall state the period for which it is withheld and whether the postponement shall have the effect of postponing future increments.

Note 1.—The authority competent to withhold increments from Government servant is the authority in which such power has been vested under rule 14 of the Tamil Nadu Civil Services (Discipline and Appeal) Rules.

Note 2.—The procedure that should be followed for stoppage of increment of a Government servant under the rule-making control of the Government of Tamil Nadu is the procedure prescribed in Rule 17 (a) of the Tamil Nadu Civil Services (Discipline and Appeal) Rules or rule 3 (a) of the Tamil Nadu Police Subordinate Services (Discipline and Appeal) Rules, 1950, as the case may be.

Instruction under Rule 24.

An authority withholding an increment of an officer should expressly state in the order that the period for which the increment has been stopped will be exclusive of any interval spent on leave before the period is completed.

If a Government servant avails leave during the period of punishment, the period of punishment shall be extended. If during such extended period, he again goes on leave, the increment shall be postponed further corresponding to the period of leave availed of by him, during the extended period of punishment.

[G.O. Ms. No. 591, Personnel and Administrative Reforms (F.R.II) Department, dated 22nd June 1982.]

RULINGS.

(1) The order withholding an ordinary increment in a time-scale must specify the period for which it is to be withheld if the order is to be operative. If the order does not state that the withholding of the increment shall have the effect of postponing future increments, it shall be assumed that the officer's pay is restored to what it would have been, had his increment not been withheld from the next natural date from which he would have drawn an increment.

The effect of an order withholding a particular increment is that the officer remains on the same pay without any increment for the period for which that order withholds that increment.

(G.O. No. 1973-W., P.W. and Labour, dated 8th September 1933.)

(2) (a) All orders withholding increments issued by administrative authorities in the case of Group A and B officers should be scrutinized in audit to see if they are in accordance with the above instructions. As regards Group C and D officers, heads of departments and officers will be responsible for seeing that the instruction is observed.

(G.O. No. 432, Finance, dated 2nd July 1931.)

(b) In all cases of stoppages of increment with cumulative effect, the period of stoppage reckoned should be inclusive of intervals spent on leave.

(Finance Memorandum No. 59212/F.R./58-1, dated 7th June 1958.)

Effect of stoppage of increment on pension.

(3) (a) Where it is proposed to withhold an increment without cumulative effect in an officer's pay as a punishment the authority inflicting the punishment should, before the order is actually passed, consider whether it will affect the officer's pension, and if so, to what extent; if it is decided finally to withhold the increment, it should be made clear in the order that the effect of the punishment on the pension has been considered and that the order is intended to have this effect.

[G.O. Ms. No. 945, Public (Services), dated 4th August 1930.]

(b) The above orders are not applicable to stoppages at an efficiency bar.

[G.O. No. 1183, Public (Services), dated 13th September 1932.]

(4) (a) If a Government servant is suspended for misconduct neither the period of suspension nor any period of service preceding the suspension shall be allowed to count towards the period necessary to earn an increment.

Note.—The term "misconduct" referred to in this ruling and the ruling 5 below implies a grave degree of negligence or serious failure on the part of the person concerned to carry out instructions or to comply with regulations. It is a transgression of some established and definite rule of action and not mere neglect or failure. Suspension as punishment for neglect of duty cannot be treated as or imposed for misconduct. When there are violations of definite law and for such acts the punishment of suspension is imposed, it can be held that the punishment of suspension has been imposed for misconduct.

(G.O. No. 356, Finance, dated 18th March 1970.)

(b) No Government servant shall, be given his increment unless in the case of a clerk, the head of his office, or in any other case, such superior officer as may be prescribed for this purpose by the authority empowered to sanction the increment, signs a certificate prescribed in the Tamil Nadu Treasury Code Form No. 49.

These orders are applicable to all Government servants who are on incremental scales of pay whether the increments accrue annually or at other intervals.

(G.O. No. 9, Public, dated 5th January 1926, No.439, Public, dated 12th May 1926 and No.173, Public, dated 28th February 1927.)

Note.—The above orders do not apply to Group A and B officers, nor are they applicable to the personnel of the Fire Service Branch below the rank of Sub-Officer (excepting Telephone Operators) or Police Constables. The case of Constables is not similar to that of Government servants on the usual incremental scales and should be treated on the same basis as if they were in grades and they may be reduced from one such grade to another. Every order so reducing a constable, however, should state definitely the period for which the reduction is to have effect *vide* G.O. No. 422, (Judicial), Police, dated the 14th August 1923 and Memorandum No.180, Public, dated the 25th March 1926.

(G.O. No. 439, Public, dated 12th May 1926.)

(5) In cases of suspension on account of imprisonment for debt, or for reasons other than misconduct the period of service preceding the suspension may be allowed to count for increments but not the actual period of suspension.

(Memorandum No. 588-1, Public, dated 2nd May 1927.)

(6) Under Fundamental Rule 24 an increment shall ordinarily be drawn as a matter of course unless it is withheld. Therefore, the fact that charges are pending against an officer is not an adequate reason for not authorising the increments due to him. If the penalty of stoppage of increment is imposed on him as a result of the charges against him, his next increment can be withheld as there is no objection to withholding it subsequent to the period of service to which the charges relate.

(Finance Memorandum No.1279/F.R./60-4, dated 4th June 1960.)

25. Where an efficiency bar is prescribed in a time-scale, the increment next above the bar shall not be given to a Government servant without the specific sanction of the authority empowered to withhold increments.

RULINGS.

(1) When an officer, who was previously held up at an efficiency bar in a time-scale, is subsequently allowed to cross it, he should be given only the increment next above the bar, with effect from the date of its removal, irrespective of the length of his service.

(G.O. No. 225, Finance, dated 27th September 1940.)

Effect of removal of bar on increments.

(2) The above instruction applies only to the fixation of pay in the time-scale in which the efficiency bar has applied. It is not open to a State Government to fix an officer's pay in the senior time-scale merely because the officer has been held up by the efficiency bar in the junior time-scale. He should be paid in the senior time-scale according to length of service, unless his pay in such scale is itself affected by the operation of an efficiency bar or by a disciplinary order passed in accordance with Tamil Nadu Civil Services (Discipline and Appeal) Rules.

[G.O. Ms. No. 450, Public (Police), dated 14th September 1934.]

26. The following provisions prescribe the conditions on which service counts for increments in a time-scale:—

(a) All duty in a post on a time-scale counts for increments in that time-scale:

Provided that the increments of all Government servants shall be so advanced as to fall due on the commencement of the quarter concerned, that is advanced to 1st January for all those

drawing increments between 2nd January and 31st March, or 1st April, 1st July or 1st October, as the case may be:

Provided further that for the purpose of arriving at the date of next increment in that timescale, the total of all such periods as do not count for increment in that time-scale shall be added to the normal date arrived at after advancing the date of increment to the first of the quarter.

In cases where the punishment of stoppage of increment has been imposed with cumulative effect, the benefit of advancing the date of increment to the first of the quarter shall stand withdrawn permanently and that all future increments shall be given effect to only from the date of actual accrual.

The amendment hereby made shall be deemed to have come into force on 1st January 1974.

[G.O. Ms. No. 38, Finance (F.R.I.), dated 11th January 1977.]

[G.O. Ms. No. 803, Personnel and Administrative Reforms (F.R.I.), dated 13th July 1978.]

Note 1.—If an officiating Government servant in a post, who has no substantive appointment is discharged from service for want of vacancy, he shall on appointment to the same post, draw the pay last drawn prior to his discharge from service. The periods prior to the discharge from service shall count for purpose of future increment in the time scale of pay of that post.

(w.e.f. 7-4-1986)

[G.O. Ms. No. 1072, P and A.R. (FR. III) Dept., dated 31st October 1986.] Note 2.—

Omitted.

Note 3.—A Government servant of the Tamil Nadu Police Subordinate Service or the Malabar Special Police Subordinate Service can count for increments, the service rendered prior to suspension imposed on him as a specific penalty.

Note 4.—In the case of Constables and Head Constables of the Tamil Nadu Police Subordinate Service and Constables, Lance Naiks, Naiks, Havildars and Havildars-Major of the Malabar Special Police and the Special Armed Police appointed after the 30th March 1959, the increments accruing during the period between the first and fifteenth of a month shall be sanctioned to take effect on the first of the month itself and the increments accruing during the period between sixteenth and the last day of the month shall be sanctioned to take effect on the first day of the succeeding month.

Note 5.—Not more than three increments shall be allowed for service in a post under the Government in respect of which rules have not been made.

[G.O. Ms. No. 1409, Finance (F.R.), dated 25th October 1972.]

Note.7—The period of training undergone by Government servants appointed by direct recruitment to a post prior to their actual independent charge of such post, during which they draw pay at the minimum of the time scale of pay applicable to such post, shall count for increment in the time scale of pay applicable to such post.

[G.O. Ms. No. 370, Personnel and Administrative Reforms (Per.J) Department, dated 26-6-1989. With effect from 28th June, 1982.]

(b) Service in another post, other than a post carrying less pay referred to in clause (a) of Rule 15, whether in a substantive or officiating capacity, service on deputation and leave except extraordinary leave taken otherwise than on medical certificate, count for increments in the time-scale applicable to the post on which the Government servant holds a lien, as well as in the time-scale applicable to the post or posts, if any, on which he would hold a lien had his lien not been suspended:

Provided that Government shall have power in any case in which they are satisfied that the leave was taken for any cause beyond the Government servant's control to direct that extraordinary leave shall be counted for increment under this clause;

Provided further that the period of compulsory leave taken by officiating Civil Surgeons, Assistant Surgeons, Mould and Radon Technicians, Radiographers, Radium Assistants, and Dark- room Assistants in the Radiology Department and officiating Medical Officers in a Government Tuberculosis Institution shall count for increment.

Note 1.—A Government servant deputed out of India under Fundamental Rule 51, may count the period of deputation for increments in the time-scale of pay attached to the post of which he was officiating when he proceeded on deputation. The period of deputation so reckoned for increment should be limited to the period during which the Government servant would have actually officiated in the post but for his deputation.

Note 2.—When a Government servant while officiating in a post, is deputed to another Government in India, the period of such deputation shall count for increment in the time-scale applicable to the post in which he was officiating at the time of deputation. The period of deputation which counts for increment in the post in which the Government servant was officiating at the time of deputation shall be limited to the period during which he would have continued to officiate but for his deputation.

Note 3.—The Director of Agriculture shall issue the certificate of officiation in respect of officers of Agriculture Department working outside the department.

[G.O. Ms. No. 1123, Finance, dated 15th September 1970.]

Note 4.—The Chief Engineers in charge of establishment in the Public Works Department and Highways and Rural Works Department shall issue the certificate of officiation in respect of Assistant Engineers, Executive Engineers and Divisional Engineers of the Public Works and Highways and Rural Works Department working outside the department.

[G.O. Ms. No. 216, Finance (F.R.I.), dated 21st February 1973.]

Note 5.—The Director of Medical Education and the Director of Health Services and Family Planning shall issue the certificate of officiation in respect of officers of the Tamil Nadu Medical Services in the grade of Civil Surgeon and below working outside the department.

[G.O. Ms. No. 514, Finance (F.R.I.) dated 28th May 1975.]

(bb) All leave except extraordinary leave taken otherwise than on medical certificate counts for increments in the time-scale applicable to a post in which a Government servant was officiating at the time he proceeded on leave and would have continued to officiate but for his proceeding on leave. The period which counts for increments under this clause is, however, restricted to the period during which the Government servant would have actually officiated in the post:

Provided that the Government shall have power in any case in which they are satisfied that the leave was taken for any cause beyond the Government servants control to direct that extraordinary leave shall be counted for increment under this clause.

Note 1.—The appointing authority or other authority specifically empowered by the Government in this behalf should certify in each case that the Government servant would have actually continued to officiate in the post but for his proceeding on leave. The period of leave will count for increment only to the extent it is covered by the certificate.

Where no officiating arrangement is made in the leave vacancy and the Government servant returns to the same post after leave, the certificate that he would have actually continued to officiate in the post but for his proceeding on leave may be issued by the leave sanctioning authority instead of the appointing authority.

RULINGS.

Rulings under Rule 26(a)—Increment admissible to a probationer.

(1) Except where the terms of probation or any general or special orders of Government relating to a class or service provide otherwise, if a probationer is confirmed at the end of a period of probation

exceeding twelve months, he is entitled to claim retrospectively the increments which, but for his probation, he would have received in the ordinary course.

(Finance Memorandum No. 109227-FR 59-2, dated 27th November 1959.)

(2) In cases where the passing of an examination or test confers on a Government servant the title to any right, benefit or concession, such title should be deemed to have accrued on the day following the last day of the examination or test which he passed. In cases where the examination or test can be passed in installments, the title to the right, benefit or concession will be deemed to have accrued on the day following the last day of the examination in the subject or subjects in which he has passed.

[G.O. No. 1446, Public (Services), dated 1st May 1934.]

The above does not apply to District and Sessions Judges recruited direct from the Bar on probation. Increments may be allowed to such officers in accordance with rules (c) and (d) of the rules regulating the pay of officers promoted from a State Service to hold Indian Civil Service posts or otherwise appointed to hold such posts.

[Government of India letter No.F.129/34, Home (Ests.), dated 29th March 1935.]

Note.—The right conferred by passing the examination is the right to draw an increment from the day following the last day of the examination provided that the person concerned is otherwise eligible for the increment.

Counting for increment in Civil Posts, The War Service rendered by Temporary Civil Government Servants.

(3) (i) The period spent in "War Service" as defined below by a temporary Government servant who is permitted by the appropriate civil authority to undertake such service shall, in the event of the return with approved "War Service" to a civil post, and subject to the condition that the appointing authority certifies that he would, but for his transfer to "War Service" have continued throughout in civil employ either in the same or another post, be taken into consideration for the purpose of fixation of his pay in the applicable time-scale on his return from "War Service" to such post, whether in a substantive capacity or otherwise.

(ii) In order that the concession allowed in clause (i) above may, in cases where the person returns to his former post, be admissible under rule 26, all cases of transfer with permission to "War Service" during the present war should be treated as transfers to "higher posts" for the purpose of clause (c) of that rule.

(iii) In cases not covered by Rule 26, e.g., the case of a person who on return from "War Service" is re-employed in a civil post other than the one he held previously, permanent or temporary, the concession allowed in clause (i) above may, where equitable, be given under rule 27 on the merits of each case, after account is taken of the stage which he would have reached in the time-scale of the post in which he would have continued but for his transfer to War Service.

Counting of service in the Army Reserve for increments.

(4) Service in the Army Reserve of ex-military men who enlist in the police shall not count for increments in the Police Department except for the periods during which the reservist was mobilised for active service.

(G.O. No. 492, Judicial, dated 31st August 1925.)

(5) According to the orders in G.O.No.989, Public (Services), dated the 21st September 1934, *ad hoc* rules should be framed every time a temporary post is created. (Finance Memo.No.42334-C.S.R. 2, dated 24th December 1934.)

(6) The rules for permanent incumbents embodied in the special rules for the Tamil Nadu Police Subordinate Services issued under the Police Acts will apply automatically to all the holders of temporary posts. Hence *ad hoc* rules will not be issued in respect of these temporary posts.

(Memo.No.246-A-I, Home, dated 25th January 1937.)

(7) Deleted.

(8) A question was raised whether a Government servant appointed to a post neither as a probationer nor under the emergency provisions [e.g., a Sarishtadar appointed as Assistant Secretary to Government under Rules 2(3) and 6 of the Special Rules for the Tamil Nadu General Service, Class IX] can draw increment in the scale of pay attaching to that post after putting in the necessary period of duty. There is no provision in the Service Rules which prevents him from drawing increments nor will the provisions of Fundamental Rule 31-A relating to probationers and approved probationers apply to him. In such a case, Fundamental Rule 26 will apply and he will accordingly be eligible to draw increments.

[Memo. No. 95716, C.S.R.3, Finance, dated 19th February 1951.]

(1) A period of over-stayal of leave does not count towards increments under the Fundamental Rules unless under Rule 85 (b) it is commuted into extraordinary leave and under Rule 26 (b) or 26 (bb) extraordinary leave is allowed to count for increments.

Conditions under which a Government servant officiating in a post can count a period of absence on duty from the post for increments in the time-scale attached to it.

(2) (i) If the rates of pay of the post in which a Government servant was officiating at the time of transfer and that of the new post to which he is appointed to officiate happens to be the same, the period of joining time spent in proceeding from the old post to the new post should be treated as duty in the lower of the two posts and will count for increment in that lower post under Rule 26 (c).

(ii) In the case of a Government servant who, while officiating in a post proceeds on training or to attend a course of instruction and who is treated as on duty while under training, the period of such duty will count for increment in the post in which he was officiating prior to his being sent for training or instruction if he is allowed the pay of the officiating post during such period.

(G.I.F.D. letter No. F. 250-C.S.R., dated 19th December 1924.)

Effect of leave taken by officiating Government servants for increments.

(3) The period of compulsory leave, i.e., one months' leave each year, taken by officiating Assistant Surgeons and selection category Assistant Surgeons, in the Radiology Department will reckon as service for increments.

[G.O. No. 2375, P.H., dated 6th July 1939 and G.O. Ms. No. 271, P.H., dated 1st November 1943.]

(4) The head of a department may permit an unpassed clerk under his control to rise to the top of the time-scale in which he is, subject to the following conditions:—

(a) The unpassed clerk should have passed one at least of the special or departmental tests prescribed for promotion to higher posts in the department. If no special or departmental test is prescribed for a particular department, an unpassed clerk in that department, who has passed or may hereafter pass any test except the language test in his mother-tongue may be granted the concession.

(b) He should have proved himself deserving of the concession by his work and conduct.

(G.O. No. 78, Finance, dated 6th February 1947.)

(5) When a Government servant is appointed to the temporary posts of Process Server or Amin in the Revenue Department, he may count his service in such temporary posts for leave and increments in the permanent post on which he holds a lien.

(G.O. Ms. No. 220, Finance, dated 20th June 1939.)

(6) When a Government servant is appointed to the temporary post of Copyist or Examiner in the Revenue Department his service in such temporary post should not count for increment or leave in the permanent post on which he holds a lien.

(G.O. Ms. No. 50, Finance, dated 26th February 1940.)

(7) The services rendered by Assistant Engineers and Executive Engineers of the Public Works Department while on other duty in departments such as Public Health, Highways, etc., shall count for increment in the respective categories.

(Finance Memorandum No. 121976/F.R., 57-1, dated 6th January 1958.)

(8) The services rendered by the Executive Engineers, Assistant Engineers and subordinates of the Public Works Department and Highways Department, who are deputed to the Technical Education Department for serving as Professors, Lecturers or Assistant Lecturers in that department will count for increment in their respective categories.

(Finance Memorandum No. 1690/F.R., 58-1, dated 23rd January 1958 and No. 18948/F.R./60-2, dated 21st March 1960.) **Rulings under Rule 26 (bb).**

(1) The provision of Fundamental Rule 26 (bb) will apply also to cases where Government servants were not actually officiating in a lower post before going on leave while officiating in a higher post but would have officiated in the lower post but for going on leave.

[Government Memorandum No. 56597, Finance (C.S.R.)-2, dated 23rd October 1953].

(2) A Government servant, who has been appointed to a post under General Rule 10 (a) (i) of the State and Subordinate Service Rules and also allowed to draw increments in that post by relaxation of rule 10 (b) *ibid*, is eligible for the concession in Fundamental Rule 26 (bb) provided the conditions laid down therein are satisfied.

This concession is also admissible to the Government servants appointed under the emergency provisions under other Service Rules, who have been allowed increments in such posts in relaxation of the relevant rules.

[Government Memorandum No. 82826, Finance (C.S.R.)-2, dated 23rd September 1954.]
Rulings under Rule 26 (c) .

(1) The intention of the rule was to introduce a fresh concession permitting a Government servant to count officiating service in a higher post as service for increment in a lower post if he is reappointed to the lower post. This is not merely an alternative to the ordinary Rule 26 (a) which permits such officiating service to count for increment in the higher post.

A Government servant can also count this officiating service in the higher post for increment in that post if he is subsequently appointed to it either in an officiating or permanent capacity.

(Comptroller and Auditor-General's Endorsement No. 6-A 412/3, dated 7th January 1924).

(2) Rule 26 (c) should be applied also to officiating Government servants without substantive appointments.

(G.O. Ms. No. 72, Finance, dated 30th January 1928.)

(3) The intention of Rule 26(c) is to allow the concession, irrespective of whether the higher post is within or outside the department to which the Government servant belongs or whether such post is under any other Government (Central or State).

(G.O. Ms. No. 55, Finance, dated 23rd January 1959.)

(4) For the purpose of Rule 26 (c), it is not necessary that re-appointments to the lower post on reversion from the higher officiating or temporary post should be made immediately in continuation of the duty in the higher post. Any interruption due to leave or reversion to the permanent post will not deprive a Government servant of the concession of counting his service in the higher post for increments in the lower post, if appointed thereto subsequently.

(5) The posts in temporary grades of pay in the Survey Department cannot be termed higher posts than the corresponding ones in the permanent establishment, with more onerous and responsible work attached to them for purposes of Rule 26 (c). Hence a Government servant in the Survey Department, who holds a permanent post in one scale of pay and is officiating in a higher scale of pay, cannot when appointed to a corresponding temporary post on fixed pay, count his service, in the temporary post towards increment in the post in which he was officiating before he was appointed to the temporary post.

(G.O. Ms. No. 22, Revenue, dated 6th January 1931.)

(6) If a Government servant while officiating in a post is appointed to officiate in a higher post, his officiating service in the higher post will, if he is re-appointed to the lower post, count for increment in the lower post even though his officiating pay in the higher post is less than his officiating pay in the lower post.

Example.—A Government servant officiating as an Examiner or Copyist on Rs. 96 per mensem in the scale of Rs. 90-3-105-4-125, if appointed to officiate as Clerk on Rs. 90 per mensem in the scale of Rs. 90-4110-3-140 can count his officiating service as clerk on Rs. 90 per mensem for increment as Examiner in the stage of Rs. 96.

(7) In order to allow the period of officiating service in a higher post to count for increment in a lower post under the second sentence of Rule 26 (c), a certificate to the effect that the officer would have officiated in the lower post had he not been appointed to officiate in the higher post should be obtained from the authority competent to appoint the officer to the lower officiating post. The certificate is not necessary in the case of an Assistant Surgeon appointed as Lecturer in clinical and non-clinical departments and Tutors in non-clinical departments in the Tamil Nadu Medical Service.

(G.O. No. 163, Finance, dated 20th March 1930, Finance Memorandum No. 33444, F.R. 54-2, dated 23rd April 1957, No. 10981, F.R. 60-2, dated 22nd February 1960 and No. 89812, F.R. 60-3, dated 29th October 1960.)

(8) For the purpose of Fundamental Rule 26 (c), the officiating and temporary service in the higher post will include the period of leave which count for increments in that post under Fundamental Rule 26 (bb).

[Government Memorandum No. 796869, Finance (C.S.R.)-2, dated 27th January 1953.]

Implications of Rules 26 (a) to (c).

The implications of clauses (a) to (c) of Rule 26 are as under—

(i) Clause (a) prescribes that all duty, whether in a substantive or officiating capacity, in a post, permanent or temporary, either continuous or in different spells, counts for increments in the timescale applicable to that post. All the other clauses provide for circumstances in which interruptions in duty in a post may so count.

(ii) Clause (b) prescribes that the Government servant holding a permanent post in a substantive or provisionally substantive capacity, is entitled to count interruptions of duty in that post due to (1)

service in another post (permanent or temporary) whether in a substantive or officiating capacity or (2) service on deputation or (3) leave except extraordinary leave taken otherwise than on medical certificate for increment in the time-scale applicable to that permanent post. This clause, thus, excludes from its scope interruptions of duty in an officiating capacity in a permanent or in a temporary post; these are covered by clauses (bb) and (c).

(iii) Clause (c) applies where the interruption of duty in an officiating capacity in a permanent post or in any capacity in a temporary post is caused by appointment to a higher permanent post in an officiating capacity or to a higher temporary post in any capacity. It provides that, subject to the restriction in the penultimate sentence of the clause, such interruption counts for increment in the time-scale applicable to the lower post which he held previously, if he is re-appointed to that lower post, *whether immediately on reversion or after break.*

(Comptroller and Auditor-General's letter No. 117-A 185-44, dated 5th April 1945.)

27 (1) An authority may grant a premature increment to a Government servant on a timescale of pay if it has power to create a post in the same cadre on the same scale of pay.

(2) The Heads of Departments shall step up the pay of the senior on par with the pay of his junior. Such cases shall be sent to Government for ratification within one month from the date of refixation. The Government may ratify or refuse to ratify such fixation. If the Government refuses to ratify such fixation or any wrong fixation is noticed at a later date, the excess amount drawn by such fixation shall be recovered from the individual.

[G.O. Ms. No. 20, P.&AR. (FR.V), dated 20th January 1995, w.e.f. 10th September 1986.]

RULINGS.

Effect of grant of premature Increments on future Increments.

(1) When increments are granted in advance, it is usually the intention that the Government servant should be entitled to subsequent increments in the same manner, as if he has reached his position in the scale in the ordinary course, and in the absence of special orders to the contrary, he should be placed on exactly the same footing as regards future increment as a Government servant, who has so risen.

(G.O. Ms. No. 567, Finance, dated 6th August 1919.)

(2) In drafting the Fundamental Rules, it was clearly, recognized that Rule 27 would enable initial rates of pay to be fixed otherwise than in the manner enunciated in Rule 22.

(Comptroller and Auditor-General's D.O. No. 2-A, 408-23, dated the 3rd January 1924, to A.G.P. and T.)

(3) The expression "scale of pay" represents the maximum of the scale which is to be taken into account for determining the authority competent to sanction increments rather than the stage of it.

(Letter No. 143-A/3-23, from Auditor, Government of India, Sanctions).

(4) The pay of the steno-typists and typists drawing pay in the lower division scale of pay plus special pay admissible to them on their promotion as Assistants including Audit Clerks in the Local Fund Audit Department, Handloom Inspectors in the Handlooms and Textiles Department and Punch Operators/Machine Operators/Verifier Operators in the Statistics Department shall be fixed at their option within one month from the date of promotion either—

(i) at the appropriate stage in the upper division scale equal to the pay plus special pay. If there is no such stage, the stage next below that pay plus personal pay equal to the difference to be absorbed in future increments; or

(ii) under Fundamental Rule 22-B, without taking into account the special pay.

The option once exercised shall be final. If no option is exercised within a period of one month from the date of promotion, the pay shall be fixed as in clause (i) referred to above.

[G.O. Ms. No. 1075, Personnel and Administrative Reforms (F.R.III) Department, dated 12th November 1982.]

The above mode of fixation of pay shall be followed in the case of Junior Assistant-cum-Typist when appointed as Assistant in the Department of National Cadet Corps.

[G.O. Ms. No. 3, Personnel and Administrative Reforms (Per.J) Department, dated 3rd January 1989, with effect from 1st October 1984.]

(5) The steno-typists and typists drawing pay in the lower division scale of pay plus special pay admissible to them, on their promotion as upper division steno-typists shall elect to have their pay fixed with reference to ruling (4) above or under the normal rule. The option once exercised shall be final. If they elect to have their pay fixed under the normal rules, the drawal of special pay in addition to their pay is subject to the conditions that (i) their pay in the post of upper division clerks/upper division steno-typists is not fixed with reference to ruling (4) above and (ii) they are counted against sanctioned posts of upper division steno-typists.

(Finance Memorandum No. 122988/F.R./59-6, dated 29th October 1960.)

Explanation.—The option shall be exercised within one month from the date of promotion as Upper Division Steno-typists and that if no option is exercised within this time-limit, the pay shall be fixed under the normal rules, that is under Fundamental Rule 22-B.

[G.O. Ms. No. 1075, Personnel and Administrative Reforms (F.R.III) Department, dated 12th November 1982.]

(Memo. No. 72235/F.R./61-3, dated 28th August 1961.)

(7) Deleted.

(8) Typists/Steno-typists in the Co-operation Department appointed by transfer as Junior Inspector of Co-operative Societies be allowed option to have their pay fixed either (i) under Fundamental Rule 22-B without taking into account of the Special Pay; or (ii) at the appropriate stage in the Junior Inspector of Co-operative Societies scale equal to the pay plus special pay in the post of Typists/Steno Typists and, if there is no such stage, the stage next below that (pay plus special pay) and the difference as personal pay to be absorbed in future increments.

(11) The period between the date of previous increment in a time-scale and the date of sanction of the advance increment for passing the Account Test for Subordinate Officers, Part I shall count for subsequent increments in that time-scales.

(12) The pay of the Clerks and Head Clerks of Panchayat Unions and Town Panchayats in the Panchayat Union Service consequent on their absorption in Government service as Executive Officers, Grade I, be fixed at the appropriate stage in the time-scale of pay applicable to the post of

Executive Officer, Grade I, equal to the pay they would have drawn in the posts of Clerks and Head Clerks of Panchayat Unions and Town Panchayats or if there is no such stage, the stage next below that pay plus personal pay equal to the difference to be absorbed in future increments or if such total emoluments are less than the minimum of the scale of pay of Executive Officer, Grade I, at the minimum of the time-scale of pay.

[G.O. Ms. No. 20, Finance (F.R.), dated 8th January 1973.]

After having fixed the pay as above in the post of Assistant, the difference between this pay and what he would have drawn as Typist (Confidential)/Steno-Typist (Confidential) on the date of promotion as Assistant shall be given as personal pay to be absorbed in future increments.

The above mode of fixation of pay shall be followed in the case of Upper Division Typist/Upper Division Steno-Typist in the Office of Heads of Departments and Judicial Department and Typist (Confidential) and Personal Assistant in Secretariat under the Flexible Complementing Scheme when appointed as Assistant.

If a Government servant is reduced as a measure of penalty to a lower service, grade or post or to a lower stage in his time-scale, the authority ordering such reduction shall state the period for which it shall be effective and whether on restoration, the period of reduction shall operate to postpone future increments and if so, to what extent. INSTRUCTION UNDER RULE 29.

An authority ordering the reduction of an officer should expressly state in the order that the period for which the reduction has been ordered will be exclusive of any interval spent on leave before that period is completed.

[G.O. Ms. No. 492, Personnel and Administrative Reforms (F.R.III) Department, dated 25th May 1982.]

(With effect from 19th May 1979.)

RULINGS.

(1) (a) Every order passed by a competent authority imposing on a Government servant the penalty of reduction to a lower stage in a time scale should indicate—

(i) the date from which it will take effect and the period (in terms of years and months) for which the penalty shall be operative;

(ii) the stage in the time-scale (in terms of rupees) to which the Government servant is reduced; and

(iii) the extent (in terms of years and months), if any, to which the period referred to at (i) above should operate to postpone future increments.

The reduction to a lower stage in a time-scale is not permissible under the rules either for an unspecified period or as a permanent measure. Also, when a Government servant is reduced to a particular stage, his pay will remain constant at that stage for the entire period of reduction. The period to be specified under (iii) should in no case exceed the period specified under (i).

(b) The question as to what should be the pay of a Government servant on the expiry of the period of reduction should be decided as follows:—

(i) If the order of reduction lays down that the period of reduction shall not operate to postpone future increments, the Government servant should be allowed the pay which he would have drawn in the normal course but for the reduction. If, however, the pay drawn by him immediately before reduction was below the efficiency bar, he should not be allowed to cross the bar except in accordance with the provisions of Fundamental Rule 25.

(ii) If the order specifies that the period of reduction was to operate to postpone future increment for any specified period, the pay of the Government servant shall be fixed in accordance with (i) above but for treating the period for which the increments were to be postponed as not counting for increment.

[Finance Memorandum No. 105637/F.R./59-2, dated 1st December 1959 and Memo No. 63835/(F.R.)/60-2, dated 15th July 1960.]

(2) Every order passed by a competent authority imposing on a Government servant the penalty of reduction to a lower service, grade or post or to a lower stage in his time-scale should indicate—

(i) the date from which it will take effect and the period (in terms of years and months) for which the penalty shall be operative. It should be noted that the reduction to a lower service, grade or post or to a lower stage in his time-scale is also not permissible under the rules either for an unspecified period or as a permanent measure. It should only be for a specified period.

(ii) the extent (in terms of years and months) if any, to which the period referred to in subclause (i) above shall operate to postpone future increments on restoration, after the specified period. The period specified under this sub-clause shall in no case exceed the period specified under sub clause (i) above.

(3) In the case of penalties of reduction to a lower service, grade or post or to a lower stage in his time-scale for a specified period, the Government servant shall be automatically restored to his old post after the expiry of the specified period and the question as to what should be his pay on such restoration shall be decided as indicated in clause (b) of Ruling (1).

[G.O. Ms. No. 493, Personnel and Administrative Reforms (F.R. III) Department, dated 25th May 1982.]

(With effect from 19th May 1979.)

(4) In all cases of reduction to a lower stage in the time scale with cumulative effect, the period of reduction reckoned should be inclusive of intervals spent on leave.

[G.O. Ms. No. 418, Finance (F.R.I), dated 26th March 1974.]

29-A. Where an order of penalty of withholding of increment of a Government servant or his reduction to a lower service, grade or post or to a lower time-scale, or to a lower stage in a time-scale is set aside or modified by a competent authority on appeal or review, the pay of the Government servant shall, notwithstanding anything contained in these rules, be regulated in the following manner:-

(a) If the said order is set aside, he shall be given for the period such order has been in force, the difference between the pay to which he would have been entitled had that order not been made and the pay he had actually drawn.

(b) If the said order is modified, the pay shall be regulated as if the order as so modified had been made in the first instance.

Explanation.—If the pay drawn by a Government servant in respect of any period prior to the issue of the orders of the competent authority under this rule is revised, the leave salary and allowances (other than traveling allowance), if any, admissible to him during that period shall be revised on the basis of the revised pay.

INSTRUCTION UNDER RULE 29-A

A permanent post vacated by reduction of a Government servant to a lower service, grade or post or to a lower time-scale should not be filled substantively until the expiry of a period of one year from the date of such reduction.

Where, on the expiry of the period of one year the permanent post is filled and the original incumbent of the post is reinstated thereafter, he should be accommodated against any post which may be substantively vacant in the grade to which his previous substantive post belonged.

If there is no such vacant post, he should be accommodated against a supernumerary post which should be created in this grade with proper sanction and with the stipulation that it would be terminated on the occurrence of the first substantive vacancy in that grade.

(G.O. Ms. No. 629, Finance, dated 8th June 1962.) **RULINGS.**

(1) In cases falling under sub-rule (a) of Rule 29-A, service rendered by the Government servant in the lower service, grade or post or lower time-scale or lower stage in the time-scale or at the stage the increment was withheld from the date of imposition of such penalty, by the disciplinary authority to the date on which the order of penalty is set aside by the competent appellate or reviewing authority, shall count for increment or for other purposes in the post which he was holding immediately before the imposition of the penalty provided that he would have continued to hold that post but for the order of penalty.

(2) In cases falling under sub-rule (b) of Rule 29-A, service from the date of imposition of the penalty by the disciplinary authority, to the date on which the order is modified by the appellate or reviewing authority, shall be counted for the purpose of increment or for other purposes in the post which he was holding immediately before the imposition of the penalty or any other post which he would have held but for the order of penalty, to the extent the modified order permits of such counting.

For example, if an officer holding a post in the scale of Rs.375-25-800 is reduced to a post in the scale of Rs.250-25-400 for a period of two years and if, after six months, the order is modified by the appellate authority as reduction to a post in the scale of Rs.300-25-600, the period of six months will count for increment in the scale of Rs.300-25-600.

If, on the other hand, the order of penalty is modified as reduction to a lower stage in the timescale of Rs.375-25-800 for a specified period or withholding of increment in that time scale for a specified period, the period that has already elapsed since the date of imposition of the original penalty shall be taken into account only for the purpose of computing the specified period of penalty under the modified order.

(Memo. No. 3224-F.R./62-2, dated 3rd May 1962.)

30. and 31. Omitted.

31-A. Subject to the provisions of Rule 26 (c) and 35, a probationer and an approved probationer in any service on duty shall draw pay as follows:—

(a) A Probationer who does not hold a permanent post shall draw—

(i) While undergoing a course of instruction or training, the pay specified in the special rules in that behalf; and

(ii) after completion of the course of instruction or training or where there is no prescribed course of instruction or training, the pay of the lowest grade or the minimum pay in the time-scale of pay, as the case may be applicable to his class or category, subject to such orders as Government, may, from time to time, issue.

(b) A person, who holds a permanent post—

(i) in a subordinate service and is appointed as a probationer in a corresponding State Service or in another State or Subordinate Service, shall draw the minimum pay of the officiating post, if it is higher than his subordinate pay, without any regard to Rule 22 (1) (b) (ii) but if such minimum pay is lower than his substantive pay, the stage at which his pay should be fixed in the time-scale of the officiating post shall be determined with due regard to Rule 22

(1) (b) (ii);

(ii) in a State Service and is appointed as a probationer in another State Service, shall draw pay as in sub-clause (i);

(iii) in a class or category and is appointed on probation to a class or category in the same service involving the assumption of duties and responsibilities of greater importance shall draw pay under Rule 22 (1)

(b) (i).

(c) An approved probationer shall draw such pay as would be admissible to him if he were a full member of the service in the class or category in which he is holding a post.

(d) A probationer whose period of probation is extended shall not be eligible to have his pay re-fixed under Rule 22 (1) (b) (i) during the extended period of his probation. He shall, however, be entitled to draw his substantive pay, if any, if at any time, that happens to exceed the officiating pay otherwise admissible under clause (b) or clause (c) as the case may be.

[G.O. Ms. No. 1174, Finance (F.R.I.), dated 29th August 1974.]

Explanation.—The initial pay of a Typist or a Steno-typist appointed as a Junior Assistant and *vice versa*, shall be fixed at the stage of the time scale which is equal to the pay drawn in the old post and the period of service which was not counted for increment in the old post shall count for increment in the new post.

[G.O. Ms. No. 698, Personnel and Administrative Reforms (F.R.III) Department, dated 1st August 1983.]

(With effect from 1st January 1974.)

RULINGS.

(1) The re-fixation of pay under Rule 22 (1) (b) (i) is a fresh fixation of initial pay and not grant of increment in the officiating post. Such fresh fixation of pay will not be against the provisions of clause (i) of sub-rule (2) of Rule 31-A. The pay of a probationer can also be re-fixed under Rule 22(1) (b) (i).

(G.O. No. 189, Finance, dated 29th February 1960.)

(2) For temporary Junior Engineers and Supervisors in the Public Works Department and the temporary teaching staff of Technical Educational Institutions who are granted increments for their emergency service, when appointed regularly on probation, the first increment specified in Rule 31-A (2) (i) will be increment falling due after the date of commencement of probation and the second increment shall be granted to them only after their satisfactory completion of probation.

(Memo No. 77807/FR/61-3, dated 6th September 1961.)

[G.O. Ms. No. 422, Finance (F.R.I.), dated 27th March 1974.]

(3) When the Account Test for Subordinate Officers, Part-I is prescribed to be passed within the period of probation, in the service rules, the advance increment granted to probationers for passing the test will not be brought within the purview of the rule.

(4) Where the Account Test for Subordinate Officers, Part-I is not prescribed as a condition of probation, but is required to be passed either for continuance in that post or for promotion to a higher post, the advance increment should be allowed from the day following the last day of the test irrespective of whether the test is passed within or after the period of probation.

(With effect from 5th September 1983)

[G.O. Ms. No. 301, Personnel and Administrative Reforms (FR.III) Department, dated 26th March 1985.]

31-B. Notwithstanding anything contained in these rules, the pay of a Government servant whose promotion or appointment to a post is found to be or to have been erroneous, shall be regulated in accordance with any general or special orders issued by the Government in this behalf.

(G.O. Ms. No. 1175, Finance, dated 6th October 1964.)

33. When a Government servant officiates in a post, the pay of which has been fixed at a rate personal to another Government servant, Government may permit him to draw pay at any rate not exceeding the rate so fixed or if the rate so fixed be a time-scale, may grant him initial pay not exceeding the lower stage of that time-scale and future increments not exceeding those of the sanctioned scales.

Note.—Rule 33 prescribes the initial rate of pay of an officer officiating in a post, the pay of which has been fixed at a rate personal to another Government servant. If the pay thus personally fixed is on a time-scale, it is not intended that an officiating incumbent should be debarred from drawing increments in the time-scale according to the ordinary rules.

(Comptroller and Auditor-General's letter No.144-A/34-24, dated the 2nd March 1922.)

35. Government may fix the pay of an officiating Government servant at an amount less than that admissible under these rules.

Note.—This rule makes it possible to dispense with charge allowances and the system of holding charge. It also obviates the necessity for special rules fixing definite rates or allowances for definite acting incumbents. There may be other cases also in which Government will wish to give less than the full pay, particularly those of Government servants without substantive posts.

Delegation under Rule 35.

The head of a department is empowered to exercise full powers under this rule.

RULINGS.

Scope of the rule.

(1) One class of cases falling under this rule is that in which a Government servant merely holds charge of the current duties and does not perform the full duties of the post.

Fixation of initial pay of a Government servant on his confirmation in a post in which he officiated previously but drew pay which was less than the minimum of the time-scale attached thereto.

(2) When a Government servant is appointed to officiate in a post on a time-scale of pay but has his pay fixed below the minimum of the time-scale under rule 35, he must not be treated as having effectually officiated in that post within the meaning of rule 22 or having rendered duty in it within the meaning of rule 26. Such an officer, on confirmation, should have his initial pay fixed under rule 22 (2) and draw the next increment after he has put in duty for the usual period required, calculating from the date of his confirmation.

(3) If a Government servant appointed to officiate in a higher post takes charge of that post on an afternoon and earns an increment in the scale attached to his permanent post with effect from the next day, his pay in the officiating post should be fixed with reference to the substantive pay on the date of taking over charge, even though he will draw the officiating pay with effect from the next day only, i.e., the increment should not be taken into account in fixing his officiating pay.

(Memorandum No.13118-E-1, Home, dated 20th April 1938.)

36. Instructions allowing acting promotions to be made in place of Government servants who are treated as on duty under rule 9 (6) (b) are given below:

INSTRUCTIONS UNDER RULE 36.

1. In cases where a cadre includes provision for a training reserve and in the case of members of the process service establishment undergoing training in survey schools, officiating arrangements are inadmissible in the place of Government servants deputed for training.

2. In other cases, officiating arrangements are allowed if the period of training extends to one month or more. If it is less than a month no arrangement can be made except under the special sanction of Government.

3. Acting appointments are permissible in order to arrange for engineering officers being relieved from duty under rule 9 (6) (b) (iii) to enable them to prepare for examinations.

In case of posts or cadres for which leave reserve exists, the vacancy caused on account of deputation for training should be filled out of the leave reserve so long as the number of persons actually on leave is less than the leave reserve sanctioned and that officiating appointment to fill the vacancy are admissible only in cases where this position does not exist.

RULINGS.

(1) In future, substitutes may be appointed in place of Government servants undergoing training in the Indian Territorial Force. But the appointing authorities are required to see that, as far as possible, no substitute is appointed when the period of training is less than one month.

[G.O. No. 963, Public (Political), dated 14th June 1939.]

(2) The Director of Fisheries has been authorized to appoint, subject to the condition that no extra expenditure is thereby incurred, substitutes in the place of teachers employed in Fisherman Elementary Schools when they are deputed to undergo training in the Indian Territorial Force.

(G.O. Ms. No. 1144, Development, dated 7th August 1926.)

(3) In the place of Government servants deputed for training in the Indian Signal Corps and other Arms of the Indian Army Reserve, substitutes may be appointed subject to the provision of Instructions 1 and 2 under rule 36.

(G.O. Ms. No. 806, Public, dated 30th August 1927 and No.833, Public, dated 8th August 1929.)

37. Personal pay.—Except when the authority sanctioning it orders otherwise, personal pay shall be reduced by any amount by which the recipient's pay may be increased and shall cease as soon as his pay is increased by an amount equal to his personal pay.

38. Omitted.

39. Pay of temporary post.—When a temporary post is created which may have to be filled by a person not already in Government service, the pay of the post shall be fixed with reference to the minimum that is necessary to secure the services of a person capable of discharging efficiently the duties of the post.

RULINGS.

Special duty or deputation in India.

Under the Fundamental Rules, special duty or deputation in India will not be recognized. A temporary post will be created for the performance of that duty. If the special duty is to be undertaken in addition to the ordinary duties of the Government servant, then rules 39 and 49 will apply.

40. When a temporary post is created which will probably be filled by a person who is already a Government servant, his pay should be fixed by Government with due regard to—

(a) the character and responsibility of the work to be performed; and

(b) the existing pay of Government servants of a status sufficient to warrant their selection for the post.

INSTRUCTION UNDER RULE 40.

When a subordinate authority intends appointing a person already in Government service to a temporary post which he is empowered to create, he cannot under the above rule, fix the pay of the temporary post created at an amount in excess of the pay of the Government servant, without the sanction of Government.

RULINGS.

Fixation of the pay of temporary posts outside the regular line of a service.

(1) (a) The following principles contained in Article 81, C.S.R. should govern the grant of enhanced pay to Government servants whether placed on "special duty" within their departments or "on deputation" outside them:-

(i) A Government servant placed on "special duty" or "On deputation" should have the pay of his temporary post fixed at what his pay would have been from time to time in the regular line had he not been so deputed.

Note.—If the sanctioning authority is satisfied that a Government servant so deputed would otherwise have been advanced very shortly afterwards to a post carrying higher pay than that which he was drawing at the time his "special pay" or "deputation" begins, and would continue to hold such a post for approximately the same period as his temporary post is expected to last, he takes this fact into account and fix a uniform pay throughout the period.

(ii) The sole criterion for sanctioning enhanced pay in such cases is proof of a decided increase of work or responsibility in comparison with the duties of the post which the Government servant would otherwise occupy in the regular line. Where the test of comparative responsibility is not practicable, rule 40 may be followed.

(iii) Any extra remuneration sanctioned because of such increased work or responsibility should in no case exceed, without the special sanction of Finance Department, one-fifth of substantive pay or Rs.10 a day, whichever is less.

(b) Government servants deputed to posts substantively parallel in work and responsibility to the posts which they would otherwise have occupied, should receive no increase in pay though the peculiar circumstances in which their duty is to be performed may justify reasonable compensatory allowance.

(c) The foregoing principles may, however, be relaxed in exceptional cases where having regard to the importance of the duties, it is necessary to secure officers with special qualifications on special terms.

(G.I.F.D. No.13, XIX Ex. 131, dated 7th January 1932.)

(2) In the matter of sending Government servants to famine duty, temporary posts should be created by the competent authority concerned on a fixed pay which would give the Government servant employed, an increase over his permanent pay on the scale sanctioned to Government servants employed in hill stations. [See Class V (a)-Hill Stations of Appendix to Part I of the Tamil Nadu Manual of Special Pay and Allowances.] This concession will not be admissible in the case of Government servants employed in connection with test works, nor will it apply to temporary men or those recruited on special pay for famine work.

No allowance is admissible in the case of Government servants solely employed on office work and not responsible for regular famine relief operations, such as Famine Accountants, Travelling Auditors and Accountants.

(G.O. Ms. No. 1420, Revenue, dated 21st September 1923.)

Instructions for regulating the pay admissible to incumbents of temporary posts on fixed pay.

(3) When sanction for additional staff is given for doing additional work, two courses are open, viz.,—

(i) To sanction temporary staff with special reference to the requirements of the additional work to be done and with the specific intention that the men holding the temporary posts should do the work. In such cases, if the intention is to post permanent men, the rates of pay are so fixed as to be suitable for them. If permanent men are appointed to these posts, their substitutes will draw pay in accordance with the ordinary rules in the Fundamental Rules.

(ii) To sanction temporary posts on specific rates of pay (whether fixed or time-scale) without special reference to the nature of the additional work involved but with the intention that the appointing authority may utilize the service of any person for the additional work and not necessarily the men holding the temporary posts. In this case, the orders

merely amount to permitting the appointing authority to recruit men to the temporary post, to treat them as part of his establishment and to utilize the services of such persons of his entire establishment as are most suitable for the additional work. Then, the permanent men doing the additional work do not vacate their permanent posts but continue to hold them and the junior most men recruited against the temporary posts hold only the temporary posts though they do not perform the additional work on account of which the temporary staff was sanctioned. As the latter men are not appointed to the posts held by permanent men, the question of fixing their pay in the permanent posts does not arise and they can draw only the pay fixed in the temporary posts.

The question whether an outsider (i.e., a person without a substantive appointment) recruited in consequence of the creation of a temporary post on fixed pay can count his service for increments or not will, therefore, depend upon whether the temporary post was created with the special intention that the person holding the temporary post should do the work or not. Unless a contrary intention is expressed in the orders sanctioning the temporary post, it may be presumed that the intention of Government is, that the procedure in item (ii) above should be adopted.

43. *Omitted.*

CHAPTER V—ADDITIONS TO PAY.

44. Subject to the condition that the amount of compensatory allowance should be so regulated that the allowance is not on the whole a source of profit to the recipient, the Government may grant compensatory allowances and may make rules prescribing the amount and the conditions subject to which the allowance may be drawn.

INSTRUCTIONS UNDER RULE 44.

1. Compensatory allowances attached to a post shall be drawn in full by a Government servant performing the duties of the post.

2. The competent authority after recording reasons, which shall be communicated to Audit, may permit a Government servant on leave or relieved temporarily for preparing or attending an examination or transferred temporarily from a post to which any local or miscellaneous allowances are attached to draw such allowances or part thereof for a period not exceeding four months without prejudice to the Government servant officiating for him also drawing it.

The above permission shall be accorded only subject to the following considerations, namely:—

(i) the Government servant is expected to return to a post to which a similar allowance is attached; and

(ii) he will continue to incur during the said period, the expenses to meet which, the compensatory allowance was granted.

Explanation.—The competent authority referred to above is the authority who sanctions the leave, relief or transfer.

3. When a Government servant is transferred from a post in which he draws a compensatory allowance such as Madras House Allowance or Hill Allowance (other than a Travelling Allowance) to a post to which a compensatory allowance of a like nature is attached, he may draw the allowance during joining time, provided that if the rates of the allowance differ, he may draw the lower rate only.

4. (a) *While on duty.*—Hous-ent allowance attached to a post may be drawn in full by a Government servant officiating in the post provided that, subject to mutual arrangement, it may continue to be paid to the Government servant for whom he is officiating for a maximum period of four months.

(b) *While on leave with allowances.*—A Government servant, shall be permitted to draw hous-ent allowance for six months of leave including maternity leave but not extraordinary leave. He shall be paid house-ent allowance during the period of leave at the rates at which he was entitled to it prior to going on leave irrespective of whether he is reposted to the same station or not.

[G.O. Ms. No. 623, Finance (F.R.-I), dated 13th April 1974.]

(c) When a Government servant, occupying rent-free quarters at the station at which he enters leave, vacates such quarters, he shall be paid house-rent allowance from the date of vacation of the quarters at the rate otherwise admissible to him at the station, if rent-free quarters had not been attached to that post.

[G.O. Ms. No. 490, Personnel and Administrative Reforms (F.R.III) Department, dated 23rd May 1983 with effect from 19th January 1983.]

5. Subject to the condition that no house-rent allowance *in lieu* of rent-free quarters is claimed at the new headquarters a subordinate police officer, who is entitled to rent-free quarters and who is unable to secure a house at his new headquarters may be permitted to draw house-rent allowance for the house occupied by his family at the old headquarters. In special cases, where a head constable or constable has to keep his family at a place other than the old or new headquarters by force or circumstances, he may be permitted, subject to the fulfilment of the other conditions specified in the preceding sentence, to draw the actual rent for the house occupied by his family or the house-rent allowance admissible under the rules, whichever is less.

Fireman and others of equivalent rank in the Fire Service Department are also entitled to the above concession.

6. Travelling allowance has been dealt with separately.*

7. The competent authority shall embody in the orders sanctioning the leave or transfer, a certificate regarding the likelihood of the Government servant's return either to the post from which he proceeded on leave or transfer to another post carrying a similar allowance.

In the absence of the certificate referred to in the first paragraph, Madras House Allowance may be drawn by a Government servant for the period of leave provided that-

(i) he actually returns to the same post from which he proceeded on leave or to another post carrying a similar allowance;

(ii) the competent authority furnishes a certificate to the effect that the Government servant, who is allowed Madras House Allowance for the leave period, actually retained his house in Madras

City during leave and that he actually incurred the expenses to meet for which such allowance is paid;

(iii) the allowance shall be drawn only on the return of the Government servant from leave; and

(iv) in the case of a Government servant who is entitled to Madras House Allowance, though he occupies a house owned by him, a certificate shall be furnished to the effect that he continued to reside in the same house during the period of leave.

In the case of an allowance granted for the expensiveness of living, the Government servant shall certify that he or his family or both resided for the period for which the allowance is claimed at the old station or at another station in which he would be entitled to a similar allowance. In the case of other allowances, the Government servant shall certify that for the period for which the allowance is claimed, he continued to incur the expenses, to meet which, the allowance was granted.

For the purpose of this Instruction.—

(i) "family" includes the wife and children including an adopted child of a Government servant residing with and wholly dependent on him. In the case of a woman Government servant, the term "family" shall not include her husband unless he is wholly dependent on her. Nor will the term include a married daughter after the date on which she was placed under her husband's protection.

(ii) "leave" means leave with allowances alone including maternity leave but does not include extraordinary leave.

8. When a Government servant is compulsorily retired under sub-rule (2) rule of 56 while on leave, he shall be permitted to draw due compensatory allowances like House Rent Allowances, * *Vide* the Tamil Nadu Manual of Special Pay and Allowances Volume I, Part II.

City Compensatory allowance admissible to him notwithstanding the fact that he is retired compulsorily before he re-joins duty after the expiry of the leave period.

The amendment hereby made shall be deemed to have come into force on the 30th November 1972.

[G.O. Ms. No. 978, Personnel and Administrative Reforms (F.R.I), dated 26th August 1978.]

(3) If a Government servant in receipt of house rent allowance under the Madras House Allowance Scheme proceeds on leave for a period extending beyond the half-year or year for which it was sanctioned, he may be allowed by a competent authority under this rule to continue to draw during the whole period of such leave, house allowance at the rate drawn prior to proceeding on leave, provided the conditions laid down in this rule are satisfied.

quarters, house-rent allowance will not be admissible from the date of allotment of Government quarters.

A Government servant who, on transfer, has been permitted to retain the Government quarters at the old station, is eligible for the house-rent allowance in respect of the new station, if otherwise admissible without regard to the fact whether he has been permitted to retain the Government quarters at the old station on payment of normal rent or penal rent.

(Memo. No. 10943/FR.60-3/Finance, dated 6th April 1960.) Ruling (4) renumbered as 4(i) w.e.f. 11th March 1982.

(ii) A Government servant who is on transfer and who has been permitted to retain upto a maximum period of six months the accommodation provided by the Accommodation Controller, is eligible to draw House Rent Allowance in the new station at the rate applicable to the old station or at the new station, whichever is less until such time the accommodation in the old station is surrendered. *(w.e.f. 11th March 1982.)*

(iii) Government servants occupying Housing Board Quarters, while on transfer in the middle of an academic year shall be permitted to retain the quarters/apartments upto the end of the academic year on payment of concessional rent foregoing House Rent Allowance issued from time to time or the economic rent fixed for the quarters whichever is higher from the date of the transfer till they vacate the quarters. 31st May of every year shall be reckoned as the end of the academic year and the intervening period from July to April as the middle of the academic year.

Explanations:—

Concessional Rent—The rate of rent is determined based on the percentage fixed by the Government from time to time on basic pay plus withholding House Rent Allowance.

Economic Rent—The economic rent is fixed by the officers authorised in this regard in working out concessional rent based on the capital cost of the building.

(G.O. Ms. No.1129, Finance, dated 17th August 1974.)

(i) when an officer is holding, as a temporary measure under rule 49, an appointment to which a Government residence is attached, in addition to his substantive appointment and does not actually occupy the house;

(ii) when an officer in addition to the duties of such an appointment carries on the duties of another appointment which preclude him from occupying the house;

(iii) when an officer is officiating in an appointment for a period not exceeding one month and does not wish to occupy the house; and

(iv) when an officer is officiating in an appointment for a period not exceeding two months and the circumstances are such as to preclude him from occupying the house.

Delegation.

RULINGS.

Convention regarding reimbursement by the Government of India to State Governments and vice versa of the difference between the standard rent of buildings and rent actually recovered from their officers occupying them.

(1)(a) The Government of India and the Governments of Tamil Nadu, Uttar Pradesh, East Punjab, Madhya Pradesh and Assam have mutually agreed that when an officer of one of these Governments occupies by official arrangements a residence provided by another of these Governments, the latter Government will claim no more than the rent which would be recoverable from the officer if he were serving under its administrative control. In other words, neither Government will be called upon to make good to the other, the difference between the standard rent and the rent actually recovered.

(b) The Governments of Bombay, West Bengal, Bihar and Orissa, having finally expressed their inability to accept a corresponding convention, the position in the case of these Governments as between themselves as well as between them and the Governments mentioned in clause (a) above will be that the Government providing the residence will claim from the officer, the rent which would be recoverable from him, if he were serving under its administrative control and will be paid by the Government under whose administrative control he is serving the difference, if any between the rent recoverable from him and the standard rent calculated for the residence under rule 45-B (omitted).

(G.I., F.D., Letter No. D.199-A, dated 30th March 1929 and G.I., F.D. Endt., No.F.3. XXVIII-R, I 29, dated 18th March 1939.)

Recovery of Rent in excess of 10 per cent of emoluments.

(2) Under clause IV (c) (ii) of rule 45-A, Government may recover rent in excess of 10 per cent of a Government servant's emoluments but not in excess of the standard rent as defined in clause III of the rule.

(G.I., F.D., Letter No.F. 291-R-I 27, dated 14th February 1928.)

(3) A Government servant, who, at his own request is supplied with the residence owned or leased by Government of a class higher than that for which he is eligible when a house of his class is available for him, shall be charged the full standard rent and shall not be given the benefit of 10 per cent concession granted by clause IV (b) of rule 45-A.

(4) All District Magistrates having been provided with armed guards for their protection, it was found necessary in some cases to erect quarters for them within the compound of the residences allotted to the officers. As the cost of housing of these guards is to be borne by Police Department, the question arose whether the cost of erection of these quarters could not be excluded from the capital cost of the residence for the purpose of calculating the standard rent to be recovered from the officer concerned. Government shall have under rule 45 the power to exclude the cost of the quarters under reference from the capital cost of the residences for the purpose of fixing standard rent.

(Comptroller and Auditor-General's letter No. T 863-Admn. II/247-32, dated 19th July 1932 to A.G., U.P.)

(5) When a Government servant is permitted to occupy Government quarters during leave, rent should be recovered from him at the rate at which he is allowed to pay while on duty.

(G.O.Ms.No. 3494, W., dated 29th November 1929 and No.395, W., dated 8th February 1930.)

(6) The term "The local administrative head of the department" occurring in the Note below rule 4 under rule 45 includes heads of offices also.

[Memorandum No.41308-I, C.S.R., (Fin.), dated 4th December 1941.]

(7) (i) When residential buildings owned, leased or requisitioned by Government are allotted to Central Government servants at their own request, full rent of the buildings should be charged from them. If, however, the accommodation is provided at the official request of the appropriate authority, rent should be recovered at 10 per cent of the emoluments of the person concerned.

(ii) The residential accommodation provided to Central Government servants in accordance with the instructions in sub-paragraph (i) above, should conform to the standards of accommodation laid down by Government for their own officers. In cases of officers who are allotted accommodation of a higher class at their own request than that to which they are entitled according to the standards, full rent of the buildings should be recovered from them even though the accommodation may have been procured under official arrangements.

(Finance Memo. No.7259/C.S.R., 4, dated 6th May 1955.)

Note.—The term "full rent of the buildings" occurring in sub-paragraphs (i) and (ii) will mean the standard rent in the case of buildings owned by Government and the actual rent payable *plus* incidental charges in the case of leased and requisitioned buildings.

(Finance memo.No.66566 (A) C.S.R., dated 12th October 1955.)

45-A. i. This rule applies to members of the State and Subordinate Services, members of work charged establishments and menials paid from contingencies, holders of special posts and the members of the All India Services under the administrative control of Government.

ii. For the purpose of the assessment of rent, the capital cost of a residence owned by Government shall include the cost or value of sanitary, water-supply and electric installations and fittings and the cost or value of the site (including expenditure on its preparation); and shall be either.—

(a) the cost of acquiring or constructing the residence and any capital expenditure incurred after acquisition or construction; or when this is not known.

(b) the present value of the residence.

Note.—The cost of restoration or special repairs shall not be added to capital cost or present value, unless such restoration or repairs add to accommodation or involve replacement of the existing type of work by work of a more expensive character.

Illustrations.—The cost of replacing palmyrah rafters by Karimarudu or bamboo hurdling by teak wood reepers, or lime plastering by cement plastering should not be added to the capital cost of a

building. The cost of deepening a well in order to restore the normal water-supply should not be added to the capital cost of a building. But the cost of replacing country tiles by Mangalore tiles, or a mud compound wall by a wall of brick in mortar plastered with cement or a cement floor by tiles should be dealt with in accordance with clauses (a) and (b) of paragraph 93 of the Madras Public Works Department Code.

Provided that—

- (i) Government may make rules providing the manner in which the present value of residences shall be determined;
- (ii) for purposes of sub-clause (a) above, the expenditure incurred on such work as—
 - (a) raising, levelling and dressing sites,
 - (b) construction of revetments, retaining walls, and
 - (c) storm water drainage, shall be regarded as expenditure upon the preparation of site;
- (iii) Government may, for reasons which should be recorded, authorize a revaluation of all residences of a specified class or classes within a specified area to be conducted under the rules referred to in proviso (i) above, and may revise the capital cost of any or all such residences on the basis of such revaluation.
- (iv) the capital cost, however calculated, shall not take into consideration (1) any charges on account of establishment and tools and plant other than such as were actually charged direct to the work in cases in which the residence was constructed by Government or (2) in other cases, the estimated amount of such charges.
- (v) Government may, for reasons which should be recorded, write off a specified portion of the capital cost of a residence—
 - (1) when a portion of the residence must be set a side, by the officer to whom the residence is allotted, for the reception of official and non-official visitors visiting him on business, or
 - (2) when it is satisfied that the capital cost, as determined under the above rules, would be greatly in excess of the proper value of the accommodation provided; and
- (vi) in assessing the cost or value of the sanitary, water supply and electric installations and fittings, Government may, by rules determine what are to be regarded as fittings for this purpose.

III. The standard rent of a residence shall be calculated as follows:—

- (a) (i) In the case of a leased residence, the sum paid to the lessor,
- (ii) In the case of a requisitioned residence, the standard rent shall be the compensation payable to the owner of the building, plus in either case an addition determined under the instructions given below, for meeting, during the period of lease or requisition, as the case may be, such charges for both ordinary and special maintenance and repairs and for capital expenditure on additions or alterations as may be charged on Government and for the interest on such capital expenditure, as also for Municipal and other taxes in the nature of house or property tax, payable by Government in respect of such residence.

Note.—For the purpose of this clause, the additions for both the ordinary and special maintenance and repairs shall not include anything for the establishment and tools and plant charges except to the extra followed under proviso (iv) to clause II

Instructions.

Additions and alterations to leased residences.—In the event of any addition or alteration to the building being made with the consent of the owner subsequent to the signing of the lease at the request of the occupant and at Government expense, the following rules should govern the recovery of rent:—

(i) If the lessor agrees to take over the work done on the expiry of the lease and to pay to Government the original cost of that work less an allowance for deterioration, which should be fixed before the work is done, the standard rent will be raised so as to cover—

(a) such percentage rate as may be prescribed from time to time as the standard of return on productive irrigation works on the capital cost of additional work;

(b) the percentage or amount fixed for deterioration;

(c) the annual estimated charges for maintenance and repairs of the additional work (if repairs are executed by Government); or

(ii) if the landlord refuses to accept any liability for the additional work, the standard rent will be raised so as to cover during the period of the lease—

(a) the capital sum expended, including interest at such percentage rate as may be prescribed from time to time as the standard of return on productive irrigation works;

(b) the annual estimated charges for maintenance and repairs of the additional work.

Note.—The standard rent should be fixed when the work is completed.

In case (i), the capital cost will be held to be the total expenditure less half the amount which will be recovered on account of deterioration.

In case (ii), interest will be calculated on half the amount of the outlay.

(b) In the case of residential buildings owned by the Government, the standard rent shall be calculated at seven per cent per annum on the capital cost of the buildings.

[G.O. Ms. No. 1639, Finance (F.R.I.), dated 28th December 1973.]

Note.—Government may, by rule, permit minor additions and alterations, the cost of which does not exceed a prescribed percentage of the capital cost of the residence, to be made during such period as the rule may determine without the rent of the residence being increased.

(c) In both cases, standard rent shall be expressed as standard for a calendar month and shall be equal to one-twelfth of the annual rent as calculated above.

The standard rate of rent of a building shall be fixed at the nearest half-rupee or rupee as indicated below. In regard to rents of Rs. 5 and above, fractions of 50 paise and over shall be treated as one rupee, those below 50 paise being ignored. In regard to rents below Rs.5, fractions of 25 paise and above but below 75 Paise shall be taken as 50 Paise ignoring the fractions below 25 Paise and fractions of 75 Paise and above shall be rounded off as one rupee.

IV. When Government supplies an officer with a residence leased, or requisitioned or owned by Government, the following conditions shall be observed:—

(a) The scale of accommodation supplied shall not, except at the officers own request, exceed that which is appropriate to the status of the occupant.

(b) Unless in any case it be otherwise expressly provided in these rules, he shall pay (i) rent for the residence at ten per cent of his family emoluments irrespective of the standard rent except in cases where a higher rate of rent has been fixed and shall forego the house rent allowance and (ii) municipal and other taxes payable by the Government in respect of the residence not being in the nature of house or property tax.

[G.O. Ms. No. 1639, Finance (F.R.I.), dated 28th December 1973.]

Note.—For the purposes of clauses III and IV (b) (ii) of rules 45-A the portions of property tax levied on Government buildings by local bodies representing water, drainage, lighting and scavenging taxes shall be treated as being not in the nature of house or property tax.

(c) Notwithstanding anything contained in sub-clause (b) above, Government may—

(i) at any time, after the standard rents have been calculated under the provisions of clause III above, group a number of residences, whether in a particular area or of a particular class or classes, for the purpose of assessment of rent, subject to the following conditions being fulfilled:—

(1) that the basis of assessment is uniform; and

(2) that the amount taken from any officer shall not exceed 10 per cent of his monthly emoluments;

(ii) by general or special order, provide for taking rent in excess of that prescribed in subclause (b) above from an officer—

(1) who is not required or permitted to reside on duty at the station at which the residence is supplied to him, or

(2) who, at his own request, is supplied with accommodation which exceeds that which is appropriate to the status of the post held by him, or

(3) who is in receipt of a compensatory allowance granted on account of dearness of living, or

(4) who is permitted to sub-let the residence supplied to him, or

(5) who sub-lets without permission the residence supplied to him, or

(6) who does not vacate the residence after the cancellation of allotment.

Instructions under Rule 45-A-IV (c)(ii)(1) and (2).

(1) When a Government servant, who is provided by Government with a residence attached to the post held by him occupies, for his own convenience, an additional residence either at or outside the headquarters or occupies, accommodation at the headquarters in excess of that appropriate to his status, the standard rent as defined in rule 45-A III (b) or 10 per cent of salary or the concessional rate that may be applicable to him whichever is least, should be recovered for the residence attached to the post held by him. The full standard rent as defined in Rule 45-A-III (b) should be recovered for the additional residence or the additional accommodation occupied by the Government servant at or outside his headquarters, irrespective of his salary or of the recovery of rent for the residence attached to the post held by him.

(2) When a building is leased by Government for an officer who is not entitled to rent-free quarters, the full rent which the Government will have to pay for the building as well as any other incidental expenditure involved in securing a residence for him should be recovered in all cases from the officer occupying the buildings.

(d) When rent has been recovered short, through an error in calculation of standard rent or through mistake or inadvertence, the Government servant shall pay the deficiency on demand made within twelve months from the date on which the short recovery was made, in such number of instalments as the Government may direct.

(e)(i) Where the standard rent of a residence cannot be determined for reasons to be recorded in writing at that time of its allotment, the Government servant shall pay such rent as may be fixed by the Government on the basis of the actual expenditure on the construction or the cost of acquisition of the buildings, the cost of fittings therein and the known and anticipated liabilities relating thereto plus 10 per cent of the amount so arrived at or 10 per cent of his monthly emoluments, whichever is less.

(ii) The rent so fixed shall remain effective until the last date of the calendar month in which the standard rent for the residence is determined.

(iii) In addition to the rent referred to in sub-clause (e)(i), Government servant shall pay municipal and other taxes payable by the Government in respect of the residence not being in the nature of house or property tax and compensation for the charges payable by the Government in respect of the services provided for the residence.

(f) Notwithstanding anything contained in sub-clause (e)(i), if recovery for rent is made from a Government servant in respect of the residence allotted to him in accordance with that sub-clause or on any other basis adopted before the 6th January 1964 in respect of that residence and the standard

rent for that residence has not been determined, the rent so recovered shall be deemed to be the rent for that residence recoverable under the rules.

Instructions.

In the case of Government servants occupying Government residential buildings, rent shall be recovered from them for the period of their occupation during joining time on transfers at the rates at which they are payable before their transfer.

Rent shall be recovered at the same rates from Government servants on transfer, who are allowed to occupy Government residential buildings beyond their joining time because neither the Government servants holding additional charge of the posts nor the incoming regular incumbents of the posts for whom the said buildings are intended are in need of them for the period of such extended occupation, provided that the new posts to which the Government servants are transferred do not carry higher scales of pay. In cases where the new posts to which the Government servants are transferred carry higher scales of pay, their enhanced rates of pay shall be taken into consideration for calculating rent at 10 per cent of their emoluments from the actual dates of their joining the new posts.

Rent shall also be recovered at the rates specified in the first paragraph from Government servants on transfer, proceeding to new stations during their joining time and occupying the Government residential buildings attached to such posts, if vacant, earlier than actually taking over charge of the new posts, for the period of such occupation during joining time.

V. In special circumstances, for reasons which should be recorded, Government—

(a) may, by general or special order, grant rent-free accommodation to any officer or class of officers, or

(b) may, by special order, waive or reduce the amount of rent to be recovered from any officer, or

(c) may, by general or special order, waive or reduce the amount of municipal and other taxes, not being in the nature of house or property tax, to be recovered from any officer or class of officer.

Note.1—A sanction accorded under clause V (a) of Rule 45-A will not exempt the occupant from liability for payment of rent for water supply, sanitary and electric installations and fittings which will be charged on the basis of 7 per cent on their capital cost except in the case of the following officers who have been exempted from the payment of such rent:d:—

Instructions under Rule 45-A-V.

Exemptions from payment of rent may be sanctioned, with the previous approval of Government, when a building is rendered uninhabitable by reason of extensive repairs or for any other cause and is so certified by the Executive Engineer. The latter should forward his certificate to the Superintending Engineer, who will report to Government whether partial or total remission of rent should be allowed and for what period.

When only a portion of a Government residence becomes uninhabited, the occupant will be allowed the benefit of a remission of rent, only in the standard rent of the building excluding the proportionate rent of the portion rendered uninhabitable falls below 10 per cent of the occupant's emoluments.

Inconvenience caused by petty or ordinary annual repairs is insufficient to warrant a remission of rent.

The total amount of rent and service taxes recoverable from any Government servant in respect of a Government residential building owned by Government shall not exceed 10 per cent of his emoluments. Government servants entitled to rent-free quarters will be exempted from the payment of service taxes. The concessional rates of rent fixed for certain Government servants under class VII (2) of the Tamil Nadu Manual of Special Pay and Allowances, Part I, shall be treated as the limits in force for the total of rent and service taxes, i.e., service taxes shall not be recovered from the occupant in addition to the rent at the concessional rate.

Note 1.—Heads of Departments may sanction remission of rent under the above instructions up to a limit of Rs.100 in each case.

Note 2.—A Government servant provided with free quarters may continue to occupy them free of rent when he proceeds on leave for a period not exceeding six months or 180 days, as the case may be, provided no substitute is appointed in his place or if a substitute is appointed, quarters are available for the substitute without any extra expense to Government. But the members of the Tamil Nadu Police Subordinate Service and the Tamil Nadu Fire Subordinate Service who are entitled to rent-free quarters as a condition of their service shall be allowed rent-free quarters or house-rent allowance *in lieu* thereof during leave period not exceeding six months or 180 days, as the case may be, irrespective of the fact whether substitutes are posted in their place and extra expense is involved. If the leave is extended beyond the six months or 180 days limit, rent-free occupation of the quarters must cease.

Note.3—A permanent incumbent may during absence on leave or on duty elsewhere be permitted by the Superintending Engineer to store at his own risk, free of rent, his furniture and other belongings in his residence when both the conditions specified below are fulfilled:—

(1) the temporary incumbent does not require the residence and is exempted from the payment of rent for it; and

(2) arrangements cannot be made to lease the house during the absence of the permanent incumbent.

The concession of storage of furniture and other belongings under this note, free of rent, is subject to the conditions that if a claim for vacancy remission of property-tax becomes inadmissible consequent on such storage, an amount equal to the vacancy remission of tax that would otherwise have accrued is recovered from the Government servant concerned.

Note. 4.— The consent of the Finance Department may be presumed to have been given to all sanctions accorded by Government under this instruction.

VI. If a residence is supplied with services, other than water-supply, sanitary or electric installations and fittings, such as furniture, tennis court, or garden maintained at the cost of Government, rent shall be charged for these in addition to the rent payable under clause IV. The tenant will also be required to pay the cost of the water, electric energy, etc., consumed.

The rules prescribing as to how the additional rent and charges shall be determined and how the remission or reduction of the additional rent or charge in special circumstances shall be authorised, are given in the instructions below.

Note.—The value of the site should be excluded in calculating the additional rent to be charged for special services under this rule which involve the provision of additional site.

Instructions.

1. If, in any case, furniture is supplied to a residential building, a rent of 15 per cent per annum should be recovered on its capital cost.

Exceptions-1.—No rent shall be charged on the furniture supplied to the quarters and buildings attached to the Raj Bhavans at Madras and Ootacamund.

(G.O. Ms. No. 185, Finance, dated 6th March 1968.)

(1) Clerks' and Bandmen's quarters—Madras and Ootacamund.

(2) Quarters of the Manager, Office of the Private Secretary to the Governor, Tamil Nadu Guindy and Ootacamund.

(3) The servants' lines (218 servants' godowns), C.I.D. Inspectors' quarters, superior servants' quarters, and the hospital and dispensary attached to the Government House—Ootacamund.

Rent for additional furniture supplied to the above mentioned quarters either for the first time or in replacement of an old one shall be charged at 15 per cent.

2. State expenditure on the addition of tennis courts, gardens, ball-room floors, etc., should, as a rule, be limited to the residence of the Governor. The addition of cowsheds, fowl-houses, etc., to Government residences should be very rare and they should not be provided without the special sanction of Government in each case. When such amenities are supplied, additional rent will be charged on the outlay thereon at 6 per cent of the capital cost independently of the rent of the residence.

3. The charges for current or for excess water consumption should be paid by the tenant unless specifically exempted under the above rule.

Note.—A sanction accorded under Rule 5, under Rule 45 will be held to exempt an officer from the liability for the charges mentioned in Rule 45-A VI also.

4. In the case of Government buildings providing combined office and residential accommodation, the charges on account of excess water should be borne by Government and the tenants in the proportion of the excess water actually consumed. Separate meters should be supplied to the residential and non-residential portion for this purpose.

VII. The Government may, by rule, prescribe that this rule shall apply to any Government servant or class of Government servants other than those mentioned in this rule.

VIII. Nothing contained in this rule shall so operate as to require payment of rent, for the occupation of residences supplied by Government, by those servants who have been specially exempted from such payment or to effect the amount of rent or charges payable by these servants in whose case the amount so payable is prescribed by Government.

RULINGS.

(1) Proviso (i) obviously does no more than supplement clause (b) by setting the manner in which the present value is to be determined in cases in which the factors specified in clause (a) are not known. Proviso (iii) which unlike proviso (i), is a true proviso alters the operation of the substantive part of the rule by empowering Government to substitute for the capital cost determined in accordance with clause (a) in a case where the factors specified in that clause are known, a new capital cost represented by the present value, calculated in accordance with the rules made under proviso (i) for the primary purpose of determining the present value in cases to which clause (b) is applicable.

(G.O. Ms. No. 370, W., dated 12th March 1925.)

(2) For the purpose of this rule, the word "emoluments" does not include pension drawn from sources other than the Consolidated Fund.

(G.I.F.D. No.225-C.S.R., 27, dated 24th June 1927.)

Concession to low-paid Government Servants.

(3) The concessional rates of rent prescribed in category (2) under Clause VII Housing in Appendix I of the Tamil Nadu Manual of Special Pay and Allowances, Volume II, apply to all Government servants on duty whose average pay is less than Rs. 90 per mensem to whom quarters have been assigned by a general or special order. But, when a Government servant is permitted to occupy Government quarters during leave, rent should be recovered from him at the rate at which he is allowed to pay while on duty, i.e., at the concessional rate for those whose average pay is less than Rs.50 per mensem.

Continuance of rent-free concession during leave.

(4) It will be for the authority granting the leave to decide in each case whether the concession contemplated in Note 2 to the Instructions under Rule 45-A-V may be granted or not. A subordinate who is granted leave for a period exceeding six months in the first instance is ineligible for the concession.

(Finance Endts. No.13665-1/C.S.R., dated 18th April 1925, No.26227-1 C.S.R., dated July 1925 and No.34237-1/C.S.R., dated 5th October 1925.)

Note.—On the analogy of the principle laid down in Note 2 to the instructions under Rule 45-A-V, occupation of Government quarters free of rent or house rent *in lieu* of free quarters is admissible during the first six months or 180 days of leave regardless of the nature of the leave taken and irrespective of whether the leave was sanctioned in one spell or different spells provided that no substitute is appointed in the place of the absentee or if a substitute is appointed, quarters are available for the substitute without any extra expense to Government.

Provided that the members of the Tamil Nadu Police Subordinate Service and the Tamil Nadu Fire Subordinate Service who are entitled to rent-free quarters as a condition of their service shall be allowed rent free quarters or house rent allowance *in lieu* thereof during leave period not exceeding six months or 180 days, as the case may be, irrespective of the fact whether substitutes are posted in their place and extra expense is involved.

(5) The concession in Note 2 to the Instructions under Rule 45-A-V is not applicable to a Government servant, who is absent from the station on tour or who is permitted to spend part of the summer at some hill station. In these circumstances the officer is still responsible for the full rent of the house.

This rule applies to all Government servants under the administrative control of Government.

(P.W.D. Memo. No.5199, Ac.24-C.P., dated 15th January 1925.)

Recovery of rent from City Police Subordinates who are eligible for the concession of free quarters.

(6) When subordinates of the Madras City Police overstay their leave by short periods and thereby exceed the limit of four months for which alone they are eligible for the concession of free quarters, rent for the period overstayed should be recovered. In the case of Government quarters the full standard rent should be levied whereas in the case of a hired house, rent charged should be the hire paid for the house together with the difference which the Government may have to pay in hiring a house for the substitute at a higher rate. Individual cases in which the application of this rule will cause hardship may be referred to Government for orders.

(G.O. Ms. No. 603, W., dated 7th June 1926.)

(7) Not only individuals but also a class of Government servants can be dealt with under clause V (b) of Rule 45-A.

(Public Works Department Memo. No. 5300-C/ 39-2, dated 18th October 1939.)

(10) The Occupants of the residential quarters in the following farms of the Animal Husbandry Departments, shall pay rent at concessional rate of five per cent of the emoluments instead of ten per cent subject to foregoing house rent allowance:— “ (1) District Livestock Farm, Chettinad.

It does not include allowances attached to the Victoria Cross, the Military Cross, the King's Police Medal, the Indian Police Medal, the Order of British India or the Indian Order of Merit.

Remuneration drawn by Veterinary Assistant Surgeon from Municipal Funds for meat inspection work

(1) The remuneration up to a maximum of Rs. 15 per mensem permitted to be drawn by the Veterinary Assistant Surgeons from Municipal funds for meat inspection work need not be taken into

account as a fixed addition to pay with reference to clause (ii) of Rule 45-C, in calculating the rent recoverable from the Assistant Surgeons for the Government quarters occupied by them.

(G.O. Ms. No. 977, Development, dated 27th May 1941.)

Recovery of rent from a Government Servant under suspension who is subsequently reinstated.

In the matter of calculation of emoluments under Rule 45-C for the purposes of recovery of rent, a suspended Government servant who is treated as on leave (either on average pay or on half average pay), subsequently reinstated and whose period of suspension is treated as leave (either on average pay or on half average pay) should not be treated differently from a Government servant who goes on leave in the usual course. Such cases should accordingly be dealt with under Note 2 below Rule 45-C and not under clause (vi) under that rule.

(2) Dearness pay granted under rule 8 (v) of the Tamil Nadu Revised Scales of Pay Rules, 1960, shall be treated as pay under clause (i) of Rule 45-C.

Note.—This clause does not apply to the acceptance of fees by medical officers for professional attendance which is regulated by the orders of Government.

(c) Fees and Honoraria.—In the case of both fees and honoraria, the sanctioning authority shall record in writing that due regard has been paid to the general principle enunciated in Fundamental Rule 11, and shall record also the reasons which in his opinion justify the grant of the extra remuneration.

[G.O. Ms. No. 1186, Personnel and Administrative Reforms (F.R.III) Department, dated 25th November 1981.]

(with effect from 25th November 1981.)

RULINGS Grant of Honoraria or fees.

(1) The rule requires that the reasons for the grant should be recorded in writing, so that the honorarium or fee should be subject to departmental and audit scrutiny. Audit officers may, therefore, require that the reasons for the grant of an honorarium or fee should be communicated to them in each case.

Grant of honoraria for conferences and overtime work.

(2) Temporary increase in work to the staff of an office due to the holding of special conferences under the auspices of a department or subordinate authority or of inter-departmental committees are normal incidents of Government service and form part of the legitimate duties of the Government

(3) (i) When a Government servant is appointed to act as arbitrator in a dispute between the department of the Government in which he is working and a private party, he should not be granted any honorarium.

(ii) If, however, he is appointed as an arbitrator in a dispute between a private party and a department of the Government other than the one in which he is working, or other Governments or Union Territories, he may undertake such work and receive honorarium therefor on the following conditions:—

(a) Before undertaking the work, the officer shall, as required under Rule 46 (b), obtain prior approval of the competent authority, who shall decide whether, consistently with his official duties, he may be allowed to undertake the work and receive honorarium for it; and

(b) The honorarium payable will be decided by the Government.

47. The rules prescribing the conditions and limits subject to which the authority subordinate to Government may sanction the grant or acceptance of honoraria and the acceptance of fees, other than the acceptance of fees by medical officer for professional attendance are given in the following instructions:—

Instructions under Rules 46 and 47.

1. Subject to the conditions prescribed in Instructions 2 to 6, a competent authority (*vide* Instruction 7 *infra*) may sanction the grant of an honorarium to, or the acceptance of an honorarium or fee by a

Government servant under its administrative control. In the case of Government Examinations, the Director of Collegiate Education, the Director of School Education and the Commissioner for Government Examinations and the Chairman, Tamil Nadu Public Service Commission, may, within the limits laid down, sanction the grant of an honorarium to any Government servant. No Government servant may accept an honorarium or fees without proper sanction.

2. The amount of an honorarium or fee must be fixed with due regard to the value of the service in return for which it is given.

3. Sanction must not be given to the acceptance of an honorarium or fees, unless the work for which it is offered has been undertaken with the knowledge and sanction of a competent authority, who must certify that its performance will involve no detriment to the official duties of the Government servant

performing it. A government servant may, however, accept without the sanction of any authority, any chairmanship, examinership or paper setting work offered by the Tamil Nadu Public Service Commission, or the Union Public Service Commission or other State Public Service Commissions in India or the Board of Examination of State Board of Technical Education and Training, Tamil Nadu and the appointment as Paper Setter, Moderator and Examiner offered by the Institute of Secretariat Training and Management, New Delhi and the remuneration therefor, provided that such acceptance will not in any way, prejudice his ordinary official duties.

4. No Government servant should be permitted to perform a specified service or series of services for a private person or body or for a public body, including a body administering a local fund, and to receive as remuneration therefor a non-recurring or a recurring fee. In exceptional cases, where such service has to be performed by a Government servant, the permission of the Government should be applied for. Permission will be given by Government very rarely and under very clear circumstances justifying such a course, wherein the rare qualifications of the officer and the public importance of the service demand the utilization of his service. In cases where permission is granted by the Government, no portion of the fees earned by Government servants need be credited to the Government.

Note 1.—Literary, cultural and artistic efforts aided by knowledge acquired in the course of service will require prior permission of the competent authority and any income derived therefrom is to be treated as fee, but writing of reports or studies on selected subjects for international bodies like the United Nations Organisation, UNESCO, etc., and literary contributions to both Indian and foreign magazines will not require prior permission, if this is done un-aided by knowledge acquired in the course of service.

Note 2.—The above rule does not apply to fees received by Government servants from a University or other examining body in return for their services as examiners or for other work done in connection with the examinations, and to overtime fees. The authorities who are competent to sanction the undertaking of work covered by this note and the extent which they can sanction acceptance of fees therefor are given in Instruction 7 below.

Note 3.—The above Instruction does not apply to remuneration received by Government servants in the Education Department and the Technical Education Department for writing books.

Note 4.— The above Instruction does not apply to the remuneration received by Government servants of the Anatomy Department of Government Medical Colleges for undertaking the work of embalming dead bodies at the request of private parties.

Note 5.— The above Instruction does not apply to the remuneration received by Government Medical Officers for the examination and issue of certificates to private employees sent by their employers, provided that the examination is done at the Medical Officers' residence or consulting rooms.

Note 6.— The above Instruction does not apply to the fees received by the officers of the Forest Department for examinership in respect of the examination held by the Tamil Nadu Forest College, Coimbatore and the Forest Research Institute and College, Dehra Dun, under the Government of India.

5. No Government servant may act as an arbitrator in any case which is likely to come before him in any shape by virtue of any judicial or executive post which he may be holding.

6. A Government servant called upon by a Court of Law to act as a Commissioner to give evidence on technical matters may comply with the request, provided that the case is not of such a nature as will be likely to come before him in the course of his official duties, and may accept such fees as are fixed by the Court.

6-A. A member of the teaching staff in the Education Department may be permitted by the competent authority (*vide* Instruction 7 below) to receive fees for private tuition.

Provided that members of the teaching staff in Government Colleges including the Colleges of Education shall not undertake private tuition and receive any fees.

Additional Charge in leave vacancies.

(2) In cases where leave reserve has been provided for in a cadre, the appointment of officers to hold additional charge of the posts of officers going on leave should not generally be made, as such arrangements amount to increasing the strength of the cadre and throw extra cost on Government. The leave vacancies should be filled only by the leave reserve officers and exceptions can be allowed only when there are special circumstances justifying the arrangements, e.g., when it would be cheaper to make appointments under Rule 49 than to transfer for this purpose an officer from a distant station.

Admissibility of Special Pay attached to a post or granted for the collateral duties of the post for purpose of determining additional pay .

(3) The Special pay attached to the post held in additional charge will not be taken into account for purposes of calculation of additional pay. But in cases where the responsibility or work in consideration of which the special pay is sanctioned pertains to a post which is separable but not independent, then

the special pay may be allowed in full in addition to the additional pay admissible under Fundamental Rule 49.

(Finance Memo.No.38054-F.R.,58-1, dated 26th April 1958.)

A School Assistant who is placed in full additional charge of the posts of Headmaster or Headmistress in a Government Secondary and Training School and draws additional pay therefor, may be allowed the special pay attached to the latter post.

(4) In case where a Junior Engineer holds additional charge of a Supervisor's post, the minimum pay of the post for the purpose of calculating additional pay shall be Rs.225 per mensem. In case where a diploma-holder holds additional charge of the supervisor's post, the minimum pay for the purpose shall be Rs.150 per mensem.

(5) (1) Post in respect of which additional charge arrangements have to be ordered can be classified as—

- (i) those not in the same office establishment or line of promotion and cadre;
- and
- (ii) those in same office, establishment or line of promotion and cadre.

Those in category (i)— as illustrated below are clearly independent and are eligible for the grant of additional pay.

Illustrations.

- (a) Commissioner of Labour holding charge of the post of Registrar of Co-operative Societies.
- (b) Co-operative Sub-Registrar in the regular line holding charge of the post of Extension Officer (Block).
- (c) Deputy Secretary to Government holding charge of a post of Head of a Department.

(2) Many posts in respect of which additional charge arrangement can be ordered, happen to be in the same line of promotion, the same office and the same cadre.

Cases in this category may be divided further into— (a) additional post subordinate to post originally held;

(b) additional post equivalent and of same rank as that of the regular post; and (c) additional post superior to the regular post.

(3) *Additional post subordinate to the regular post.*—In such cases, additional pay is not permitted.

Illustrations.

- (a) Superintendents of Police holding charge of the post of Assistant Superintendent of Police or Deputy Superintendent of Police.
- (b) Collector holding charge of the post of Revenue Divisional Officer, under him.
- (c) Superintending Engineer holding charge of post of Executive Engineer under him.
- (d) Municipal Commissioner should not be placed in additional charge of the post of Municipal Engineers and Municipal Health Officer and be allowed additional pay.

When the Municipal Engineer or the Municipal Health Officer goes on leave without a substitute the Commissioner may relieve him and look after his routine work without any claim for additional charge allowance.

(Letter No. 102098/FR III/81-6, Personnel and Administrative Reforms Department, dated 4th May 1982.)

The reason for the non-grant of additional pay is that in the normal course, the superior officer is excepted to supervise the work of the subordinate and the additional charge arrangement should not in the normal course entitle him to extra remuneration. The work of the additional post should be redistributed among other subordinates in such a way that each one's load of work is increased to a small extent that no one is entitled to additional pay.

(4) *Additional Post equivalent to the regular post.*—(i) When additional charge arrangements are in respect of different territorial jurisdictions, the posts are definitely independent. In such cases additional pay is admissible.

- (a) A Revenue Inspector of one firka holding charge of another firka.
- (b) A Revenue Divisional Officer of a division holding charge of another division.
- (c) An Executive Engineer of one division holding charge of another division.

(ii) When the posts held are in the same office and of the same rank, additional pay shall not be admissible if the duties of the said additional post are of exactly identical nature and if the responsibilities are such as can easily be spread out among others holding the same posts.

Illustrations.

If a Personal Assistant to a Collector goes on leave and if the Collector has a number of other Deputy Collectors working under him in the Headquarters Office, he should consider whether he cannot distribute the responsibilities of the Personal Assistant to the other Deputy Collectors so as to increase each one's load by a small extent.

(iii) **Additional Pay shall be admissible only when the responsibilities are indivisible and cannot be distributed to more than one officer. In such cases, a certificate to the effect that the responsibilities of the post held in additional charge are not divisible, should be furnished by the competent authority sanctioning additional pay.**

- (c) In the office of the Superintending Engineer with a number of draftsmen—one draftsman dealing with designs holding charge of the post of draftsman not dealing with designs.

(5) *Additional post superior to the regular post.*—In cases where the superior posts carry higher scales of pay and where the pay scales of the higher and lower posts are the same or are overlapping, e.g., when a Deputy Secretary in the I.A.S. cadre holds additional charge of the post of Secretary also in the I.A.S. cadre, the arrangement is to permit the payment of additional pay.

CHAPTER VII—DEPUTATION OUT OF INDIA.

50. No deputation of a Government servant out of India shall be sanctioned without the previous approval of the Central Government.

51. (1) When a Government servant is, with proper sanction, temporarily deputed for duty out of India either in connection with the post held by him in India or in connection with any special duty on which he may temporarily be placed, he may be allowed to draw during the period of deputation the same pay which he would have drawn had he remained on duty in India:

Provided that a Government servant, who is placed on deputation while already on leave out of India on average pay, may be required to continue to be on leave, in which case he shall be given during that period, in addition to his leave salary, an honorarium of one-sixth of the pay which he would have drawn had he remained on duty in India; the cost of passages from and to India shall be borne by him.

Note.—The portion of the pay which a Government servant may be permitted to draw in foreign currency while on deputation abroad will be determined in accordance with the orders issued by the Central Government in this regard from time to time.

(2) A Government servant on deputation may also be granted a compensatory allowance in a foreign country of such amount as the Central Government may think fit.

(3) The foreign exchange equivalent of the pay, honorarium or compensatory allowance admissible under sub-rule (1) or sub-rule (2) shall be calculated at such rate of exchange as the Central Government may, by order prescribe.

Note 1 to Rules 50 and 51.—Government may depute a subordinate police officer to any country outside India to accompany or take charge of criminals or lunatics or on any other business which forms part of his duty as a police officer and may grant to the officer so deputed (a) full pay for the entire period of absence from India, with (b) actual travelling expenses and a subsistence allowance not exceeding the following scale while in any country outside India.

The powers of Government under this note may be exercised by the Inspector-General of Police, Deputy Inspector-General of Police and the Commissioner of Police, Madras, subject to the condition that the allowances of the subordinate police officers deputed other than pay, are regulated by the Tamil Nadu Travelling Allowance Rules.

Notes 2-4.—Omitted.

Note 5.—Rules regulating the grant of travelling and halting allowances of officers of the State and Subordinate Services and holders of special posts serving under Government when sent abroad on deputation are given in Appendix II.

Explanation.—The pay of the officers concerned who may be deputed to work out of India is governed by Fundamental Rule 51.

Exception.—These rules do not apply to cases governed by special rules, e.g., study leave, forest tours., etc.

RULINGS.

(1) In the expression “pay which he would have drawn had he remained on duty in India” occurring in Rule 51 (1), the expression “pay” should be interpreted literally with reference to Rule 9(21) and should be determined by the appropriate authority in India.

(2) In the case of Government servants who are not deputed out of India for special items of work but are placed on continuous service with Commissions and Committees whose functions require work both in and out of India, the expression should be interpreted as having reference to the pay which they would have drawn in India had they continued on duty with the Commission or Committee there.

[G.I.F.D., Endorsement No. F-4(II) R-1/30, dated 27th July 1931.]

Note.—The Accounts Officer should intimate to the High Commissioner in each case after consultation with Government, the pay which an officer would have drawn, if on duty in India.

(G.I.F.D., letters to the India Office No. F-47 R-1, dated 29th May 1928.)

(3) The position regarding the grant of travelling allowance passage to officers, who are sent on deputation abroad and who take leave—either in India or abroad—immediately before, during or immediately after a period of deputation (including deputation-*cum*-special leave) has been considered and, in supersession of the earlier orders in this regard, is decided as follows:—

A. Leave availed of in India.—(i) Leave of any kind taken in India, whether immediately before the commencement of the period of deputation or immediately on return to India at the end of such deputation will have no effect on the deputed officer's title to passage and normal transit time pay in respect of the portions of journeys undertaken during the period of deputation as admissible to him. In such cases, if the leave is taken immediately before the commencement of the deputation, the period of deputation, subject to the provisions of sub-paragraph (ii) below, will be deemed to commence from the date on which the officer embarks on his journey from the last sea/air port, in India. Similarly, if the leave is taken immediately at the end of deputation, the period of deputation, subject to the provisions of sub-paragraph (ii) below, will be deemed to end on the date on which the officer disembarks at the first sea/air port on arrival in India.

(ii) If the leave taken in India in conjunction with the period of deputation is of the nature of earned leave for a period not exceeding 120 days, the normal time taken by the officer on his journey from the place where he was sending his leave to the sea/air port of embarkation, limited to the normal time taken on the journey from his headquarters in India to the port of embarkation or the normal time taken on the journey from the port of his disembarkation to his headquarters, may under the orders of the authority competent to sanction the deputation be treated as transit time and included in the period of his deputation. In cases of leave not exceeding 120 days, irrespective of the nature of leave, he may also be granted traveling allowance for his journeys in India if such journeys really arise out of and are incidental to his deputation abroad, travelling allowance being allowed from the place where the officer was spending his leave to the port of embarkation or from his normal headquarters to the port of embarkation, whichever is less, in the case of outward journeys and from the port of disembarkation in India to the normal headquarters in the case of return journeys.

N.B.—The provisions of sub-paragraph (ii) above will not be applicable in the cases of leave exceeding 120 days.

B. Leave availed of outside India.—(i) In case leave is taken abroad before, during or at the end of the period as deputation on medical grounds or in order to spend profitably of period of enforced halt due to unavoidable waiting for a passage, such leave will have no adverse effect on the officer's title to normal transit time, pay and passage. The period of leave itself should, of course, not be treated as part of the period of deputation and no daily allowance, travelling allowance or other concessions will be admissible during such leave.

(ii) An officer, who has proceeded abroad on deputation, may in the exigencies of public service permitting, be granted a short spell of leave abroad for personal reasons at the commencement, during or at the end of his assignment abroad without affecting his title to the normal transit time pay and passage to and fro as admissible under the rules. Such leave should not, however, exceed 50 per cent of the actual period of duty performed/to be performed outside India (excluding the transit time from India to the country of deputation and back and enforced halts, if any) or a fortnight, whichever is less. The Officer will not be granted any daily allowance or travelling allowance or any other concession during such period of leave.

(G.O. Ms. No. 820, Finance, dated 27th June 1961.)

(4) The period spent in Delhi for pre-departure formalities (e.g.,) medical examination, passport, travel arrangements, etc., upto a maximum of four days may be treated as transit time in the case of Government servants stationed outside Delhi and required to proceed to Delhi prior to their proceeding on deputation out of India.

(G.O. Ms. No. 428, Finance, dated 31st March 1964.)

(5) If a Government servant, either permanent or officiating is, with proper sanction, temporarily deputed for duty out of India either in connection with the post held by him in India or in connection with any Special duty on which he may temporarily be placed, and if a substitute is to be appointed in his place, it is not necessary to issue formal orders creating a new post in order to accommodate him during the period of deputation out of India. Since the very order of deputing him for duty out of India would be considered a sanction in this regard.

[G.O. Ms. No. 656, Finance (F.R.), dated 8th May 1972.]

51-A. When a Government servant is, with proper sanction deputed for duty out of India to hold a regularly constituted permanent or quasi permanent post other than a post borne on the cadre of the service to which he belongs, his pay shall be regulated by the orders of the Central Government.

CHAPTER VIII—DISMISSAL, REMOVAL AND SUSPENSION.

52. The pay and allowances of a Government servant who is dismissed or removed from service cease from the date of such dismissal or removal.

53. (1) A Government servant who is placed or deemed to have been placed or continues to be under suspension shall be entitled to the following payments, namely:-

(a) Subsistence allowance at an amount equal to half of the pay last drawn by the Government servant and in addition dearness allowance, if admissible on the basis of half of the pay last drawn:

(G.O. Ms. No. 180, Personnel and Administrative Reforms Department, dated 4th March 1983.)

Provided that where the period of suspension exceeds six months, the authority which made or is deemed to have made, the order of suspension shall be competent to vary the amount of subsistence allowance for any period subsequent to the period of the first six months as follows:-

(i) The amount of subsistence allowance may be increased by a suitable amount, not exceeding fifty per cent of the subsistence allowance admissible during the period of the first six months, if, in the opinion of the said authority, the period of suspension has been prolonged for reasons to be recorded in writing, not directly attributable to the Government servant;

(ii) the amount of subsistence allowance may be reduced by a suitable amount, not exceeding fifty per cent of the subsistence allowance admissible during the period of the first six months, if, in the opinion of the said authority, the period of suspension has been prolonged for reasons to be recorded in writing, directly attributable to the Government servant;

(iii) the amount of dearness allowance shall be based on the increase or the decrease in the amount of subsistence allowance, as the case may be, admissible under clause (i) or (ii) above:

Provided further that if a Government servant under suspension continues to be under suspension after the date of retirement, the amount of subsistence allowance shall be reduced to the amount of pension which will be provisionally admissible to him, whether or not the

Government servant will be exonerated of the charges for which he was placed under suspension and the provisions of the preceding proviso shall not apply to such cases.

(b) The authority which made or which is deemed to have made the order of suspension may, if it is satisfied that the Government servant continues to incur the expenditure for which the compensatory allowances are granted, direct that the Government servant shall be granted in addition, such compensatory allowances as are admissible from time to time on the basis of pay of which the Government servant was in receipt on the date of suspension as the Government may sanction by general or special order.

(c) Government servants under suspension shall be paid house rent allowance in full at the rates admissible at the place where they are ordered to stay during suspension with reference to the pay last drawn before suspension. Where the headquarters of a Government servant under suspension is changed on his request, he shall be eligible for the house rent allowance at the rates admissible at the earlier headquarters or at the new headquarters whichever is less.

*[G.O. Ms. No. 113, Personnel and Administrative Reforms Department, dated 16th February 1983]—
With effect from 8th March 1982.*

[G.O. Ms. No. 351, Personnel and Administrative Reforms (FR.III) Department, dated 6th April 1985.]

(2) No payment under sub-rule (1) shall be made unless the Government servant furnishes a certificate that he is not engaged in any other employment, business, profession or vocation:

Provided that in the case of a Government servant dismissed, removed or compulsorily retired from service, who is deemed to have been placed, or to continue to be under suspension from the date of such dismissal or removal or compulsory retirement under clauses (3) and (4) of rule 17(e) of the Tamil Nadu Civil Services (Discipline and Appeal) Rules, and who fails to furnish such a certificate for any period or periods during which he is deemed to have been placed or to continue to be under suspension, he shall be entitled to subsistence allowance and other allowances equal to the amount by which his earnings during such period or periods, as the case may be falls short of the amount of subsistence allowance and other allowances, that would otherwise be admissible to him but when the subsistence and other allowances admissible to him are equal to or less than the amount earned by him, nothing in this proviso shall apply to him.

(G.O. Ms. No. 1384, Finance, dated 17th December 1965.)

(3) No payment under sub-rule (1) shall be made unless the Government servant continues to reside in the place fixed from time to time, by the authority which made or which is deemed to have made the order of suspension.

(G.O. Ms. No. 1595, Finance, dated 22nd October 1969.)

(4) (i) If a Government servant is suspended while on foreign service for any lapses committed by him or for any criminal misconduct not connected with his office work during the course of his employment in the Government service prior to his appointment to foreign service, the foreign employer shall pay the subsistence allowance initially. The subsistence allowance so paid by the foreign employer shall be reimbursed by the Government later.

(ii) If a Government servant is suspended while on foreign service for any lapse committed by him or for any criminal misconduct not connected with his office work during the course of his employment in the foreign service, the foreign employer shall pay the subsistence allowance till the case is disposed of:

Provided that in the case of criminal misconduct, if foreign employer does not want extension beyond the existing period of deputation of a Government servant, the Government servant shall be deemed to have been reverted to Government service on the expiry of the period of deputation and the subsistence allowance paid by the foreign employer beyond the period of deputation shall be reimbursed by the Government later.

(G.O. Ms. No. 737, dated 24th July 1984.)

5. If a Government servant under suspension continues to be under suspension after the date of superannuation in view of pending disciplinary proceedings against him, and is fully exonerated from the charges against him later, he shall be paid dearness allowance as admissible on normal superannuation and house rent allowance and city compensatory allowance as admissible prior to the date of superannuation for the period from the date subsequent to the date of superannuation till the date on which final orders on the disciplinary proceedings are issued.

[G.O.Ms.No.396, Personnel and Administrative Reforms (FR.III) Department, dated 16th April 1985—with effect from 5th March 1984.]

6. (i) If a Government servant is suspended while on foreign service for any lapse committed by him or for any criminal misconduct not connected with his office during the course of his employment in the Government service prior to his appointment to foreign service and subsequently, if the period of suspension is regularised as duty or leave period according to the merits of the case, the pay or leave salary shall be paid by the Government themselves.

(ii) If a Government servant is suspended while on foreign service for any lapse committed by him during the course of his employment in the foreign service and subsequently if the period of suspension is regularised as duty or leave according to the merits of the case, the pay or leave salary shall be paid by the foreign employer.

(iii) If a Government servant is suspended while on foreign service for any criminal misconduct not connected with the office work during the course of his employment in the foreign service and subsequently if the period of suspension is regularised as duty or leave according to the merits of the case, the pay or leave salary shall be paid by the foreign employer until the expiry of the period of deputation and by the Government beyond the period of deputation.

[G.O. Ms. No. 261, Personnel and Administrative Reforms (FR. Spl.) Department, dated the 30th May 1990— with effect from 4th October 1983.]

Instruction.

In the case of a Government servant whose subsistence allowance is drawn on an establishment pay bill, a certificate to the effect that he continues to reside in the headquarters fixed by the competent authority should be obtained from him by the head of the office before the subsistence allowance is disbursed to him. In the case of a Government servant who draws his own bill, a similar certificate should be attached to the bill claiming his subsistence allowance.

(G.O. Ms. No. 893, Finance, dated 18th July 1970.)

RULINGS.

(1) Deleted.

(2) Recovery from the subsistence grant due to a Government servant shall be made as follows:—

(a) *Compulsory deductions—*

(i) Income-tax and super-tax (provided the employee's yearly income calculated with reference to subsistence allowance is taxable.)

(ii) House rent and allied charges, i.e., electricity, water, furniture, etc.

(iii) Repayment of loans and advances taken from Government at such rates as the head of the department deems it right to fix.

The above deductions shall be enforced from the subsistence allowance.

(b) *Optional deductions—*

(i) Premium due on Postal Life Assurance Policies.

(ii) Amounts due to Co-operative Stores and Co-operative Credit Societies.

(iii) Refund of advances taken from General Provident Fund.

The deductions under category (b) above shall not be made from the subsistence allowance except with the written consent specifically obtained from the Government servant under suspension.

The following deduction shall not be made from the subsistence allowance:—

(i) Subscription to a General Provident Fund.

(ii) Amounts due on Court attachments.

(iii) Recovery of loss to Government for which a Government servant is responsible.

As regards recovery of overpayments, there is no bar to effect the same from the subsistence allowance but the competent administrative authority will exercise discretion to decide whether the recovery should be held wholly in abeyance during the period of suspension, or it should be effected at full or reduced rate, depending on the circumstances of each case.

(Finance memorandum No. 95089-F.R. 59-9, dated 15th October 1960.)

Note.—The recovery of overpayments from a Government servant under suspension shall not ordinarily be made at a rate greater than one third of the amount of the subsistence allowance, i.e., exclusive of dearness allowance, if any, admissible to him under Rule 53(1)(a).

(Memo. No. 133158 F.R./61-3, dated 4th January 1962.)

(3) Deleted.

(4) When an officer placed under suspension and subsequently dismissed is reinstated in pursuance of an order passed by the Government or an authority subordinate to them and is again placed under suspension immediately from the date of such reinstatement, the second suspension cannot be treated as continuance to the first one. Subsistence allowance has, therefore, to be allowed at the rate of one-half of average pay for the first year during the second period of suspension also. The question as to how the first period of suspension should be treated would be decided only after the officer's case is finally disposed of and hence the difficulty arises as to how the average pay should be calculated for the purpose of fixing the subsistence allowance during the second period of suspension. In such cases, the average pay adopted during the first period of suspension may be adopted during the second period of suspension also.

(G.O. Ms. No. 1854, Finance, dated 21st November 1956.)

(5) The expression "pension which will be provisionally admissible" occurring in the second proviso under clause (a) of sub-rule (1) of Fundamental Rule 53 ordinarily means pension normally admissible to the Government servant, and therefore no recovery need be made from him subsequently due to the reduction in pension ordered at a later stage. But, if it has been decided provisionally to reduce the pension of a Government servant under suspension before he attains the age of superannuation the subsistence allowance for the period of suspension beyond the age of superannuation may be restricted to such reduced pension.

(Memo. No. 14564 F.R. 62-4, dated 31st May 1962.)

(6) Ration allowance shall be granted to a Government servant during the period of suspension.

In the case of a Government servant who continues to be kept under suspension after the date of compulsory retirement from service, market rate of rent shall be charged for occupation of Government quarters beyond the date of such compulsory retirement.

(Finance Memo. No. 49722/FR-63-3, dated 7th August 1963.)

(G.O. Ms. No. 947, Finance, dated 7th October 1967.)

(7) In the case of a Government servant who is deemed to have been placed or continues to be under suspension from the date of dismissal, removal or compulsory retirement from service, as the case may be, under clauses (3) and (4) of sub-rule (e) of Rule 17 of the Tamil Nadu Civil Services (Discipline and Appeal) Rules, he shall be paid subsistence and other allowances with retrospective effect from the date of order of such dismissal, removal or compulsory retirement subject to the

provisions of Fundamental Rule 53 (2) and the proviso thereunder. It is not necessary to invoke the law of limitation while paying the arrears of subsistence and other allowances in such a case.

[G.O. Ms. No. 1385, Finance (FR/Spl.), dated 17th December 1965.]

(8) In the case of Government servants under suspension the subsistence allowance, after the first twelve months period can be increased or decreased and the increase or decrease can be for any period and at any time. The authorities empowered to place Government servants under suspension are competent to reduce the amount of the allowance for any period after the first increase or to increase it after an initial decrease on the expiry of the first twelve months. But such a reduction or increase shall be subject to the maximum limits laid down in the proviso to Rule 53(1) (a) (i.e.), up to 50 per cent of the subsistence allowance admissible during the period of twelve months.

(Finance Memo. No. 133806/FR/64-8, dated 31st August 1964.)

(9) The provisions of Fundamental Rule 53 may be adopted in the case of menials paid from contingencies during the period of suspension.

(G.O. Ms. No. 1394, Finance, dated 17th December 1966.)

But in their case the rate of subsistence allowance shall be the half of the total emoluments (which will include Dearness Allowance and other allowances) drawn by them prior to suspension.

[G.O. Ms. No. 613, Personnel and Administrative Reforms (F.R.I.), dated 24th May 1978.]

(10) The provisions of Fundamental Rule 53 may be adopted in the case of members of the nonprovincialised workcharged establishment of the Public Works and Highways and Rural Works Departments during the period of suspension.

[G.O. Ms. No. 1208, Finance (F.R.), dated 6th September 1972.]

54. (1) When a Government servant, who has been dismissed, removed or compulsorily retired, is reinstated as a result of appeal or review or would have been so reinstated (but for his retirement on superannuation while under suspension or not), the authority competent to order reinstatement shall consider and make a specific order—

(a) regarding the pay and allowances to be paid to the Government servant for the period of his absence from duty including the period of suspension preceding his dismissal, removal, or compulsory retirement, as the case may be; and

(b) whether or not the said period shall be treated as a period spent on duty.

(2) Where the authority competent to order reinstatement is of opinion that the Government servant who had been dismissed, removed or compulsorily retired has been fully exonerated, the Government servant shall, subject to the provisions of sub-rule (6), be paid the full pay and allowances to which he would have been entitled, had he not been dismissed, removed or compulsorily retired or suspended prior to such dismissal, removal or compulsory retirement, as the case may be:

Provided that where such authority is of opinion that the termination of the proceedings instituted against the Government servant had been delayed due to reasons directly attributable to the Government servant, it may, after giving him an opportunity to make his representation within sixty days from the date on which the communication in this regard is served on him and after considering the representation, if any, submitted by him, direct, for reasons to be recorded in writing, that the Government servant shall, subject to the provisions of sub-rule (7), be paid for the period of such delay, only such amount (not being the whole), of such pay and allowances as it may determine.

(3) In a case falling under sub-rule (2) the period of absence from duty including the period of suspension preceding dismissal, removal or compulsory retirement, as the case may be, shall be treated as a period spent on duty for all purposes.

(4) In cases other than those covered by sub-rule (2) (including cases where the order of dismissal, removal or compulsory retirement from service is set aside by the appellate or reviewing authority solely on the ground of non-compliance with the

requirements of clause (2) of Article 311 of the Constitution and no further inquiry is proposed to be held) the Government servant shall, subject to the provisions of sub-rules (6) and (7), be paid such amount (not being the whole) of the pay and allowance to which he would have been entitled, had he not been dismissed, removed or compulsorily retired or suspended prior to such dismissal removal or compulsory retirement, as the case may be, as the competent authority may determine, after giving notice to the Government servant of the quantum proposed and after considering the representation, if any, submitted by him in that connection within such period, which, in no case shall exceed sixty days from the date on which the notice has been served as may be specified in the notice:

(5) In a case falling under sub-rule (4), the period of absence from duty including the period of suspension preceding his dismissal, removal or compulsory retirement, as the case may be, shall not be treated as period spent on duty, unless the competent authority specifically directs that it shall be treated for any specified purpose :

Provided that if the Government servant so desires, such authority may direct that the period of absence from duty including the period of suspension preceding his dismissal, removal or compulsory retirement, as the case may be, shall be converted into leave of any kind due and admissible to the Government servant.

Explanation.—The order of the competent authority under the preceding proviso shall be absolute and no higher sanction shall be necessary for the grant of—

(8) Any payment made under this rule to a Government servant on his reinstatement shall be subject to adjustment of the amount, if any, earned by him through an employment during the period between the date of removal, dismissal or compulsory retirement, as the case may be, and the date of reinstatement. Where the emoluments admissible under this rule are equal to or less than the amounts earned during the employment elsewhere, nothing shall be paid to the Government servant.

(1) Where the dismissal, removal or compulsory retirement of a Government servant is set aside by a court of law and such Government servant is reinstated without holding any further inquiry, the period of absence from duty shall be regularised and the Government servant shall be paid pay and allowances in accordance with the provisions of sub-rule (2) or (3) subject to the directions, if any, of the court.

(2) (i) Where the dismissal, removal or compulsory retirement of a Government servant is set aside by the court solely on the ground of non-compliance with the requirements of clause (2) of Article 311 of the Constitution, and where he is not exonerated on merits, the Government servant shall, subject to the provisions of subrule (7) of rule 54, be paid such amount (not being the whole) of the pay and allowances to which he would have been entitled to had he not been dismissed, removed or compulsorily retired, or suspended prior to such dismissal, removal or compulsory retirement, as the case may be, as the competent authority may determine, after giving notice to the Government servant of the

quantum proposed and after considering the representation, if any, submitted by him in that connection, within such period which, in no case shall exceed sixty days from the date on which the notice has been served as may be specified in the notice:

Provided that any payment under this sub-rule to a Government servant shall be restricted to a period of three years immediately preceding the date on which the judgment of the court was passed, or the date of retirement on superannuation of such Government servant, as the case may be.

(ii) The period intervening between the date of dismissal, removal or compulsory retirement including the period of suspension preceding such dismissal, removal or compulsory retirement, as the case may be, and the date of judgment of the court shall be regularised in accordance with the provisions contained in sub-rule (5) of rule 54.

(3) If the dismissal, removal or compulsory retirement of a Government Servant is set aside by the court on the merits of the case, the period intervening between the date of dismissal, removal or compulsory retirement including the period of suspension preceding such dismissal, removal or compulsory retirement, as the case may be, and the date of reinstatement shall be treated as duty for all purposes and he shall be paid the full pay and allowances for the period, to which he would have been entitled, had he not been dismissed, removed or compulsorily retired or suspended prior to such dismissal, removal or compulsory retirement as the case may be.

Where the emoluments admissible under this rule are equal to or less than those earned during the employment elsewhere, nothing shall be paid to the Government servant.

54-B- 1. (1) When a Government servant who has been suspended is reinstated or would have been so reinstated but for his retirement on superannuation *or compulsory retirement while under suspension, the authority competent to order reinstatement shall consider and make a specific order—

(a) regarding the pay and allowances to be paid to the Government servant for the period of suspension ending with reinstatement or the date of his retirement on superannuation *or compulsory retirement, as the case may be; and

(b) whether or not the said period shall be treated as a period spent on duty.

(2) Notwithstanding anything contained in rule 53, where a Government servant under suspension dies before the disciplinary or the court proceedings instituted against him are concluded, the period between the date of suspension and the date of death, shall be treated as duty for all purposes and his family shall be paid the full pay and allowances for that period to which he would have been entitled had he not been suspended, subject to adjustment in respect of subsistence allowance already paid.

**[G.O. Ms. No. 282, P&AR (FR-Spl.) Department, dated 12-6-90]
(w3f 19th August 1989.)*

(3) Where the authority competent to order reinstatement is of the opinion that the suspension was wholly unjustified, the Government servant shall, subject to the provisions of sub-rule (8), be paid the full pay and allowances to which he would have been entitled, had he not been suspended :

Provided that where such authority is of the opinion that the termination of the proceedings instituted against the Government servant had been delayed due to reasons directly attributable to the Government servant, it may, after giving him an opportunity to make his representation (within sixty days from the date on which the communication in this regard is served on him) and after considering the representation, if any, submitted by him, direct, for reasons to be

recorded in writing, that the Government servant shall be paid for the period of such delay only such amount (not being the whole) of such pay and allowances as it may determine.

(4) In a case falling under sub-rule (3), the period of suspension shall be treated as a period spent on duty for all purposes.

(5) In cases other than those falling under sub-rules (2) and (3), the Government servant shall, subject to the provisions of sub-rules (8) and (9) be paid such amount (not being the whole) of the pay and allowances to which he would have been entitled had he not been suspended, as the competent authority may determine, after giving notice to the Government servant of the quantum proposed and after considering the representation, if any, submitted by him in that connection, within such period which, in no case shall exceed sixty days from the date on which the notice has been served, as may be specified in the notice.

(6) Where suspension is revoked pending finalisation of the disciplinary or the court proceedings, any order passed under sub-rule (1) before the conclusion of the proceedings against the Government servant, shall be reviewed on its own motion after the conclusion of the proceedings by the authority mentioned in sub-rule (1), who shall make an order according to the provisions of sub-rule (3) or sub-rule (5), as the case may be.

(7) In a case falling under sub-rule (5), the period of suspension shall not be treated as a period spent on duty unless the competent authority specifically directs that it shall be so treated for any specified purpose:

Provided that if the Government servant so desires, such authority may order that the period of suspension shall be converted into leave of any kind due and admissible to the Government servant.

Explanation.—The order of the competent authority under the preceding proviso shall be absolute and no higher sanction shall be necessary for the grant of—

(a) extraordinary leave in excess of six months in the case of a non-permanent Government servant; and

(b) leave of any kind in excess of five years in the case of a permanent Government servant or an approved probationer.

(8) The payment of allowances under sub-rule (2), sub-rule (3) or sub-rule (5) shall be subject to all other conditions under which such allowances are admissible.

(9) The amount determined under the proviso to sub-rule (3) or under sub-rule (5) shall not be less than the subsistence allowance and other allowances admissible under rule 53.

2. The grant of pay and allowances or a proportion of them under rule 54 or 54-A or 54-B does not cancel any officiating arrangements that may have been in force while the Government servant was under suspension or dismissal or removal or compulsory retirement.

3. In deciding whether any pay and allowances should be granted under rule 54 or 54-A or 54-B to a Government servant in temporary employ, the period for which the temporary post has been sanctioned should be taken into consideration.

(1) The cases of suspension during pendency of criminal proceedings or proceeding for arrest for debt or during detention under a law providing for preventive detention, shall be dealt with in the following manner hereafter:—

(a) A Government servant who is detained in custody under any law providing for preventive detention or as a result of a proceeding either on a criminal charge or for his arrest for debt shall, if the period of detention exceeds 48 hours and unless he is already under suspension, be deemed to be under suspension, from the date of detention until further orders as contemplated in the Tamil Nadu Civil Services (Discipline and Appeal) Rules. A Government servant

who is undergoing a sentence of imprisonment shall also be dealt with in the same manner pending a decision on the disciplinary action to be taken against him;

(b) A Government servant against whom a proceeding has been taken on a criminal charge but who is not actually detained in custody (e.g. a person released on bail) may be placed under suspension by an order of the competent authority under the Tamil Nadu Civil Services (Discipline and Appeal) Rules. If the charge is connected with the official position of the Government servant or involving any moral turpitude on his part, suspension shall be ordered under this rule unless there are exceptional reasons for not adopting this course;

(c) A Government servant against whom a proceeding has been taken for his arrest for debt but who is not actually detained in custody may be placed under suspension by an order under the Tamil Nadu Civil Services (Discipline and Appeal) Rules, i.e., only if a disciplinary proceeding against him is contemplated;

(d) When a Government servant who is deemed to be under suspension in the circumstances mentioned in clause (a) or who is suspended in the circumstances mentioned in clause (b) is reinstated without taking disciplinary proceedings against him, his pay and allowance for the period of suspension will be regulated under rule 54/54-B, i.e., in the event of his being acquitted of blame or if the proceeding taken against him was for his arrest for debt or its being proved that his liability arose from circumstance beyond his control or the detention being held by any competent authority to be wholly unjustified, the case may be dealt with under rule 54(2)/54-B (3); otherwise it may be dealt with under rule 54(4)/54-B (5).

4. The headquarters of a Government servant under suspension is his last place or duty. A Government servant under suspension may change his headquarters provided the competent authority who has placed him under suspension is satisfied that such a course will not put Government to any extra expenditure like grant of travelling allowance.

5. A permanent post vacated by the dismissal, removal or compulsory retirement of a Government servant should not be filled substantively until the expiry of the period of one year from the date of such dismissal, removal or compulsory retirement as the case may be. Where, on the expiry of the period of one year, the permanent post is filled and the original incumbent of the post is reinstated thereafter, he should be accommodated against any post which may be substantively vacant in the grade to which his previous substantive post belonged. If there is no such vacant post he should be accommodated against a supernumerary post which should be created in this grade with proper sanction and with the stipulation that it would be terminated on the occurrence of the first substantive vacancy in that grade.

Explanation.—It is not necessary to keep a post vacant for a period of one year to provide for the contingency of subsequent reinstatement and confirmation in respect of officers who, at the time of dismissal, removal or compulsory retirement as the case may be, were not holding substantively permanent posts but would have been considered for confirmation but for the penalty imposed.

[G.O. Ms. No. 302, Personnel and Administrative Reforms (F.R. III) department, dated 4th April 1983]—With effect from 4th April 1983.

RULINGS.

(1) The case of a Government servant reduced to a lower grade or post as a measure of punishment and subsequently restored to his former post should be dealt with in accordance with the provisions of Rules 54 and 54-A.

(2) Where a temporary Government servant is due to be discharged from service on account of the expiry of the sanction of the post held by him or otherwise becomes liable to be retrenched when he is under suspension, the question whether he should be discharged from service or whether to enable disciplinary proceedings being continued, special steps should be taken to provide a post for

him, should be examined on the merits of each case and his post extended for an appropriate period. The vacancy caused by the extension should not, however, be filled.

The authority competent to dismiss or remove the officer concerned from service may, in such circumstances, extend the post without reference to the competent authority, if delay is anticipated in obtaining sanction, before the expiry of the term of the post, under the normal procedure and obtain ratification of the competent authority. Otherwise, the sanction of the competent authority should be obtained as usual.

(G.O. Ms. No.1347, Finance, dated 13th August 1956.)

(3) The competent authority in exercising the discretion vested in him under sub-rule (5) of rule 54, sub-rule (2) (ii) of rule 54-A and sub-rule (7) of rule 54-B, may divide the period of absence from duty into several parts and declare whether each such part shall count as duty for purposes of increment, leave and pension.

(4) The amount of subsistence grant, already drawn, should be adjusted against the leave salary which may be granted under the proviso to sub-rule (5) of rule 54, sub-rule(2) (ii) of rule 54-A and the proviso to sub-rule (7) of rule 54-B and the excess, if any, in each case should be waived by the authority competent to regularise the period of suspension and a copy thereof sent to audit for scrutiny.

(Memo. No. 147647/F.R./61-2, dated 25th January 1962.)

(5) (i) The decision of the competent authority under Fundamental Rules 54, 54-A or 54-B, is in respect of two separate and independent matters, namely:— (a) pay and allowances for the period of absence; and

(b) whether or not the period of absence should be treated as duty.

It is not necessary that the decision on sub-clause (a) above should depend upon the decision on sub-clause (b) above. The competent authority has the discretion to pay the proportionate pay and allowances and treat the period as duty for any specified purpose or only to pay the proportionate pay and allowances. There is no discretion to pay full pay and allowances when the period is treated as "non-duty".

If no order is passed directing that the period of absence be treated as duty for any specified purpose, the period of absence should be treated as "non-duty". In such an event, the past service (i.e.) service rendered before dismissal, removal, compulsory retirement or suspension will not be forfeited.

(ii) As rule 54 is absolute, the law of limitation need not be invoked at the time of paying the arrears of pay and allowances for the period from the date of dismissal/removal/compulsory retirement/suspension to the date of reinstatement in respect of all cases where the pay and allowances are regulated on reinstatement in accordance with the provisions contained in rules 54, 54-A and 54-B, with the exception of those covered under sub-rule (4) of rule 54 and sub-rule (2) (i) of rule 54-A.

(6) Fundamental Rule 54 is in applicable in cases where dismissal/removal/discharge from or termination of service is held by a Court of Law or by an appellate/reviewing authority to have been made without following the procedure required under Article 311 of the Constitution. In such cases—

(i) if it is decided to hold a further inquiry and thus deem the Government servant to have been placed under suspension from the date of dismissal/removal/discharge/termination, under rules 17 (e)(3) or 17 (e) (4) of Tamil Nadu Civil Services (Discipline and Appeal) Rules or a corresponding rule, the Government servant will be paid the subsistence allowance from the date he is deemed to have been placed under suspension.

(ii) if the Government servant is not "deemed" to have been under suspension as envisaged under (i) above, the payment of full pay and allowances for the intervening period and treatment of that period as duty for all purposes will be automatic and compulsory, provided that—

(a) the arrears should be paid subject to the law of limitation; and

(b) where the reinstated Government servant has secured employment during any period between the dismissal/removal/discharge/termination and reinstatement, the pay and allowances admissible to him after reinstatement for the intervening period shall be reduced by the emoluments earned by him during such employment, unless the emoluments earned by him exceed the pay and allowances admissible to him. If the pay and allowances admissible to him after reinstatement for the intervening period are equal to or less than the emoluments earned by him during such employment, nothing shall be paid to him:

Provided that the amount to be paid under (i) and (ii) above will be determined subject to the discretions, if any, in the decree of the court regarding arrears of salary.

[with effect from 27th April 1963.]

(Memo. No. 136549, F.R. 61-23, dated 2nd November 1963.)

(7) Uniform allowance shall not be granted during the period of suspension even if the period is subsequently treated as duty or leave as the case may be.

(Memo. No. 15813, F.R. 65-5, dated 7th September 1965.)

(8) A Government servant, who has been placed under suspension pending enquiry, should not be dismissed or removed or compulsorily retired from service retrospectively from the date on which he was placed under suspension. The order in such a case should take effect only from the date of issue thereof.

[G.O. Ms. No. 278, Finance (F.R.), dated 24th February 1972.]

9. Where a Government servant is,—

(a) Placed under suspension in view of the fact that a complaint against him of any criminal offence is under investigation or trial; or

(b) dismissed or removed from service or compulsorily retired on the ground of conduct which has led to his conviction on a criminal charge and the Government servant is subsequently reinstated in service on his acquittal by the Court either on merits or on the ground that the charge has not been proved against him or by giving benefit of doubt or on any other technical ground, *or on the ground that he has been pardoned by the Court as he turned approver based on his judicial confession, he must be regarded as having been prevented from discharging his duties and the period of his absence including the period of suspension shall be treated as duty for all purposes and he shall be paid full pay and allowances which he would have been entitled to, had he not been under suspension, or dismissed or removed or compulsorily retired from service.

[G.O. Ms. No. 228, Personnel and Administrative Reforms (Personnel-J) Department, dated 13th April 1989—with effect from 19th June 1987.]

**[G.O. Ms. No. 232, Personnel and Administrative Reforms (FR. IV) Department, dated 7th June 1996—with effect from 22nd December 1995.]*

10. When a Government servant, who was suspended, is fully exonerated of the charges on appeal, the period of suspension shall be treated as duty; and he shall be entitled to pay and allowances for the entire period of suspension, provided the period of suspension ended before the date of his superannuation.

[G.O. Ms. No. 167, Personnel and Administrative Reforms (FR - D.O. II) Department, dated 10th June 1993—with effect from 26th September 1991.]

11. When a Government servant is placed under suspension where an enquiry into grave charges against him is pending or contemplated and a criminal proceedings are also instituted simultaneously in respect of the same charges and subsequently he is reinstated into service, the period of suspension shall be—

(i) treated as duty if there is a specific order or direction of a court of competent jurisdiction to this effect notwithstanding the fact that a penalty has been imposed in the departmental inquiry;

(ii) regulated under F.R. 54, only after the final order of the criminal court is delivered in which he is acquitted notwithstanding the fact that departmental enquiry has been finalised and a penalty has also been imposed upon him prior to the finalisation of criminal proceedings.

[G.O. Ms. No. 84, Personnel and Administrative Reforms (FR. V) Department, dated 24th March 1995—with effect from 4th August 1992.]

55. Leave may not be granted to a Government servant under suspension.

(vide G.O.Ms.No.179, P&AR(FR.IV) Department, dated 29.09.2008)

(g) The Government servant may withdraw the notice of voluntary retirement or withdraw the voluntary retirement after acceptance, as the case may be, subsequently with the approval of the appointing authority, before the expiry of the period of notice.

[G.O. Ms. No. 350, Personnel & Administrative Reforms (FR. Special) Department, dated 7th October 1991---with effect from 18th December, 1987).

Explanation I.—When a Government servant under suspension or against whom disciplinary action is pending seeks to retire voluntarily under this sub-rule, the specific permission of the appropriate authority or appointing authority for such voluntary retirement is necessary. The appropriate authority or appointing authority may with-hold the permission sought by the Government servant.

Explanation II.—For the purpose of this sub-rule, the period of three months notice shall commence from the date of receipt of notice by the appropriate authority, or appointing authority.

Explanation III.—The three months notice referred to in clause (a) and (b) may be given before the Government servant attains the age or qualifying service specified in the said clauses provided the retirement takes place after attaining the specified age or completing the specified qualifying service, as the case may be.

[G.O. Ms. No. 829, Personnel & Administrative Reforms (FR.III) Department, dated 26th August 1985.]

(4) (a) A Government servant on foreign service in a foreign country or in India may retire from service voluntarily by giving notice of not less than three months in writing direct to the appointing authority with a copy marked to his immediate superior officer for information. Before giving such notice, he may satisfy himself by means of a reference to such authority that he has completed the required number of years of qualifying service.

(b) Notice of voluntary retirement given by such Government servant shall be accepted by the appointing authority, subject to the following conditions being satisfied, namely:—

(i) that he has attained the age of 50 years or completed 20 years of qualifying service;

(ii) that no disciplinary proceedings are pending against him;

(iii) that a report from the Director of Vigilance and Anti-corruption should be obtained to the effect that no enquiry is pending against the officer; (iv) that no Government dues are pending recovery; and

(v) that there is no contractual obligation to serve the Government during the period in which the Government servant concerned seeks to retire voluntarily.

(c) In respect of the other matters relating to voluntary retirement of a Government servant in a foreign service in a foreign country or in India, which are not specifically provided for in this sub-rule, the provision contained in sub-rule (3) shall, *mutatis mutandis*, apply.

[G.O. Ms. No. 206, P. & A.R. (FR. III), dt. 1st August 1994.]

PART IV.

CHAPTER X — LEAVE*.

Section I — Extent of Application.

58. Unless in any case it be otherwise distinctly provided in Section VI of this Chapter, the rules in Sections I to V of this Chapter shall apply to all Government servants to whom the Fundamental Rules as a whole, apply.

RULING.

The leave salary of menials paid from contingencies whose services have been declared pensionable should be regulated in accordance with the Note under F.R. 87.

(G.O. Ms. No. 520, Law General, dated 11th February 1932; Finance Memorandum No.8550, C.S.R.-1, dated 8th March 1932.)

59. Except as provided in Rules 83 and 83-A, leave is earned by a Government servant under Sections I to V of this Chapter, if he holds a lien on a permanent post in civil employ or would hold a lien on such a post had his lien not been suspended.

RULING.

Leave to officers whose lien on substantive post has been suspended.

A Government servant who has been detached for other duty and whose lien on his substantive post has been suspended under Rules 13 and 14 continues to earn leave under Sections I to V of Chapter X of the Fundamental Rules.

*The T.N.L.Rs. 1933 applicable to certain Government servants are embodied in Annexure III.

Leave terms for Contract Officers.

The model terms to regulate the grant of leave to officers engaged on contract are set out in Annexure VI.

60. Leave is earned by duty only. For the purpose of this rule a period spent in foreign service counts as duty if contribution towards leave salary is paid on account of such period.

65. (a) If a Government servant, who quits the public service on compensation or invalid pension or gratuity, is re-employed and if his gratuity is thereupon refunded or his pension held wholly in abeyance, his past service thereby becoming pensionable on ultimate retirement he may, at the discretion of the authority sanctioning the re-employment and to such extent as that authority may decide, count his former service towards leave.

(b) A Government servant who is dismissed or removed from the public service but is reinstated on appeal or revision is entitled to count his former service for leave.

RULINGS.

Leave that may be earned by a person re-employed after retirement on superannuation or retiring pension.

(1) The re-employment of a person who has retired on superannuation or retiring pension is generally an exceptional and temporary expedient. In such cases the service of the re-employed pensioner should be regarded as temporary and his leave during the period of re-employment should be regulated by the rules applicable to temporary Government servants.

Previous service of re-employed pensioners for leave.

(2) Officers, in receipt of pensions, re-employed cannot count their previous service for leave.

(A.G.'s decision, dated 6th November 1925.)

Leave to Officers whose posts are to be abolished.

(3) A Government servant, who holds no lien on any other post except that which it is proposed to abolish, may be granted leave upto the amount which was admissible to him immediately before the abolition of his post but in that case the orders abolishing the post should state explicitly that the post is abolished from the date on which the leave so granted terminates.

(Comptroller and Auditor-General's letter No.641-A-194/22, dated 13th September 1922.)

Leave to Government Servants whose substantive posts are abolished and who hold temporary or officiating posts.

(4) In the case of Government servants, who are thrown out of permanent posts but continue to hold temporary posts or to officiate in other posts without a break, the leave earned by them while holding the permanent posts will not lapse and can be carried forward under Instruction 3 to Rule 103 and Rule 65 (a). They are not, however, eligible for the concessions admissible under Rule 81.

(G.O. Ms. No. 372, Finance, dated 17th April 1923.)

(5) Resignation of the public service, even though it is followed immediately by re-employment, should entail forfeiture of past service for the purpose of leave under the Fundamental Rules and should therefore, constitute an "interruption of duty". However, in cases where resignation is not deemed as resignation in view of its being covered by Article 418 (b) of the Madras Pension Code, the benefit of continuous service should be allowed in the matter of leave.

Section II—General Conditions.

66. The authorities who are empowered to grant leave to Government servants are specified in the table below:-

TIME TABLE

S.No	Kinds Of Leave	Authority Competent To Grant Leave
1	Earned leave, Unearned leave on Medical Certificate, Unearned Leave on private affairs, Extra delegated subject to any conditions that may be specified in delegation. Hospital leave.	(i) Government/Administrative Department of Secretariat. (ii) Head of the Department. (iii) Appointing Authority. (iv) Any sub-ordinate authority to whom powers may be ordinary leave, Maternity leave, the order of delegation.
2	Earned leave not other than leave to service. retirement.	If the Government servant is on foreign service,— exceeding 120 days (i) the authority which sanctioned the transfer to foreign preparatory (ii) foreign employer.
3		(i) Government/Administrative Department of Secretariat. (ii) heads of the department.
4		Government/Administrative Department Of Secretariat.

Rulings (1) and (2) under Rule 66 shall be omitted.

(with effect from 20th September 1988.)

[G.O. Ms. No. 299, Personnel and Administrative Reforms (FR. IV) Department, dated 22nd September 1995.]

67. Leave cannot be claimed as of right. When the exigencies of the public service so require, discretion to refuse or revoke leave of any description is reserved to the authority empowered to grant it.

Note.—The workers in the Government Press, Madras, who came within the purview of Chapter IV-A of the Factories Act, 1934, and who have completed a period of 12 months continuous service within the meaning of the Explanation to Section 49-B of the said Act, shall be allowed leave to the extent provided in Section 49-B (1) of that Act.

RULINGS.

Powers of competent authority to decide nature of leave.

(1) A Government servant cannot be compelled against his wishes to take leave on half average pay when leave on full average pay is admissible to him. These orders must not be interpreted as interfering with the discretion entrusted to an authority competent to grant leave to determine whether leave should or should not be granted.

(Comptroller and Auditor-General's letter No.588-A-72/23, dated 26th/30th April 1923 and No.153-A70/32, dated 6th July 1932).

(2) An authority empowered to grant leave has no power to interfere with the option admissible to a Government servant to take leave on full-average pay/earned leave or on half average pay/half pay leave, as he may elect. Thus once leave is sanctioned, its nature cannot be altered by treating two separate spells of leave as a continuous one so as to obviate any unintended benefit being derived from the rules. The deliberate or intentional evasion of leave rules can, however be checked by the leave sanctioning authorities by resort to refusal of leave under Fundamental Rule 67. Action shall be taken to ensure that all cases in which a fresh spell of leave is applied for by Government servants after a short interval of duty, are carefully examined with a view to see that the spirit of the rules is observed and that the competent authorities refuse the leave by exercising the discretion vested in them under Fundamental Rule 67, if they have reasons to believe that an attempt was being made to take undue advantage of the leave rules or to evade the spirit thereof.

(Finance Memorandum No.55081/FR/59-2, dated 16th July 1959.)

(3) When Government servants who have no casual leave to their credit apply for leave for a day or two in advance, they may be granted extraordinary leave without pay and allowances only when they are not eligible for any other leave or on specific request by the employees. This ruling will not apply to cases where extraordinary leave is sanctioned to cover the unauthorised absence under F.R. 85 (b) read with ruling (4) thereunder.

(Finance Memorandum No.95031-A/F.R./63-4, dated 16th January 1964.)

68. Leave ordinarily begins on the day on which transfer of charge is effected and ends on the day preceding that on which charge is resumed. The rules defining the circumstances, in and the conditions on, which Sundays or other recognized holidays may be prefixed to leave or affixed to leave are given in the instructions below:—

Instructions.

1. When the day immediately preceding the day on which a Government servant's leave begins or immediately following the day on which his leave expires is a holiday or one of a series of holidays, the Government servant may leave his station at the close of the day before or return to it on the day following such holiday or series of holidays provided that—

(a) his transfer or assumption of charge does not involve the handing or taking over of securities or of moneys other than a permanent advance;

(b) his early departure does not entail a correspondingly early transfer from another station of a Government servant to perform his duties; and

- (c) the delay in his return does not involve a corresponding delay in the transfer to another station of the Government servant who was performing his duties during his absence or in the discharge from Government service of a person temporarily appointed to it.
2. On condition that the departing Government servant remains responsible for the moneys in his charge, the head of the department concerned may declare that proviso (a) under Instruction 1 is not applicable to any particular case.
3. Unless the authority sanctioning the leave or transfer in any case otherwise directs—
- (a) if holidays are prefixed to leave, the leave and any consequent rearrangement of pay and allowances take effect from the first day after the holidays, and
- (b) if holidays are affixed to leave, the leave is treated as having terminated on, and any consequent rearrangement of pay and allowances takes effect from the day on which the leave would have ended if holidays had not been affixed.
- (c) holidays may be prefixed and suffixed to regular leave in case no substitute is posted in the leave vacancy.

(G.O. Ms. No. 1093, Personnel and Administrative Reforms, dated 24th October 1984.)

Explanation 1.—In deciding whether the absence of a Government servant during holidays involves the transfer of a Government servant from another station for the purpose of this Instruction, account should be taken only of the substitute who takes the place of the absent Government servant, not of all the Government servants in the chain of arrangements arising from one Government servant's absence on leave.

Explanation 2.—The term "holiday" used in Instructions 1 and 3 above should be held to mean—

- (a) a holiday prescribed or notified by or under Section 25 of the Negotiable Instruments Act, 1881; and
- (b) with reference to any particular public office, a day on which such office is ordered, by notification of Government in the Gazette, to be closed for the transaction of public business without reserve or qualification.

The term does not include a vacation except in the cases of District and Sessions Judges and Additional Sessions Judges nor such local holidays as may be granted at the discretion of heads of offices nor holidays which are merely permissible or discretionary.

Note.—Compensatory leave may be allowed to be prefixed or affixed to regular leave or casual leave subject to the usual conditions.

(G.O. Ms. No. 1334, Finance, dated 21st November 1964.)

4. In the case of District and Sessions Judges and Additional District and Sessions Judges, the term "holidays" includes a vacation subject to the condition that the period of the vacation is treated as leave for purposes of—
- (a) the maximum amount of leave on average pay admissible at any one time under Rule 81 (b) except when leave on average pay does not exceed four months and is not combined with any other leave;
- (b) the maximum period of absence from duty under Rule 81 (d); and
- (c) the first four months of leave on average pay under Rule 89.

Note.—The restrictions in clauses (a) to (c) apply to all cases where vacation is prefixed to leave, even though the officer may not cease to discharge the duties of the post till after the vacation.

5. The following procedure is prescribed when vacation or gazetted holidays are permitted to be prefixed or affixed to leave:—

- (i) When they are prefixed to leave, the Government servant proceeding on leave will report before leaving the station or if for urgent reason the leave is granted during vacation or gazetted holidays, as soon as it is granted, that he will cease to discharge the duties of

his post with effect from the end of the vacation or holidays. The relieving Government servant will then assume the duties of the post at the end of the vacation or holidays in the ordinary course.

(ii) When a vacation or holidays are affixed to leave the officiating Government servant will be relieved in the ordinary way before the vacation or holidays and the officer on leave will return at the end of the vacation or holidays but will be regarded as having assumed the duties of the post with effect from the commencement of the vacation or holidays.

(iii) Except in cases covered by (i) and (ii) above, Instruction 1 under Rule 17, which requires transfer of charge certificates to be signed by both the relieved and relieving officers on the day on which charge is transferred should be strictly followed.

RULINGS.

Treatment of holidays prefixed to vacation and leave.

(1) Holidays preceding vacation which is prefixed to leave should be excluded from calculation for purposes of reckoning—

- (a) the maximum amount of leave on average pay admissible at any one time; and
- (b) the period during which the maximum of average pay does not apply.

Holidays intervening between vacation and leave should, however, be treated as part of the vacation for all purposes. But when holidays intervene between two spells of leave, whether such holidays are in combination with vacation or not, they should be treated as leave. Under Instruction 4 under Rule 68, a vacation cannot be interposed between two periods of leave and when a vacation falls between two periods of leave, it should be treated as leave.

(2) Saturdays excepting the second Saturday of a month shall not be treated as gazetted holiday for the staff employed in educational institutions.

[G.O. Ms. No. 1388, Law (Education), dated 3rd August 1933.]

(3) Local holidays like "Vishu", "Onam" etc. notified in the district gazettes only cannot be permitted to be prefixed or affixed to leave as such notification cannot be regarded as "notification by Government in the gazette" contemplated in the Explanation 2 to Instruction 3 under Rule 68.

(4) In the case of District and Sessions Judges, where vacation is combined with leave, any portion of the vacation that is not covered by medical certificate should be taken into account in calculating the maximum limit of four months on average pay that may be taken at any one time without medical certificate.

[Public (Special) Department Memorandum No.13879/35-3, dated 27th June 1935.]

69. (1) A Government servant on leave may not take any service or accept any employment (including the setting up of a private professional practice as Accountant, Consultant or legal or medical practitioner) without obtaining the previous sanction of Government:

Provided that this rule shall not apply to casual literary work, or to service as an examiner or similar employment or to acceptance of foreign service, which is governed by Rule 110 or to a Government servant who has been allowed to take up a limited amount of private practice and receives fees therefor as part of his conditions of service, e.g., where a right of private practice has been granted to a medical officer.

(2) **No Government servant belonging to Groups A and B whether permanent or officiating shall be permitted to accept any employment until his leave preparatory to retirement expires and he enters on pension.**

(3) **The leave salary of a Government servant permitted to take up employment under another Government or private employer during leave shall be subject to such restrictions as Government may by order prescribe.**

RULINGS.

(1) The Inspector-General of Police or the Commissioner of Police, as the case may be, is competent to permit members of the Madras Police Subordinate Service to accept private employment outside Indian Union, while on leave preparatory to retirement.

(Memorandum No.35902-A-2, Home, dated 28th November 1938.)

(2) Although the grant of permission to take up private employment during leave on medical certificate is technically covered by the provisions of Rule 69, such an arrangement is clearly contrary to the spirit of the regulations, as it is not the intention that the leave which can be obtained on the strength of a medical certificate, should be allowed to a Government servant the state of whose health enables him to earn a competence by private employment. Rule 69 should not, therefore, be construed as permitting a Government servant who avails himself of leave on medical certificate to undertake regular employment during such leave.

Terms to be granted to officers on leave during leave preparatory to retirement.

(3) When a Government servant, whether eligible for pension or not, who is on leave under Fundamental Rule 86, is employed in any post under the State Government, he may continue to enjoy his leave concurrently with such employment but his leave salary, which may be drawn in addition to pay of the post in which he is employed, will be reduced by the amount of pension and pension equivalent of other retirement benefits.

Note.—The calculation of pension equivalent of the gratuity shall be based on the full amount of the Death-cum-Retirement Gratuity admissible under the Tamil Nadu Liberalised Pension Rules, 1960 and not on the amount of gratuity reduced with reference to rule 5 of the Tamil Nadu Government Servants Family Pension Rules, 1964 issued in G.O.Ms.No. 950, Finance (Pension), dated 29th July 1964.

(G.O. Ms. No. 425, Finance, dated 12th April 1958.)

(G.O. Ms. No. 1026, Finance, dated 18th September 1965.)

No leave will be earned in respect of such period of employment during leave. During such employment he may also be granted dearness and compensatory allowances, if any, admissible on the basis of pay. These allowances will neither be admissible on leave salary nor will the leave salary be taken into account in calculating the allowances.

(Finance Memo. No. 93731-FR 60-3, dated 31st October 1960.)

(4) When a Government servant is permitted, during leave preparatory to retirement before attaining the age of superannuation or during leave under Fundamental Rule 86, to take up employment under the Union Government or a State Government or under a private employer or local body, his leave salary will also be restricted as in ruling (3) above.

(G.O. Ms. No. 882, Finance, dated 19th July 1952.)

70. All orders re-calling a Government servant to duty before the expiry of his leave should state whether the return to duty is optional or compulsory. If the return is optional, the Government servant is entitled to no concession. If it is compulsory, he is entitled to be treated as on duty from the date on which he starts for the station to which he is ordered and to draw travelling allowance under rules made in this behalf under rule 44 for the journey but to draw until he joins his post, leave salary only.

RULING.

Terms to be granted to officers on leave during leave preparatory to retirement.

When a Government servant who has proceeded on leave preparatory to retirement is required for employment during such leave in any post under the State Government and he is recalled to duty with his consent, such recall will be treated as "optional" for the purpose of Fundamental Rule 70.

(G.O. Ms. No. 882, Finance, dated 19th July 1952.)

71. No Government servant who has been granted leave on medical certificate may return to duty without first producing a medical certificate of fitness in the form given in Annexure 1A. Government may require a similar certificate in the case of any Government servant who has been granted leave for reasons of health, even though such leave was not actually granted on medical certificate.

Delegation.

The authority by whom the leave has been granted to a Government servant for reasons of health, though not on a medical certificate, has power to require the submission of a medical certificate of fitness before he returns from leave.

72. (1) A Government servant on leave may not return to duty before the expiry of the period of leave granted to him, unless he is permitted to do so by the authority which granted him leave.

(2) Notwithstanding anything contained in sub-rule (1), a Government servant on leave preparatory to retirement shall be precluded from withdrawing his request for permission to retire and from returning to duty, save with the consent of the authority empowered to appoint him.

Instructions.

1. A Government servant desiring to return to duty within the period of his leave should communicate his desire to the authority which sanctioned the leave sufficiently early to enable suitable arrangements to be made.

2. A Government servant returning to duty at a time other than that fixed for him by the authority which granted him leave has no claim to be appointed to any particular post and is liable to be kept on subsistence grant until a suitable vacancy occurs.

3. No formal cancellation of the unexpired portion of leave is necessary when a Government servant returns to duty before the expiry of his leave.

73. A Government servant who remains absent after the end of his leave is entitled to no leave-salary for the period of such absence, and that period will be debited against his leave account as though it were leave on half average pay, unless his leave is extended by Government. Willful absence from duty after the expiry of leave may be treated as misbehaviour for the purpose of Rule 15.

Delegation.

The authority by whom leave has been granted to a Government servant who remains absent after the end of his leave is authorized to extend his leave provided that the grant of leave for the total period of absence is within his powers.

74. Subject to any instructions which may be given by the Comptroller and Auditor-General of India in order to secure efficiency and uniformity in audit, Government may make rules prescribing the procedure to be followed:—

- (i) in making application for leave and for permission to return from leave;**
- (ii) in granting leave;**
- (iii) in the payment of leave salary; and**
- (iv) in the maintenance of records of service.**

Note.—The rules framed under this rule will be found in Annexure-II.

Section III—Ordinary Leave Rules.

75. All Government servants shall be subject to ordinary leave rules.

Section IV—Grant of Leave.

76. A leave account shall be maintained for each Government servant in terms of leave on average pay.

Note.—See Annexure II, Part I.

77. The leave account of a Government servant governed by the ordinary leave rules shall be credited with two-elevenths of the period spent on duty.

RULINGS.

Leave Account.

(1) Fractions of a day should not appear in the leave account. Fractions below half should be ignored and those of half and more should be reckoned as one day.

Note.—In the case of officers subject to the Tamil Nadu Leave Rules, 1933, fractions of a day should, however, be rounded as indicated in Instruction 5 in the Form of leave account relating to earned leave.

(Finance Memorandum No.2092-C.S.R., dated 2nd February 1939.)

Calculation of 2/11th of Periods of Duty.

(2) Two-elevenths of period spent on duty shall be calculated thus:

The amount of duty in terms of years, months and days be multiplied by 2 and the product divided by 11. In this process of multiplication and division, a month shall be reckoned as equal to 30 days.

For facility of calculating 2/11th of a period, see calculator in Annexure—V.

78. The amount of leave debited against a Government servant's leave account is—

(a) the actual period of leave on average pay taken excluding special disability leave on average pay under Rule 83 (7), and

(b) half the period of leave on half average pay (other than special disability leave) or on quarter average pay or of special disability leave on average pay under Rule 83 (7) (b).

80. The amount of leave due to a Government servant is the balance of leave at his credit in the leave account.

81. Leave may be granted to a Government servant at the discretion of the authority entitled to grant the leave, subject to the following restrictions:-

(a) The maximum amount of leave expressed in terms of leave on average pay which may be granted to a Government servant governed by ordinary leave rules is one-eleventh of the period spent on duty plus two and a half Years:

Provided that special disability leave on half average pay or on average pay under Rule 83 (7) (a) shall not be taken into account in calculating the maximum prescribed by this clause and in the case of such leave taken on average pay under Rule 83 (7) (b), account shall be taken of only half the period thereof.

(b) The maximum amount of leave on average pay excluding special disability leave on average pay under rule 83 (7) (a) which may be granted to a Government servant governed by ordinary leave rules is four months at any one time, and in all, one-eleventh of the period spent on duty:

Provided that in the case of a Government servant other than a Basic Servant who either takes leave on medical certificate other than leave preparatory to retirement or spends his leave elsewhere than in India, Pakistan, Ceylon, Nepal or Burma, the maximum amount of leave on average pay which may be granted is eight months at any one time and in all one-eleventh of the period spent on duty plus one year.

Explanation.—When a Government servant is granted leave on medical certificate with reference to the proviso to clause (b) of this rule, an undertaking shall be obtained from him to the effect that he will

in the event of his retirement or resignation, at the end of the leave or an extension of the leave, refund by reduction from pension or in cash, the difference between the average pay and half average pay for the period of leave on average pay which would not have been admissible had the proviso not been applied. If the retirement is voluntary, refund shall be enforced but if the retirement is compulsorily thrust upon the Government servant by reason of ill-health incapacitating him from further service or for other reasons, no refund shall be taken.

(c) Save in the case of leave preparatory to retirement, leave not due may be granted subject to the following conditions:-

(i) on medical certificate, without limit of amount, and

(ii) otherwise than on medical certificate, for not more than three months at any one time and six months in all, reckoned in terms of leave on average pay.

Note.— In cases where a Government servant who has been granted leave not due under this clause applies for permission to retire voluntarily, the leave not due shall, if the permission the granted, be cancelled and his retirement shall have effect from the date on which leave commenced.

Rulings under Fundamental Rule 81 (c).

(1) Leave not due is intended to be regarded as an advance of leave and its grant should, therefore, be limited to the amount that both, (a) can be and (b) will be earned by subsequent duty; further it is meant to be granted only in exceptional circumstances such as illness or urgent private affairs and finally when the exceptional step of granting such leave is taken, it should be irrevocable except at the request of the officer who should not be penalised, if reasonable anticipations fail to materialise. The Government have accordingly ruled—

(i) that leave not due may in no case be granted unless the sanctioning authority is satisfied that as far as can be reasonably foreseen, the officer will return to duty and earn it; and

(ii) that the leave when granted should in all cases (subject to the officer's wishes) be allowed to stand, including cases in which the officer fails to earn it by subsequent duty.

(2) Government servants may be granted "leave not due" under the Fundamental Rules and unearned leave on medical certificate under Tamil Nadu Leave Rules for the treatment of tuberculosis subject to the following conditions:-

(i) the concession will be limited only to permanent Government servants and approved probationers in the various services.

(ii) a medical certificate, from the Government servant's authorised medical attendant or the Medical Officer in charge of a recognized sanatorium in the case of those undergoing treatment in a recognized sanatorium, should be produced. The prospect of returning to duty on the expiry of the leave should be assessed on the basis of the certificate given by the appropriate medical authority.

(iii) in the case of leave not due granted under the Fundamental Rules, the Government servant concerned should have enough service after his return to duty within which he would be able to wipe off the debit balance before reaching the age of superannuation.

(Finance Memorandum No.85539, C.S.R.-3, dated 28th November 1953.)

(3) The Instructions in ruling (2) will be extended to the case of Government servants suffering from leprosy and undergoing treatment either, under a recognized medical attendant or in a leprosy institution.

(Finance Memorandum No.32405, C.S.R.-2, dated 28th April 1954.)

(d) The maximum period of continuous absence from duty on leave granted otherwise than on medical certificate is twenty-eight months. This period shall in no circumstance, be exceeded by a Government servant who is on leave preparatory to retirement.

(e) When a Government servant returns from leave which was not due and which was debited against his leave account, no leave will become due to him until the expiration of a fresh period spent on duty sufficient to earn a credit of leave equal to the period of leave which he took before it was due.

RULINGS.

Calculation of leave on average pay to officers of Vacation Departments.

1. The only distinction which the Fundamental Rules make between a vacation and non-vacation officer is that the leave account and amount of leave which can be taken on average pay have to be calculated for the former in the light of Rule 82(b) and that the waiving of the maximum limit for leave salary is subject to the condition in Note to Rule 89. A vacation officer can be given leave on average pay provided that the leave is at his credit and that the maximum prescribed in Rule 81 (b) calculated with reference to Rule 82 (b) is not exceeded. The effect of this ruling is that an officer of the vacation department who enjoys each vacation can have leave on average pay without the production of a medical certificate to the extent of one-eleventh of duty *minus* one month for each year of duty or a proportionate fraction thereof if the period of duty is less than a year.

2. If leave on average pay is applied for while a Government servant is enjoying leave on half average pay in continuation of a period of leave on average pay, either by the production of a medical certificate or on proceeding out of India, Ceylon, Nepal, Burma or Pakistan the period of leave on average pay that may then be granted, should be similarly limited to the period actually covered by the medical certificate or spent elsewhere than in India, Ceylon, Nepal, Burma or Pakistan. The grant of the leave should also be so regulated that the total period of leave on average pay i.e., (including the portion at the beginning of the leave) during that spell of leave does not exceed eight months. In such cases the total period of leave on average pay shall be treated as one continuous spell of leave on average pay in order to determine whether the first four months of the leave should be treated as privilege leave for purposes of pension.

3. Special disability leave on average pay granted under clause (b) of Rule 83 (7) should be taken into account in full, in calculating the maximum amount of leave on average pay that can be granted to a Government servant under Rule 81 (b).

(Comptroller and Auditor-General's letter No.259-A-194-32, dated 16th November 1932 and No.68-A-194/32, dated 2nd May 1933.)

4. For the purpose of determining the maximum limit of leave on average pay that may be granted at any one time of an officer who has been suspended and whose period of suspension occurs between two periods of leave on average pay, the effect of the latter leave being the postponement of the reduction of his pay the period of suspension should be ignored and the entire period of leave on average pay treated as one continuous spell of leave.

(Letter No.T.180-A, 90-36, dated 22nd May 1936, from the Comptroller and Auditor-General to the Accountant-General, Bombay, issued with the concurrence of the Government of India.)

Extent of total leave on average pay.

5. The total leave on average pay without medical certificate spent in India, Ceylon, Nepal, Burma or Pakistan should not exceed one-eleventh of the period spent on duty.

The total leave on average pay taken with or without medical certificate and spent in or outside India, Ceylon, Nepal, Burma or Pakistan should not exceed one-eleventh of the period spent on duty *plus* one year.

In both cases, leave can be granted only if there is sufficient leave in the leave account itself.
(Comptroller and Auditor-General's letter No.1136-A-390/23, dated 14th November 1923.)

Grant of leave on average pay without medical certificate in continuation of leave on average pay on medical certificate.

6. If, under the operation of the proviso to Rule 81 (b) the maximum amount of leave on average pay admissible at a time is increased, further leave on average pay may not be granted in continuation, unless such leave is taken on medical certificate or is spent elsewhere than in India, Ceylon, Nepal, Burma or Pakistan-but such leave on average pay which may be taken on medical certificate or outside India, Ceylon, Nepal, Burma or Pakistan up to a maximum of twelve months in a Government servant's whole service, if due, does not consume the leave on average pay which may be taken without medical certificate.

Note.—The maximum amount of leave on average pay admissible at a time occurring in the above instruction is the leave actually at the credit of a Government servant in column 6 of the leave account or four months, whichever is less, i.e., if a Government servant, subject to ordinary leave rules, takes leave on average pay against the extra one year allowed by proviso to Rule 81 (b), he cannot have an extension of leave on average pay in India without medical certificate, unless the total period of leave on average pay is limited to the credit in column 6 of the leave account or four months, whichever is less.

(C.C.A's letter No.74-A/190-31, dated 29th March 1932.)

7. (1) The maximum amount of leave on average pay, which on any particular date may be granted to a Government servant, subject to the ordinary leave rules, on medical certificate or out of India, Ceylon, Nepal, Burma or Pakistan will be the sum total of the last entry in column 6 of the leave account and the unspent balance of one year, limited to eight months at a time, provided that this sum total is covered by the period entered in column 8.

(2) When such leave is debited to the leave account, it should be entered in column 11 till the limit of one year is reached and thereafter in column 10. If the leave at credit in column 7 is less than the leave entered in column 11 as indicated above, a minus entry in column 17 will arise in the same ways as when the leave in column 7 is less than the leave entered in column 14.

(3) It may happen that when this minus entry is carried forward to column 7, the balance in column 7 may still be minus, but this fact does not affect the question of the subsequent grant of leave on average pay on medical certificate or out of India, Ceylon, Nepal, Burma or Pakistan which will be regulated entirely by the conditions specified in paragraph (1) above.

Treatment of leave "not due" granted to officers of vacation department.

8. On the question whether a Government servant of a vacation department can get the benefit of Rule 81 (c) in addition to that conferred by Rule 82 (c), it has been ruled that, when the privilege permitted by the latter rule is exercised, the additional leave permissible under that rule becomes "leave due" and thus acquired a character different from the "leave not due" which may be granted under Rule 81 (c). Leave under Rule 81 (c) and under Rule 82 (c) may be granted in conjunction.

(Comptroller and Auditor-General's letter No.648-A/172-23, dated 16th May 1928.)

9. Rule 81 (c) does not prevent the grant of leave "not due" as such on the ground that the previous leave "not due" taken has not been cleared, provided that the total period of leave "not due" does not exceed the maximum of six months in terms of average pay.

The authority competent to sanction leave can, however, refuse to grant a fresh period of leave "not due" if the application for such leave is not supported by a medical certificate.

(Comptroller and Auditor-General's letter No.98-A/492-25, dated 28th January 1924.)

Date from which invaliding shall take effect in the case of officers on leave "not due"

10. Where officers are invalided when on leave "not due", the date of invaliding, shall be that following the expiry of the leave already granted.

11. Under G.O.No.188, P.H., dated 26th January 1926, a Government servant showing symptoms of leprosy should not at once be invalided from service but should be granted all the leave which is to his credit to enable him to undergo the up-to-date curative treatment and he should be invalided from service only if after undergoing the treatment for the full period of leave to his credit he is still certified to be infected with the disease. "Leave not due" may also be granted to such a person if he is still undergoing treatment at the time of expiry of the leave which is to his credit.

The above orders also apply to persons suffering from secondary syphilis.

(G.O.Ms.No.111, Public, dated 30th January 1929.)

Twenty-eight months continuous absence explained.

12. The limit of 28 months of continuous absence prescribed in this rule includes the period of vacation, if any, with which study and other leave is combined.

The intention of this rule is that whatever kind of leave has been included in the first 28 months, any extension after that period on allowances, may be granted only on medical certificate.

(G.O. Ms. No. 1293, Revenue, dated 7th July 1927.)

Interpretation of the expression "continuous absence from duty on leave"

13. The expression "continuous absence from duty on leave" occurring in these rules does not include absence on extraordinary leave.

Combination of ordinary leave with "special leave" granted in connection with the award of Commonwealth Fund Service Fellowships.

14. The expression "continuous absence from duty on leave" occurring in these rules includes absence on "special leave" granted in connection with the award of Commonwealth Fund Service Fellowships, if owing to a combination of ordinary leave with such "special leave", the aggregate period of absence exceeds 28 months.

(Letter from the India Office to the Government of India in the Home Department, No.8, and G4892/32, dated 19th October 1932.)

82. The following provisions apply to vacation departments only:—

(a) The rules specifying the departments or parts of departments which should be treated as vacation departments and the conditions in which a Government servant should be considered to have availed himself of a vacation are given in the Instructions below.

(b) Vacations count as duty, but the periods of total leave in Rule 81 (a) and 81 (b) should ordinarily be reduced by one month for each year of duty in which the Government servant has availed himself of the vacation. If a part only of the vacation has been taken in any year, the period to be deducted will be a fraction of a month equal to the proportion which the part of the vacation taken bears to the full period of the vacation.

(c) In cases of urgent necessity, when a Government servant requires leave and no leave is due to him, the period in Rule 81 (a) as reduced by clause (b) of this rule, may be increased by one month for every two years of duty in a vacation department.

(d) When a Government servant combines vacation with leave, the period of vacation shall be reckoned as leave in calculating the maximum amount of leave on average pay which may be included in the particular period of leave.

Note.—A Government servant will be considered to combine vacation with leave when such leave immediately precedes or follows the vacation.

(h) Deputy Registrars posted for work connected with the teaching of the subject of Co-operation in the B.Com., (Hons.) course conducted by the University of Madras.

(i) Any other Government servant whom Government may declare to be so serving.

4. An officer holding two appointments, one in a vacation department, and the other not, will not be deemed to be employed in a vacation department.

Note.—District Munsifs, who are also Sub-divisional Judicial Magistrates within their jurisdiction will close their Courts on the Civil side for the vacation but will have to work as Sub-divisional Judicial Magistrates during the vacation. They will be denied the benefits of vacation and treated, therefore, as officers prevented from availing themselves of the whole or part of the vacation, as the case may be. They will accordingly be given the benefits of appropriate addition to their leave accounts under Instruction (6). Similar arrangements will govern the members of the staff of such Courts also. [G.O. Ms. No. 719, Finance (F.R.I.), dated 1st August 1975.]

5. In case of doubt, Government will decide whether or not a particular Government servant is serving in a vacation department.

6. A Government servant, serving in a vacation department shall be considered to have availed himself of a vacation or a portion of a vacation; unless he has been required, by general or special order of a higher authority, to forego such vacation or portion of a vacation; provided that, if he enjoys not more than fifteen days of the vacation, he shall be considered to have availed himself of no portion of it. A Government servant who has routine duties to discharge during the vacation, which do not require his presence at his place of duty and which can be performed either by himself at some other place or by some other Government servants, shall be considered to have availed himself of a vacation or a part of it. A Government servant who leaves his place of duty during a vacation is expected to arrange for, and is responsible for the performance, without any cost to Government, of such routine duties. A Government servant who leaves his place of duty during vacation is liable to be recalled thereto at his own expense.

7. When a Government servant is transferred from a vacation department to a non-vacation department, his period of service in the former will, for the purposes of rule 82 (b), be considered to have terminated with effect from the close of the last vacation enjoyed by him. When a Government servant is transferred from a non-vacation department to a vacation department, his period of service in the latter will be held to have commenced from the date of the expiry of the last vacation previous to such transfer.

RULINGS.

(1) Combination of leave and vacation is subject to the condition mentioned in rule 82 (d) and it is thus permissible to allow a vacation to intervene between two periods of leave. Similarly vacation may be prefixed or affixed to leave or both prefixed and affixed.

(G.I.F.D., Letter Nos. F.212, C.S.R., dated 7th November 1924 and No.541—R—1/28, dated 24th February 1928.)

Calculation of leave on average pay to officers of Vacation Department.

(2) For an officer of the vacation department subject to the ordinary leave rules, one month's leave on average pay accrues for every eleven months and one month is deducted for one year's (twelve months) duty, a balance of 2-8/11 days' leave on average pay remains at credit for each year of duty including vacation.

This extra leave on average pay may be claimed and granted.

[Comptroller and Auditor-General's Letter No. 1068-A-402/23, dated 29th October 1923.]

Reduction of leave in the account of Government servants of vacation departments.

(3) The term "each year of duty" should be interpreted to mean not a calendar year in which duty is performed, but twelve months of actual duty. If the Government servant has enjoyed such vacation as falls within a period of twelve months beginning on the date following the date on which he completed the previous year of duty, then one month should be deducted from his leave account. It does not matter whether the day, on which this year ends, falls in a vacation in the succeeding calendar year. The only question is whether the Government servant has enjoyed such vacation as fell within the period of one year as interpreted above.

If to take an example, a Government servant before going on leave has not completed a full year of duty (including vacation) during the course of the second calendar year, then the fraction of one month which should be deducted from the leave account is the fraction which the period of duty including vacation, bears with a whole year. If to take a further complication, he has not enjoyed the whole of the vacation which fell during that period of less than a year, then the amount which should be deducted is the proportion of the period, which the proportion of the vacation actually enjoyed plus the vacations that will fall within the remaining period of twelve months bears to the whole period of vacations which fall within the period of twelve months. Even in cases in which vacations did not intervene in the incomplete year of duty, a deduction of 1/12th should be made for the period for which 1/11th is credited. The credit so afforded, will be corrected suitably, if later on, it transpires that the officer has availed of either proportionately or has not availed of at all the vacations which fell during the full year.

In the case of Government servants who are allowed two vacations in the year instead of one, the periods of the two vacations should be regarded as "combined into one".

(Finance Memorandum No. 67940/F.R. 60-4, dated 29th October 1960.)

Leave in vacation departments.

(4) The amount credited to the leave account under this rule as well as that added to the maximum under rule 81 (a) should be the actual amount of additional leave taken under this rule and not the total amount theoretically permissible, viz., one month for every two years of duty.

Note.—The credit of one month is for every completed two years of duty and no fractional credit for a period less than two years is permissible.

[G.I.F.D., Letter No. F-7 (37), R.I./37, dated 13th May 1937.]

(5) An officer of a vacation department may be granted the additional leave which is credited under rule 82 (c) even though he has a debit balance in his leave account due to the fact that leave not due has not been liquidated as required by rule 81 (c).

[G.I.F.D., letter No. F-7 (37), R.I./37, dated 13th May 1937, received with endorsement of the same number and date.]

(6) The additional leave permitted under rule 82(c) may be on full average pay provided in the case of an officer subject to the ordinary leave rules it is supported by a medical certificate or spent out of India, Ceylon, Nepal, Burma or Pakistan. Rule 82 does not, however, increase the maximum period of leave prescribed by rule 81(b). Even, therefore, if leave under rule 82(c) is taken on average pay, the sole result is to reduce the leave on average pay which can be taken on other occasions. (C.C.A's Letter No. 355-A-270/28, dated 14th December 1928 to A.G., C.P.)

Combination of leave with vacation.

(7) An officer of a vacation department can enjoy four months' leave on average pay followed by vacation only if the period of vacation is covered by medical certificate or is spent outside India, Ceylon, Nepal, Burma or Pakistan.

(Comptroller and Auditor-General's Letter No. 223-A-78/28, dated 4th July 1928.)

(8) The Provision in rule 82 (d) to reckon the period of vacation on leave does not apply, when vacation is combined with leave *other than leave on average pay*. There is, therefore, no objection to a Government servant taking only leave on half average pay in combination with the period of vacation exceeding four months in duration or sandwiching a period of leave on half average pay between two periods of vacation aggregating more than four months.

(Comptroller and Auditor-General's Letter No. 47-A/225-34, dated 25th February 1935.)

(9) The limit of leave on average pay ordinarily admissible when it is combined with vacation by a Government servant of a vacation department subject to the ordinary leave rules will be either the credit in column (6) of the leave account plus the period of vacation or four months, whichever is less. (Comptroller and Auditor-General's Letter No. T. 824-A/199-31, dated 13th July 1932.)

Police Department.

(10) The officers working in Police Recruits Schools are not allowed any recess such as the Michaelmas, the Christmas, etc., the duration of which exceeds fifteen days at the time during the school-year.

Medical Officers treated as belonging to vacation department.

(11) (i) The rule is not applicable to Medical Officers who are not solely employed in teaching. Such officers cannot, therefore, be permitted to take the school or college vacations. Any period of absence during the period should be treated as leave under the ordinary rules.

(G.O. Ms. No. 730, P.H., dated 10th May 1924.)

(ii) Lists of appointment (Medical) the holders of which are considered to be solely employed in teaching for purposes of vacation are given in Appendix-II.

(12) If a Government servant of the vacation department does duties during vacation and is separately remunerated therefor, he should not be considered as having been deprived of vacation.

(G.O. Ms. No. 343, Finance, dated 26th November 1924.)

(13) The Lecturer in Engineering, Agricultural College, shall forego his vacation when the college is closed.

(G.O. Ms. No. 901, Development, dated 27th July 1933.)

(14) The entire technical staff serving at present in the Government Textile Institute, Madras as well as those that may be added to the strength of the Institute from time to time with the exception of the Principal and the Textile Inspector, shall be treated as serving in a vacation department. The ministerial staff in the office of the Principal will as at present, continue to have no vacation.

(G.O. Ms. No. 2080, Development, dated 14th September 1937.)

(15) For purposes of leave the law officers in the City, viz., the Advocate-General, the Government Pleader, the Public Prosecutor, the State Prosecutor and the Government Solicitor and the Administrator-General and Official Trustees and their establishments shall be treated as belonging to a non-vacation department.

(G.O. Ms. No.1332, Home, dated 12th March 1938.)

(16) The office of the Sheriff of Madras shall be a vacation department. (G.O. Ms. No. 574, Home, dated 10th May 1943.)

Transfers from vacation to non-vacation department and *vice versa* in the middle of vacation.

(17) When a Government servant is transferred from a vacation to a non-vacation department *in the middle of a vacation*, he should be treated as having been transferred to the non-vacation department from the close of the current vacation and a proportionate deduction made in his leave account in respect of that vacation by reason of his enjoying a part of it. Likewise when a Government servant is transferred from a non-vacation to a vacation department in the middle of a vacation, service in the vacation department should be held to have commenced from the close of the previous vacation but a proportionate reduction only should be made in his leave account in respect of the current vacation which he should enjoy only in part due to his being on duty in the non-vacation department.

Calculation of period of vacation.

(18) In the case of a district Munsif, transferred during the recess from a court which took its vacation late to one which took it early, the deduction to be made under this rule should be based on the actual period of vacation enjoyed, excluding that part of six weeks' recess (six weeks being the period of the annual recess for district Munsif's courts) which the district Munsif was precluded from enjoying by reason of his transfer. In making the calculation the time actually spent in travelling from one station to the other and not the full joining time admissible under the rules, should be added to the period by which the recess actually enjoyed fell short of six weeks.

(G.O. Ms. No.1199, Judicial, dated 20th August 1927.)

Note.—The above calculation should not, however, be adopted when an officer is transferred to another court on the expiry of leave to which vacation has been affixed. In such cases, no concession is admissible.

Vacation in the course of leave.

(19) When vacation occurs in the course of leave and is then debited to the leave account of a Government servant in a vacation department, a reduction under rule 82(b) should not be made in respect of such a vacation.

(G.O. Ms. No.623, Finance, dated 3rd August 1926.)

(20) A vacation or part of vacation included in a period of maternity leave should be treated as vacation taken.

(G.O. Ms. No. 676, Finance, dated 18th July 1927.)

(21) During the period of foreign service with vacation departments like Universities, a Government servant shall earn leave as an officer of the vacation department although the provisions of Fundamental Rule 82(a) are generally applicable to Government departments only.

(Finance Memorandum No. 57795-F.R./59-2, dated 13th July 1959.)

83. (1) Subject to the conditions hereinafter specified, Government may grant special disability leave to a Government servant, who is disabled by injury intentionally inflicted or caused in, or in consequence of the due performance of his official duties or in consequence of his official position.

(2) Such leave shall not be granted unless the disability manifested itself within three months of the occurrence to which it is attributed, and the person disabled acted with the due promptitude in bringing it to notice. But Government, if satisfied as to the cause of the disability, may permit leave to be granted in cases where the disability manifested itself more than three months after the occurrence of its cause.

(3) The period of leave granted shall be such as is certified by a Medical Board to be necessary. It shall not be extended except on the certificate of a Medical Board and shall in no case, exceed 24 months.

Note.—In the case of Group C and D Government servants of the Police including the Fire Service Branch and Excise Departments, a certificate of a Civil Surgeon shall be sufficient if the period of leave recommended does not exceed *two months*.

(4) Such leave may be combined with leave of any other kind.

(5) Such leave may be granted more than once if the disability is aggravated or reproduced in similar circumstances at a later date, but not more than 24 months of such leave shall be granted in consequence of any one disability.

(6) Such leave shall be counted as duty in calculating service for pension, and shall not, except as provided in Rule 78 (b), be debited against the leave account.

(7) Leave salary during such leave shall be equal—

(a) for the first four months of any period of such leave, including a period of such leave granted under clause (5) of this rule, to average pay and

(b) for the remaining period of any such leave to half average pay, or at the Government servant's option, for a period not exceeding the period of average pay which would otherwise be admissible to him, to average pay:

Provided that the maxima specified in the Table in sub-rule (2) of Rule 89 shall, notwithstanding anything contained in that rule apply to the whole period of such leave and the minima specified in the Table in Rule 90 shall apply when leave salary during such leave is equal to half average pay, subject to the conditions stated in that rule and in Note thereunder.

(8) (i) In the case of a person to whom the Workmen's Compensation Act, 1923 applies, the amount of leave salary payable under this rule shall, with effect from the 1st July 1924, be reduced by the amount of compensation payable under section 4(1)(d) of the said Act.

(ii) In the case of a person to whom the Employees' State Insurance Act, 1948 (Central Act XXXIV of 1948) applies, the amount of leave salary payable shall be reduced by the amount of benefit admissible under the said Act, for the corresponding period.

(G.O. Ms. No.877, Finance, dated 11th August 1965.)

(9) The provisions of this rule apply to a civil servant disabled in consequence of service with a military force, if he is discharged as unfit for further military service, but is not completely and

permanently incapacitated for further civil service, and to a civil servant not so discharged, who suffers a disability which is certified by a Medical Board to be directly attributable to his service with a military force, but, in either case, any period of leave granted to such a person under military rules in respect of his disability, shall be reckoned as leave granted under this rule for the purpose of calculating the period admissible.

Note.—Non-permanent Government servants governed by the Fundamental Rules may also be granted special disability leave.

RULING.

Intention of special disability leave.

The intention of the rule is not that special disability leave should be given to cover any portion of an officer's military service but that it should be admissible only after the officer's discharge as unfit for further military service.

(G.I., F.D., No. F 21-11, C.S.R. 24, dated 30th July 1924.)

83-A. Government may extend the application of the provisions of Rule 83 to a Government servant, whether permanent or non-permanent, who is disabled by injury accidentally incurred in or in consequence of the due performance of his official duties or in consequence of his official position or by illness incurred in the performance of any particular duty which has the effect of increasing his liability to illness or injury beyond the ordinary risk attaching to the civil post which he holds. The grant of this concession is subject to the further conditions—

(i) that the disability, if due to disease, must be certified by a Medical Board to be directly due to the performance of the particular duty;

(ii) that, if the Government servant has contracted such disability during service otherwise than with a military force, it must be in the opinion of Government exceptional in character; and

(iii) that the period of absence recommended by the Medical Board may be covered in part by leave under this rule and in part by other leave and that the amount of special disability leave granted on average pay may be less than four months.

Delegations under Rules 83 and 83-A.

The Heads of Departments who are competent to grant ordinary leave to Government servants are empowered to grant special disability leave in cases falling under Rules 83 and 83-A.

84. Leave may be granted to Government servants, on such terms as the Government may, by general order prescribe, to enable them to study scientific, technical or similar problems or to undergo special courses of instruction. Such leave shall not be debited against the leave account.

Note.—The rules prescribed to regulate the grant of leave to Government servants for the study of scientific, technical and similar problems or to undergo special courses of instructions are given in Appendix II.

RULINGS.

Study allowance for the period of private work during study leave.

(1) The Government of India and the State Government have agreed to the grant of study allowance to officers for the period during study leave devoted to the collating and elaborating in the form of readable report of the notes made and literature collected during their tour of inspection.

In the case of an officer granted study leave with the object of taking a definite course of study or preparing for a specific examination, attendance at an institution or supervision by a responsible authority is the normal procedure. The Study Leave Rules should be more strictly adhered to in this case and private work at home is not, therefore, accepted for purposes of study leave.

(G.O. Ms. No. 887, Finance, dated 19th December 1929.)

(2) A Government servant of a vacation department can draw study allowance during vacation if he prosecutes his studies during the period. The period of such vacation will be taken into account in calculating the maximum period of two years for which study allowance is admissible.

[Paragraph 22 (ii), Chapter X, Section 1 of Manual of Audit Instructions (Reprint).]

(3) Study leave may be granted to an officer of less than five years' service at the discretion of the authority competent to grant the leave.

[Ruling (33), Section IV of Compilation of Audit Rulings.]

(4) Scholarship or stipend received by a Government servant from the Consolidated Fund of India or Consolidated Fund of a State is treated as honorarium under Fundamental Rule 9 (9). It is only when a Government servant is awarded scholarship or stipend from a source other than the above two sources, it will have to be treated as fees.

No portion of any scholarship or stipend, received during study leave or otherwise, by a government servant from a source other than Consolidated Fund of India or the Consolidated Fund of State for the purpose of prosecuting a course of studies or receiving specialized training in professional or technical subjects need be credited to Government.

In cases where permission is granted by the Government, no portion of the payments received by Government servants as a result of full-time or part-time employment undertaken by them need be credited to the Government.

(Finance Memo. No. 30909/FR/60-4, dated 16th May 1960.)

(5) The Government servants, who are sponsored by the Government for training abroad under the various training schemes of the United Nations, the Colombo Plan, the Point Four Programme and the like and the schemes operated through non-official channels (Rockefeller Foundation, Ford Foundation and the like) should be brought under the orders issued in G.O. Ms. No. 798, Finance, dated 1st July 1962 and not under the Study Leave Rules.

(6) A certificate to the effect that the study allowance and/or cost of fees for study is/are claimed in accordance with rules 12 and 13 and/or rule 16 of the Study Leave Rules shall be recorded in the bills by the drawing officers.

(7) Restrictions under rules 5 and 9 of these rules limiting the grant of study leave to a maximum period of two years for a Government servant's entire service shall not apply in the case of medical officers of the Tamil Nadu Medical Service to enable them to avail themselves of study leave in excess of two years, wherever necessary to undergo postgraduate courses.

These orders take effect from 1st July 1962.

(G.O. Ms. No. 1942, Health, dated 5th June 1963.)

85. (a) Extraordinary leave may be granted in special circumstances (1) when no other leave is by rule admissible, or (2) when, other leave being admissible, the Government servant concerned applies in writing for the grant of extraordinary leave. Such leave is not debited against the leave account. No leave salary is admissible during such leave.

(b) The authority which has the power to sanction leave may grant extraordinary leave as in clause (a) in combination with, or in continuation of any leave that is admissible, and may commute retrospectively periods of absence without leave into extraordinary leave.

RULINGS.

(1) "Leave not due" applied for by a Government servant with or without medical certificate is "leave admissible under rule". Therefore, where "leave not due" can be granted, the grant of extraordinary leave under this rule will be irregular unless the latter kind of leave is specifically applied for in writing.

(Comptroller and Auditor-General's Letter No. 169-A/164/33., dated 4th November 1933.)

Limit of Extraordinary Leave.

(2) Extraordinary leave under rule 85 may be granted either by itself or in combination with, or in continuation of other leave subject only to the provision in Rule 18. The maximum laid down in Rule 81(d) does not apply in the case of extraordinary leave.

(Comptroller and Auditor-General's Letter No. 1115-A/433/23, dated 7th November 1925.)

Casual Leave.

(3) The rules regarding the grant of casual leave to Government servants are printed as Annexure VII.

(4) The power of commutation under the last two lines of clause (b) of this rule is an absolute one; the words "as in clause (a)" used in line (2) cannot be taken to qualify the latter part of the rule. In other words, the condition mentioned in Rule 85(a), viz., "when no other leave is by rule admissible" does not apply to the commutation retrospectively of absence without leave into leave without allowances either under Article 421, Civil Service Regulations or Rule 85(b).

(G.O. Ms. No. 255, Finance, dated 12th April 1935.)

86 (a) (i) Leave at the credit of a Government servant in his leave account, other than earned leave and leave on private affairs shall lapse on the date of retirement or on the date of termination of the extension of service, as the case may be. The competent authority (leave sanctioning authority) shall suo motu draw and disburse the cash benefits of encashment of earned leave and leave on private affairs at the credit of the Government servants in Groups B,C and D without formal sanction orders on the date of retirement or on the date of termination of the extension of service, as the case may be, or on the next working day, following the date of retirement or the date of termination of extension of service if the date of retirement or the date of termination of extension of service happens to be a holiday. In respect of Group A officers, the Accountant General or Pay and Accounts Officer, as the case may be, shall suo motu issue the pay slips for encashment of earned leave and leave on private affairs, as aforesaid, at the credit of the Government servants without formal sanction orders, on the date of retirement or on the date of termination of the extension of service, as the case may be, or on the next working day, following the date of retirement or the date of termination of extension of services if the date of retirement or the date of termination of extension of service happens to be a holiday.

(ii) The benefit of encashment of earned leave at the credit of a Government servant on the date of retirement or on the date of termination of extension of service, as the case may be, shall be subject to a maximum of 240 days and shall be eligible for cash equivalent of full leave salary which shall be based on Pay, Dearness Allowance, House Rent Allowance and City Compensatory Allowance for the entire period of leave at credit.

(iii) The benefit of encashment of leave on private affairs on the date of retirement or on the date of termination of extension of service, as the case may be, shall be subject to 50 per cent of the leave on private affairs standing to the credit of the Government servant on such date subject to a maximum of 90 days, with full leave salary in cash which shall be based on Pay, Dearness Allowance, House Rent Allowance and City Compensatory Allowance. While calculating the leave on private affairs for the above purpose, the fraction of half-a-day shall be rounded off to one day. " ;

(G.O.Ms.No.324 P&AR (FR.IV) dt. 18.8.2004 - w.e.f. 1.4.2003)

Explanation—

For the purpose of encashment of earned leave and leave on private affairs provided in this rule, the Government servants of the following categories shall also be eligible :-

- (i) cases where the services of a Government servant has been extended in the interest of public service beyond the date of superannuation;
- (ii) voluntary or premature retirement;

(iii) where the services of a Government servant are terminated by notice or by payment of pay and allowances *in lieu* of notice or otherwise in accordance with the terms and conditions of his appointment;

(iv) in the case of death of a Government servant while in service, to the family of the deceased;

(v) in the case of leave preparatory to retirement;

(vi) in cases where the Government servant has been compulsorily retired from service as a measure of punishment under Rule 8 of the Tamil Nadu Civil Services (D&A) Rules.

(vii) in cases where the Government servant has been retired on medical invalidation;

(viii) the Government servants who are discharged owing to the abolition of a permanent post or retrenched due to the abolition of a Government department or scheme.

[*vide* G.O. Ms. No. 345, P & AR (Fr. SPL.), dated 31-7-1990, w.e.f. 29-5-1989.]

(b) A Government servant retained in service after the date of *retirement shall earn leave on average pay at the rate of 1/11th of duty performed after that date and shall be allowed to add thereto any amount of leave which would have been granted to him under clause (a) had he retired on that day. The total period which he may take on each occasion shall not exceed six months. When his duties finally cease, the Government servant may be granted leave preparatory to retirement, upto a maximum of six months as follows:—

(i) the balance, after deducting the amounts of leave, if any, taken during the period of extension, from the amount of leave which could have been granted to him under clause (a) had he retired on the date of compulsory retirement, *plus*

(ii) the amount of leave earned under this clause which is due to the Government servant and which he has in sufficient time during the period of extension—

(1) formally applied for as preparatory to final occasion of his duties and been refused, or

(2) ascertained in writing from the sanctioning authority that such leave would not be granted if applied for, in either case the ground of refusal being the requirements of the public service.

Instruction under Rule 86.

The authority, other than the Government, competent to grant leave preparatory to retirement, shall not be competent to refuse under Rule 86, such leave shall be refused only by Government. The leave refused under Rule 86 shall be granted by Government:

Provided that the refusal of leave under Rule 86 and the grant of such refused leave to all Officers of the Judicial Department below the rank of District Judges shall be sanctioned by the High Court, Madras.

(G.O. Ms. No. 1107, Finance, dated 3rd September 1963.)

RULINGS.

Application of the Rule.

(1) This rule simply limits the *amount* of leave that may be granted to Government servants who have reached or are about to reach the date on which they are required to retire. The kind of leave and the leave salary are determined not by this rule but by the general rules in Rules 81 and 87. The proviso to Rule 81 (b) should, therefore, be held to apply in cases of leave granted under Rule 86.

The limit of six months laid down in Rule 86 (b) should be held to include periods of vacation prefixed or affixed to leave.

(Finance Memo. No. 29025, C.S.R.,-3, dated 13th December 1935.)

(2) *Deleted.*

(3) Compulsory recall of an officer from leave preparatory to retirement should be deemed to be a constructive refusal of the balance of leave unenjoyed for purposes of Rule 86.

(G.O. Ms. No. 105, Finance, dated 4th April 1941.)

(4) While the amount of the leave refused under Rule 86 (a) is fixed, the quality of that leave (i.e., on average or half average pay) whether it is taken before or after the date of retirement or on the date of termination of extension of service or after the date of final cessation of duties may be varied within the normal leave rules to the advantage of the Government servant concerned in accordance with the leave *earned* and standing to his credit on the date on which he proceeds on leave prior to the date of retirement or on the date of termination of extension of service whenever he takes a portion of his refused leave before that date and ultimately on the date of his retirement or on the date of termination of extension of service and no second application for leave in sufficient time and its refusal are necessary, merely to ensure this variation. Similarly, the character of any period of leave on average pay admissible under Rule 86 (a), original or so modified, may, if the Government servant so desire, be converted within the quantum admissible into a portion on average and the balance on half average pay.

(G.O. Ms. No. 417, Finance, dated 26th April 1943.)

(5) Leave sanctioned preparatory to retirement but which could not be enjoyed due to the exigencies of public service may be treated as a constructive refusal of leave for purposes of Rule 86.

(Memo. No. 3879E 45—2, Revenue, dated 28th November 1945.)

(6) When a Government servant who has proceeded on leave preparatory to retirement is required for employment during such leave in any post under the Government, he will be recalled to duty and the unexpired portion of his leave from the date of rejoining duty will be cancelled. The leave so cancelled will be treated as leave refused under Fundamental Rule 86, and it may be granted from the date of retirement or on the date of termination of extension of service of the Government servant. Such recall will be treated as "Optional" for the purposes of Fundamental Rule 70.

(G.O. Ms. No. 882, Finance, dated 19th July 1952.)

(7) *Deleted.*

(8) The leave earned by the period of duty intervening between the refusal of leave pending retirement and the date of retirement or on the date of termination of extension of service is merged in the common pool in the leave account and forms an indistinguishable part of the total leave at credit the whole of which, with the exception only of the net amount of leave refused, lapses under clause (a) of Rule 86 on the date of retirement, or on the date of termination of extension of service. The grant of any leave between the date from which the "refusal of leave" took effect and the date of superannuation should, therefore, be held to be a grant of leave against the amount originally refused. The amount of leave admissible under clause (a) after superannuation in such a case is, therefore, the amount of leave originally refused minus the amount of the "post-refusal" leave enjoyed, and this difference is subject to a maximum of six months.

(9) Mr. X, who was due to retire on superannuation pension on 16th September 1947, applied for leave on average pay for four months from 10th February 1947 which was refused by Government in the exigencies of public service. He again applied for three months and six days' leave from 19th June 1947 which was again refused by Government except for fifteen days. The officer again applied for the leave from 16th September 1947. The question arose whether he should be given leave on 16th September 1947—

- (i) the amount of refused leave for three months and six days less fifteen days, or
- (ii) the accumulated refused leave of four months, and three months and six days subject to a maximum of six months, or
- (iii) the longest of the two periods of refused leave, viz., four months.

The Comptroller and Auditor-General decided that the officer can be granted after the age of superannuation only the leave preparatory to retirement that was refused, viz., three months and six days less fifteen days availed of. The four months' leave on average pay applied for by him was not preparatory to retirement and hence its refusal by Government in the interest of public service does not entitle him to the protection of Rule 86 after of the date of superannuation.

(Comptroller and Auditor-General's U.O. No. 454/A/161/47, dated 2nd December 1947.)

(10) Permission to accept private employment concurrently with leave preparatory to retirement shall not ordinarily be granted to a Government servant with a view to enabling to take up private employment during the period of such leave. The services of such a Government servant shall be placed at the disposal of the private employer only on the usual foreign service terms till he/she attains the age of superannuation. As the permission to take up private employment is only a concession to the Government servant, the balance of the leave preparatory to retirement not availed of by him/her as a result of cancellation in order to take up private employment, shall not be deemed as constructive refusal of such leave for purposes of Fundamental Rule 86. The return to duty in such cases has to be treated as optional for purposes of Fundamental Rule 70.

(Finance Memo. No. 119194/F.R./60-3, dated 12 March 1960.)

(11) The leave salary that is payable when refused leave is availed of concurrently with reemployment, shall be reduced by the amount of pension and pension equivalent of the other retirement benefits. A Government servant shall be eligible for pension also in addition to the leave salary as so reduced.

Note.—The calculation of pension equivalent of gratuity shall be based on the full amount of the death-cum-retirement gratuity admissible under the Tamil Nadu Liberalised Pension Rules, 1960 and not on the amount of gratuity reduced with reference to rule 5 of the Tamil Nadu Government Servants Family Pension Rules, 1964, issued in G.O.Ms.No.950, Finance (Pension), dated 29th July 1964.

(G.O. Ms. No. 1026, Finance, dated 16th September 1965).

(12) In the officers or cadres for which regular leave reserve posts have been sanctioned, the leave reserves need not be taken to cover vacancies caused by the grant of refused leave.

(Memo. No. 94463/FR/60-7, Finance, dated 9th May 1961 and G.O. Ms. No. 378, Finance, dated 6th April 1962.)

(13) Applications for leave preparatory to retirement should be made at least three months before the date of commencement of the leave applied for. Proposals to refuse leave under Rule 16 shall be forwarded to the Government and their orders obtained on it before the commencement of the leave applied for.

The above condition shall not apply in the case of Government servants retiring under Fundamental Rule 56(2).

[G.O. Ms. No.716, Finance (F.R.I.), dated 7th July 1976.]

SECTION V—Leave Salary.

87. Subject to the conditions in Rules 81, 88, 89, 90 and 91, a Government servant on leave shall, during leave, draw leave-salary as follows:

(a) if the leave is due, leave salary equal to average pay or to half average pay or to average pay during a portion of the leave and half average pay during the remainder as he may elect; and

(b) if the leave is not due, leave-salary equal to half average pay:

Provided that when a Group C and D Government servant takes leave and

(i) his pay is less than Rs. 300, or

(ii) the leave taken does not exceed one month, his "average pay" for the purpose of this rule may be taken to be "the pay which he would draw" in the

permanent post held substantively by him at the time of taking leave, if this pay be more than the average pay:

Provided further that in the case of a Government servant to whom the Employees State Insurance Act, 1948 (Central Act XXXIV of 1948) applies, leave salary admissible during leave other than leave on average pay shall be reduced by the amount of benefit admissible under the said Act for the corresponding period.

(G.O. Ms. No.887, Finance, dated 11th August 1965.)

Note.—Government servants in Basic service taking leave on medical certificate for leprosy or tuberculosis treatment will be permitted to draw leave salary equal to average pay for a period not exceeding six months subject to the conditions that the Government servant produces a certificate from the medical officer in charge of a recognised leprosy or tuberculosis treatment centre to the effect that he has undergone regular treatment during the month for which the leave salary is claimed. A Government servant in Basic Service suffering from tuberculosis, who is on the waiting list for admission to a recognised tuberculosis treatment centre, shall be eligible for leave salary under the foregoing paragraph on the production of a certificate from the official medical attendant or the Superintendent of the Government Headquarters Hospital in which he is kept, stating that he would have been treated as an in-patient in such centre if accommodation had been available therein.

RULINGS.

Election of leave salary.

(1) Rule 87 (a) provides that a Government servant on leave shall during leave, if the leave is due, draw leave-salary equal to average pay or to half average pay or to average pay during a portion of the leave and half pay during the remainder as he may effect.

The election given by the above rule is the election between the three different forms of leavesalary mentioned therein and the rule is not intended to give any choice as to the period during which average pay or half average pay can be drawn if the officer elects the third form. In that case the intention is that the period of average pay should be taken first and should be succeeded by the period on half average pay.

(G.I.,F.D. No.604, C.S.R., dated the 26th April 1924, with the Comptroller and Auditor-General's Endt., No.332-A/30-24, dated 20th May 1924.)

Leave Salary of Group C and D Government Servants taking leave from Group A and B posts.

(2) The proviso to this rule applies only to Government servants proceeding on leave from Group C and D posts. The leave-salary of a Government servant holding a post in Group C and D substantively and proceeding on leave from a post in Group A and B after officiating in it for some time should be regulated by the main rule itself, i.e., the leave salary should be based on the average pay earned during the preceding twelve months.

(G.I.F.D. No.F. 175, C.S.R.25, dated 11th July 1925.)

(3) Scope of the first proviso to Rule 87 in the case of non-gazetted Government servants on foreign service—

(i) For the purpose of this proviso, the status of a Government servant while on foreign service, i.e., Group A and B or Group C and D should be determined with reference to the permanent posts under Government on which he holds a lien or would hold a lien had his lien not been suspended, or, if during his absence on foreign service he is given any promotion under Rule 113, with reference to the post under Government to which he is so promoted.

(ii) in the case of such a Government servant, the term "his pay" occurring in item (i) of this proviso should be construed to mean what is prescribed under rule 117(b) for counting his pay for the purpose of Rule 9(2) i.e., the pay drawn in foreign service at the time leave is taken less in the case of a Government servant paying his own contribution for leave-salary and pension, such part of the pay as may be paid as contribution.

(iii) The expression “the pay he would draw in the permanent post held substantively by him at the time of taking leave” occurring in this proviso should, in its application to a Government servant on foreign service, be taken to mean the pay which he would draw in the permanent post under Government on which he holds a lien, or would hold a lien had his lien not been suspended at the time of taking leave.

(Government of India, Finance Department Letter No.F.723-RI/43, dated 17th July 1943, to all Chief Commissioners.)

Pay and status for purpose of the proviso under Rule 87

(4) For the purpose of the proviso in this rule, the pay and status of Government servant should be determined with reference to the post which he was holding whether in a substantive or in an officiating capacity before going on leave.

(G.O. Ms. No. 532, Finance, dated 2nd July 1926.)

Interpretation of the term “pay” in the expression “the pay which he would draw”, occurring in clause (ii) of the proviso.

(5) This term should be interpreted as including “Special Pay” whether attached to a post or personal to a particular Government servant, since in either case the Government servant would draw it in the post which he holds substantively.

(G.I., F.D., Letter No.F.374-C.S.R., 26, dated 27th November 1926.)

(6) When a Government servant belonging to a cadre is actually holding substantively a particular permanent post in the cadre at the time of taking leave, he must be considered as the substantive holder of that particular post at the time and if a special pay is attached to that post, he may, if the conditions of the first proviso to Rule 87 are fulfilled, draw leave-salary equal to his substantive pay *plus* the special pay which he was drawing at the time of taking leave.

(Comptroller and Auditor-General's Letter No.T.717-A/167-38, dated 13th July 1938, to Accountant-General, Central Revenue, received with the Comptroller and Auditor-General's Endt. No.331-A/167-38, dated 16th July 1938.)

Note.—When the special pays for typewriting and shorthand are not attached to any particular post but are sanctioned for a particular office or offices as a whole (i.e., special pays for shorthand and typewriting in the Judicial Department) a Government servant who is in receipt of such special pay at the time of proceeding on leave, cannot draw the special pay as part of the pay of the post held substantively by him at the time of taking leave under the first proviso to Rule 87 but can draw only average pay as defined in clause (2) of Rule 9.

Similarly, special pays for unhealthy localities are treated as not attached to a post and can, therefore, be taken into account only for calculating average pay.

[Public (Services) Memo.No.25965/38-3, dated 25th October 1938 and Finance Memo. No. 13898, C.S.R., dated 21st June 1939 and Home Department Letter No.2978, dated 30th May 1939, to the Chief Justice.]

Interpretation of the words “permanent post” occurring in the same clause.

(7) The permanent post may be a post on which the Government servant's lien has been suspended if he holds a lien on no other permanent post.

(G.I., F.D., U.O.No.787-C.S.R., dated 2nd March 1926.)

Interpretation of the words “at the time of taking leave” occurring in the same clause.

(8) The phrase “at the time of taking leave” denotes a point in time and that point is the moment at which leave begins. If, therefore, a Government servant proceeds on leave with effect from the *forenoon* of a day on which an increment falls due, this increment cannot be taken into account in the calculation of his leave-salary. His increment does not begin to accrue until the previous midnight is past and by the time he is assumed to be on leave and, therefore, incapable of drawing increment because he is no longer on duty.

(G.I.F.D., Nos. F.454-R-I-27, dated 10th December 1927 and F.454-R-I-27, dated 23rd March 1928.)

(9) Officers who are invalidated during the currency of or at the end of a period of 'leave not due' granted with or without medical certificate should be retired from the date of termination of such 'leave not due'.

Leave salary of approved probationers.

(10) As under Instruction 2 to Rule 104, approved probationers in superior service are eligible to be granted such leave as would be admissible to them if they held their posts substantively, their leave salary should also be governed by conditions applicable to permanent Government servants. They should, however, be granted under Rule 87 average pay only during period of leave on average pay, as they have no substantive pay in respect of any permanent post held by them.

(G.O. Ms. No. 486, Finance, dated 9th August 1935.)

Definition of 'pay' occurring in the rule.

(11) The term "pay" in the expression "his pay is less than Rs.300" occurring in clause (i) of the proviso should be interpreted according to the definition in Rule 9 (21).

An increment falling due during all leave except extraordinary leave taken otherwise than on medical certificate, does not take immediate effect but only from the date of return of the Government servant to duty. This does not, however, have the effect of postponing the date of accrual of future increments.

(G.I.F.D., No. 143-C.S.R., dated 24th February 1925.)

[G.O. Ms. No. 1279, Finance (F.R.), dated 22nd September 1972.]

Commutation of leave.

(12) The words "as he may elect" in Rule 87(a) imply election once for all and, therefore, debar a Government servant from claiming commutation of leave as of right. Though under the Fundamental Rules the authority which granted leave can (if so disposed), commute it retrospectively into leave of a different kind, yet a Government servant does not possess any right to insist that it should be so commuted.

(Comptroller and Auditor-General's No. 655-A- 345/25, dated 2nd January 1926.)

(13) Please see ruling (1) under Annexure II-Part I.

(14) In connection with the application of the first proviso to Rule 87(b), a question was raised as to whether the special pay attached to a particular post included in a cadre of a service and drawn by the incumbent of the post at the time of taking leave should be included in calculating the amount of leave salary under the proviso.

When a Government servant belonging to a cadre is actually holding substantively a particular permanent post in the cadre at the time of taking leave, he must be considered as the substantive holder of that particular post at the time and that, he may, if he fulfills the other conditions of the first proviso to Rule 87, draw leave-salary equal to his substantive pay *plus* any special pay which he was drawing at the time of taking leave.

(Comptroller and Auditor-General's letter No. T.717-A-167/38, dated 13th July 1938, to the A.G., C.R., New Delhi.)

88. After continuous absence from duty on leave for the period of twenty-eight months, a Government servant will draw leave-salary equal to quarter average pay, subject to maxima and minima prescribed in Rules 89 and 90.

RULINGS.

Interpretation of the rule.

(1) The expression "continuous absence from duty on leave for a period of 28 months" occurring in this rule includes the period of vacation, if any, with which leave is combined, but does not include extraordinary leave.

The reason for the exclusion of extraordinary leave is that such leave is not debited against the leave account—*vide* Rules 85(a) while leave on quarter average salary is debited—*vide* Rule 78(b).

(*Comptroller and Auditor-General's No. 1148-A/440/23, dated 15th November 1923 and No. 237-A58/24, dated 17th March 1924.*)

89. (1) Omitted.

(2) Except during the first four months of any period of leave on average pay, leave salary is subject to the monthly maxima shown in the following table:—

The Table.

	<i>Average in Asia</i>	<i>Half average in Asia</i>	<i>Quarter Average in Asia</i>
	<i>Rs.</i>	<i>Rs.</i>	<i>Rs.</i>
Government servants subject to ordinary leave rules.	1,500	750-	600

Note.—The maximum average pay does not apply to a Government servant serving in a vacation department during a period of leave on average pay equivalent to one month for each year since his last leave during which he has not availed himself of the vacation and to proportionate fraction of a month during which he has taken a part only of the vacation; provided that in the case of a Government servant, who, if transferred with leave to his credit from a non-vacation to a vacation department, Government shall decide, on the first occasion on which he takes leave after such transfer, the period not exceeding four months for which the maximum limit of leave-salary shall not be applied to him.

RULINGS.

(1) The period of leave on average pay taken before and after deputation out of India should be treated as one spell of leave for the purpose of applying the maximum limit under this rule.

Application of maximum where vacation is combined with leave.

(2) The intention is that when vacation is combined with leave on average pay the period of vacation should be treated exactly at the equivalent of leave on average pay for the purposes of this rule.

(*G.I., F.D., No. 1289-C.S.R., dated 10th January 1922.*)

(3) Note to Rule 89 is not meant to give any additional advantage but is intended to be a restrictive exception to the main rule. A Government servant is not entitled to the concession mentioned in that Note in addition to the concession granted in the main rule itself but only to the drawing of full pay for a period equivalent to one month for each year since last leave taken during which vacation has not been enjoyed.

Note.—The effect of the above orders will be that officers of the vacation department will be entitled to draw full average pay without limit only for the period equivalent to one month for each year *since the last leave* taken during which vacation has not been enjoyed (subject to the limit of four months) but not for any other period of leave on average pay.

[*Letter No. F-7 (54) R-I 37, dated 5th August 1937, from the Government of India, Finance Department.*]

(4) For the purpose of Note to Rule 89 when vacation is combined with leave, the first four months of leave on average pay which is exempt from the maximum limit laid down in Rule 89 should be calculated after taking into account the full period of the vacation so combined, even when the vacation does not fall within the first four months of any period of combined leave and vacation, in other words,

the concession of drawing full average pay during leave combined with vacation should be restricted to such period of leave on average pay earned by detention on duty during vacation since last return from leave as is equal to residual period, if any, which remains after deducting the period of vacation from the period of four months. If, however an officer so elects, he may in the alternative, be allowed to have the full amount of leave on average pay at his credit earned by detention on duty during vacation since his last return from leave subject to the limit of four months and to combine with it as much of vacation (on full pay) as would make up the total of four months, the rest of the vacation being sanctioned as leave on average pay or half-average pay, as the case may be.

(Comptroller and Auditor-General's Letter No.408-A-187/39, dated 21st September 1939.)

(5) The provisions in Rules 89 and 90 apply to full-time temporary and officiating Government servants who have completed the periods of their probation and are awaiting admission to a service and part-time Government servants who held permanent appointments substantively as their leave terms depend upon those admissible to full-time permanent Government servants. Rules 89 and 90 will not, however, apply to other Government servants falling within the scope of Rules 103 and 104 for whom specific leave terms have been laid down in the Instructions thereunder.

(G.O. Ms. No. 486, Finance, dated 9th August 1935.)

90. Subject to the condition that the leave salary of a Government servant shall in no case exceed his average pay, leave-salary is subject to the monthly minimum shown in the following table:—

The Table

<i>Half average</i>	<i>Quarter average</i>	<i>in Asia.</i>	<i>in Asia.</i>
	Rs.		Rs.
Government servants subject to	250	125	ordinary leave rules.

Note.—The minima specified above for Government servants apply only when leave is taken or extended out of India elsewhere than in Pakistan, Ceylon, Nepal or Burma.

RULINGS

Interpretation of the term “average pay” occurring in Rule 90 in respect of Group C and D Government Servants.

The words “average pay “ used in Rule 90 should be interpreted in terms of Rule 9 (2) and not be taken as the pay which the non-gazetted Government servant would draw in the permanent post held substantively by him at the time of taking leave, if this pay be more than the average pay.

(G.I.,F.D., No.124/R-1/30 dated 10th May, 1933)

91. Unless Government by general or special order otherwise direct, leave-salary shall be drawn in rupees in India.

93. A compensatory allowance should ordinarily be drawn only by a Government servant actually on duty but Government may make rules specifying the condition under which a Government servant on leave may continue to draw a compensatory allowance, or a portion thereof, in addition to leave-salary. One of these conditions should be that the whole or a considerable part of the expense to meet which the allowance was given continues during leave.

Note: See Instructions under Fundamental Rule 44.

RULING.

Treatment of vacation as “leave” for the purpose of Rule 93.

When vacation is combined with leave, the entire period of vacation and the leave should be taken as one spell of leave.

This Instruction has retrospective effect in the case of Government servants in permanent service at the time, these rules come into force.

Temporary and officiating service rendered under the Government of India or any State Government and followed by confirmation under the Government of Tamil Nadu without interruption of duty will, up to the extent mentioned above, be taken into account for the purpose of the leave account, provided that under the rules laid down by the other Government, such service would have counted had the Government servant in question continued in the service of that Government without a break of service till confirmation.

(G.O. Ms. No. 641, Finance, dated 13th September 1938.)

(2) A question having been raised whether it is necessary to extend the period of a temporary post so as to cover the period of leave granted to its holder after he has ceased to perform the duties of the

post, it has been decided that an extension is expedient only in cases where the grant of leave is subject to the condition of "no expense to Government" but improper in the absence of this condition.

(G.O. Ms. No. 242, Finance, dated 24th April 1933.)

Extra expenses.

(3) (a) The term "extra expense" occurring in Instruction 2 under Rule 103 (a) should be interpreted to mean the net extra cost to Government involved in the chain of officiating arrangements made in the vacancy of the absentee.

(b) The net extra cost to Government for the purpose of calculating the sum available for payment to the absentee should then be worked out as shown below:—

(6) For purpose of Instruction 3 under Rule 103 (a), suspension should be treated as an interruption of duty and will involve the forfeiture of past service.

(G.O. Ms. No. 253, Finance, dated 26th March 1925.)

Note.—The Commissioner of Land Administration has been empowered to declare that interruption of duty due to suspension will not involve the forfeiture of past service for purposes of leave in individual cases of the temporary subordinates of the Survey and Settlement Department, provided that the whole record of the individual member is such as to justify exceptional treatment.

(G.O. Ms. No. 2022, Finance, dated 24th November 1926.)

(8) In the case of a Government servant without substantive appointment, who has been continuously in Government employ, service in a post borne on a work-charged establishment should not be regarded as an interruption of duty for the purpose of Instruction 3 under Rule 103 (a). The service in the work-charged establishment will not, however, count as duty for purposes of leave and leave salary.

(G.O. Ms. No. 328, Finance, dated 10th September 1937 and P.W.D., Memo. No. 64, dated 17th June 1946.)

 - (b) *Apprentice* means a person deputed for training in a trade or business with a view to employment in Government service, who draws pay at monthly rates from Government during such training, but is not employed in or against substantive vacancy in the cadre of a department.
2. Leave may be granted to a probationer, who has not completed his period of probation, in accordance with the provisions of Instruction 2 under Rule 103 (a). If, however, the probationer has completed the period of his probation and is awaiting appointment as a full member of the service, he may be granted such leave as would be admissible to him if he held his post substantively otherwise than on probation. This rule does not apply to a probationer in the Basic Service.

(C.C.A's Letter No. 42-A-248/31, dated 3rd February 1932, to the A.G., Central Revenues communicated with his Endt. No. 42-218/31, dated 4th February 1932.)

(G.O.Ms.No.730, Finance, dated 4th October 1929.)

(4) Transfers which do not involve change of building should not be treated as involving change of office for the purpose of Instruction 1 and no joining time is admissible in such cases.

Note.—It is reasonable to allow joining time of one day in cases where the transfer of charge of the post and taking over by the relieved officer of another post cannot be done in the same morning even though no change of building is involved. They accordingly authorize the heads of departments to sanction one day's joining time in such cases with reference to the facts of each case.

(G.O. Ms. No. 153, Finance, dated 9th June 1941.)

(8) For the purpose of Instruction 9, "the period short-taken" should be calculated with reference to the officer's actual date of joining his new post and the assumed date of joining, i.e., the date on which he would have joined his new post had he availed himself of the full period of joining time admissible to him under the rules.

(Letter No.2162-GHE/516/38, dated 20th October 1939, from the Comptroller and Auditor-General to the Accountant-General, Central Revenues.)

(9) The principle underlying Instruction 9 is applicable also to the balance of joining time admissible on return from leave in the case of a Government servant who proceeds on leave of any kind not exceeding six months on medical certificate while in transit from one post to another. The balance of joining time to which the Government servant will be entitled is the full joining time admissible under Fundamental Rule 105(b) (i) reduced by the period of joining time actually availed of with reference to Instruction 8 under Fundamental Rule 106 prior to the commencement of the leave on medical certificate. (d) where joining time is granted under clause (c) of Rule 105, the pay which he would draw in his post in the remote locality.

RULINGS.

(1) No extra pay (when the transfer involves the grant of extra pay) can be drawn in any case by a relieving Government servant until the transfer is complete but as far as ordinary pay and allowances are concerned, an exception may be made to the general rule in all cases in which charge to be transferred (whether division or sub-division or other charge) consists of several scattered works which the relieving and relieved Government servants are required by the orders of a superior officer to inspect together before the transfer can be completed. The relieving Government servant will be considered as on duty, if the period taken in carrying out these inspections is not considered by the head of the department or the Superintending Engineer or any other officer of equivalent rank, in so far as they relate to officers subordinate to him to be excessive. While so taking over charge, the relieving officer will draw—

(a) (i) if he is transferred from a post which he held substantively, his presumptive pay in that post; or

(ii) if he is transferred from a post which he held in an officiating capacity, the officiating pay admissible in that post or the pay he would draw after the transfer is complete, whichever is less; and

(b) City Compensatory Allowance/House Rent Allowance as admissible at the new station on the basis of the pay drawn as at (i) or (ii) above, as the case may be.

(c) if he returns from leave, the presumptive pay of the post from which he went on leave while working in the post held by him substantively or the officiating pay of that post or the pay which will be admissible to him in the new post, after taking over charge, whichever is less, if he went on leave while working in a post in an officiating capacity.

The period of taking over charge will count for probation in the post which he takes charge.

(Finance Memorandum No.79740-1. C.S.R., dated 3rd November 1956.)

Note.—In each case, where the head of the department or the Superintending Engineer or any other officer of equivalent rank to whom the powers are delegated decides to treat the period of taking over charge of a relieving officer as “duty” under the provisions of the above ruling, a declaration in the following form should be invariably issued.

Declaration.

Thiru.....
(Name and designation of the officer to be relieved) and Thiru

.....(Name of the relieving officer) (Designation) were engaged in joint inspection of several scattered works and/or stores during the period from..... to..... in connection with handing over and taking over charge and I do not consider the above period as excessive during which Thiru..... shall be treated as on duty. (2) A question arose whether, during the period occupied in handing over and taking over charge of scattered works referred to in ruling (1) above, both the relieved and relieving officers are entitled to free quarters or house-rent allowance *in lieu* thereof. The concession of house-rent allowance or free quarters ordinarily admissible to an officer should be treated as "ordinary pay and allowances" within the meaning of the first sentence of ruling (1) above and is admissible to both the relieved and the relieving officers in the circumstances explained above.

(G.O. Ms. No. 730, Finance, dated 4th October 1929.)

(5) For a Government servant who, while officiating in a post, proceeds on training or to attend a course of instruction and who is treated as on duty, while under training, the period of such duty will count for increment in the post in which he was officiating prior to his being sent for training or instruction if he is allowed the pay of the officiating post during such period

(6) For the purposes of Rule 107 (a), "pay" should be taken to be as defined in Rule 9 (21).

(7) Whenever a Government servant officiating in a higher post is in transit consequent on reversion to his substantive post but is subsequently reappointed to the same officiating post, before taking charge of the substantive post, the claim for "transit pay" should be based only on his substantive pay and such period of joining time will not count for increment in the officiating post.

(8) The period spent by the members of the Tamil Nadu Electrical Subordinate Service, appointed by direct recruitment, in taking over charge on their first appointments, should be treated as duty and they should be paid the pay and allowances admissible to such posts.

(Finance Memorandum No.86068/C.S.R.-2., dated 26th November 1953.)

(9) The period spent by newly appointed Engineer Officers from the day they report for duty to the day they complete taking over charge of posts involving verification and inspection of the stores, etc., shall be treated as duty. It is not necessary to create new posts to accommodate the direct recruit since treating the period as duty is itself a sufficient sanction in this regard.

(Finance Memorandum No.137274/F.R./65-4, dated 12th March 1966.)

(10) A Government servant will be allowed during the period of taking over charge on return from leave of a post carrying Madras House Allowance, the same rate of Madras House Allowance which he was drawing while proceeding on leave and during the period of leave.

Note-1.—(i) The term “active foreign service” used in the table is intended to include the period of joining time which may be allowed to an officer both on the occasion of his proceeding to and reverting from foreign service and accordingly contributions are leviable in respect of such period.

(ii) In the case of a temporary Government servant who is transferred to foreign service, pension contribution shall be calculated with reference to his length of service in the following manner:— (a) If he is on a time-scale of pay on the maximum of time-scale; and (b) If he is on fixed rate of pay, on that pay.

Note 2.—(i) The length of service of a Government servant shall, for the purpose of calculation of pension contribution, be reckoned from the actual or probable date of commencement of service counting for pension. All leave including leave on loss of pay, period of overstayal and of suspension shall be taken into account in calculating the length of service.

(ii) In cases where certain periods of war service have been allowed to count for pension, such periods of war service shall be added to the normal length of service.

(iii) Under Article 358 (a) of Civil Service Regulations an Officer’s service does not qualify for pension until he has completed 18 years of age. All services rendered before completing 18 years of age shall be excluded in reckoning length of service for the assessment of contribution for pension.

(iv) In the case of Government servants who are promoted from a lower to a higher service, the length of service shall in all cases be taken as the total service, reckoning from the date of commencement of pensionable service under Government and contribution shall be levied in accordance with the table appropriate to the service to which the particular Government servant on foreign service at the time belongs.

RULINGS.

(1) In the case of members of the State and Subordinate Services pension contribution on the amount of special pay should be levied in accordance with the procedure prescribed in connection with establishment falling under Rule 127 (i.e.) the average of the percentage rates of these services should be levied on the amount of special pay.

The procedure indicated below should be adopted for recovering pension contribution on the special pay granted to members of superior service. Suppose the officer holding a post belongs to the 21st to 25th year of service, take the rates of pay for those years and add the amount of special pay to the rate of pay for each year. Then take the average of the amount thus arrived at Let it be "x".

Next take the rates of contribution prescribed for the 21st to 25th year of service and find out the average of those rates. Let it be "y".

The contribution to be levied on the special pay will be y/x amount of special pay.

(2) In the case of contract Officers who are governed by leave terms contained in Government Order (Finance) No.423, dated 5th July 1935, as amended from time to time and who are transferred to foreign service the leave-salary contribution should be recovered at the rate prescribed for Government servants who are subject to the Tamil Nadu Leave Rules, 1933.

[G.O.Ms.No.412 (M), Finance, dated 16th April 1943.]

Note.— In classifying contract officers, the authorities competent to sanction transfer to foreign service should determine for the contract officer concerned after taking into consideration the terms of the contract or if these are not conclusive the pay and status in Government service, the rate of leavesalary contribution appropriate to the officer from among the three rates prescribed under F.R. 116. The rate of leave-salary contribution should also be specified in the orders transferring such a contract officer to foreign service.

(3) Contribution towards leave and pensionary charges for service rendered by the staff of the Port Department to the other departments of Government may be paid from State Fund to the Minor Port Fund at the rates mentioned in Rule 116.

(G.O. No. 2339, P.W., dated 18th August 1944.)

General Principles regarding recovery of contributions for leave-salary and pension.

(4) In the case of transfer of Government servant to foreign service it should be stipulated that the contribution for pension/Contributory Provident Fund and leave-salary or for pension. Contributory Provident Fund alone, as the case may be, will be recoverable at the rates in force from time to time in accordance with orders issued in rule 116.

(5) A Government servant who is a subscriber to the Contributory Provident Fund, Tamil Nadu, and who is transferred to foreign service shall pay monthly subscriptions calculated on the rate of pay drawn in foreign service. The foreign employer or the officer himself, according to the arrangement made under clause (c) of Rule 115, shall pay in addition for the period of active foreign service at such times as Government may prescribe in each case, contribution determined by the formula $x+xy$, where x equals the amount which would have been credited monthly to the subscriber's account in the Provident Fund had he not proceeded on foreign service, the rate of pay drawn by him in foreign service being regarded as his "emoluments" for this purpose, and y equals the fraction which the amount recoverable as leave-salary contribution, bears to pay drawn in foreign service.

[G.I., F.D., Resolution No.F.33 (5)R-II/41, dated 8th January 1941.]

(6) In all cases of transfer to foreign service in which the liability for making contributions on account of Pension/Contributory Provident Fund and leave-salary rests on the transferee, it shall be necessary to secure a letter from the transferee addressed to the foreign employer to pay to the State Government from his salary a specific monthly sum which would be based on the foreign service contributions which the employee himself has to pay. The issue of such a letter would enable the foreign employer lawfully to effect the necessary deductions from the Government servant's salary and remit it to the State Government. A provision to this effect should be incorporated in all cases of foreign service where the transferee is himself liable for payment of foreign service contributions.

In order to avoid procedural difficulties and to enable the Accounts Officer to report lapses to Government promptly, the contributions shall be remitted to the concerned Accounts Officer by means of Demand Drafts. However, where it is not possible to issue demand drafts, the contributions may be remitted by means of cheque.

(Memo. No. 89486 F.R.63-2, dated 6th November 1963.)

(7) Contributions towards the leave-salary and pensionary contributions of the subordinates of the Co-operative Department and the Department of Handlooms and Textiles lent to foreign service under co-operative societies and other institutions such as Tamil Nadu Khadi and Village Industries Board should be recovered in accordance with Fundamental Rule 127. If the person lent is allowed any additional pay during foreign service, the rate of leave-salary contribution arrived at under Fundamental Rule 127 should be increased *pro-rata* by the rate of percentage addition on pay sanctioned during foreign service.

(Memorandum No.20464-A-C.S.R.2, Finance, dated 20th March 1953.)

(8) In respect of temporary Government servants in foreign service, pension contribution should be recovered from the foreign employer at the rates prescribed in Fundamental Rule 116.

(G.O. No. 494, Finance, dated 24th March 1953 and Memorandum No. 3346 C.S.R.1, Finance, dated 7th May 1963.)

Note.—In the case of a non-permanent Government servant officiating in more than one post at the time of proceeding on foreign service recovery of pension contribution shall be based on the prescribed percentage of the maximum of the grade of the lower of the officiating posts.

(Finance Memorandum No.71403/F.R./59-1, dated 21st July 1959.)

(9) Pension contribution shall be recovered from the foreign employer on special pay also, which the Government servant would have drawn in his parent department but for his deputation on foreign service, in addition to the contribution on the maximum of the substantive pay when such special pay counts for pension.

Explanation 1.—Deleted.

Explanation 2.—For computing the length of continuous service in the higher post, all the periods taken into account under Article 486-B (ii) of the Civil Service Regulations shall be taken into account.

Explanation 3.—Consequent on the introduction of Article 486-C of the Civil Service Regulations “Pay” as defined in Rule 9 (21) of the Fundamental Rules, which an Officer received immediately before his retirement, has to be taken into account for the purpose of calculating average emoluments. Therefore pension contributions shall be based on the maximum of the “Pay” as defined in rule 9 (21) of the Fundamental Rules of the post held by a Government servant at the time of his proceeding on foreign service or to which he may receive proforma promotion while on foreign service.

In respect of past cases, where any further extension of Foreign Service is granted, the orders issued in this order shall apply from the date of commencement of such extension. In respect of past cases in which deputation is for an unspecified period, the orders issued in this order will be applicable, after one year from the date of issue of this order.

[G.O. Ms. No. 456, Finance, dated 10th April (1970).]

As the portion of dearness allowance reckoned as pay in G.O.Ms.No.317, Finance, dated 11th March 1970 will count under Article 486-C of the Civil Service Regulations, the pension contributions recoverable during active foreign service should be calculated on the maximum of the scale of pay of the post plus the portion of dearness allowance appropriate to such maximum reckoned as pay.

[G.O. Ms. No. 308, Finance (F.R.), dated 1st March 1972.]

“(10) In the case of members of the State and Subordinate Services sent on foreign service or deputation, the Dearness Pay appropriate to the maximum monthly pay of the sanctioned time scale of the post of the Government servant shall be taken into account for the recovery of pension contribution”.

(G.O. Ms. No.2112, P.H.,dated 1st September 1934 and G.O.Ms. No.1880, P.H.,dated 4th July 1944.)

(11) No pension contribution need be recovered in respect of establishment manned by personnel who have retired from Government on pension and have been re-employed on Union Government work as Government will be incurring no pensionary liability in respect of such persons.

(Finance Memorandum No. 40306-C.S.R., dated 9th August 1944 and No. 88127-F.R./60-5, dated 16th August 1960.)

(Finance Memorandum No. 30974/F.R./57-3, dated 29th April 1957.)

(15) In the absence of a specific order to the contrary, the entire cost on account of the medical and educational concessions should be recovered from the institutions concerned irrespective of the fact whether the entire or proportionate cost of the staff sanctioned under Fundamental Rule 127 is waived.

Note 1.—Foreign employers should in the case of Government servants transferred to foreign service, accept liability for leave salary in respect of disability leave granted on account of a disability incurred in and through foreign service, even though such disability manifests itself after the termination of foreign service. The leave salary charges for such leave should be recovered direct from foreign employers, a condition to this effect being insisted in the terms of transfer to foreign service. As regards pensionary liability in respect of periods of disability leave in such case no extra contributions will be recovered in view of the very small amounts involved.

Note 2.—In the case of a Government servant in foreign service in India contribution on account of leave salary is recoverable from the foreign employer and in return for the contribution, Government accept the charges for leave salary. As the rates prescribed for such contribution have been calculated on the basis of the leave on full and half average pay normally taken by a Government servant during the total period of his services and do not take into account any compensatory allowance which may form part of leave salary as defined in Rule 9 (21), the whole expenditure in respect of any compensatory allowance for periods of leave in or at the end of foreign service shall be borne by the foreign employer. In order to avoid any misunderstanding, it is desirable that a condition to this effect shall be inserted in terms of transfer to foreign service.

Note 3.—*Date of reversion from foreign service.*—In the case of a Deputy Collector whose services are lent to a local body and who proceeds on leave on the conclusion of his foreign service, the date on which he actually joins duty in a post under the Government shall be fixed as the date of his reversion from foreign service.

(16) Whenever the post of a Health Officer under a Municipal Council is held in additional charge by a Health Officer under another Municipal Council for a period not less than a month, the recovery of contributions due from the First Municipal Council towards pay, leave salary and pension of its Health Officer shall be waived.

(Finance Memorandum No. 41643/F.R./63-5, dated 19th August 1963.)

(17) No recovery of cost and contributions towards leave salary, pension and provident fund need be made for the periods during which the post of Municipal Commissioner under a local body is vacant. The additional pay, if any, payable to persons who are appointed to be in additional charge of the post of Municipal Commissioner which is vacant shall, however, be met from the funds of the local body.

(18) The cost of leave Travel Concession shall be included while calculating the average cost.

[G.O. Ms. No. 185, Personnel and Administrative Reforms (FR.II) Department, dated 22nd February 1985 with effect from 3rd August 1985.]

(19) In respect of the staff of the Co-operation Department deputed to the Co-operative Institutions, 80 per cent of the average cost of service of such staff shall be recovered from the Cooperative Institutions:

*[G.O. Ms. No. 155, P & AR (D.O. II) Department dated 24-6-1994.]

(20) In the case of establishments created under this rule, the Dearness Pay appropriate to the maximum monthly pay of the sanctioned time scale of the post of the Government servant shall be taken into account for the recovery of pension contribution.

[G.O. Ms. No. 287, P & AR (FR.SPL), dated 7th August 1991— with effect from 1st February 1975.]

(21) The actual costs on leave travel concession availed of by the deputationists created under Fundamental Rule 127 shall be borne by the borrowing authority for whose benefits such establishment is created and the deputationists shall collect the amount directly from the borrowing authority.

[G.O. Ms. No. 155, P & AR (D.O.II) Department, dated 24-6-1995— with effect from 3rd July 1992.]

ANNEXURE II—PART I

Rules under Fundamental Rule 74

LEAVE PROCEDURE IN THE CASE OF GOVERNMENT SERVANTS.

SECTION I—LEAVE ACCOUNTS.

By whom maintained.

1. The leave account shall be maintained in F.R. Form No. 9-A, in respect of Government servants subject to the leave rules in the Fundamental Rules and in the Form prescribed in the Tamil Nadu Leave Rules, 1933, in the case of those governed by the said Tamil Nadu Leave Rules, 1933.

2. (a) The leave account of a Group A and B Government servant shall be maintained by, or under the directions of the principal auditor responsible for the audit of his pay.

(b) The leave account of Group C and D Government servant shall be maintained and the entries therein attested by the head of the office in which he is employed.

SECTION II—APPLICATION FOR LEAVE.

To whom application should be made.

3. Every application for leave or for an extension of leave should be sent to the competent authority through the immediate superior, if any, of the Government servant applying for leave. In the case of Group A and B officers, the application should also be sent through the Accountant-General. The application of a Government servant in foreign employ should also be sent through the Accounts Officer who accounts for the contribution recovered from the foreign employer.

5. Application for leave from Military Officers in Civil employ whether they are subject to Military leave rules or Civil leave rules, shall be submitted to Government through the Civil

Accountant-General who audits the pay of the officer going on leave. No leave shall be sanctioned to such an officer before a report is received from the Civil Accountant-General concerned.

Note.—The leave application of the Aide-de-Camp to the Governor will be forwarded to the Government through the Defence Accounts Officer, Madras district, to whom a copy of the Government notification granting leave will be forwarded when the leave is notified.

7. A Government servant transferred to foreign service must before taking up his duties in foreign service make himself acquainted with the rules or arrangements which will regulate his leave during such service.

SECTION III—MEDICAL CERTIFICATES.

General Rules.

8. A medical officer must not recommend the grant of leave in any case in which there appears to be no reasonable prospect that the Government servant concerned will ever be fit to resume his duties. In such cases, the opinion that the Government servant is permanently unfit for Government service should be recorded in the medical certificate.

9. Every certificate of a medical committee or a medical officer recommending the grant of leave to a Government servant must contain a proviso that no recommendation contained in it shall be evidence of a claim to any leave not admissible to the Government servant under the terms of his contract, or of the rules to which he is subject.

9-A. (i) Before leave is sanctioned, the recommendations of medical committee shall be compulsorily obtained in the following cases, namely:—

(a) All applications for unearned leave on medical certificate for periods exceeding two months.

(b) Where extension of leave is applied for piece-meal and the cumulative total of such leave exceeds two months; and

(c) Where a Government servant applied for unearned leave on medical certificate after orders transferring him to another post, place, etc., are issued to him, irrespective of the period of leave applied for.

(ii) The leave sanctioning authority should also exercise the discretion to refer cases to the medical committee where there are repeated applications for medical leave, although each such application may be for a period of less than two months.

(iii) Where a Government servant applies for leave on medical certificate for short periods and there is no time to constitute a medical committee, the head of office or the leave sanctioning authority may refer him to the nearest available Government doctor not below the rank of a Civil Surgeon.

(iv) Whenever a reference is made to the medical committee or to the nearest Government doctor, the medical committee or Government doctor as the case may be should specifically decide and record their or his opinion as to whether it is necessary for the Government servant to appear before them or him at the end of the medical leave period to get his fitness for rejoining duty. In all such cases, the fitness certificate issued by the medical committee or the Government doctor will have to be produced before the Government servant rejoins duty.

(v) The reference to the medical committee shall be made in the case of all diseases except in the case of in-patients in Government hospitals, provided they are admitted for treatment and not for diagnosis. In such cases, it is necessary that the Superintendent of the Hospital concerned issues the requiring certificate to that effect.

[G.O. Ms. No. 783, P. and A.R. (F.R.-I), dated 28th June 1977.]

This amendment deemed to have come into force with effect from 1st May 1976.

(vi) The reference to the Medical board shall not be necessary for granting Unearned Leave on Medical Certificate in the case of Government servants who are admitted as inpatients in Government hospital for the period of treatment and also if the period of leave recommended is co-terminus with the period of treatment. In such cases, a reference to the Medical Board is not necessary for granting Unearned Leave on Medical Certificate in the case of Government servants who are taking treatment even after discharge from the hospital, provided the treatment is continuous and the certificate regarding the treatment is issued by a Medical officer not below the rank of a Civil Assistant Surgeon serving in that particular department in the particular hospital where the Government servant concerned was admitted as inpatient for treatment"; [w.e.f. 12th July 1980.]

(vii) Where Government servants are admitted as inpatients in Private Nursing Homes/Hospitals and the Unearned leave on Medical Certificate applied for exceeds sixty days and stay in such institution is co-terminus with the period of treatment, the Government servant shall be directed to be produced before the Medical Board for check up and issue of medical certificate if the place where the Medical Board located is within a short distance from the private Nursing Home/Hospital by using an ambulance. The hire charges therefore shall be reimbursed by the Government.

If the Government servant cannot be produced in person before the Medical Board, then the Medical records of the individual shall be furnished to the Medical Board and if the genuineness of the treatment given to the Government servant by the Private Nursing Home/Hospital is acceptable to the members of the Board, then unearned Leave on medical Certificate shall be granted. The grant of Medical Leave in such cases is subject to the condition that the Government servant shall appear before the Medical Board at the earliest opportunity as and when possible to attend the Board, while recouping health. The expenditure incurred by the Government servant for appearing before the Medical Board shall be reimbursed by the Government.

[w.e.f. 24th March 1980.]

[G.O. Ms. No. 293, Personnel and Administrative Reforms (Per.I) Department, dated 18-5-1989.]

In the said Fundamental Rules, in APPENDIX-I, in Annexure-II - Part-I, under the heading " LEAVE PROCEDURE IN THE CASE OF GOVERNMENT SERVANTS" , in rule 9-A, to sub-rule (vii), the following proviso shall be added, namely :-

" Provided that the reference to the Medical Board shall not be necessary for grant of Unearned Leave on Medical Certificate in the case of a Government servant who is admitted as an inpatient in a Private Hospital or Nursing Home, which is accredited by the Government under the Tamil Nadu Government Employees Health Fund Scheme, 1991, for the period of treatment and also if the period of leave recommended is co-terminus with the period of treatment, subject to the following conditions, namely :-

- (a) the Government servant should produce medical certificate along with the case summary of treatment and a copy of the case sheet. If there appears to be any doubt as to the genuineness of the case, the leave sanctioning authority shall refer the same to an Expert Committee or Medical Board along with all connected records for second opinion ;
- (b) the Government servant is admitted only for treatment and not for diagnosis " .

(vide G.O.Ms.No.184, P&AR(FR.IV) Department, dated 10.10.2008)

In the said Fundamental Rules, in APPENDIX-I, in Annexure - II in PART-I, under the heading “LEAVE PROCEDURE IN THE CASE OF GOVERNMENT SERVANTS”, in rule 9-A, in the proviso to sub-rule(Vii), for the expression “Tamil Nadu Government Employees Health Fund Scheme, 1991”, the expression “New Health Insurance Scheme” shall be substituted.

10. Before a Group A and B Government servant can be granted leave or an extension of leave on medical certificate, he must obtain a certificate in the following form:—

Statement of the case of

Name (to be filled in by the applicant in the presence of the official medical attendant.)

Appointment.

Surgeon of

I, after careful personal examination of the case hereby certify that Medical Officer at or of is in a bad state of health and I solemnly and sincerely declare that according to the best of my judgment a period of absence from duty is essentially necessary for the recovery of his health and recommend that he may be granted month's leave with effect from

Dated the Official Medical Attendant.

Note 1.—This form should be adhered to as closely as possible and should be filled in after the signature of the applicant has been taken. The certifying officer is not at liberty to certify that the applicant requires a change from or to a particular locality or that he is not fit to proceed to a particular locality. Such certificates should only be given at the explicit desire of the administrative authority concerned, to whom it is open to decide, when an application on such grounds has been made to him, whether the applicant should go before a Medical Board to decide the question of his fitness for service.

Note 2.—Honorary Medical officers not below the rank of Civil Assistant Surgeons are also competent to issue a medical certificate under this rule.

11. Having secured such a certificate, the Government servant must, except in cases covered by rule, 14 obtain the permission of the head of his office or if he himself is the head of an office, of the head of his department to appear before a medical committee. The committee will be assembled under the orders of the Director of Medical Services, who will, where practicable, preside over it. The committee will be assembled either at the headquarters of the State or at such other place as Government may appoint and the Government servant will present himself with three copies of the statement of his case before the committee.

12. Before the required leave or extension of leave can be granted the Government servant must obtain from the committee a certificate to the following effect:—

“We do hereby certify that, according to the best of our professional judgment, after careful personal examination of Thiru _____, we consider that he is suffering from _____ and that his health is such as to render leave of absence for a period of _____ months with effect from _____ absolutely necessary for his recovery.”

Note.—In cases where the leave recommended by the Official Medical Attendant or the Honorary Medical Officer not below the rank of a Civil Assistant Surgeon under Rule 10 does not exceed two months, the authority competent to grant leave shall dispense with the appearance of the Government servant before the medical committee under Rule 11 and the obtaining of a certificate from the committee under this rule, unless such authority doubts the bonafides of the application for the grant of leave on medical certificate.

13. Before deciding whether to grant or refuse the certificate, the committee may, in a doubtful case, detain the applicant under professional observation for a period not exceeding 14 days. In that case, it should grant to him a certificate to the following effect:—

“*C.D.* having applied to us for a medical certificate recommending the grant to him of leave, we consider it expedient, before granting or refusing such a certificate, to detain *C.D.* under professional observation for _____ days.”

14. If the state of the applicant’s health is certified by a medical officer in-charge of a civil station to be such as to make it inconvenient for him to present himself at any place in which a committee can be assembled, the authority competent to grant the leave may accept, in lieu of the certificate prescribed in Rule 12 either—

(a) Certificate signed by any two medical officers in charge of civil stations in whatever State they may be serving; or

(b) If the authority considers it unnecessary to require the production of two medical opinions, a certificate signed by an officer in medical charge of a civil station and countersigned by the Collector of the district, or in the case of officers of the Judicial Department by the District and Sessions Judge.

For the purposes of this clause, the Chief Medical Officer, Lady Willingdon Leper Settlement, Tirumani, shall be deemed to be medical officer in charge of civil station in respect of leper patients under his treatment, provided that he is registered under the Madras Medical Registration Act, 1914 (Madras Act IV of 1914) and the certificate given by him is countersigned by the Director of Medical Services.

15. The grant of a certificate under Rule 12 or 14 does not in itself confer upon the Government servant concerned any right to leave. The certificate should be forwarded to the authority competent to grant the leave and the orders of that authority should be awaited.

Procedure in the case of Group C and D Government Servants in Superior Service.

16. An Application by a Groups C and D Government servants in superior service for leave or for extension of leave on medical certificate must be accompanied by a certificate issued by the authorised medical attendant or by the applicant’s own medical attendant, who should be a registered medical practitioner. Such certificates should distinctly state the nature of the illness, its symptoms, probable causes and duration, the period of absence from duty considered to be absolutely necessary for the restoration of the applicant’s health and the date from which such absence should take effect. In cases where the Government servant produces a certificate from his own medical attendant, the authority competent to grant the leave may in its discretion either accept the certificate or secure a second medical opinion, by sending the applicant for medical examination either to the District Medical Officer or to the nearest Groups A and B Government servants (Medical Officer) available. Should it decide to secure a second Medical opinion, it must arrange for the medical examination to be made on the earliest possible date after the date on which the first medical opinion was given. It will be the duty of the District Medical Officer or the other Medical Officer, as the case may be, to make an independent examination of the applicant and on the basis of such examination to express an opinion both as regards the facts of the illness and as regards the amount of leave required.

Note.—(1) The possession of a certificate as prescribed in this rule does not itself confer upon the Government servant concerned any right to leave.

Note (2).—The above procedure will not apply to the Group C and D executive officers and executive subordinates and menials of the Madras City Police. In their cases, the following procedure should be followed:—

No leave on medical certificate or extension thereof to those officers who are in Madras City or within 16 kilometers thereof at the time of applying for leave or extension of leave shall be granted, without a certificate from the Police surgeon. Certificates issued by registered medical practitioners to applicants who are, at the time of application, more than 16 Kilometers away from the Madras City for such leave or extension of leave shall not be accepted without the countersignature of the Police Surgeon.

(G.O. Ms. No. 209, Personnel and Administrative Reforms, dated 6th March 1981.)

17. No certificate should be submitted for counter-signature without the cognizance of the head of the office in which the applicant is serving.

18. The countersigning officer may, in his discretion, require the applicant to appear before him, unless it appears from the certificate of his medical attendant that he is too ill to bear the journey. In the latter case, the officer may, after careful investigation of the case,

19. In support of an application for leave or for an extension of leave on medical certificate from a Groups C and D Government servant in Basic Service the authority competent to grant the leave may accept such certificate as it may deem sufficient.

SECTION IV—CERTIFICATE OF ADMISSIBILITY.

Group A and B Government Servants.

20. Leave will be sanctioned to Groups A and B Government Servant only after its admissibility has been certified by the Audit Officer who has been auditing his pay.

Groups C and D Government Servants.

21. Before leave is sanctioned to a Group C and D Government Servant, the authority competent to grant the leave should either consult the leave account referred to in Rule 1, and satisfy himself that the leave is admissible, or obtain a certificate to that effect from the officer entrusted with the attestation of the entries in the leave account.

When the application is for study leave or other leave specifically granted for purpose of study out of India, the authority sanctioning the leave should obtain a certificate of admissibility from the Accountant-General concerned before sanctioning the leave.

In the case of Government servants transferred as a temporary measure to the Central Government the authority competent to sanction the leave may get a certificate of admissibility of leave under the State leave rules from the Accountant-General administering the leave rules concerned when there is genuine cause of doubt. The same procedure shall be followed in the case of similar transfer to other State Governments.

Government servants in foreign service.

22. In the case of Government servant on foreign service, leave should not be sanctioned until the Audit Officer who is responsible for the recovery of the leave and pension contribution has certified the amount of leave and the leave-salary admissible.

Explanation.—In the case of all non-gazetted and gazetted Government servants, the maximum of whose time scale of pay is Rs. 1,000 (Rupees one thousand only) and below who are deputed on foreign service terms to the State Government owned or controlled Corporation/Boards/Undertakings, the eligibility of leave shall be issued by the Head of Office who maintains the leave account/Service Books.

[G.O. Ms. No. 1043, Finance (F.R.I), dated 31st October 1975.]

SECTION V-GRANT OF LEAVE-GENERAL

Priority of claims to leave.

23. The grant of leave at a particular time cannot be claimed as a right by a Government servant. In exercising their discretion under these rules, authority competent to grant leave shall have regard to the following considerations:-

- (a) The exigencies of the service.
- (b) The Government servants who can, for the time being best be spared.
- (c) The amount of leave due to the various applicants.
- (d) The amount and character of the service rendered by each applicant since he last returned from leave.
- (e) The fact that any such applicant was compulsorily recalled from his last leave.
- (f) The fact that any such applicant has been refused leave in the public interests.

Grant of leave to a Government Servant who is unlikely to be fit to return to duty.

24. When a medical committee in Indian has reported that there is no reasonable prospect that a particular Government servant will ever be fit to return to duty, leave should not necessarily be refused to such Government servant. It may, if due, be granted on the following conditions by Government in the case of gazetted Government servants and by the head of the department concerned in the case of non-gazeted Government servants:—

(a) If the medical Committee is unable to say with certainty that the Government servant will never be fit for service in India again, leave not exceeding twelve months in all, may be granted. Such leave should not be extended without a further reference to a medical committee.

(b) If the medical committee declares the Government servant to be completely and permanently incapacitated for further service, in India, the Government servant should, except as provided in clause (c) below, be invalided from the service, either on the expiration of the leave already granted to him, if he is on leave when examined by the Committee or if he is not on leave, from the date of relief of his duties, which should be arranged without delay on receipt of the Committee's report.

(c) A Government servant declared by a committee to be completely and permanently incapacitated may, in special cases, be granted leave or an extension of leave, not exceeding six months as debited against the leave account, if such leave be due to him. Special circumstances justifying such treatment may be held to exist when the Government servant's breakdown in health has been caused in and by Government service or when the Government servant has taken a comparatively small amount of leave during his service or will complete at an early date an additional year's service for pension.

Grant of leave to a Government servant who ought to be dismissed.

25. Leave should not be granted to a government servant who ought at once to be dismissed or removed from Government service for misconduct or general incapacity.

SECTION VII—PAYMENT OF LEAVE SALARY.

32. Leave-salary is payable in India after the end of each calendar month.

Group A and B Government Servants.

33. Group A and B Government servant on leave in India may draw his leave salary at any district of the State, but he cannot begin to draw it without producing a leave-salary certificate from the Audit Officer who audited his pay before he proceeded on leave. If during leave he

desires to change the office at which he receives the payment of his leave-salary, he should obtain a new certificate from the Audit Officer within whose jurisdiction his leave salary was last paid.

Note.—An officiating Group A and B Government servant who holds an active or suspended lien on a Group C and D post, will retain his gazetted status for all purposes during the period of leave taken by him including extension if any, but before, resuming duty as Groups C and D Government servant the authority sanctioning the leave should, in such cases intimate the fact to the head of the office where the Government servant is permanently borne sufficiently in advance to enable the latter to make necessary consequential arrangements.

34. If a Group A and B Government servant draws his leave-salary through an authorised agent, the agent, whether he has or has not the power-of attorney, must execute a bond to refund overpayments.

35. The provisions of rules 33 and 34 apply also to Group A and B Government servants who spend their leave out of India and who have to draw their leave-salary in rupees in India under fundamental Rule 91.

Group C and D Government servants.

36. The leave-salary of a Group C and D Government servant on leave in India or on leave out of India cannot be drawn in India, except over the signature of the head of his office and the latter is responsible for any over-charge.

The leave-salary of a Group C and D Government servant holding a permanent post in one office and officiating in a post in another office may be drawn at the office from which he proceeded on leave, if he would have continued in that office but for his leave and is expected to return to it on its expiry. No last-pay certificate should be issued in such cases but the fact of the Government servants having gone on leave should, however, be intimated to the head of the first office so that he can show the necessary arrangements in the absentee statements of his office. The bills in which leave salary is drawn should also indicate the permanent post on which the absentee holds a lien to facilitate correct classification of leave-salary.

In the case of a Group C and D officer whose substantive appointment is not a local appointment but simply that of a member of a State staff, leave allowances should be drawn either at Madras by the head of his department or at the place where his salary was last disbursed, and in the latter case, if he was not himself the head of an office, he should be regarded as attached to the office in which he was last employed and the head of that office should draw the leave allowance and be regarded as responsible for over charges.

Leave salary during leave preparatory to retirement.

36-A. Group A and B Government servant on leave preparatory to retirement or on refused leave under Fundamental Rule 86 or any other corresponding rule or such other leave on the expiry of which he is not expected to return to duty should record a certificate on the leavesalary bill that, during the period for which leave salary is drawn, he was not re-employed under Government, local fund or a private employer.

In the case of Group C and D Government servants, similar certificate should be recorded by the drawing officer on the bills in which the leave salary is drawn after obtaining declaration regarding non-employment from them.

SECTION VIII-RETURN FROM LEAVE.

42. Group A and B Government servant, on return from leave, must report his return to Government.

43. A Government servant returning from leave is not entitled in the absence of specific orders to that effect, to resume as a matter of course the post which he held before going on leave. He must report his return to duty and await orders. He must, if necessary, also submit to such delay as may be required in the interest of the public service.

Note.—Controlling officer—should provide for the expected return of Government servants from leave by seeing that the Government servants to be relieved are at headquarters in due time to give over charge.

Return to duty.

44. Before returning to duty a gazetted Government servant who has drawn his leavesalary in India should obtain a last-pay certificate from the Audit Officer within whose jurisdiction his leave-salary was last paid, and deliver it to the Audit Officer, who audits his pay. Without such a certificate, he cannot obtain payments of any arrears of leave-salary or pay due to him.

RULINGS.

(1) When a Government servant is appointed to officiate in a Group A and B capacity, the Audit Officer shall call for his leave account and maintain it. During leave, such a Government servant shall be deemed to hold a Group A and B status for purposes of drawal of leave-salary grant of extension of leave, issue of notifications, etc., irrespective of the fact whether on the expiry of his leave he would return to his Group A and B post or not. The Audit Officer will intimate the rate of leave-salary admissible to the officer direct and the officer will draw his pay accordingly. Any extension of leave will also be certified by the Audit Officer.

[Finance Memorandum No.83902-2-(C.S.R.), dated 7th January 1954.]

(2) In the case of an officer who is granted leave under rule 24 (a) under Fundamental Rule 74 (a) the leave should initially be treated as leave preparatory to retirement but if the officer returns to duty subsequently, the leave should be treated as leave on medical certificate for purposes of the proviso to Rule 81(b). Necessary adjustments in the leave account, should be made and arrears of leavesalary, if any, should also be paid.

(G.O. No. 382, Finance, dated 21st October 1937.)

(3) The discretion allowed by rule 24 (c) may be exercised in the case of Government Servants who are sent before a competent medical authority either for grant of leave or for report as to their fitness for further service and the latter certifies them to be completely and permanently incapacitated for further service.

[G.O. No. 576, Finance (Pension), dated 17th July 1930 and No.348, Finance, dated 28th July 1936.]

(4) Rules 11 to 16 in section III of the rules under Fundamental Rule 74(a) regulating the grant of leave on medical certificate to gazetted Officers should be applied also to Government servants who are holding gazetted posts in an officiating capacity prior to their going on leave. An officiating Gazetted Government servant who applies for leave or extension of leave should accordingly produce a certificate from a medical committee in support of his application for leave or extension of leave.

(G.O. No. 326, Finance, dated 20th January, 1951).

From this roll, the necessary statement of service of every applicant for pension shall be prepared, additional proofs being collected, in respect of any service rendered before enrolment in the constabulary which the applicant may be entitled to count.

If the date of birth of any person on enrolment in the constabulary cannot be correctly ascertained, the age as estimated by the medical officer when granting certificate of physical fitness for recruitment to the service should be entered in the service roll.

Note.—The Superintendent in charge of pay bills section in the office of the Director, Tamil Nadu State Transport, Madras, may attest entries in the service rolls of the workers in the Traffic Branch on behalf of the Director, Tamil Nadu State Transport.

11. Similar service rolls should be maintained for basic servants of all sorts.

Where the date of birth of a basic Government servant cannot be correctly ascertained, the age as estimated by the medical officer when granting certificate of physical fitness to the Government servant should be entered in the service roll.

11-A. Service rolls for police constable, head constables, leading firemen, firemen and other equivalent ranks in the Fire Service Branch and the Service books in the case of basic Government servants shall be opened at the expense of Government.

12. Annual verification.—The service books and rolls in each office should be taken up for verification in January of every year by the head of the office who, after satisfying himself that the services of the Government servant concerned are correctly recorded in his service book or roll in conformity with the above instructions, should record therein a certificate in the following words over his signature:—“Services verified up to (date) from (pay bills, acquittance rolls and similar records to be specified by reference to which the verification was made)”. The head of the office in recording the annual certificate of verification should in the case of any portion of service that cannot be verified from office records, distinctly state that, for the excepted periods (naming them), a statement in writing by the Government servant as well as a record of the evidence of his contemporary employees is attached to the book or roll. Heads of offices may delegate the duties imposed upon them to their Gazetted assistants if any. They should, however, inspect at least 10 per cent of the service books and rolls and initial them in token of having done so, unless the Government specially fix a lower percentage in any case.

Heads of offices should furnish a certificate regarding the completion of the annual verification of services in respect of all Government servants working under them and those on foreign service to the next superior officer by the end of April every year covering the preceding calendar year. It shall also be the duty of every head of office to initiate action to show the service books to the Government servants under his administrative control every year and to obtain their signature therein the token of their having verified their service books. A certificate to the effect that he has done so in respect of the preceding calendar year, should be submitted by him to his next superior officer by the end of every July. In the case of a Government servant on foreign service, his signature shall be obtained after the Audit Office has made necessary entries connected with his foreign service.

[G.O. Ms. No. 792, Finance (F.R.I.), dated 3rd June 1974.]

Note 1.—The verification of service referred to above should be in respect of all service qualifying for pension whether permanent, provisional, temporary or officiating.

Note 2.—When a Government servant is transferred from one office to another, the head of the office under whom he was originally employed shall record in the service book or roll, under his signature, the result of the verification of service referred to above with reference to pay bills and acquittance rolls in respect of the period for which the Government servant was paid in that office and the verification of service for the remaining period shall be done in the office to which the Government servant is transferred.

13. Periodical inspection.—It is the duty of officers inspecting subordinate offices to inspect the service books maintained there. They should see that they are maintained up to date, that entries are properly made and attested, that verification has been properly carried out and the necessary statement and evidence secured and verification certificates have been properly recorded by the heads of the offices.

14. Deleted.

15. When a Government servant's service is terminated by dismissal his service book should be retained for a period of five years or until the Government servant's decease, whichever is earlier, after which it will be destroyed. A similar procedure should be followed in the case of a Government servant whose probation is terminated. The head of the office in which he was last employed should retain the service book in such cases.

16. When a Government servant's service is terminated by resignation or discharge without fault and no pension is given to him, his service books should be retained for a period of five years from the date of his resignation or discharge. In the event of his death within the period of five years, the service book should be retained for a period of six months only from the date of his death.

17. The service book of a Government servant who has been dismissed and who is afterwards reinstated should, on requisition, be returned to the head of the office in which he is re-employed.

The difference between the entries in columns (8) and (15) should be entered in column (18) and the entry in column (4) or (6) should be repeated in column (16) while the entry in column (5) or (7) minus the sum total of the entries in columns (11) and (14) should be shown in column (17).

3. When a Government servant applies for leave, columns (1) to (8) should be filled up. Columns (1), (2) and (3) should show the government served under and the period of duty up to the date preceding that on which the Government servant intends to go on leave, and columns (4) and (5) should each show 1/11th of this period [but see Note (2) below] the sum total of the two entries representing period of leave (i.e., 2/11th of duty) earned under rule 77. To the new entry in column (4) should be added the last entry in column (16) and the resultant figure should be posted in column (6); similarly to the new entry in column (5) should be added the last entry in column (17) and the resultant figure should be posted in column (7). The total of the entries in columns (6) and (7) will be shown in column (8).

Note.—(1) If during the period of duty prior to a Government servant's going on leave he has served under two or more Governments the period of duty and the leave earned under each Government should be shown in separate lines in columns (1) to (5) and the sum total of the new entries in column (4) and the last entry in column (16) should be posted in column (6) and of those in column (5) and the last entry in column (17) in column (7), the total of the entries in columns (6) and (7) being shown in column (8).

(2) The sum total of the entries in column (5) should not exceed 2½ years [rule 81 (a)] and no entry should be made in this column when this limit of 2½ years is reached.

When columns (1) to (8) have been posted, column (8) will show the *maximum* amount of leave which may be granted *in terms of leave on average pay* [but see rule 81 (d)] to a Government servant on the date on which he intends to go on leave. The *maximum* amount of leave on *average pay* which may be granted on that date with medical certificate or out of India, Pakistan, Ceylon, Nepal, Burma will be the sum total of the last entry in column (6) and the unspent balance of "one year" limited to eight months at a time, provided this sum total is covered by the period entered in column (8); in the case of leave in India, Pakistan, Ceylon, Nepal, Burma without medical certificate the maximum will be the last entry in column (6), limited to four months at a time.

shown in column (16) the net debit in column (18) will be recorded in red ink. The entry in column (18) is the leave due under Fundamental Rule 80. The balance of leave due on average pay shown in column (16) remains unaffected by any debit entries in columns (17) and (18) but cannot be utilized until, under the operation of Fundamental Rules 77 and 81 (e) leave again becomes due under Fundamental Rule 80 and then only to the extent of leave due.

5. The total period of leave in terms of leave on average pay taken in a Government servant's whole service as entered in column (15) should not exceed the sum total of all periods of leave entered in column (4) plus 2½ years.

6. When a Government servant is transferred to service under another Government, a separate account should be opened in this form for showing the leave earned under that Government and the leave the cost of which is debited to that Government. This account will be in addition to the main leave account which must be a complete record of all leave earned and taken under these rules throughout his service.

(Finance Memo. No. 21987-1-C.S.R., dated 15th July 1934.)

RULINGS.

(1) Method of calculation of leave admissible to Government servants on promotion from “Basic” to “Superior” service under Tamil Nadu Leave Rules, 1933—

A Government servant in basic service may become eligible for leave in accordance with the rules applicable to permanent Government servants in superior service. In such case, the earned leave due to the Government servant should be calculated at 1/22 of the period spent on duty in basic service and at 1/11 of the period spent on duty in superior service subject to the condition that the maximum is applied in both the cases separately. In other words, the earned leave due to the Government servant in basic service should first be calculated at 1/22 of duty and the limit of sixty days applied. The balance of earned leave should then be carried over and added to the account of earned leave admissible from the date on which he became eligible for leave at 1/11 of duty as for other Government servants in superior service the total amount of earned leave being restricted to 180 days.

(G.O. No. 409, Finance, dated 24th November 1937.)

A non-permanent Government servant, who has held without a break first a superior post and again alternatively basic and superior posts, should be allowed leave to the same extent as a person promoted from basic to superior service.

(Finance Memo No. 67237/C.S.R. 1, dated 24th September 1951.)

The leave earned by a Government servant in a superior post will be allowed to be carried forward on reversion to a post in a basic service provided that the maximum permissible leave in the latter class of post is not exceeded. Any balance of leave earned in a superior post, which it has thus not been possible to carry forward on reversion to a post in basic service, will be credited to his leave account, if and when the Government servant concerned is again promoted to superior post. If a Government servant gets a reversion or promotion while on leave, his leave account shall be revised with effect from that date according as the Government servant is basic servant or a superior servant.

(G.O. Ms. No. 1573, Finance, dated 25th September 1956.)

(2) The condition in rule 23 (a) (i) should be deemed to be satisfied only if the Government servant concerned has served in a post in a regular capacity for a continuous period of two years. Service under rule 10 (a) (i) of the general rules, prior to the date of regularizations, if any should be ignored, in reckoning the period of service of two years.

(Finance Memo No. 7534-C.S.R. 2, dated 9th February 1954.)

The condition in rule 23 (c) should be deemed to be satisfied only if the Government servant concerned has served in post in a regular capacity for total period of one year. Service under rule 7 (a) of the Tamil Nadu Basic Service Rules prior to the date of regularization, if any should be ignored in reckoning the period of service of one year.

(Finance Memo No. 91805-C.S.R.-A, dated 12th November 1956.)

(Finance Memo No. 61718-C.S.R.2, dated 21st June 1954 and No. 52090-F.R.59-2, dated 9th July 1959.)

This leave may be availed of during the course of a spell of leave or during an extension thereof if by that time he has completed two years of service. (*G.O. Ms. No. 688, Finance, dated 6th August 1968.*) (11) Please see ruling (4) under Rule 15-A.

[G.O. Ms. No. 1331, Finance (F.R.), dated 3rd October 1972.]

24. If an interruption of duty other than leave occurs in the service on a non-permanent Government servant, the earned leave to his credit shall lapse.

25. Notwithstanding anything contained in rules 20, 23 and 24, a probationer in superior service who has completed or is deemed to have completed his period of probation satisfactorily shall be eligible for such leave as would be admissible to him if he held his post substantively but, if at any time he ceases to be a Government servant for want of a vacancy and is subsequently re-appointed, his leave account shall—

- (i) be credited with the amount of earned leave due to him on the day when he last ceased to be a Government servant; and**
- (ii) be credited with the amount of all unearned leave taken by him prior to such date.**

Notes.—(1) The concession specified in rule 9 (b) will apply to approved probationers in superior service who are employed in X-ray and Radium department of Government medical institutions.

(2) Non-permanent workers of the Government Press, Madras, who come within the purview of Chapter IV-A of the Factories Act, 1934 and who have completed a period of twelve months continuous

service, within the meaning of the Explanation to section 49-B of the said Act, shall be deemed to have completed their probation satisfactorily for purposes of earning leave.

RULINGS.

Scope of Rule 25.

(1) Government have decided that though rule 25 enables an approved probationer, who is awaiting substantive appointment to a permanent post to earn and be granted leave as a permanent Government servant, it does not authorize the re-calculation of his leave account in respect of his previous duty. Such a re-calculation should be made only after the Government servant is substantively appointed to a permanent post.

(G.O. Ms. No. 380, Finance, dated 21st November 1939.)

(2) The benefit of rule 25 will also apply to approved probationers in categories in which there are no permanent posts and who consequently have no chance of confirmation.

(Finance Memo. No. 110629-C.S.R.-2, dated 19th January 1956.)

(3) The incumbents of the temporary posts under the Rural Welfare Scheme who had put in a satisfactory service of two years within a continuous period of three years shall be deemed to have completed their probation to enable them to earn leave as permanent Government servants. They shall be treated as approved probationers for purpose of grant of leave under the Tamil Nadu Leave Rules even after their transfer to other departments or from one cadre to another.

(Finance Memo . No. 33987, F.R. 60-2, dated 19th April 1960.)

26. The grant of leave to a non-permanent Government servant shall be subject to the condition that, but for the grant of the leave, he would have continued to hold a post in Government service until the expiry of the leave.

Note.—A re-employed Government servant may be granted on the termination of his appointment the amount of leave earned by him during the period of employment but subject to a maximum of 30 days provided that he had formally applied for the leave in sufficient time and been refused it on administrative grounds.

RULING.

Government servants who are re-employed after retirement for more than one term may be permitted to carry forward the periods of leave earned in the earlier spells of re-employment to subsequent spells irrespective of the number of such extension subject to the provisions of Tamil Nadu Leave Rule 26 and of the note there under, provided that the re-employment is continuous. *(Finance Memo No. 75698-C.S.R.-1, dated 13th August 1954.)*

27. If a non-permanent Government servant is substantively appointed to a permanent post, his leave account shall—

(i) be credited with the amount of earned leave which would have been admissible to him if he had been a permanent Government servant in respect of his previous duty, diminished by (a) amount of earned leave, which had been taken, and (b) one-half of special disability leave taken on full pay-under Fundamental Rule 83 (7) (b); and

(ii) be debited with the amount of all unearned leave taken by him prior to the date of his substantive appointment.

Explanation.—“Previous duty” in this rule means—

(a) duty before the date on which probation is completed or is deemed to have been completed satisfactorily, uninterrupted otherwise than by leave; and (b) duty on and after the said date.

Note.—The benefits of the above rule shall be extended to all approved probationers who have put in a total service of five years,

RULINGS.

(1) The authority which granted leave to a Government servant can commute it retrospectively into leave of a different kind which may be admissible but the Government servant cannot claim it as a matter of right.

(G.O. No. 400, Finance, dated 5th September 1936.)

(2) Extraordinary leave granted during probation, where there was no earned leave at credit, cannot, however, be commuted retrospectively into earned leave. The additional credit in the leave account arising on confirmation due to the re-casting of the leave account under rule 27 can be utilized only for leave taken subsequent to such confirmation.

(Finance Memo. No. 10877-1, C.S.R., dated 11th April 1940.)

(3) It is not permissible to commute extraordinary leave granted to a probationer into earned leave when the latter becomes available consequent upon the re-calculation of his leave account with reference to rule 27. The intention of the rule is to provide only for a retrospective calculation of the leave at credit on the date of confirmation with a reduction on account of the earned leave already taken. Except for the carryforward of the re-calculated credit on confirmation, leave earned and taken should be a closed chapter at that point and no re-adjustment of any leave taken is automatically permissible as a consequence of such re-calculation. The closed chapter may, however, properly be re-opened, for instance, to correct a miscalculation of leave earned or taken or to readjust leave earned and taken when confirmation is ordered with retrospective effect or at the discretion of the sanctioning authority, to convert leave of any one kind already taken into leave due of any other kind admissible '*at the time leave was originally taken*'. Except in the above cases the commutation of extraordinary leave taken during temporary service when no other leave was due into earned leave on confirmation will be irregular and not in accordance with rules.

(G.O. No. 51, Finance, dated 24th February 1942.)

(4) A question was raised whether a Government servant confirmed with retrospective effect could be allowed to commute the extraordinary leave taken during the period of retrospective confirmation, into earned leave to which he was entitled as a result of the recalculation of the leave account with reference to rule 27. The intention is that all persons should, from the date of their confirmation, whether ordered with retrospective effect or not, get the leave benefits admissible to permanent Government servants. Commutation of extraordinary leave into earned leave will be permissible if such leave taken falls *subsequent* to the date of confirmation, no readjustment or commutation of leave taken prior to the date of confirmation will, however, be permissible.

(G.O. Ms. No. 335, Finance, dated 20th March 1950.)

(5) When a Government servant is declared to have satisfactorily completed his probation with retrospective effect, his leave account should be recast with effect from the date of completion of probation and the leave already availed of between that date and the date of issue of orders regarding completion of probation may be altered to the advantage of the Government servant at his option.

(G.O. Ms. No. 118, Finance, dated 14th February 1968.)

(6) Service rendered in respect of an appointment under Emergency provisions is not a regular service as contemplated in the Tamil Nadu State Service Rules: Such service should not therefore be treated either as "previous duty" for the purpose of Rule 27 or included in the total service of 5 years for the purpose of note under that Rule.

(Finance Department Memo. No. 38020/C.S.R.-1, dated 14th June 1952.)

SECTION II-A-LEAVE FOR EMPLOYMENT ABROAD

Notwithstanding anything contained in the provision under the Tamil Nadu Leave Rules or under Fundamental Rules 18, Government servants may be sanctioned extraordinary leave without allowance for employment abroad, subject to the following conditions, namely:—

(1) Government Servants who seek employment abroad either through Overseas Manpower Corporation Limited or other available sources may be sanctioned extraordinary leave without pay and allowances for a maximum period of five years, after verifying the genuineness of employment abroad by way of appointment order or visa or other documents.

(2) The initial period of such leave shall be limited to the initial period of employment offered by the employer abroad, or in the absence of orders of appointment, such leave may be sanctioned initially for a period of one year, based on the Visa obtained, and further extension of the leave may be granted on production of evidence that he continues or continued to be in the same job or is or was employed by another genuine employer abroad.

(3) The period of absence on leave for employment abroad shall be counted as service for the purpose of pension only, if necessary pension contribution are paid by the Government servant to the Accountant General, Tamil Nadu from time to time, with appropriate interest for belated payments, if any.

(4) Employment with United Nations Organisations or any other foreign assignment through the Government of India shall not fall under the purview of leave for employment abroad.

(5) The period of leave for employment abroad shall neither count as service nor shall it be taken into account for calculation of accrued leave. The employee shall settle his terms of leave and leave salary with the employer abroad.

[G.O. Ms. No. 173, Personnel and Administrative Reforms (FR.IV) Department, dated 28-3-1996-with effect from 12th August 1994.]

(Finance Memo. No. 79699/C.S.R.-7, dated 1st April 1955.)

2. The competent authority should insist upon the production of a Medical Certificate before sanctioning extraordinary leave for the treatment of tuberculosis and leprosy. The ex-gratia allowance will be admissible only when the Government servant is not eligible for any other leave with allowances and the Medical Officer certifies that there is a reasonable prospect of the Government servant concerned becoming fit to resume his duties after the completion of his treatment. RULINGS (GENERAL).

Application of the Fundamental rules to personnel coming under the Tamil Nadu Leave Rules, 1933.

I. The instructions issued by Government in regard to the application of the Fundamental rules to persons coming under the Tamil Nadu Leave Rules, 1933, are reproduced below:—

The leave rules in the Fundamental Rules fall under the following three categories:—

(i) General rules relating to leave on average pay, half average pay and quarter average pay and extraordinary leave;

(ii) Rules permitting certain additional kinds of leave in special circumstances, e.g., Special Disability Leave (Fundamental Rules 83 and 83-A); Maternity Leave [Under Fundamental Rules 101 (a)] and Hospital Leave [under Fundamental Rules 101 (b)]; and

(iii) Special rules relating to the grant of leave to persons belonging to a special department or rendering a special kind of service, e.g., leave earned by part-time service [under Fundamental Rules 103 (b)].

The rules in category (i) correspond to the Tamil Nadu Leave Rules, 1933, and they are therefore wholly superseded by these rules. The rules in category (ii) as well as the leave procedure rules contained in the Fundamental Rules issued and amended by Government from time to time and rules relating to travelling allowance to Government servants taking short leave before joining a new posts are “other rules” mentioned in paragraph 1 of G.O.No. 251, Finance, dated the 23rd April 1934. The special rules referred to in category (iii) above remain in force and persons governed by them do not come under the Tamil Nadu Leave Rules, 1933, except to the extent indicate below.

II. The Government have considered the question of the difficulties that are likely to arise in the application of categories (ii) and (iii) of the rules mentioned above to persons governed by the Tamil Nadu Leave Rules and have decided to issue the following detailed instructions to meet such difficulties:—

1. *Cases falling under category (iii) in paragraph I above—Leave earned by part-time service.*—Fundamental Rule 103 (b) regulates the grant of leave to Law Officers and other part-time Government servants. Under these rules subject to condition that no extra cost is caused to Government, the above officers and Government servants may be granted leave not exceeding that admissible to full-time Government servants. The amount of leave admissible to persons appointed to these posts on or after 4th September 1933 will be that admissible to full-time Government servants under the Tamil Nadu Leave Rules, 1933, subject to the existing condition that no extra cost is caused to Government by the grant of such leave. In such cases, the leave-salary will be governed by Rule 28 of the Tamil Nadu Leave Rules, 1933.

2. *Cases falling under category (ii) in paragraph I above—(1) Maternity Leave.*—Under Fundamental Rule 101 (a)—(a) The term “leave on average pay” in instruction 1 shall be taken to mean “leave on full pay”.

(b) Instruction 2 provides for the grant of any other kind of leave in continuation of maternity leave if the request for its grant is supported by a medical certificate. Similarly, in the case of persons coming under the Tamil Nadu Leave Rules, 1933, the requirements of a medical certificate should be satisfied before leave is granted in continuation of maternity leave. There shall be no limit for combining earned leave or vacation with maternity leave provided that in cases where a Government servant is required to attend office during vacation immediately following maternity leave but is unable to attend, a medical certificate may be insisted at the discretion of the sanctioning authority.

(2) *Hospital leave—Fundamental Rule 101 (b).*—Under instruction 3 under Fundamental Rule 101 (b), the leave salary during the hospital leave is “half-average pay”. In the application of these rules to persons coming under the Tamil Nadu Leave Rules. “leave on half-average pay” shall be taken to mean “leave on half pay”.

(3) *Special disability leave—Fundamental Rules 83 and 83-A—(a) Fundamental Rule 83.*—The limit of four months laid down in sub-clause (a) of clause (7) of the rule shall be taken to mean “120 or 60 or 30 days” as the case may be “and the term” “average pay” shall be taken to mean “full pay”.

In sub-clause (b) of clause 7 of the said rule, the terms “half average pay” and “average pay” shall be taken to mean “half pay” and “full pay” respectively and the “period of average pay” to mean “earned leave”. Half the amount of leave on full pay under the sub-clause shall be counted as earned leave taken for the purpose of Fundamental Rule 78 (b).

(b) *Fundamental Rule 83-A.*—The term “four months” in clause (iii) of this rule shall be taken to mean “120 or 60 or 30 days as the case may be” and the term “average pay” to mean “full pay”.

III. The following further instructions may be observed in regard to other rules in the Fundamental Rules mentioned below:—

(1) *Instruction 4 (b) under Fundamental Rule 44.*—The limit of four months laid down in this rule is based on the maximum limit of leave on average pay which can be taken under the ordinarily leave rules in the Fundamental Rules. Earned leave under the Tamil Nadu Leave Rules is subject to the maximum of 120 or 60 or 30 days and this limit should be substituted for the limit of four months in applying this rule to persons governed by the Tamil Nadu Leave Rules.

(2) *Leave to apprentices.*—Instructions 3 under Fundamental Rule 104 regulates the grant of leave to apprentices. In the application of this rule to persons coming under the Tamil Nadu Leave Rules, 1933—

(a) The term leave on leave-salary equivalent to “half average pay” shall be taken to mean “leave on half Pay”

(b) The term “Fundamental Rule 85” instruction 3 (b) shall be taken to mean “Tamil Nadu Leave Rules, 1933”

(3) *Fundamental Rules 89 and 90.*—Under the Tamil Nadu Leave Rules, 1933, a maximum limit has been imposed as regards leave salary drawn during leave on private affairs or on medical certificate—*Vide* rule 28 (b) and maximum limits on leave-salary for earned leave exceeding 180 or 30 days, as the case may be. It has been considered unnecessary to give the benefit of a minimum leave-salary in regard to any kind of leave.

(4) *Fundamental Rule 105 (b) (i) and instruction 9 under Fundamental Rule 106.*—The term “leave on average pay of not more than six months’ duration”, in these rules shall be taken to mean “earned leave not exceeding 180 or 60 or 30 days as the case may be”.

(5) *Fundamental Rule 128.*—The words “Chapter I to XI of these rules”, in this rules shall be taken to mean “Chapters I to IX and XI of these rules and the Tamil Nadu Leave Rules, 1933”.

(6) *Note 1 under Rule 4 under Funded Rule 45.*—The term “leave on average pay not exceeding six months”, mentioned in this note shall be taken to mean “earned leave not exceeding 180 or 60 or 30 days as the case may be”.

(7) *Travelling Allowance, Rule 77.*—The term “leave on average pay for a period not exceeding six months”, shall be taken to mean “earned leave for a period not exceeding 180 or 60 or 30 days as the case may be”.

(G.O. Ms. No. 74, Finance, dated 7th February 1935.)

[Finance Memo. No. 79699-C.S.R.-7, dated 1st April 1955.]

(8) A Government servant governed by the Tamil Nadu Leave Rules first elected to have his medical leave commuted into leave on full pay and after availing himself of the leave wished to have it changed into leave on half pay because he stood to gain by way of leave-salary and allowances, such as dearness allowance, etc., of the entire period of medical leave had been granted on half pay. The Government have decided that it is not desirable to allow such revision of leave already availed of and that the option once exercised in such cases shall be final.

Note 1.—When a period of special casual leave is recommended by the Health Officer and it intervenes two spells of leave under the Fundamental Rules, special casual leave may be combined with the regular leave.

(Home department memo. No. 45561-A-45-2, dated 2nd January 1946.)

Note 2.—In cases where a Government servant takes regular leave in continuation of special casual leave granted under instruction 7(a) (ii) he should hand over charge on the fore-noon of the date of commencement of regular leave. If special casual leave is availed of in continuation of regular leave, the individual should take over charge of his post on the expiry of the special casual leave, subject to the Audit Officer being informed in the case of Group A and B Officers that he was granted special casual leave in continuation of regular leave. If the special casual leave is sandwiched between two spells of regular leave, the charge should be handed over on the forenoon of the date of commencement of the first spell of regular leave and the Government servant should take over charge of the post on the expiry of the second spell of the regular leave subject to the Audit Officer being informed in the case of Group A and B Officers that he was granted special casual leave in continuation of the first spell of regular leave.

9. The grant to a Government servant of casual leave other than special casual leave or of permission to avail himself of holidays should not ordinarily result in any appreciable extra expenditure to the Government. Care should be taken to see that no Government servant is allowed to proceed on casual leave or avail himself of holidays frequently if he has actually to be relieved on such occasions and the payment of travelling allowance to another office thereby becomes necessary.

[G.O. Ms. No. 323, Finance (F.R.-I), dated 20th March 1976.]

ANNEXURE VIII.

Statutory Service Rules.

1. Wherever a continuous period of duty is prescribed as probation in the service rules framed by the Tamil Nadu Government, leave taken by a probationer constitutes a break in the continuity of probation.

2. The period of joining time availed of by a probationer on return from leave should be counted towards the prescribed period of probation if but for the leave, he would have continued to officiate in the post to which he was appointed.

[G.O. No. 1443, Public (Services), dated 10th July 1941.]

Note.—The absence on gazetted holidays and no compensatory leave which are permitted to be affixed and prefixed to any kind of leave other than casual leave cannot be counted as duty for purpose of probation.

(G.O. Ms. No. 1182, Finance, dated 10th September 1957.)

3. In connection with a question which arose as to how the imposition of the penalty of reduction to a lower post or time-scale specified in rule 8 (iv) of the Tamil Nadu Civil Services (Classification, Control and Appeal) Rules would affect the seniority, etc., of the punished Government servant on repromotion to the original post or time-scale, the Government of India have decided as follows:—

(1) While reduction of seniority as an independent penalty not provided for in the rules, cannot be imposed as such, the loss of seniority as a result of an order of reduction to a lower post or time-scale being inherent in the order of reduction, cannot be avoided;

(2) The seniority on repromotion of an officer reduced to a lower post or time-scale should be determined by the date of such repromotion. He should not be restored to his original position unless this is specifically laid down at the time the order of punishment is passed or revised on appeal;

(3) An officer in respect of whom the penalty referred to was imposed, will on repromotion, count previous service in the higher grade under Fundamental Rule 22 unless the order of punishment or the order passed on appeal directs otherwise; and

(4) An order debarring an officer from counting his past service in the grade from which he is reduced, if and when reappointed to it, amounts to an order of reduction to a stage of that grade lower than that admissible under Fundamental Rule

22; and does not therefore, fall outside the scope of rule 8 (iv) of the Tamil Nadu Civil Services (Classification, Control and Appeal) Rules.
(Government of India, Home Department, letter No.9/41-Ests., dated 18th March 1941.)

Retrospective promotions and reversions under the Statutory Service Rules.

4. Promotions made otherwise than in accordance with the provisions of the statutory service rules are illegal. Such promotions, if already made, should be set aside and the persons promoted should be reverted with effect from the dates on which they had been promoted and the excess pay drawn by them should be recovered (unless the amount is waived by Government). Government do not, however, consider that the consequential vacancies should be filled with retrospective effect from the dates of reversion of those who had been promoted otherwise than in accordance with rules. They have, therefore, decided that these vacancies should be filled only from the dates on which the promotions are actually made.

(G.O. Press, No. 847, dated 27th May 1935.)

5. If an approved probationer in a higher category is confirmed therein with retrospective effect under Rule 31 (a) of the General Rules of Subordinate Services, he becomes entitled to the pay of the post in the higher category with effect from the date of confirmation, even though officiating allowance was not admissible from his original substantive post in the lower category to the post in the higher category.

[Memo. No. 40474-38-3, Public (Services), dated 18th January 1938.]

6. Deleted.

7. When any promotion has to be cancelled and a revised promotion made the revised promotion shall not, so far as pay is concerned, be ordered to take effect from a date earlier than the date on which it is ordered.

[G.O. No. 1127, Public (Services), dated 7th June 1940.]

8. The duties performed by an Office Assistant when enrolled in any branch of the Defence Services, may be considered similar to those of an Office Assistant in the Group D service and such an Office Assistant should be allowed to count towards his probation in the Group D service any period spent on duty in the Defence Services.

[G.O. Ms. No. 992, Revenue, dated 11th April 1942, and Endorsement No. 74 (O)/42-1, Public (Services), dated 9th May 1942.]

9. A case occurred in which an officer who was appointed temporarily to a post in 1934 under the emergency provision and later appointed regularly in about 1939 petitioned the Government in 1944 (i.e., 10 years later) for the regularisation of his temporary appointment under rule 23 (a) of the General Rules for the State and Subordinate Services. It has been decided that a convention be established that appointing authorities should refuse to reopen such questions unless the person aggrieved complains within three years of his becoming aware of the facts.

[Memorandum No. 17344/44-2, Public (Services), dated 3rd June 1944.]

10. **Rule 10 (b) of the Tamil Nadu State and Subordinate Service Rule.**—The fact that the General Rule 10 (b) does not specifically take any reference to “special pay” indicates that it contemplates no restriction in regard to admissibility of special pay to persons appointed under the emergency provisions.

[Memorandum No. 2064/48-2, Public (Services), dated 5th July 1948.]

APPENDIX II

Part II.

Rulings Under F.R.9(6) relating to the Military Training.

Training in the Indian Territorial Force.

(1) Under paragraph 177 of the Regulations for the Indian Territorial Force (1930), Government servants who are members of the Indian Territorial Force, are normally entitled, when called out or embodied for training to Military pay and allowances at the rates admissible for the Indian Territorial Force; the difference, if any, between Civil pay and Military pay is admissible only in cases where a Department of the Government of India or its attached and subordinate offices or a State Government may have specially authorized the payment of such difference. The Military pay and allowances are debitable to Defence Estimates while the excess of Civil pay over Military pay is payable from Civil Estimates. To prevent overpayments, heads of departments have been requested to furnish to the audit office the requisite information - *vide* T.M. Circular No.10-8-927, dated 11th September 1942.

(Comptroller and Auditor-General's letter No. 807-Admn./95-39, dated the 15th August 1942.)

(2) The prescribed annual course of training of the Government servants should be treated as duty and the arrangement as regards the pay they should get is similar to that described in the above Army instruction.

If the Military pay of the person deputed for training is less than his Civil pay, the difference will always be made good by Government without any restriction, that is to say whether a substitute is appointed or not.

Note.—The pay of the workmen borne on the "Works Establishment" of the Public Works Department will also be regulated by the above orders.

[G.O. No. 963, Public (Political), dated 14th June 1939; Nos.889, Public dated 21st December 1921; No.825, Public dated 13th October 1922 and No. 107, Public, dated 29th January 1929.]

(3) Copyists in Criminal and Civil Courts undergoing similar training should be treated as Government servants for the aforesaid purpose. Their pay during training period being calculated on the average of the earnings during the previous three months.

[G.O. No. 785, Public, dated 28th September 1922 and No.2923, Law (General), dated 25th August 1926.]

(4) When Government servants, enrolled in the Indian Territorial Force, attend the annual training or courses of instruction, the period of absence from duty shall not be deducted from any casual or other leave which may be admissible to them but shall be regarded as duty for the purposes of civil leave and pension.

(5) The time spent on training by Government servants who join the Army in India Reserve of Officers counts as duty under this rule as also the period spent in journeying to and from the place at which the training is carried out.

(G.O. Ms. No. 913, Public, dated 20th October 1926 and G.I., F.D., No.F.34-R.1/32, dated 19th August 1932.)

(6) A Civil Officer undergoing military training is not a "Military" officer and in his case "pay" as defined in Rule 9 (21) (a) does not include rank pay received during the period of training. The pay which the officer would have drawn in the regular line in the Civil Department if he had not been under military training should be taken into account for purposes of calculation of leave salary based on average pay under the Fundamental Rules.

The same procedure should also be adopted in the calculation of the leave salary of a civilian officer belonging to the Indian Army Reserve of Officers who when called to Army service is not a "military officer" and in whose case pay as defined in Rule 9 (21) (a) does not include "Rank Pay" received during the period of service in the army.

[Government of India No. F-7 (1) R.1/39, dated 11th March 1939.]

(Letter No. 598-Ac./139-38, dated the 29th December 1938, from the Comptroller and Auditor General to the Accountant-General, P. & T.)

(7) Government servants deputed for training in the Indian Signal Corps and other arms of the Indian Army Reserve shall be treated as on duty and draw the pay of the Military rank in which they serve while undergoing training. If however, the military pay of their rank is less than their ordinary civil pay, the difference will be made good by the Government. Government servants deputed for training in the Auxiliary Force (India) shall also be treated as on duty and draw the pay of their Military rank in addition to their civil pay provided that such training does not interfere with their civil duties.

Note.—The pay of the workmen borne on the “Works establishment” of the Public Works Department and the Wages of the daily-paid workmen of the Public Works Department workshops, Madras, will also be regulated by the above orders as regards the training in the Indian Auxiliary Force. (G.O. Ms. No. 806, Public, dated 30th August 1927; G.O. Ms. No. 833, Public, dated 8th August 1929; G.O. No. 107, Public, dated 29th January 1929 and G.O. No. 1134, Public, dated 30th August 1932.)

Procedure for the payment of pay and allowances to members of the Auxiliary Force units on calling out for embodiment.

(8) Officers, Non-commissioned Officers and men who are Government servants when called out or embodied under section 18 of the Auxiliary Force Act will be paid in the following manner for the period of the first three months by the authority who paid them prior to their being called out or embodied:-

In the case of Group A and B Officers, the procedure for the payment of leave allowances in India laid down in the respective regulations relating to civil salary, etc., of the officers concerned, may be followed to enable them to draw pay at their civil headquarters or on bills signed by authorized agents or from the nearest civil treasury. Such officers should intimate to their Civil Audit and Accounts Officers which of the above methods of payment is desired and the latter will ascertain the rates of military pay and allowances admissible from the Controller of Defence Accounts in whose jurisdiction the unit is located and will authorize the officer to draw pay and allowances at these rates if such are greater than his civil pay under the “next below” rule. The Civil Audit or Accounts Officers will also ascertain the dates of commencement and termination of the military duty of the officer concerned.

In the case of Group C and D officers including those Group C and D officers who sign their own bills, military pay and allowances, if greater than their civil pay, will be drawn and paid by the head of the office, who will attach to the bill a statement showing the rates of military pay and allowances as certified by the Controller of Defence Accounts concerned.

Remittance Transfer Receipts will be used for the pay of Group C and D staff when payments are required at another station.

If, after the expiry of three months, they are still on such military duty, last pay certificates will be issued to the Officer Commanding the Auxiliary Force, India Unit concerned, copies being sent simultaneously to the Controller of Defence Accounts concerned by the Civil Audit or Accounts Officer in the case of Group A and B Government servants and by the head of the office in the case of others and thereafter their pay and allowances will be drawn in the pay bill of the unit.

Ruling under F.R.9(31) regarding average cost.

Time-scale of pay.

Formulae for calculating average cost of time-scales of pay.

Formula (1).

$$\text{Average pay} = \frac{A + B}{2} + \frac{B - A}{2} \left[1 - (R+1)(.014 + \frac{1 - .01R}{F - E}) \right]$$

formula (2).

$$\text{Average pay} = \frac{A + B}{2} + \frac{B - A}{2} \left[1 - (R+1)(0.21 + \frac{1 - .015R}{F - E}) \right]$$

In the formulae (1) and (2)—

- A=Minimum pay,
- B=Maximum pay,
- R=Period of rise,
- E=Average age at entry in the grade, and
- F=Average age at retirement on superannuation pension.

This may be taken to be 55 in almost every case unless there are special reasons to take it either at lower or a higher figure.

Formula (3).

$$\text{Average pay} = \frac{A + C}{2} + \frac{C - A}{2} \left[1 - (S+1)(0.006 + \frac{1 - .004S}{G - E}) \right]$$

In formula (3)—

- A=Minimum pay,
- C=Pay just before promotion to the second grade,
- S=Period of rise from A to C,
- E=Average age at entry in the first grade, and
- G=Average age at the time of promotion to the second grade.

Formula(4).

$$\text{Average pay} = \frac{1}{2}(A + W_1 B_1 + W_2 B_2 + X_1 C_1 + X_2 C_2)$$

Where A=the initial pay of the scale.

B B₁ =the maximum pay of the different sections of the scale such as ordinary scale, the scale for clerks passed

W W₁ W₂ =the proportion of the establishment which would normally reach the maxima of B B₁ B₂ respectively.

C C₁ C₂ =the pay at the different efficiency bars, and X X₁ X₂ =the proportion of the establishment which would normally be detained at C C₁ C₂ respectively.

(G.O. Ms. No. 206, Finance, dated 26th March 1931.)

Note.—Formula (1) is to be used in the case of Group A and B appointment and formula (2) in the case of Group C and D posts. In cases where one grade is the channel for promotion to another grade, that is to say, where everybody in the first grade is ultimately promoted to the second appointments in

the first grade. The use of formula (4) should be restricted to cases involving an elaborate scale consisting of two or more sections with efficiency bars at one or more stages.

Formula (5).

When the increment is annual and the period of rise is five years—

The average monthly cost will be taken in the case of ministerial posts at the minimum *plus* three-fourths and in the case of other than ministerial posts at the minimum *plus* two-thirds of the difference between the minimum and the maximum.

Formula (6).

When the increment is annual or biennial and the period of rise is above five years— (a) In the case of ministerial posts—

Value=Minimum + $(\frac{3}{4}-\frac{X}{60})$ of the difference between the maximum and the minimum.

(b) In the case of other than ministerial posts—

Value=Minimum + $(\frac{2}{3}-\frac{X}{90})$ of the difference between the maximum and the minimum.

Where X represents the excess in the period of rise in year over five years when the increments are annual or over four years when the increments are biennial.

(G.O. No. 447, Finance, dated 16th July 1904.)

Formula (7).

When the period is less than five years—

(a) In the case of ministerial posts—

Value=Minimum + $(\frac{3}{4} + \frac{X}{20})$ of the difference between the maximum and the minimum.

(b) In the case of other than ministerial posts—

Value=Minimum + $(\frac{2}{3} + \frac{X}{15})$ of the difference between the maximum and the minimum.

Where X represents the difference between five and the number of years required to reach the maximum.

(G.O. No. 338, Public, dated 5th May 1910.)

Formula (8).

When the increments are other than annual or biennial, e.g., half-yearly—

The value shall be taken at the average of 12 years in the case of ministerial posts and of nine years in the case of non-ministerial posts, as illustrated below:— Ministerial post of Rs. 300—10—400 where increment is every half-year—

$$\begin{aligned} \text{Value} &= (\text{Rs. } 300 + 310 + 320 + 330 + 340 + 350 + 360 + 370 + 380 + \\ &\quad 390 + 400 + 400 + 400 + 400 + 400 + 400 + 400 + 400 + 400 + \\ &\quad 400 + 400 + 400 + 400 + 400 + 400) \div 24 \\ &\quad 9050 \\ &= \text{-----} = 377 \frac{1}{12} \end{aligned}$$

24

Note(1).—If, in these cases, the maximum cannot be reached before the expiry of the twelfth year in the case of ministerial posts and before the expiry of the ninth year in the case of non-ministerial posts the average value shall be taken at the mean between the maximum and the minimum.

(G.O. Ms. No. 447, Finance, dated 16th July 1904 and No. 106, Finance, dated 16th February 1905.)

(2) Formulae (1) and (4) should be used in all estimates of average costs to be submitted to the Government of India or higher authorities. In other cases where the establishments are under the control of the State Government and where the recovery of the cost of the establishment could under F.R. 127 be partly waived by the State Government, formulae (5) to (8) should be applied.

(C.C.A's letter No. 755-NGE/200-28, dated 17th May 1928, Finance Memo. No. 19637, E.R.I., dated 12th July 1928.)

(3) The formula relating to non-ministerial servants should be adopted in calculating the average cost of scales of pay applicable to last grade Government servants.

(Finance Memo. No. 48322/E-II-1, dated 17th July 1948.)

Rulings under F.R. 19 relating to Military Officers.

Pay of Military Officers placed in the unemployed list under Army Instruction (India), No. 82 of 1934, when re-employed.

(1) Military Officers who are placed on the unemployed list under Army Instruction (India), No. 82 of 1934, and who obtain further employment under any Government or administration will continue to enjoy their unemployed pay in full, irrespective of the amount of the pay of their new appointment.

The cases of such officers will, however, be treated as if they fell under Article 526 (a), Civil Service Regulations, according to which the Government or administration re-employing them can take their unemployed pay into consideration in fixing the pay of their new appointments.

Note.—Variations in the emoluments of special unemployed list of officers employed in civil appointments of a somewhat similar character are likely to be a source of embarrassment. While special cases will no doubt arise which call for exceptional treatment it is desirable that as far as possible the conditions of re-employment of all officers on the special unemployed list should be brought under one general rule.

(2) The intention of the revised Article 526 (a) of Civil Service Regulations is that when a person who has earned a military pension is re-employed in a civil department, his pay should be so fixed that this pay plus military pension does not ordinarily exceed the pay of this post.

The pay in the civil department of military pensioners re-employed as menials paid from contingencies can be fixed by heads of departments or other officers empowered to draw contingent bills, with reference to prevailing market rates. It is open to these authorities to reduce the pay of the military pensioners. In such cases, if it is considered that the total receipts of the pensioner (pay plus pension) are out of proportion to the work to be done.

In regard to the fixation of pay of military pensioners on their re-employment in civil departments, it has been ordered that where there is a break in the service of a pensioner, after the first reemployment, the pay fixed by the Government previously should be applied on his reappointment to the same or a different office carrying the same scale of pay.

Note.—In the case of pensioners in receipt of military pension of Rs. 15 and below who are or may be employed in the civil department, the pension should not be taken into account in fixing the civil pay. These orders shall have effect from the 10th January 1941 and the pay of such re-employed pensioners already fixed by Government in the past taking into account the pension drawn by them can with effect from the same date be also refixed without a reference to Government at what it would have been but for the fixation. No arrears of pay should however be allowed.

These above orders will apply also to cases of ex-military men who are in receipt of a gratuity in lieu of military pension not exceeding Rs. 15 a month.

[G.O. No. 500, Finance (Pen.), dated 26th September 1941.]

Rulings under F.R. 20 relating to Military Training.

Training with the Army in India Reserve of Officers.

(1) (a) Civilian Government Servants employed under the Government of India, State Government or administrations who belong to the Army Reserve of Officers will, when called up for training draw the following rates of pay, in addition to their military pay:—

(i) when proceeding to carry out their training from their duty appointment, the pay and allowances they would have drawn in their civil appointments but for the training.

(ii) while on leave in India, Burma, Ceylon, Great Britain or Northern Ireland, the civil leave, pay and allowances which they would have drawn but for the training.

(iii) while on training on the expiry of leave out of India taken from their civil appointment and before rejoining their civil appointment for duty; (a) joining time civil pay from the date of disembarkation in India to the date preceding that on which the military training commenced; (b) full civil pay during the period of training.

Note 1.—Time spent by all Government servants undergoing training or when called to Army service shall count for civil leave and pension and for increments of civil pay.

Note 2.—The time spent in journeying to and from the place of training is not part of training-*vide* Note 2 under Rule 105.

(G.O. Ms. No. 1057, Public, dated 25th August 1930 and Ms. No. 812, Public, dated 6th August 1931.)

(b) If it is found necessary to provide a substitute in the place of a Government servant undergoing training, the additional cost will be a charge upon the Consolidated Fund.

(c) The army estimate should not be required to bear any share of the leave and pension charges accruing in respect of this period of training.

(G.I., F.D. No. 81, F.B., dated 27th September 1926 and G.O. Ms. No. 913, Public, dated 20th October 1926.)

(d) Acting promotions are admissible in the place of Government servants who join the Army in India Reserve of Officers for training and who are treated during the period of training as on duty for the purpose of civil leave and pension.

(e) All officers of the army in India Reserve of Officers, who are employed under the Central Government, when called to army service, retain, a lien on their civil posts during the period for which they are called to army service.

[G. I., F.D., No. F. 367, C.S.R., dated October 1926, G.I., Fin., Memo. No. 60-R, 1-28, dated 30th April 1928, and letter No. B-451-1 (A.G. 2), dated 16th February 1929 of the Government of India, Army Department.]

Periodical training of Reservists of the Indian Army in Civil Employ.

(2) Members of the various army, navy and air force reserves (excluding the reserve of officers) employed under Government will when called up for periodical training, be entitled to the following concessions in respect of their civil employment:—

(1) The Entire period of training including the period of transit will count as duty in the civil post for purposes of leave, increments and also for pension if it does not count for military pension under Army, Navy or Air Force Rules.

(2) During the transit period they will be entitled to their civil rates of pay and allowances to be met from the budget head to which such expenditure is normally debitable. No travelling allowance will, however, be admissible to them because they would travel on railway warrants and would draw money in lieu of ration and mineral water and ice allowance during summer months and

(3) For the period of training (excluding period of transit), if the pay and allowances (excluding concessions in kind, e.g., free ration, etc.) admissible as a reservist are less than the pay and allowances admissible in the civil post, the difference will be paid and debited to the budget head to which the individual's civil pay is normally debitable.

In view of the fact that the leave earned under the Civil Rules by Indian Army Reservists in civil employ during the period when they undergo their periodical military training would amount to about 3 to 5 days only and the leave contribution would accordingly be negligible, no adjustment against Defence Services Estimates will be made on account of leave contribution in respect of leave earned for that period.

[G.O. No. 343, Public (War), dated the 26th October 1942; and Finance Memorandum No. 116709/F.R. 59-7, dated 18th March 1960.]

Pay and allowances, etc., of Reservists (other than officers) when called up for active service. I.

On Active Service.

(a) *Pay and allowances.*—(i) Civil or Military pay and allowances whichever is more favourable and where civil pay and allowances are higher than the military pay and allowances, the reservists will be paid the higher emoluments from the defence estimates and the debit for the difference would be raised thereafter against the Civil Department concerned.

Note.—In the case of reservists who are J.C.O's and other ranks of the army and equivalent ranks in the other services, the civil rates of pay and allowances which would have been admissible to them from time to time shall be reduced by Rs. 25 per mensem on account of free rations. This factor shall be taken into account while raising debit against civil estimates for the difference between the civil and defence rates of pay and allowances.

(ii) The period of active service will count as duty in the civil post for purposes of leave, increments and pension. The transit period will not be treated as duty if the Government servant avails himself of leave during the period and he will be allowed to draw only the civil leave salary for this period. If, however, he does not avail of leave during this period, he will be entitled to civil rates of pay and allowances debit to the appropriate civil head.

(b) *Travelling allowances.*—No travelling allowances/advance of pay on being called up for active service will be admissible as the individuals would travel on Railway Warrant and would draw money in lieu of ration and mineral water and ice allowance during summer months.

(c) *Conveyance.*—During active service or on voluntary resignation due to circumstances beyond control or on dismissal/removal from service or on being permitted to resign, the reservists will be entitled to conveyance, to the intended place of residence in India at the same rates as admissible to corresponding ranks in the services.

II. Lien.

Temporary Government servants and persons on work-charged establishment have no lien in the technical sense, on the civil post held by them. However, on release from the Military/Naval/Air force duty all such persons should be absorbed in the posts in which they would have continued but for their "embodiment in" subject to those posts being available. If the post held by them is abolished while they are on active service they will be treated to have ceased to be in civil department.

III. Benefit under the "next below" Rule.

The period of active service rendered by the reservists will be treated as service outside the ordinary line for the purpose of proviso to Fundamental Rule 22 (1) (b) (ii); accordingly they will be entitled to proforma promotion in their parent department under the next below rule. They will also get seniority in higher post to which they should otherwise be entitled had they not gone on active service.

IV. Filling up of vacancies.

The vacancies caused by the calling up of reservists may be filled on a purely temporary basis subject to the existing orders on the filling up of such vacancies for the duration of the emergency. Temporary posts which were held by reservists even if they are made permanent should not be filled on permanent basis by persons holding them temporarily in their place.

Appointment of substitutes.

The Heads of Departments concerned or the officers under their administrative control in respect of the posts in the department for which they are appointing authorities are empowered to appoint substitutes in the place of reservists employed in Government departments when called up for periodical military training and for active service as and when the appointment of such substitutes is found necessary in the interests of administration.

Grant of pecuniary benefit of the privilege leave or leave on average pay due under Civil Rules to Indian Army Reservists employed in Government Departments on their being recalled to the colours.

(3) Rules 634 of the Pay and Allowance Regulations for the Army in India, Volume I, runs as under:—

634. Reservists employed in Government Departments on recall to the colours will be allowed if they so desire, the pecuniary benefit of any privilege leave due to them under Civil Rules and in addition to military pay and allowances they may draw civil pay and allowances as under for the full period of privilege leave admissible—

(i) For the first month—full civil pay and allowances.

(ii) Thereafter—half civil pay.

In this connection, the following instructions have been issued by the Government of India:—

1. Leave on average pay to four months admissible under the Fundamental Rules, “earned leave” up to 90 days admissible under the Revised Leave Rules, 1933, and any corresponding leave admissible under provincial Government’s Revised leave Rules, should be treated as privilege leave for the purpose of rule 634, Pay and Allowance Regulations, Volume I.

2. The pecuniary benefit admissible in the case of such leave under Rule 634, Pay and Allowance Regulations, Volume I should be calculated in terms of full or half *average* pay worked out on the basis of the civil emoluments that were actually drawn or that would have been drawn but for the reservist being called to the colours, during the period of 12 months (or 36 months in the case of those governed by the Revised Leave Rules, 1933 or any other period prescribed in this behalf in the Revised Leave Rules of the provincial Governments) immediately preceding the commencement of the leave.

In working out the average pay in the case of persons governed by the Revised Leave Rules the average substantive pay for the preceding twelve months should be taken into account if that is more advantageous.

3. (1) Rule 634, Pay and Allowance Regulations for the Army in India, Volume I, contemplates the grant of the pecuniary benefit alone without the reservists actually going on leave;

(2) the period for which the pecuniary benefit is granted will be debited to the individual’s civil leave account; and

(3) the incidence of cost of pecuniary benefit in such cases will be regulated under the normal rules in Section II, Appendix 3 to the Account Code, Volume I.

[G.O. Ms. No. 1356, Public (Political), dated 30th June 1941.]

Note.—The above concessions are not admissible to substantive civil Government servants in temporary military employ including officers belonging to the army in India Reserve of Officers. Under Army Instruction (India), No 204 of 1941, the leave of such officers while in military employ will be governed by the Civil rules applicable to them before they were called to Army Service.

[G.O. No. 2319, Public (War), dated 21st October 1941.]

(4) In the case of a civil Government servant sent for training or embodied/called upon for duty in the Territorial Army Auxiliary Air Force or Air Defence Reserve, the leave salary should be calculated on the basis of the pay which he would have received if he had not proceeded on training. The pay under the Army/Air Force Rules actually drawn during the period of training or embodiment should not be taken into account for this purpose.

(Memo No. 125396/FR/59-2, Finance, dated 16th January 1960).

(5) For the period of hospitalisation resulting from sickness or injury during training/service in the Territorial Army, a civil Government servant shall be granted full pay and allowances for six months beyond the duration of training or embodiment which will be debitable to the Defence Service Estimates. If the civil pay is more than the military pay, the difference would be debitable to the civil estimates. For

the period of hospitalisation in excess of six months, the balance period should be regularized as special disability leave under Fundamental Rule 83 (i.e.,) on half average pay.

(Memo No. 144128/FR/65-5, Finance, dated 7th March 1966.)

(6) Any military/air force duty rendered by a Government servant who has been permitted to enroll/commission himself in the Territorial Army or Air Defence Reserve or Auxiliary Air Force shall be treated as duty. If such Government servant is required to participate in ceremonial parades on special occasions like Territorial Army and Auxiliary Air Force Day, Republic Day, visits of Ministers, etc., in his capacity as a member of the above mentioned organizations, such occasions shall be treated as part of his training or of his Military/Air Force duty in the organization concerned.

(Memo. No. 48790/FR/61-4, dated 2nd July 1961.)

(7) The pay and allowances, etc., of Government servants who are officers of the Army or Air Force Reserves or the Indian Naval Reserve and Indian Naval Volunteer Reserve or Air Defence Reserve during the period of their training and when called up for active service will be regulated as follows:—

During Training.

(i) Civil or service pay and allowances whichever is more favourable, if officers do not avail themselves of leave due in respect of their civil appointment during the period of training. Where the civil pay and allowances are higher, the difference between the civil pay and allowances and the service pay and allowances shall be a charge against the Government.

(ii) Where, however, officers choose to avail themselves of leave at their credit in order to undergo training, the civil leave salary and allowances may be given in addition to service pay and allowances.
On Active Service.

Civil or military pay and allowances whichever is more favourable, and where the civil pay and allowances are higher, the difference should be charge against the Government.

Pay and Allowances.

(i) The period of training and active list service (including the period of transit) shall count as duty in the civil post for purposes of leave increments and also for pension if it does not count for military pension under Army and Air Force Rules. The period of training and transit will not be treated as duty, if the Government servant avails himself of leave during the training or transit period. In such case, the Government servant shall be allowed to draw during training leave salary, in addition to service pay, and during the transit period, only the civil leave salary.

(ii) During the transit period, the Government servant shall be entitled to his civil rates of pay and allowances to be met from the budget head to which such expenditure is normally debitible, and as in (i) above, if the Government servant avails of leave during this period.

(iii) No travelling allowance shall be payable by Government. Travelling allowance shall be admissible as under from the Defence Service Estimates:—

(a) When an officer is called up for training, he shall be entitled to the same traveller; allowance by oil, road, river or sea on temporary duty scale as is admissible under regulations to regular officers travelling on duty. These allowances are payable only for actual journeys performed and shall be limited to the maximum admissible, from the place at which the civil post is held or permanent place of residence in India to the place of training and return or back to any other station not involving extra expenditure to the State.

(b) When an officer is called up for active service and also on termination thereof, he will be entitled to the same travelling allowance as in (a) above.

(c) During active service and also in the following circumstances, an officer shall be entitled to conveyance as is admissible to regular officers:—

- (1) On being compelled to resign his commission through circumstances beyond his control.
- (2) On dismissal or removal from the service or on being permitted to resign the commission to avoid dismissal.

(G.O. Ms. No. 706, Finance, dated 29th June 1962.)

Lien.

Temporary Government servants and persons on work charged establishment have no lien, in the technical sense, on the civil post held by them. However, on release from the military duty, all such persons should be absorbed in the posts in which they would have continued but for their "embodiment" subject to those post being available. If the post held by them is abolished while they are on active service they will be treated to have ceased to be in civil employment.

Benefits under the "Next Below Rules".

The period of service rendered by the reservists officers will be treated as service outside the ordinary line for the purpose of proviso to Fundamental Rule 22 (b) (11). Accordingly they will be entitled to proforma promotion in their parent department under the next below rule. They will also get seniority in higher post to which they would otherwise be entitled had they not gone on active service.

(Memo. No. 72748-FR/63-3, dated 8th August 1963.)

Appointment of substitutes.—The Heads of Departments concerned or the officers under their administrative control in respect of the posts in the departments for which they are appointing authorities are empowered to appoint substitutes in the place of reservists employed in Government department when called up for periodical military training and for active service as and when the appointment of such substitutes is found necessary in the interest of administration.

(Director of Medical Services Letter P. No. 159-E1/50, dated 9th September 1950, to the Accountant-General, Madras and Finance Memorandum No.11596-C.S.R., dated 14th March 1952.)

APPENDIX II.

PART III.

Matters relating to All-India Service Officers, High Court Judges, etc.

[F.R.—13 and 14-A—Ruling.]

An Officer of the former Secretary of State Services holding substantively a permanent post shall retain a lien on that post while on refused leave granted after the date of retirement under Rule 86 and it shall not be terminated during such leave.

[F.R.—19—Ruling (13).]

In the case of re-employment of Officers who before their retirement were under the rule-making control of the President of the Republic of India, the authority competent to fix the pay and allowances of the appointment in which they are employed can decide whether the pension is to be held wholly or partly in abeyance or not.

[F.R.—26(b)—Ruling (3).]

Periods of overstayal should be excluded in determining the “year of service” for purposes of Schedule I of the Superior Civil Services Rules.

(Letter No.T.1091-A/90-35, dated the 2nd September 1935 from the Comptroller and Auditor General to the Accountant-General, Madras.)

[F.R.—26(b)—Ruling (8).]

“Year of service” in Schedule I of the Superior Civil Services (Revision of Pay, Passage and Pension) Rules, 1924 shall be interpreted as excluding period of extraordinary leave, unless the Government of India or the State Government as the case may be, being satisfied that the leave was taken on account of illness or for any other cause beyond the Government servants control, otherwise directs.

(G.O.No.172, Finance, dated 8th March 1927.)

[F.R.27—Note.]

Note.—In the case of officers promoted to All-India and Imperial services, whose pay is such service is fixed with reference to the pay drawn to them before the promotion in a provincial or other service cases may arise of an officer drawing less pay for a portion each year than an officer junior to him subsequently promoted to the same service. The Secretary of State has empowered the Government of India in such cases to grant an advance increment of pay to the senior officer concerned.

(Government of India No.544, E-A., dated 7th June 1922, G.O.No.635, Finance, dated 26th July 1922.)

[F.R. 30—Ruling (4).]

In relation to an officer of All-India Service the second proviso to Rule 30 no longer subsists being inconsistent with the Government of India Act, 1935.

(Comptroller and Auditor-General's U.O. Note No.1-8A/203-407, dated 14th January 1941.)

[F.R. 46—Ruling (2).] *Additional*

remuneration to High Court Judges.

It is not desirable that Judges of the High Court should undertake for remuneration, work in addition to their duties as Judges. They should not therefore, accept fees for examining.

[Memo. No.26-2, Public (Special), dated 28th February 1935.]

[F.R.46—Ruling (3).]

Additional remuneration to the members of the Indian Civil Service.

It is unbecoming for any member of the Indian Civil Service to appear as a paid examiner at school examinations in the District in which he is employed.

(G.O.No.603, Public, dated 19th May 1897.)

[F.R.49—Ruling(1).]

In the case of All-India Services the State Government possess full powers in the matter of combining appointments under Rule 49.

[F.R.56—Ruling (5).]

A High Court Judge, when appointed is required to agree to resign his appointment on attaining the age of 60 years and he must therefore compulsorily vacate his office in conformity with his own undertaking. Such undertaking should be obtained by Government from persons appointed in India to permanent Judgeship only. In the case of an officiating appointment no such declaration is necessary; but if it is followed by permanent appointment the declaration will be taken before confirmation.

[G.O.No.100, Misc. Public (x), dated 2nd February 1927.]

[F.R.56—Ruling (6).]

The Government of India is precluded from granting extension of service merely to enable a Judge of the High Court to complete pensionable service.

(G.I.F.D., Telegram No.1588, C.S.R., dated 7th September 1920.)

[F.R.56—Ruling (7).]

No officiating or Additional Judge of a High Court should ordinarily continue in office after attaining the age of 60 years. There is however no necessity for requiring an undertaking from these temporary Judges to retire on attaining that age as the appointing authority can so regulate the period of such appointments that the person appointed will not remain in office after attaining the age of 60 years. In the case of an Additional Judge no one above the age of 58 years should ordinarily be appointed if the period of appointment is to be for as long as two years and in the case of an Acting Judge no appointment should ordinarily be made of a person who will have exceeded the age of 60 years before the termination of his acting appointment. In special cases however the President of the Republic of India will be prepared to grant, in the public interest, a short extension of service not exceeding one year.

[F.R. 69—Ruling (3).]

An officer of the State Services who is substantively promoted to the corresponding All-India Service becomes or acquires the status of a member of the latter service and as such under Rule 69(b), the sanction of the President of the Republic of India is necessary to his taking up private employment in India while on leave.

[G.O. No.383, Public (Service), dated 19th February 1936.]

[F.R.69—Third sub-paragraph of Ruling (6).]

In the case of an officer of the former Secretary of State Services, leave salary will be restricted to the amount of pension inclusive of pension equivalent of any retirement gratuity admissible, which, it is anticipated will be admissible to him on retirement. (No subsequent readjustment will be made on the basis on actual amount of pension inclusive of gratuity finally sanctioned.)

(Finance Memo.No.93731, F.R. 60—3, dated 31st October 1960.)

[F.R. 86—Ruling (7).]

Grant of leave to an officer of the Indian Civil Service beyond the date of compulsory retirement.

An Indian Civil Service Officer may be granted leave for six months beyond the date of his compulsory retirement as laid down under Rule 56(b) (1).

(Comptroller and Auditor-General's D.O. No. 543-A 302-25, dated 18th September 1925.)

Leave to High Court Judges after the age of 60.

[F.R. 86—Ruling (8).]

Leave under Rule 86 is not admissible to a High Court Judge after he has vacated his office, as such grant of leave after his attainment of 60 years of age would involve the grant of an extension of service as a High Court Judge. The Government of India can extend the service of a High Court Judge only when such an extension of service is in the public interest. It cannot be said to be in the public interest to sanction an extension of service beyond the age of 60 years merely in order to allow an officer to take leave.

(Comptroller and Auditor-General's Endorsement No.317-A/56-25, dated 5th May 1921.)

[F.R. 86—Ruling (9).]

Leave to High Court Judges who are members of the I.C.S. is not admissible after they have attained the age of 60 years and that the conditions of service of such High Court Judges are finally governed by the rules framed under Section 104 of the Government of India Act, except in the matter of amount of pension to which they are entitled on retirement.

(G.I.F.D. No.F.19—I.V.R.—C.S.R. 26, dated 17th June 1926.)

[F. R.94—Ruling (2).]

Grant of leave preliminary to retirement to a High Court Judge who is on an extension of service—

It is a fundamental principle that a High Court Judge may only be granted an extension of service in the public interest and that a *fortiori* it cannot be sanctioned merely to enable him to take leave. When, however, an extension of service has been sanctioned, it is actual service within the meaning of Rule 1 (2) of the High Court Judges (India) Rules, 1922, and as such entitles the Judge to earn leave and pension. There may be circumstances in which leave may properly be granted within the extended period. Such circumstances may be held to exist where the leave granted is leave which would in the absence of the extension have been taken before the original term of service expires or when the extension actually sanctioned is unexpectedly found to exceed by a short period in real needs of the situation. The legitimacy of the grant of leave in any particular case is therefore a question of fact to be decided with reference to the actual circumstances of the case. The above principles should be followed when leave is granted to a High Court Judge who is on an extension of service.

[G. O.Ms.No.1168, *Public (Special)*, dated 8th November 1929.]

[F.R. 105—Ruling (5).]

Assistant Collectors who are deputed for training in Survey and Settlement are eligible only for the time actually required for the journey as joining time. As regards Sub-Collectors deputed for Judicial training, there is a definite transfer from the Executive to the Judicial line also such officers should be allowed joining time.

[G.O. Ms. No. 1142, *Public (Special)*, dated 5th November 1931.]
